THE DACIA SPIRIT: GOOD THINKING

DISCOVER

THE AUTHENTIC SUV

SIMPLY RUGGED

Nothing can stop it. Now, more than ever, Dacia Duster is the archetypal SUV. Its iconic style, assertive design and new body-tone colours enhance its adventurous character. Today, Duster is available in the Extreme finish, which adds the exclusive Cedar Green colour to its palette for an even more off-road look.

EXTREME, A LOOK MORE DUSTER THAN EVER

Dacia Duster Extreme is instantly recognisable thanks to the attention given to the finishes. Inside, screen-printed door sills and floor mats welcome you on board. As for the shimmer provided by the Copper Brown finishes, it embellishes the front door topstitching, the central armrest and the handbrake. Finally, the washable mixed MicroCloud plastic coated fabric upholstery is designed to cope with any type of adventure.

On the outside, Copper Brown details can be found on the mirrors, identity marking on the sides, modular roof bars and rear tailgate. It exudes a thirst for adventure with its glossy black alloy wheels decorated with Copper Brown centre caps, its wheel arch mouldings and its shark fin antenna.

URBAN ADVENTURER

Because adventure begins at the corner of your street, Dacia Duster is just as at home in the city. With its electrical power-assisted steering, blind spot warning and brand-new EDC automatic gearbox,⁽¹⁾ driving has never been so smooth. And on the engine front, Duster offers a choice of petrol or bi-fuel (petrol and LPG).

(1) Available with the TCe 150 engine.

A FULLY-EQUIPPED PASSENGER COMPARTMENT

Inside, comfort is also on the agenda with the sliding centre console offering additional storage space (almost 1.1 L). On the steering wheel, the backlit buttons are easier to identify. The dashboard accommodates a large 8-inch, semi-flush touch screen, as well as two USB ports.

Two multimedia systems are now available to meet all individual needs: Media Display and its intuitive, user-friendly interface feature an 8-inch screen, four speakers, Bluetooth® connectivity and smartphone replication with Android Auto™ and Apple CarPlay™.

Media Nav, meanwhile, comes with MAP CARE on-board navigation (Western or Eastern Europe maps + 6 free updates for 3 years on-board) and two additional speakers. In the back, passengers have two USB* sockets for charging tablets and smartphones. Peace of mind on long journeys!

BOOT SPACE AND FULL OF IDEAS

You won't believe what you can take with you in Duster. So don't hold back! Luggage, parcels, furniture... your SUV is always ready. The extremely modular layout lets you adapt the passenger compartment to your needs or desires: the loading capacity of the boot, the flexibility in using the interior space (60/40 split fold rear bench seat, but all of the seats can be folded down) maximise your carrying options.

The many storage spaces in the doors and on the backs of the front seats invite you to empty your pockets and enjoy freedom while driving!

MULTIVIEW CAMERA
The MultiView Camera gives you more eyes! It provides front, rear and side views, helping you detect holes, rocks or obstacles that are not always easy to see, and making driving easier for you.

AUTOMATIC WINDSCREEN WIPERS
The rain sensor at the top of the windscreen automatically activates the wipers.

WE'VE GOT YOU COVERED

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

ROADSIDE ASSISTANCE

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 milesΔ after you buy your new Dacia.

DACIA CAR INSURANCE 1

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^.

Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.
