

DACIA DUSTER COMMERCIAL

RUGGED, ROBUST AND REBELLIOUS

May 2021

DACIA

Our Trophy Cabinet

What Car? Best Family SUV, Best for Value

We don't like to brag, but we think it's only right to celebrate our hard work. Take a peek at the awards we've had chucked our way (so far)...

And our most recent additions:

Dacia Duster Commercial.

Nothing fazes the Dacia Duster. Open road or off road*, it'll go wherever you want to go.

With its dominant front grille, ready-for-anything roof bars and new 16-inch wheels, this Van takes on any terrain – and makes it look easy. The added side protection, skid plates and front lighting signature will leave a lasting impression. Ready to go?

Rear seats and seatbelts removed. Fitted wooden floor, load compartment cover, alarm, rubber mats, opaque film over the fixed rear windows as standard.

Rugged, robust and ready for business. It's got everything you need: a payload of up to 492kg, a long, roomy load area and all the tax advantages of a Light Commercial Vehicle, without any of that frivolous nonsense.

We've built our range, which comes in a choice of two trim levels, Essential and Comfort, around the proven TCe 90, TCe 130 and dCi 115 engine.

But what if you hanker after some off-road prowess? Not a problem. There's a choice between a two-wheel drive and selectable 4-wheel-drive system (dCi engine), to give you grip and performance in all conditions.

Whatever your trade: florist, plumber, farmer, the New Duster Commercial has it covered. Prices start from a shockingly affordable £11,995 (ex. VAT)**

Designed for you and your business

Sometimes you're cruising down the motorway, sometimes you want to get off the main roads and explore uncharted territory*. Either way, the Dacia Duster Commercial always knows how to respond.

The Hill Descent Control[†] keeps you on top of your speed. And because your eyes can't be in two places at once. The Rear camera detects objects behind you. Talk about smooth sailing.

HILL DESCENT CONTROL*

REAR VIEW CAMERA

We've added loads of new safety features to the Dacia Duster Commercial.

The Duster Commercial offers:

- Seat frames and large front head rests for improved protection.
- Seat Belt Reminder (SBR) with dashboard display and a warning sound if a seat belt is unfastened.
- Bumper damper and bonnet design for improved energy absorption in case of impact.
- Large door mirrors for better driver visibility.

All versions come with ABS and ESC (Electronic Stability Control) amongst a host of standard safety features.

The Duster Commercial isn't just easy on the eye. It helps to keep you safe and sound behind the wheel, too.

Speed limiter/ Cruise control

Now you can drive under a pre-set speed without having to check your speedometer. Happy days.

Automatic Headlight Activation

The Dacia Duster Commercial offers automatic headlight activation which helps provide a more relaxed safer drive. Bet that's brightened your day...

Loading Volume and dimensions

Meet the perfect companion for any journey. Whether your week is all about work, some surfing fun, or even some intense shopping, the Dacia Duster Commercial's boot compartment can carry everything you need. This boot's loading capacity gives you up to 1500 litres of storage, take what you want, where you want.

The height of comfort

The Dacia Duster Commercial impresses inside and out. The electrical power-assisted steering offers a smooth driving experience, while the rearview camera* makes for perfect parking.

Get connected with the 7" Touchscreen MediaNav system† with built-in navigation and voice guidance capabilities. Mirror your smartphone apps onto the screen through Apple CarPlay™ or Android Auto®**. Now that's smarter thinking.

When it comes to super comfortable seating, our designers really know what they're doing. Sink into plush seats with enhanced lateral support, armrest†, dense foam, long cushions and a height-adjustment system† that'll make every drive a joy.

‡From Essential †From Comfort *

**Compatibility: An iPhone no earlier than iPhone 5 & iOS 7.1, an Android 5.0 (Lollipop). Connecting a smartphone to access Apple Carplay™ or Android Auto® should only be done when the car is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

3. Choose your **engine**

Meet the boss under the bonnet

All our engines are rigorously tested, over 800,000 kilometres of test driving in fact. So you can relax every time you turn the key.

Pick the engine for your lifestyle:

The **TCe 90** petrol engine is a great all-rounder

- 3 cylinder, 999cc engine offers you 90 hp and indicative figures of 45.6 mpg combined with CO₂ emissions of 141 g/km*

For ultimate fuel efficiency, try the **Blue dCi 115** diesel engine in either 2 or 4 wheel drive†

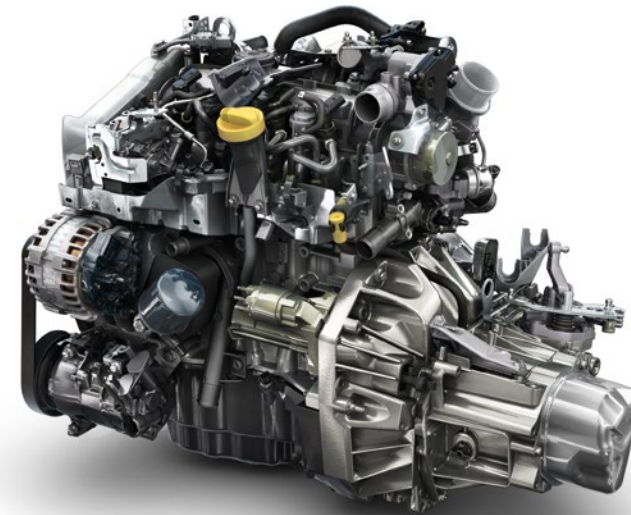

- An impressive 57.6 mpg and CO₂ emissions of only 128-129g/km*

The **TCe 130** petrol engine offers great performance

- Offering 130hp and a great 45.6 mpg with CO₂ emissions of only 141-142g/km*

Blue dCi Engines

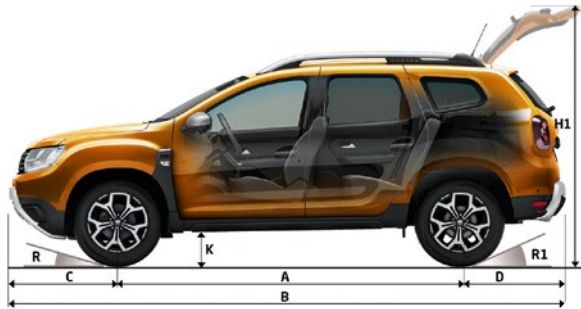

Dacia Duster Commercial benefits from the latest Euro 6 D-Full Blue dCi diesel engines which are equipped with a system to reduce polluting Nitrogen Oxide vehicle emissions by injecting AdBlue®, into the exhaust system. A dashboard message will remind you when the AdBlue® needs topping up via specific AdBlue® filling cap located next to the usual Diesel fuel filler cap. A full tank of AdBlue® will last for 6 full tanks of Diesel.

*WLTP figures shown are for comparability purposes. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration.

We've got it covered

You might think our shockingly affordable prices mean our Vans aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

Roadside assistance

Although our Vans are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles^Δ after you buy your new Dacia.

Dacia Van insurance¹

Dacia Insurance has been specifically created to provide superb protection for you and your van. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^Δ. Dacia Insurance also offers a courtesy van for the duration of a repair at a Dacia Approved Bodyshop.

Servicing

Dacia Service Plans are the ultimate hassle free way to take care of your vehicle. Depending on the Service plan you purchase (see opposite grid) your servicing needs are covered and you benefit from;

- Inflation Proof Servicing – You know exactly what you'll pay and there are no hidden costs
- Peace of Mind – No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Dacia Expertise & Quality – Our highly trained technicians know your Dacia inside out

The Dacia Service Plan contains Dacia services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Dacia is in the best condition possible.

The monthly service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Dacia Finance Ltd. (Not available on cash purchases).

^{*}The Service plan offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicles must be ordered between 8 March 2021 and 30 June 2021 and registered by 30 September 2021. The Dacia Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.dacia.co.uk/services-and-finance/service-plan. Cannot be part exchanged, refunded or transferred.

^Δ The service schedule and intervals are subject to the registration number. Ask your local dealer to confirm your service schedule / intervals as the above is a guideline.

^{**}36 or 48 monthly payments options are only available at point of signing a finance agreement provided by Dacia Finance, Rivers Office Park, Denham Way, Rickmansworth, WD3 9YS. Guarantees and indemnities may be required. You must be a UK resident (excluding the Channel Islands) and over 18 to apply for finance. Terms and conditions apply.

¹ Dacia Insurance is arranged and administered by Verex Insurance Services Ltd, which is registered in England and Wales No. 05686831 at Batchworth House, Church Street, Rickmansworth, Herts, WD3 1JE and authorised and regulated by the Financial Conduct Authority, No. 487185. Verex Insurance Services Ltd arranges policies from a panel of insurers, details are available on request.

^ΔIf your insurer uses non-approved parts which subsequently fail, they may not be covered under your manufacturer's warranty.
