DACIA SANDERO STEPWAY

**GET AWAY
EVERY DAY**

A SENSE OF ADVENTURE

One glance and you're already itching to get away with All-new Sandero Stepway. Its dynamic front end, its powerful wheel rims, its new skid plates, and high ground clearance lend it the energetic and sturdy look of an authentic crossover. With its LED

headlights, its new Y-shaped brand light widens its front end and gives it even more character. Automatic headlights and windscreen wipers ensure better visibility. Sandero Stepway, the adventurer who can adapt to all your needs.

COMFORT THAT'S INTELLIGENT

All the technology you need: step inside effortlessly using the keyless entry card and experience the new passenger compartment's style. Chrome finishes, special upholstery with orange piping, height and depth adjustment of the seats and steering wheel, adjustable headrests, electric parking brake, closed storage space: practicality and comfort are now more evident.

Connect your smartphone wirelessly and use your preferred apps on the 8-inch touch screen. Controls within easy reach provide optimum ease of access to all functions. Everything is clear.

DACIA

PLENTY OF ROOM FOR EVERYTHING YOU NEED

All-New Sandero Stepway takes on the challenge of real life: with its big expandable boot, go from city life to escape in a flash. Fold the seats down in a single motion, adjust the load capacity to suit your needs and stock up on unforgettable moments.

Thanks to an ingenious system, effortlessly convert your roof bars into transverse roof bars to fit a roof box, bicycle rack or ski rack. Ready to take on the world? Get set. Go!

Overall winner

SAY HELLO TO THE BEST CAR IN BRITAIN

The UK's most affordable new car beat some of the most prestigious cars currently on sale to the coveted title, with What Car? proclaiming the Sandero its overall winner based on its comfort, specification, practicality and sheer outright value.

Don't just take our word for it. Here's what What Car? had to say when they tested the All-New Sandero.

"The BMW 4 Series and Porsche Taycan have all set new standards in the past 12 months... but in 2021 they've had the misfortune of coming up against the new Dacia Sandero."

"It's an absolute bargain and an outstanding achievement."

"Even if it cost the same as rivals it would be a great buy but crucially it's available for a price that blows everything else away"

DACIA SANDERO

A UNIQUE ALLY IN THE CITY

SANDERO

THE POWER OF WHAT IS ESSENTIAL

Take a look at the completely redesigned All-new Sandero, a combination of robustness and dynamic lines: simply stunning. Its front and rear Y-shaped brand light puts the finishing touches on a strong, modern identity. Its LED dipped headlights will light up the road at night like never before. The honeycomb radiator grille adds to its personality.

The Sandero spirit you love has also evolved with even greater style in the details: the proof can be seen in the picture with its door mirror shells that match the bodywork. Their reworked shape offers optimal aerodynamics and helps to reduce noise for passengers on board.

DACIA SANDERO

THE ESSENTIALS AT YOUR FINGERTIPS

Automatic Air Conditioning is not available on Sandero in UK markets. It is available on Sandero Stepway.

Everything changes, both the world and your needs, so All-new Sandero has redesigned its interior: optimised comfort, enhanced materials, a new design and user-friendly technologies.

As soon as you step inside, with the automatic remote opening, you feel welcomed into a contemporary environment. Its new panoramic dashboard combines elegance and efficiency. The driver-focused design makes it easy to access all functions, including new, intuitive heating and air-conditioning controls, integrated 8-inch screen - with smartphone replication -, rear parking sensors and reverse camera - which warns you when you're close to an obstacle -, and steering wheel adjustment in height as well as in depth.

DACIA

TAKE CONTROL OF THE SPACE

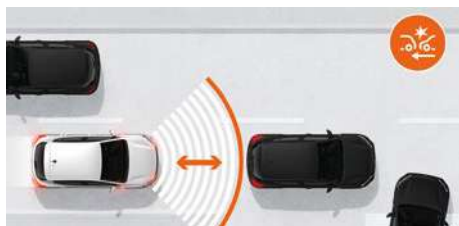

All-new Sandero adapts perfectly to your life. It's resourceful, with a large boot and rear seat that folds down to tailor the space to suit your needs. It also comes with a lot of storage space: cup holder, door storage compartment or closed glove compartment are the ideal answer to your needs for organisation in the hustle and bustle of the city.

With extra shoulder width for the driver and knee room for your rear seat passengers, you can enjoy optimum comfort. All-new Sandero resolutely offers incomparable comfort.

SAFE AT ALL TIMES

For Dacia, nothing is more important than constantly improving the safety of its vehicles, and especially that of its users. You can relax with automatic emergency braking, hill start assist, six standard airbags and blind spot detection. All-new Dacia Sandero and Sandero Stepway provide everything you need for worry-free driving.

Automatic Emergency Braking. Because, sometimes, being focussed and reactive is not enough. You can rely on All-new Sandero and All-new Sandero Stepway to avoid or mitigate minor accidents. Automatic Emergency Braking detects the risk of collision. If you don't react or if you don't react quickly enough, the system triggers and optimises braking.

Blind spot warning*. It's difficult to see everything when you change lanes. The side front and rear sensors of All-new Sandero and All-new Sandero Stepway warn you in the event of a risk of collision with another vehicle from the side or rear.

*Only available on Sandero Stepway.

Rear parking sensors and rear view camera. When driving in town, all parking places can easily be slotted into especially with the compact Sandero. The rear parking sensors and camera will ensure you're fully aware of your surroundings when parking to avoid any tiny accidents.

Hill Start Assist. No need to stress when you start on a slope. This function immediately prevents the vehicle from moving backwards when you release the brake pedal. No need to rush to the parking brake to help you, manoeuvring is as easy as pie.

ACCESSORIES

1. SANDERO aluminium roof bars. Streamlined, easy and quick to assemble, they are ideal for carrying a bicycle rack, ski rack or roof box and increase the carrying capacity of the vehicle.

2. Premium textile floor mats and illuminated front door sills. Enjoy the premium quality of SANDERO premium textile floor mats that will stylishly protect your interior. Also, the door sills (sold in sets of two) will add a touch of light to the car's doorways.

3. Shark aerial*. Add a contemporary touch with this compact aerial, which fits perfectly into your vehicle's design.

4. Tool-free removable tow bar kit*. Thanks to its ball joint that can be easily removed without tools, the aesthetics of your vehicle is preserved. Recommended for frequent use.

5. Swan neck tow bar kit*. Essential for safe towing or transporting of your equipment – e.g. bicycle rack, trailer, boat, caravan, or professional gear.

*These accessories require registration of the vehicle before fitment.

Accessories are fitted post-production and may have an impact on real world fuel (actual) consumption and CO₂ figures. For more information and additional accessories, consult the Sandero, Sandero Stepway Accessories Brochure.

1. EasyFlex modular boot protection. Cover the entire loading area for transporting bulky items. Versatile and waterproof, it folds and unfolds easily to adapt to the position of the rear seats, even when folded down. Not compatible with factory supplied flexible floor unless flexible floor removed.

2. Stainless steel boot sill. Cover and protect the rear bumper with this practical, attractive and customised accessory. With its brushed finish, it brings a designer touch and robustness to the rear of your vehicle.

3. Boot liner. Installs quickly by adapting to the shape of the boot and effectively protects the original carpet with its high edges. Semi-rigid, it is easy to take out and clean. Not compatible with factory supplied flexible floor unless flexible floor removed.

4. Lower door protections*. Accentuate your vehicle's rugged styling while protecting its door bottoms.

5. Front and rear mudguards*. Give the lower body of your vehicle effective protection against splashes of water, mud and gravel.

6. Rubber floor mats with raised edges. These raised-edge mats specially designed for your vehicle make the floor of your passenger compartment watertight. They are easy to maintain and can be quickly fixed in place using the safety clips provided for this purpose.

*These accessories require registration of the vehicle before fitment.

Accessories are fitted post-production and may have an impact on real world fuel (actual) consumption and CO₂ figures. For more information and additional accessories, consult the Sandero, Sandero Stepway Accessories Brochure.

WE'VE GOT YOU COVERED

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

ROADSIDE ASSISTANCE

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 milesΔ after you buy your new Dacia.

DACIA CAR INSURANCE¹

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^Δ. Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.
