INSANELY
RATIONAL.

CAN A **GREAT VALUE CAR** REALLY BLOW YOUR MIND?

Introducing the all-new VIVA from Vauxhall. Stylish and compact, New VIVA is insanely roomy. Insanely practical. And insanely well-equipped for a car in this class. Quite simply, it's the small car that defies all logic.

Then comes the more rational stuff. Big car features like, cruise control, Lane Departure Warning, electronic climate control and no less than six airbags. A superb range of options, including an electric glass sunroof and heating for the front seats and steering wheel. And of course a versatile, usable loadspace that's simple to access for the weekly shop.

Add to this a punchy 1.0 litre petrol engine with emissions so low you won't have to pay a penny on road fund licence* and up to 65.7mpg** (combined) for a 460 mile range – meaning less visits to the pumps too – and you have a car that feels safe, solid, and purposeful when you're out on the road.

New VIVA, makes total sense – from every angle.

Not all the features listed above are available on every model.

*1.0i SE ecoFLEX model only. On other 1.0i models road fund licence is free for the first year and currently £20 a year thereafter.

**Provisional Data. Fuel consumption figures mpg (litres/100km) and CO₂ emissions (g/km). New VIVA range: Urban 50.4 (5.6) – 52.3 (5.4), Extra-urban 72.4 (3.9) – 76.3 (3.7). Combined 62.8 (4.5) – 65.7 (4.3). CO₂ emissions 104 – 99g/km. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

Nothing makes sense like the all-new, 5-door, 5-seat Vauxhall VIVA. Insanely capable, New VIVA offers all the features you need from your car – at an insanely affordable price.

1. Five doors, loads of room and clever design inside. New VIVA offers quick and simple access for five. Small on the outside maybe, but a surprising amount of room for everyone and all your essentials.

2. Take it easy with our City Mode. Just switch it on and with lighter steering, you won't believe how easy it is to park and manoeuvre into those tight spaces.

3. A window on the world. Open the optional electric glass sunroof at a touch of a button for a breath of fresh air. Not in the mood? Then simply pull the internal blind across.

4. Lane departure warning. Don't worry. Drift out of your lane accidentally and New VIVA will warn you to help keep you on the straight and narrow.

5. Fog lights with safety cornering light function. When you indicate, the cornering lights turn on automatically to light your way around sharp bends. So you stay safe and sound on those dark nights.

6. Heated seats and leather-covered steering wheel. The optional Winter Pack. Another thoughtful feature. Enjoy toasty winter mornings – warm *and* glove-free.

The vehicles illustrated in this brochure may not necessarily represent the correct final UK specification and not all the features or options described are available on every model.
