

New Dacia Logan MCV

1 January 2017

Welcome to Dacia

You've probably realised by now, but we're not your usual car brand. We began with the dream that more people should have the opportunity to own a new car. To make it a reality we created a range that combines space and quality at an unbelievable price. We believe in function over frivolity and that by being simple, reliable and smart we can make a real difference.

Dacia's are cleverly designed, reassuringly robust and incredibly reliable. They're also shockingly affordable because we only ask drivers to pay for what they need, not the fancy extras they'll never use. It's an approach that has rewarded us with incredible growth across Europe since 2004 and won us more awards than we know what to do with.

We hope you like what you see and will join us in the Dacia family.

Our awards

We don't tend to make a song and dance about our cars. It's not our way. But that's fine, because lots of people are happy to do it for us.

When it launched in the UK in 2013, the Dacia Sandero won the What Car? Best Small Car Under £12,000 award. It's gone on to win it every single year since.

Dacia's been voted 4th best car brand from 32 other brands in the most recent Auto Express, Driver Power Survey, and has been in the top five since 2014. In the same survey, Dacia Logan MCV was voted the best family car. Not too shabby eh?

Dacia was also voted the 4th most reliable car brand in the 2016 Which? Car Survey – receiving a 90% satisfaction score based on feedback from more than 59,000 UK car owners reliability survey.

Dacia was awarded a Silver Award in the recent Auto Express Driver Power survey for Dealer Aftersales Service Satisfaction showing our commitment to customer service.

It just goes to show – if you refuse to compromise, anything is possible.

Dealer Service and Repair Experience

Silver Winner

Dacia

Introducing New Dacia Logan MCV

Once upon a time, vast interior space went hand-in-hand with vastly inflated prices. Then, along came New Dacia Logan MCV and times changed. Say hello to a new reality...

With best-in-class boot capacity and ample interior space for five adults, New Logan MCV offers plenty of versatility for the entire family. Every inch a "Maximum Capacity Vehicle", New Logan MCV makes responding to the real demands of life that little bit easier. Whether it's a new piece of furniture or your family and their luggage, New Logan MCV's extraordinary load capacity will get you there with room to spare. With a 573 litre boot which expands to 1,680 litres with the rear seats folded down, transporting large and awkward items is a doddle. New styling features are also bound to impress; including restyled front and rear bumpers, new front grille, and LED day time running lights

With New Logan MCV, big space doesn't mean big running costs. The state-of-the-art TCE 90 (available on Ambiance trim and above) 3-cylinder turbocharged petrol engine combines peppy performance with frugal fuel efficiency and CO2 emissions of just 109 g/km. Or, for long distance cruising, why not choose the dCi 90 (available on Ambiance trim and above) diesel engine, with combined fuel consumption of 80.7 mpg and CO2 emissions of just 90 g/km?*

At Dacia, our simple range of cleverly designed cars uses only useful technology. New Dacia Logan MCV offers a groundbreaking combination of practicality and affordability. If you're after technology in your car, Lauréate trim is for you: the MediaNav fully-integrated touchscreen multimedia system, featuring Bluetooth[®] connectivity and satellite navigation, is standard; and rear parking sensors will give you that added peace of mind. With three simple trim levels, a range of useful options including an extended warranty up to 7 years / 100,000 miles, it's easy to tailor a package to suit you.

Dacia Logan MCV. Maximum Capacity. Minimal cost.

Engines

At Dacia, we believe that having an affordable car shouldn't mean having to compromise on engine quality. Rigorous testing of Dacia engines is carried out at our state-of-the-art test centres, with each variant undergoing 20,000 hours of running on the test bench and 800,000 kilometres of test driving.

The Dacia Logan MCV offers you three types of engine.

The new SCe 75 engine offers you 73 hp from its 3-cylinder, 1,000cc engine achieving 52.3 mpg combined and CO₂ emissions of 120g/km*.

The TCe engine brings you more performance without excessive price. Thanks to turbocharging technology, the TCe 90 produces 90bhp from its 3-cylinder, 900cc engine, yet still achieves 57.7 mpg combined and CO₂ emissions of 109g/km*.

For those seeking ultimate fuel efficiency, the dCi 90 diesel engine achieves 80.7 mpg combined and only 90g/km CO₂*.

* Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit in Kind go to www.renault.co.uk

Dacia warranty ends when you reach the age or mileage limit (whichever comes first). For full Warranty Terms and Conditions visit <http://www.dacia.co.uk/services-and-finance/warranty>. *Available to purchase from first date of registration up to end of manufacturer warranty. †The Loyalty Pack offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicle must be ordered between 1st January 2017 and 31st March 2017 and registered in 2017. The Dacia Service Plan covers the manufacturer's minimum maintenance programme requirements for the term of the Loyalty Pack purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Loyalty Pack do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. To qualify you must order and purchase the Loyalty Pack from a Dacia Approved outlet before the first service or within the first 12 months (whichever comes first). For Loyalty Pack Full Terms & Conditions visit www.dacia.co.uk/services-and-finance/service-plan. Cannot be part exchanged, refunded or transferred.

New Dacia Logan MCV

Network

To find your nearest Dacia dealer, please consult the dealer locator on our website at www.dacia.co.uk. Alternatively, you can call our Dacia Customer Services helpline on 0344 3351111.

Roadside Assistance

We don't expect it to happen, but we'll ensure help is on hand if it does. In the event of a breakdown, help is just a phone call away with Dacia Assistance. This service is provided 24 hours a day, 365 days a year. We'll provide prompt roadside assistance in the UK and Northern Ireland for the first 3 years / 60,000 miles*, in line with the terms of the standard manufacturer's Warranty.

Servicing

The service interval on all versions of Dacia Logan MCV is 1 year or 12,000 miles, whichever limit is reached first. Your local Dacia main dealer is fully equipped to service your Dacia Logan MCV.

For customers who prefer to budget their costs monthly we offer the options to pay for servicing through finance. For more information please refer to your Dacia dealer or the Dacia Price Guide.

For full Service Plan terms & conditions please visit www.dacia.co.uk/services-and-finance/service-plan

Warranty

Your new Dacia is covered by a standard 3 year / 60,000 mile* warranty package. Under the terms of this Warranty, your Dacia dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Dacia. Your new Dacia also comes with a 2 year paintwork warranty, as well as a 6 year anti-corrosion warranty.

Extended Warranty

At Dacia, we don't force you to pay a premium for a longer warranty if you don't want one, but we'll offer you the opportunity to purchase one if you do. By extending your warranty, you'll benefit from ongoing protection from mechanical and electrical failure after the standard manufacturer's warranty has expired. Extended warranties may be purchased at any time up to one year after the first date of registration. You can choose to extend your Warranty to the following levels:

- 5 years / 60,000 miles*
- 7 years / 100,000 miles*

For full Warranty Terms & Conditions visit www.dacia.co.uk/services-and-finance/warranty

* From first date of registration. Expires on the first of the two limits reached. Subject to status, terms and conditions apply. The monthly Service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Dacia Finance.

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Dacia UK reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications, equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Dacia Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.
