

Dacia Logan MCV Stepway

A good thing, **made even better**

Just add **adventure**

An all-round great experience

Roomy and racy? Sturdy and stylish? Rugged looks and real comfort? You might think you're expecting too much from one car, but we're not fazed. In fact we've built it, and it's called the New Dacia Logan MCV Stepway.

As well as a raised ride height, it really raises the bar for what an affordable car can do.

First you'll notice its cool SUV stylings, like chrome skid panels, rugged honeycomb grill and roof bars.

Then there's its best-in-class interior space, offering plenty of room for all your family, pets, luggage and even the kitchen sink (if that's your thing). As if that wasn't enough, it's shockingly affordable to boot.

Auto Express agree, calling it "A well built, rugged and practical car that now has extra kerb appeal". But it's what you think that really matters. Get out there and **see what it can do**.

Off-road spirit, **on-road performance**

How do you make a good thing better? We took our already pretty impressive New Dacia Logan MCV and gave it something extra special.

The result is a great mix of style and substance, whether you're cramming it to capacity with camping gear or cruising to the cinema with the kids.

With 16" wheels, new headlights with LED daytime running lights, a restyled rugged grill and raised ride height, you'll feel in charge wherever you go.

Throw in the **7" MediaNav touchscreen navigation**, cruise control and rear parking sensors. And you'll find it a dream to drive.

It's economical too. The dCi 90 diesel engine reaches 72mpg* on the combined cycle. So while it looks ready to take on the world, it needn't cost you the earth to run.

* Figures are obtained for comparative purposes in accordance with EU Legislation and may not reflect real life driving results.

Dacia Logan MCV Stepway

A comfortable **space**

The Logan MCV Stepway isn't just better on the outside. The interior is pretty special too. After all, it's what's inside that counts.

The **573 litre boot** capacity grows to an impressive 1,518 litres with the back seats folded flat. How's that for roomy? Shopping, suitcases, pets, cheeky little monkeys (AKA kids)...they'll all fit comfortably in.

Then there's the snazzy new upholstery, air vents and steering wheel. Fancy.

There's also **air conditioning**, remote central locking, electric windows throughout and more satin chrome surrounds than you can shake a stick at.

Of course, looks mean nothing without safety. So we've made it a priority. ABS, height-adjustable head rests, airbags and Electronic Stability Control (ESC) are all there for you and your family's peace of mind too.

16" 'Stepway' design wheels

Tech on tap

The Logan MCV Stepway is no slouch when it comes to useful (and fun) gadgets and accessories.

Rear parking sensors, eclectic windows throughout, cruise control and speed limiter. They're all there to help you hit the road safely and easily.

Then there's the 7" **Touchscreen MediaNav** system, including **SatNav** with voice guidance, **DAB**, FM and AM radio, and Bluetooth™ connectivity*. Whether you're rocking out to the radio, making and taking calls safely or staying on the right route, with the Logan MCV Stepway it's all sorted. Leaving you free to enjoy the ride.

The engine room

Reliable power to fuel your adventures

Whether you're putting the Logan MCV Stepway through its paces or picking the kids up from school, you can relax every time you turn the key. All our engines are rigorously tested, over an impressive 800,000 kilometres of test driving.

Pick the engine for your lifestyle:

The turbocharging **TCe** engine offers more performance

- Produces 90bhp from its 3-cylinder, 898cc engine, yet still achieves 55.4 mpg combined and CO₂ emissions of 115g/km*.

For ultimate fuel efficiency, try the **dCi 90** diesel engine.

- An impressive 72.4 mpg and CO₂ emissions of only 100g/km*.

*Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment, for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Rest assured, the Logan MCV is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 7 years for a great price.

We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Logan MCV will stay looking good-as-new for years to come.

Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles* after you buy your new Dacia.

Servicing

Just like most cars, you need to get your Dacia serviced every year (or 12,000 miles if that comes first).

When the time comes, your local Dacia workshop is the place to go. With us you always get Dacia-trained experts, and original Dacia parts with a one-year warranty.

Want a helping hand? We make it easy to spread the cost of your servicing needs with Finance. Just speak to your Dealer or check the Dacia Price Guide for more information.

† Available to purchase from first date of registration up to end of manufacturer warranty.

^ The Service pack offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicle must be ordered between 1st April 2018 and 30th June 2018 and registered in 2018. The Dacia Service pack covers the manufacturer's minimum maintenance programme requirements for the term of the Service packs purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service packs do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service pack full Terms & Conditions visit www.dacia.co.uk/services-and-finance/service-plan. Cannot be part exchanged, refunded or transferred.

The Dacia way

Fourteen years isn't long. But in that time we've grown from unknown to worldwide warriors. We've sold 4.5 million Dacias globally since 2004. And since we launched in the UK in 2013, 100,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear, whether you buy online or at our dealerships across the country. Plus, they're shockingly affordable.

Maybe that's why we've been the **fastest growing car brand** in Europe since 2004. Or maybe it's the awards we keep winning. Who knows? Don't just take our word for it – we've been left loads of genuine customer reviews on **Dacia.co.uk**, and we're pretty popular on car forums too.

Did you know we're part of the **Renault Nissan Alliance**, and share our head office with Renault? That means we also share their **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Drop in; it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.

Take your **first adventure**

Make a smart choice today.
