

Dacia Sandero Stepway

Introducing Dacia Sandero Stepway

All the style of a Sports Utility Vehicle. All the practicality of a family hatchback. Enjoy the best of both worlds with the new Sandero Stepway crossover.

Its raised ride height gives you a commanding view of the road ahead. Its black wheelarch extensions, side sills and front and rear skid plates make it every inch a robust SUV. Yet there's a suave and sophisticated side to those rugged good looks: 16" 'Stepway' design wheels, satin chrome roof bars and a choice of four optional stunning metallic colours give Sandero Stepway an assured presence about town.

Off-roader style no longer means off-roader running costs. Sandero Stepway offers a choice of two frugal engines, which blend brisk performance with exceptional fuel efficiency and low CO₂ emissions. Using turbocharging technology, the state-of-the-art TCe 90 petrol engine generates an impressive 90hp from just 3-cylinders, yet achieves 55.4 mpg. Or, for ultimate cruising ability, choose the dCi 90 turbo-diesel engine, which achieves 74.3mpg and emits just 98 g/km of CO₂. So, you really can enjoy the best of both worlds.

With prices starting from just **£8,495*** on-the-road, Sandero Stepway is a crossover at supermini prices. Choose from two simple versions: the stylish and affordable Ambiance or the luxurious Lauréate, complete with MediaNav touchscreen navigation, air conditioning and rear parking sensors as standard.

Sandero Stepway. SUV style. Supermini costs.

*Manufacturer's "On The Road" Recommended Retail Price includes delivery to the dealer premises, number plates, a one-litre bottle of oil for all cars, 12 months government road fund licence (depending on CO₂ emissions) and First Registration Fee at £55. Other goods or services supplied by agreement between the customer and the Dealer are not included.

EU Directive and Regulation 692/2008 test environment figures. Fuel consumption and CO₂ may vary according to driving styles, road conditions and other factors.

* Official Fuel consumption figures are produced for comparison purpose and are measured according to the European Directive 80/1268/EEC. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk

Network

To find your nearest Dacia dealer, please consult the dealer locator on our website at www.dacia.co.uk. Alternatively, you can call our Dacia Customer Services helpline on 0344 3351111.

Servicing

The service interval on all versions of Dacia Sandero Stepway is 1 year or 12,000 miles, whichever limit is reached first. Your local Dacia dealer is fully equipped to service your Dacia Sandero Stepway.

Warranty

Your new Dacia is covered by a standard 3 year / 60,000 mile* warranty package. Under the terms of this Warranty, your Dacia dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Dacia. Your new Dacia also comes with a 2 year paintwork warranty, as well as a 6 year anti-corrosion warranty.

Extended Warranty

At Dacia, we don't force you to pay a premium for a longer warranty if you don't want one, but we'll offer you the opportunity to purchase one if you do. By extending your warranty, you'll benefit from ongoing protection from mechanical and electrical failure after the standard manufacturer's warranty has expired. Extended warranties may be purchased at any time up to one year after the first date of registration. You can choose to extend your Warranty to the following levels:

- 5 years / 60,000 miles*
- 7 years / 100,000 miles*

Roadside Assistance

We don't expect it to happen, but we'll ensure help is on hand if it does. In the event of a breakdown, help is just a phone call away with Dacia Assistance. This service is provided 24 hours a day, 365 days a year. We'll provide prompt roadside assistance in the UK and Northern Ireland for the first 3 years / 60,000 miles*, in line with the terms of the standard manufacturer's Warranty.

* From first date of registration. Expires on the first of the two limits reached.

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Dacia UK reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications, equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Dacia Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.
