

Dacia Logan MCV Stepway

A good thing, **made even better**

Just add **adventure**

A little more about our **MY18 range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

Off-road spirit, **on-road performance**

How do you make a good thing better? We took our already pretty impressive Dacia Logan MCV MY18 and gave it something extra special.

The result is a great mix of style and substance, whether you're cramming it to capacity with camping gear or cruising to the cinema with the kids.

With **16" wheels, LED daytime running lights, a restyled rugged grill and raised ride height**, you'll feel in charge wherever you go.

Throw in the **Media Nav with 7" touchscreen and Apple CarPlay™ / Android Auto™***, cruise control and rear parking sensors. And you'll find it a dream to drive.

It's economical too. So while it looks ready to take on the world, it needn't cost you the earth to run.

* Available on vehicles built from December 2018. Compatibility: An iPhone no earlier than iPhone 5 & iOS 7.1, an Android 5.0 (Lollipop). Connecting a smartphone to access Apple CarPlay™ or Android Auto™ should only be done when the car is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

Dacia Logan MCV Stepway MY18

A comfortable **space**

The Logan MCV Stepway MY18 isn't just better on the outside. The interior is pretty special too. After all, it's what's inside that counts.

The **573 litre boot** capacity grows to an impressive 1,518 litres with the back seats folded flat. How's that for roomy? Shopping, suitcases, pets, cheeky little monkeys (AKA kids)...they'll all fit comfortably in.

Then there's the snazzy upholstery, air vents and steering wheel. Fancy.

There's also **air conditioning**, remote central locking, electric windows throughout and more satin chrome surrounds than you can shake a stick at.

Of course, looks mean nothing without safety. So we've made it a priority. ABS, height-adjustable head rests, airbags and Electronic Stability Control (ESC) are all there for you and your family's peace of mind too.

Tech on tap

The Logan MCV Stepway MY18 is no slouch when it comes to useful (and fun) gadgets and accessories.

Rear parking sensors, eclectic windows throughout, cruise control and speed limiter. They're all there to help you hit the road safely and easily.

Then there's the 7" **Touchscreen MediaNav** system, including **SatNav** with voice guidance, **DAB**, FM and AM radio, and Bluetooth™ connectivity*. Whether you're rocking out to the radio, making and taking calls safely or staying on the right route, with the Logan MCV Stepway MY18 it's all sorted. Leaving you free to enjoy the ride.

The engine room

Reliable power to fuel your adventures

Whether you're putting the Logan MCV Stepway MY18 through its paces or picking the kids up from school, you can relax every time you turn the key. All our engines are rigorously tested, over an impressive 800,000 kilometres of test driving.

Pick the engine for your lifestyle:

The turbocharging **TCe 90** engine offers more performance

- Produces 90hp from its 3-cylinder, 898cc engine, yet still achieves 43.5 - 45.6 mpg combined and CO₂ emissions of 121 - 125 g/km*

The efficient **Blue dCi 95** engine offers amazing economy

- Producing 95hp from the 1461cc engine and achieving an amazing 60.1 - 62.7 mpg combined and CO₂ emissions of 97 - 103 g/km*

* WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however until April 2020 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration. Please visit dacia.co.uk/configure for WLTP figures for any selected options.

† Vehicle Excise Duty: first 12 months.

* Genuine leather on central section; synthetic leather on side bolsters and rear.

Blue dCi Engines

Logan MCV Stepway benefits from the latest Blue dCi diesel engines which are equipped with a system to reduce polluting Nitrogen Oxide vehicle emissions by injecting an urea based fluid, AdBlue®, into the exhaust system. A dashboard message will remind you when the AdBlue® needs topping up via specific AdBlue® filling cap located next to the usual diesel filler cap. A full tank of AdBlue® will last 6 full tanks of diesel.

The Dacia Community

For us, going the extra mile doesn't stop at making great value cars. We take great pride in playing an active part in the community and giving back to communities throughout the UK. We support the life-saving work of the Nationwide Association of Blood Bikes. We proudly support Future Terrain, a charity that helps injured ex-service personnel back into employment through motorsport and vehicle engineering. We get stuck in as the official partner of Rugby League. Now the proud sponsors of the Nation England Rugby League teams for Men, Women, Wheelchair and Youth. We also run Dacia Days, which are full of fun and games for our amazing Dacia drivers - keep up to date with us on Facebook, Twitter, Instagram and our YouTube channel.

Our Trophy Cabinet

We don't tend to make a song and dance about our cars. It's not our way. But it's fine, because lots of people are happy to do it for us!

We are almost embarrassed, but for 7 years in a row Sandero has won What Car? 'Best Small Car less than £12,000'.

And now the All-New Duster has been awarded 'Best Family SUV for less than £18,000' by What Car? It was also crowned 'Best Off-Roader' in the Parkers New Car Awards. 2019.

To top it all off, Dacia even won 'Best Value Brand' at the Auto Trader New Car Awards 2018.

Sandero Awards:

All-New Duster Awards:

"There really are very few cars on sale in any class that can match the Duster's value-for-money offering"

What Car?

★★★★☆
"All-New Duster is a very impressive car"

CAR

★★★★☆
"In terms of sheer value, the second-generation Duster is very much in a class of its own"

Autocar

★★★★☆
"The value, just look at the value! It's also big and surprisingly cheery"

Top Gear

"And no car available for similar money has anything like as much space and practicality"

The Dacia way

Fifteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 5 million Dacias globally since 2004. And since we launched in the UK in 2013, 140,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent award Autotrader's best value brand 2018. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.co.uk**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Drop in; it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.
