look at it

Dacia

Duster

Leaves the rest **in the dust**

Bet you never thought you could get a brand-new, award-winning off-roader for **less than £10k***. Well that's what makes the Dacia Duster one of a kind.

It's tough enough for weekend adventures off-road, reliable enough for city commutes, big and comfy enough for all the family. And let's not forget, it's a looker.

We're not into nonsense extras, but you can pick and choose the features, trims and accessories that suit your life. Plus we give you a **3-year warranty as standard**. What's not to love?

Carbuyer have thrown a fair few awards our way[^] But you know what? We'd rather you decide for yourself. **Get stuck in.**

Riding **high**

Driving on the straight and narrow around town? The Duster makes it fun. Want to get off the beaten track? The Duster makes it look easy.

Hop inside and feel like ruler of the road with its high ride height on **16" wheels**. Then start its **4-cylinder dCi 110** diesel engine, with smart **Stop & Start tech**, and get moving. When you want to turn off and change terrain, adjust your Duster's grip with the flick of a switch on your **3-mode 4-wheel-drive system***.

You can count on a smooth and safe ride, even in tricky conditions with **ABS**, **Electronic Stability Control** and **Traction Control** as standard. Upgrade your visibility with **fog lights**[†], or relax more with **cruise control**[^]. This is your Duster – choose the features that fit your life.

* 4x4 versions only.

† Standard on Air and above.

Step **inside**

If roomy, practical and damn comfortable is what you're after, then here's a car you'll want to spend time in.

Your Duster's got five proper seats so there's room for the whole family. The 475* litre boot expands to an impressive 1,636* with the back seats folded down – you can fit anything from a big shop to a weekend's camping gear, no fuss. Always stay at the perfect temperature with its **4-speed air-con** as standard.

We can't stop the little ones getting crumbs all over the seats or pups with mucky paws, but luckily the black cloth seats are easy to clean as well as comfortable.

For us, safety always comes first. So all of our models give you the security features you'd expect, like **front and side air-bags, seatbelt fastening warnings, child lock, height-adjustable seats and headrests.**

Tech on deck

You can customise your **Duster** with lots of gadgets. Finding your way from A to B, making calls and staying connected – if it's not genuinely useful, you won't find it in a **Duster**.

Our 7" Touchscreen MediaNav system covers all bases. SatNav with voice guidance makes navigation a piece of cake. If nothing takes your fancy on your DAB, FM and AM radio, why not plug your phone in via AUX or USB and play your own tunes? If you need to make or take a call, do it easily with Bluetooth™ connectivity*. You can get all these features on the **Nav+** model.

Navigation

Provided by Navteq with vocal guidance.

Radio

Listen to DAB, FM or AM radio.

Phone

Bluetooth® technology* allows you to make and receive calls on the move.

Music

DAB/FM/AM tuner, connect devices via USB and AUX sockets.

The engine room

It packs a punch

With us, affordable doesn't mean cutting corners – it means smart. We develop our engines with Nissan and Renault technology, and test them rigorously. So you can turn the key with confidence.

Pick the engine for your lifestyle:

The standard model **SCe 115** is a great all-rounder

- 4-cylinder, 115bhp, 1,598cc. It racks up 44.1mpg and CO₂ emissions of 145g/km (4x2)*.

The turbocharging **TCe 125** combines more power with less emissions

- 4-cylinder, 125bhp, 1,197cc. It averages 46.3 mpg and its CO₂ emissions are 138g/km (4x2)*.

Get ultimate fuel-efficiency with the 1.5 **dCi 110** diesel engine

- A whopping 64.2mpg and really low CO₂ emissions of 115g/km (4x2)*.

Prefer an automatic?

Good news – you can enjoy smooth sailing with a 6-speed dual-clutch EDC automatic gearbox† on Nav+ model. Upshifting is fast and smooth, with no jerking or loss in acceleration.

*Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit in Kind go to www.renault.co.uk.

†For more comfort and pleasure, the EDC 6 speed dual-clutch automatic gearbox is offered with the dCi 110 engine.

We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Duster is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 7 years for a great price.

We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Duster will stay looking good-as-new for years to come.

Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles^Δ after you buy your new Dacia.

Servicing

Just like most cars, you need to get your Dacia serviced every year (or 12,000 miles if that comes first).

When the time comes, your local Dacia workshop is the place to go. With us you always get Dacia-trained experts, and original Dacia parts with a one-year warranty.

Want a helping hand? We make it easy to spread the cost of your servicing needs with Finance. Just speak to your Dealer or check the Dacia Price Guide for more information.

*Dacia warranty ends when you reach the age or mileage limit (whichever comes first). Subject to status, terms and conditions apply. The monthly Service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Dacia Finance Ltd. For full Dacia Warranty Terms and Conditions visit www.dacia.co.uk/services-and-finance/warranty.

† Available to purchase from first date of registration up to end of manufacturer warranty.

[^]The Service pack offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicle must be ordered between 1st April 2018 and 30th June 2018 and registered in 2018. The Dacia Service pack covers the manufacturer's minimum maintenance programme requirements for the term of the Service pack purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service packs do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service pack full Terms & Conditions visit www.dacia.co.uk/services-and-finance/service-plan. Cannot be part exchanged, refunded or transferred.

The Dacia Community

For us, putting in the extra mile doesn't stop at making great value cars. We take great pride in playing an active part in the community and giving back to communities throughout the UK. We support the life-saving work of the **Nationwide Association of Blood Bikes**. We get stuck in as the **official partner of Rugby League**. We also run an annual **Dacia Day**, full of fun and games for our amazing Dacia drivers – maybe we'll see you there next year? In the meantime, keep up with us on our Facebook page or Youtube Channel.

The Dacia way

Fourteen years isn't long. But in that time we've grown from unknown to worldwide warriors. We've sold 4.5 million Dacias globally since 2004. And since we launched in the UK in 2013, 100,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear, whether you buy online or at our dealerships across the country. Plus, they're shockingly affordable.

Maybe that's why we've been the **fastest growing car brand** in Europe since 2004. Or maybe it's the awards we keep winning. Who knows? Don't just take our word for it – we've been left loads of genuine customer reviews on **Dacia.co.uk**, and we're pretty popular on car forums too.

Did you know we're part of the **Renault Nissan Alliance**, and share our head office with Renault? That means we also share their **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Drop in; it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.

Take your **first adventure**
