# BOLD NOW COMES AS STANDARD

**For those who like to think bigger, think Mokka.** This innovative new model combines the road presence of an SUV, with the dynamic handling of a sports hatchback. And, its sleek, bold design is sure to turn heads from any angle. Then there's the interior. An eye-catching cabin filled with style and outstanding specification that puts cutting-edge design and technology right in your hands. All combined to place a sense of adventure back into your everyday drive.

The vehicles illustrated in this brochure may not necessarily represent the correct final UK specification and not all the features described are available on every model.

# CAPABILITY WITHOUT COMPROMISE

**The Mokka is a car that can handle anything your life throws at it.** There are three distinctive models available to explore: ES, Exclusiv and SE. All seat five friends or family with more than enough room to stretch your legs. And for the more active, the optional Flex-Fix® system can carry up to three mountain bikes. Whatever you do and wherever you go, Mokka maintains precise handling, even on the most demanding of roads – on or off the beaten track. Advanced ergonomically designed seats provide supreme comfort, while clever storage options keep the spacious interior neat and tidy. Plus you can stay in touch while on the move with state-of-the-art infotainment systems.

You can pack the Mokka with high-end technology. Advanced Adaptive Forward Lighting with bi-xenon headlights improves visibility at night, while the innovative front camera system alerts you to changing driving situations by reading traffic signs. It also warns of unintentional lane departure and can even alert you to a potential collision. Proof then that there's really nothing standard about Mokka.

**More traction for more action.** Intelligent All-Wheel Drive technology automatically distributes torque between the front and rear wheels, for better grip and handling in challenging conditions. The Mokka features stylish 18-inch alloy wheels on Exclusiv and SE models.

**Extreme versatility.** With up to 19 storage compartments and a boot that stretches to 1372 litres with the rear seats folded, Mokka gives you a real sense of space. Optional extras only add to the comfort and convenience:

- Leather Pack
- Ergonomic sports driver's seat with armrest
- Rear view camera
- Satellite navigation
