

MOKKA X

VAUXHALL
British Brand since 1903

YOU GOT THIS.

That feeling when things feel right – a little shiver of pleasure.

Mokka X hits that spot. It's a mix of the familiar with the unexpected, blending city-savvy tech with off-road thrills.

Inside its effortlessly comfy interior, you'll enjoy nice extra height, with the feel-good factor of a great view all around you.

You've got extra traction too. Mokka X packs extra muscle with its intelligent four-wheel drive system for better stability, grip and handling. So whether you're on the motorway, nipping round town or off-road, it stays on track.

Plus you get plenty of extra clever tech too. On the safety side there's LED Adaptive Forward Lighting*, as well as touchscreen infotainment.

So wherever you're going, Mokka X gets you right there.

*Optional at extra cost.

Complete the picture

We've only skimmed the surface in this brochure – if you'd like details of exactly what's available on every single model, you'll need a copy of our comprehensive Mokka X Price and Specification Guide. It contains everything you need to know about the entire Mokka X range and it's only a click away. Check out vauxhall.co.uk/gomokkax

LIVE THE HIGH LIFE.

Underneath that rugged exterior, Mokka X shows off plenty of sophistication. Here's a taste of the highlights – beginning with some rather clever headlights:

- 1. LED Adaptive Forward Lighting*** tailors the shape of your headlights' beam for up to nine different driving situations, giving you optimum visibility at all times. Be enlightened on page 13.
- 2. Premium interior design** makes your Mokka X a great place to spend time. The clean, uncluttered cabin adds a feeling of calm to every journey. Practical technology puts you in control. And carefully crafted details give you an extra sense of luxury. Head to page 8 to take a closer look at the Mokka X interior.
- 3. 4X4 intelligent All Wheel Drive** will automatically distribute the power between the front and rear wheels to optimise Mokka X's traction in difficult conditions, giving even greater grip. Steer your way to page 10.
- 4. R4.0 IntelliLink.** Stay informed and entertained with a state-of-the-art infotainment system, featuring a touchscreen interface that seamlessly integrates your digital devices using either Apple CarPlay™ or Android Auto™. Fast forward to page 19.
- 5. Ergonomic active seats†**, specially certified by the AGR**, with extendable thigh support and an adjustable lumbar area to support you in all the right places and keep your back healthy. Sit back, relax and check out page 8.
- 6. Ski and snowboard carrier.††** Skiers can carry up to six pairs of skis or four snowboards safely and securely with this tough carrier, available as an accessory. To discover more lifestyle accessories, head to pages 24-25.

*Optional at extra cost. **AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany.
†Optional at extra cost on certain models.
††Must be used in conjunction with base carrier system.
Apple CarPlay and Apple are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc.

TAKES TOWN AND COUNTRY TO A DIFFERENT CLASS.

Mokka X brings premium design and practicality to the street smart SUV. Nicely compact with a muscular shape, it not only looks and drives great in the city, but has the ride height and big alloy wheels to go off-road with confidence.

- 1. Xtra all-round.** In every detail, Mokka X shows off urban style with a rugged attitude.
- 2. Ready for action.** Useful features like roof rails enhance Mokka X's poised and sporty look.
- 3. Let the outdoors in.** The big glass sunroof* adds to the great sense of space inside.

*Optional at extra cost.

FEELS GOOD INSIDE.

Step into the Mokka X, and the first thing you'll notice is its premium quality and elegant minimalism. Its airy, uncluttered cabin and fascia give you a true sense of spaciousness, heightened by Mokka X's elevated position that gives you a clear view of the road ahead.

Detailed refinement and upscale quality continue throughout the cabin. Deeply contoured ergonomic active seats*, smart technology and thoughtful features show off the careful design that has gone into the Mokka X interior.

Storage space is also generous and clever, with improved arrangements that are even more useful. Throughout the cabin, delicate curves complement the high-quality trim to highlight the cool, calm and comfortable feel of Mokka X's interior. Welcome inside.

- 1. Clarity and style.** The clean, uncluttered layout of the centre console with the integrated IntelliLink touchscreen display makes it easy to find key controls at a glance.
- 2. Practical technology.** Complementing the IntelliLink touchscreen display, the driver display in the instrument cluster shows up loud and clear.
- 3. Crafted with care.** Stylish fascia stitching shows off the Mokka X's quality in even the smallest of details.

*Optional at extra cost on certain models.

IT GRIPS YOU.

Whether you're driving around tight city streets or up steep country lanes, Mokka X is made for the challenge.

Combining brains with brawn, optional 4X4 intelligent four-wheel drive technology gives Mokka X greater traction, stability and control using sensors to continuously monitor the car's grip.

As the road surface changes, the 4X4 system automatically distributes drive between the front and rear wheels to optimise road holding. But the high-tech doesn't end there.

The hill start assist will stop you rolling back on steep hills by automatically releasing the brakes as you pull away, while with a descent control system you can take your Mokka X 4X4 off-road and safely control your speed on steep downhill gradients without having to brake.

LIGHTS WITH BRIGHT IDEAS.

Mokka X is one of the first SUVs to offer full LED Adaptive Forward Lighting (AFL)*. This literally brilliant LED technology automatically adjusts an array of LED beams to illuminate different hazards, depending on the kind of driving or manoeuvre you're performing.

How AFL works. AFL headlights on the Mokka X feature six LED elements that light the road 30% brighter than standard halogen lights, giving you a better chance to see hazards sooner and giving you more time to react in an emergency. The AFL LED system uses data such as the Mokka X's speed, steering angle and indicators to choose the best lighting pattern.

Energy saving mode. Switches off the cornering lights to save energy when the Mokka X's Start/Stop mode is on.

Parking light. In reverse gear, this switches on the front cornering light on both sides of the car to make it easier for you to get in and out of parking spots.

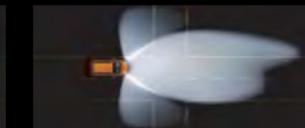

Static cornering light (up to 25mph). When you indicate and turn the steering wheel past a certain angle, extra AFL LED lights come on to show what's around the corner.

Dynamic curve light (25 to 45mph). Above a certain steering angle, extra cornering AFL LED lights give you an illuminated view around higher-speed curves.

Motorway light. Powerful illumination on top of the LED low beam – gives you full-on lighting for maximum visibility at night and on low-lit roads.

Country light. Above 34mph, a longer, broader, dazzle-free, low-beam light helps to illuminate any upcoming roadside hazards.

Urban light. At speeds under 35mph, a wider spread of light shows more of the roadside to help show up pedestrians or other potential hazards.

High beam assist. This safety feature automatically dips your headlights when the AFL LED system detects other vehicles approaching.

Tourist mode.** If you're driving on the continent, the headlights automatically angle slightly downwards to avoid dazzling oncoming traffic.

For more detail on the Mokka X's safety features please click through to the Mokka X Price and Specification Guide, vauxhall.co.uk/gomokkax

*Optional at extra cost. **When activated.

EFFICIENCY WHERE IT COUNTS.

You know what they say – power is nothing without control. Which is why Vauxhall developed intelligent 4X4 technology and fuel-efficient engines for the Mokka X.

The Mokka X delivers:

- A tough yet lightweight chassis for exceptional agility
- Impressive driving performance, both on and off-road
- Low-noise, high-power diesel technology
- ecoTEC technology for reduced emissions and lower fuel costs

Go on – just put Mokka X to the test and we’re sure you’ll have nothing but a smile on your face.

No compromises here. Our ecoTEC 1.4i Turbo (140PS) petrol engine is powerful for its relatively small size, giving great fuel economy without compromise on performance and muscle.

- 1. Save at the pumps.** Our ecoTEC diesel models deliver total efficiency which means you spend less on fuel at the pumps.
- 2. A nice change.** Choose the convenient 6-speed automatic or a hands-on 6-speed manual for amazing response with powerful control.

Fuel economy[#] and CO₂^{*} results for the Mokka X. Combined mpg (l/100km): 34.0 (8.3) – 50.4 (5.6). CO₂ emissions: 167 – 127g/km.

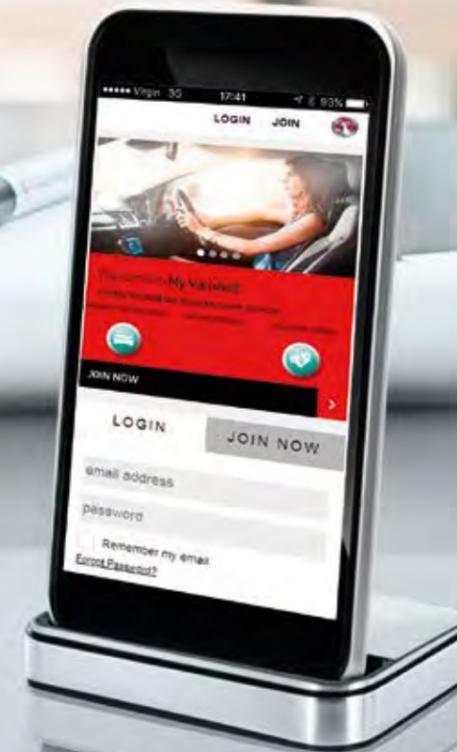

[#]Fuel consumption figures are determined according to the WLTP test cycle.
^{*}CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.
 Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

GET MORE FROM YOUR CAR WITH MY VAUXHALL.

My Vauxhall is your one-stop shop for everything to do with your Mokka X. Organise your car's next service. Get rewards and exclusive savings for you.

- **Manage your Vauxhall** – take care of your Vauxhall online and book a service
- **Exclusive offers** – stay up to date on special offers, the latest news and current events
- **Retailer locator** – find your nearest Vauxhall retailer

HOW TO GET MY VAUXHALL.

Registering for My Vauxhall is simple:

1. When you order your Mokka X, your retailer will help you pre-register for My Vauxhall.
2. We'll send you an e-mail invitation to activate your My Vauxhall account and complete your registration.
3. My Vauxhall is ready to go – use it through any web browser, or the My Vauxhall app on your mobile device, available to download from the Google Play or Apple App Store.

STAY CONNECTED, WHEREVER YOU ROAM.

The Mokka X is one of the best-connected, smartest SUVs in its category. What's more, with IntelliLink as standard too, you can display features from your smartphone¹ to the touchscreen on the fascia, keeping you informed and entertained on the road.

- 1. Smartphone projection.** R4.0 IntelliLink can access applications from your smartphone or tablet device, which can be projected to the touchscreen display. So you can do things like use Maps, or enjoy TuneIn and Spotify, either using the touchscreen or the voice control interface to control the apps.
- 2. The 7-inch multitasker.** The R4.0 IntelliLink also gives you hands-free phone calls and audio streaming through Bluetooth®. And it's compatible with Apple CarPlay™ and Google's Android Auto™, so you can store and personalise all your favourite radio stations.
- 3. Top-of-the-range sat nav.** On top of all that R4.0 functionality, the optional 8-inch Navi 900 IntelliLink² includes a fully-fledged navigation system with bird's eye view mode. You can choose destinations through the voice command mode, the touchscreen or select places from your favourites.

CREATE AN IMPRESSION.

As you'd imagine for a style leader like Mokka X, it comes in a striking array of exterior colours* specially chosen by us. We offer a palette of gleaming solid, brilliant, metallic and premium finishes, designed to give that individual touch to your car. What's more, alloy wheels come as standard – with a range of options to make just the impression you want. Distinctive, impactful and uniquely stylish, they're the boots and shoes that finish off the look of your Mokka X.

Check out all the options at vauxhall.co.uk/gomokkax

*Please refer to the latest Mokka X Price and Specification Guide by clicking through to vauxhall.co.uk/gomokkax for details of colour availability by model and price. BRING IT ON.

Mokka X is made for all kinds of adventures – big and small, extraordinary and day-to-day – so we've put together some accessories to make life on the road easier.

- 1. Hard cargo tray.** When you've got lots of smaller items to load, this made-to-measure tray is a must. High-edged, flexible and washable, it has a non-skid surface to keep loads in one place, and to help keep the luggage area clean and tidy.
- 2. Ski and snowboard carrier.** Perfect for snow sports fans – carry up to six pairs of skis or up to four snowboards using this tough, secure carrier*.
- 3. Cargo organiser.** This collapsible organiser stops things you're carrying from moving around when you're on the road, keeping everything in its right place.
- 4. FlexConnect tablet holder.** Ideal device holder for passengers, so you can mount tablets up high to watch movies, or lower for reading and typing.
- 5. Unique styling.** Yours may not be the only Mokka X on the road, but it's the only one that's yours. Show it with your own choice of styling accessories, including anti-slip side steps, styling inserts and an aerodynamic roof spoiler.
- 6. Dog guard.** Our strong, durable dog guards are tailor-made to fit your vehicle and designed to keep your pet safe.

For a complete choice of our accessories for the Mokka X, visit vauxhall.co.uk/accessories

*Must be used in conjunction with base carrier system.

GO DO YOUR THING.

If you like the look of Mokka X, you'll love to drive it. You see, we made it to strike a perfect balance.

A rugged yet city-savvy SUV that gives you confident control with a full-on 4X4 drive and serious road grip, including intelligent safety features like Adaptive Forward Lighting and Descent Control.

Inside its compact shape you can settle into a super-comfortable, spacious interior with advanced ergonomic design and widescreen views.

And of course you'll enjoy Mokka X's generous infotainment, featuring a 7-inch IntelliLink touchscreen with Bluetooth® streaming.

In every way, Mokka X is tuned for life. But don't just take our word for it. Feel it for yourself.
