How to use this brochure

This brochure showcases some of the highlights of Crossland X. You can also click through to our detailed Price and Specification Guide should you require further details. Please note that some of the vehicles shown feature options available at extra cost.

MADE FOR REAL LIFE

It's the stuff life's made of – family, friends, work, play and everything in between. No matter what the moment, Crossland X is ready.

With a sturdy, life-ready design that's packed with smart features like smartphone projection and a rear-view camera, you'll wonder how you ever lived without it.

Add flexible split rear seating and litres of usable load space and you have everything you need to get on with life. Day in, day out.

LOOKS GOOD, DOES GREAT

Whatever your plans for the day might be, Crossland X allows you to make the most of every moment.

With a bold design and sleek, muscular curves that turn heads from every angle. Plus a stylish two-tone floating roof that'll make you the envy of every parent on the playground. What more could you want?

GET IN

Spacious and flexible inside, with plenty of useful tech, there's not much Crossland X can't handle.

Look around and you'll see plenty of smart stuff on show. Its interior and facia are stylishly uncluttered, with plenty of space, light and all-round visibility, thanks to Crossland X's height.

Seating's adaptable and super comfy too, especially when you can choose heated leather*. There's loads of well thought out storage ideas, and enough luggage space to swallow all those family necessities.

So whether it's a quick trip to the shops, or a big family getaway, Crossland X has got you covered.

*Ergonomic active leather front seats optional at extra cost on certain models

ALL-ROUND AMAZING

Spend a little time in the Crossland X and you'll feel good things.

Its comfort, space and flexibility make life a little easier, while touchscreen entertainment make every drive more enjoyable.

And, as you'll see, its beauty is in the details.

From innovative ideas like anti-dazzle headlights* and automatic emergency braking* to ergonomic front seats*, there's plenty of reasons to be cheerful.

And we didn't even mention its lean, mean engines and head-turning models. Ready? Let's go...

*Optional at extra cost on certain models.

SMART HEADLIGHTS

We love to dazzle with the best of them. But when it comes to lighting, it's all about the occasion. So here's a little enlightenment.

You'll drive safer, surer and more relaxed than ever with Crossland X's smart headlights. Not only do they have LEDs that shine brighter than halogen or xenon bulbs, but they adapt to oncoming traffic so you never have to dip your headlights.

You can focus better on the road, see further ahead, and it makes your car easier to see (never any harm in a bit of extra attention).

For more detail on the Crossland X's smart headlights, please click through to the Crossland X Price and Specification Guide, vauxhall.co.uk/gocrosslandx

Dodge the dipping with high beam assist¹

No need to dip your headlights again – ever. These adaptive headlights sense oncoming vehicles and switch automatically between low and high beam (so you don't have to).

1. Optional at extra cost as part of the Premium LED Lighting Pack.

Make a smart turn with cornering lights

When you're steering into a corner or parking at night (travelling under 25mph), special side beams give you extra visibility.

SMART ENOUGH TO STOP YOU IN YOUR TRACKS

Stay safe and one step ahead with the Crossland X's innovative safety features.

A super smart front-facing camera looks out for you, warning you if you drift out of lane and reading speed signs to ensure you stay within the legal limit.

Completing the list as part of the optional Safety Pack is an intelligent driver drowsiness system and sensors that alert you if you need to brake suddenly, or even automatically apply the brakes... we told you it was smart.

For more detail on the Crossland X's innovative safety features please click through to the Crossland X Price and Specification Guide, vauxhall.co.uk/gocrosslandx

Lane departure warning

If you drift out of your lane without signalling, this warning system alerts you with a sound and a visual warning.

Driver Drowsiness¹

This potentially life saving safety feature monitors your driving time and behaviour to prevent accidents if you seem tired.

1. Optional at extra cost on certain models as part of the Safety Pack.

Automatic emergency braking¹

When you're out on the road, this ingenious system warns if you approach the car in front too fast, and automatically brakes for you as a fail-safe. Phew.

Speed sign recognition

Smarter, safer and helping you avoid fines, the Crossland X's speed sign recognition system detects and alerts you to current and changing speed limits.

ONCE YOU'VE TRIED THIS, YOU'LL NEVER LOOK BACK

Parking's maybe the least popular aspect of driving (apart from being stuck in traffic, of course). So we've made it easy for you with the Crossland X's optional driver assistance systems. Helping you park like a pro and even giving you eyes in the back of your head with a rear-view camera.

WE'VE GOT YOUR BACK

Panoramic rear-view camera¹

Using your facia's touchscreen display, this smart 180° camera gives you a pin-sharp, extra-wide view of the blind spots behind and to the sides of your car. Makes it so much easier to avoid accidents when you're reversing in and out of spaces.

Parking distance sensors²

Your Crossland X has always got your back, with intelligent sensors that help you reverse into tight parking bays and alerting you to pedestrians and obstructions behind.

For more detail on the Crossland's driver assistance features, please click through to the Crossland X Price and Specification Guide, vauxhall.co.uk/gocrosslandx

1. Optional at extra cost on certain models as part of the Rear-view Camera Pack Plus.
2. Optional at extra cost on certain models as part of the Rear-view Camera Pack.

PLAY IT YOUR WAY

New sounds or classic anthems, time spent in the car goes loads quicker with the music you love. So Crossland X brings you the new R4.0 IntelliLink infotainment system.

It connects your mobile device using Bluetooth®, Apple CarPlay™ or Android Auto™, and projects it seamlessly to the R4.0 IntelliLink 7-inch touchscreen.¹

androidauto

¹ Compatibility and certain functions may be different depending on the type of device and operating system you're using with the IntelliLink systems.

INFOTAINMENT

Play it your way

Every Crossland X is kitted out with a USB connection and Bluetooth® connectivity¹ as standard – perfect for connecting all your devices and streaming audio. And with digital radio too, the musical possibilities are endless.

It knows its way around

With 3D navigation and traffic info from Traffic Message Channel on the big colour touchscreen, the Navi 5.0 IntelliLink² gets you where you want to be – fast. It'll even search for a point of interest like the nearest car park or petrol station and then direct you to it. Genius.

Best mates with your mobile

There's less plugs and more play with the R4.0 IntelliLink infotainment system. It connects through the USB and projects your phone onto the high-resolution 7-inch touchscreen display, so you can play songs, videos and use apps on the go.

For more detail on the Crossland X's infotainment features please click through to the Crossland X Price and Specification Guide, vauxhall.co.uk/gocrosslandx

1. The majority of phones, MP3 players and tablets can be connected by either Bluetooth® or USB connection. Please note, you may need to change your connection method (i.e. from Bluetooth® to USB cable) if you want to access another function on your phone. Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc., also registered in the U.S. and other countries.

2. Optional at extra cost on certain models.

MAKE ROOM FOR LIVING

Space is important. Especially when it comes to packing for your holidays. No need to be challenged by Crossland X's dimensions though. It has space to spare, with the power to split it, expand it and make it more flexible.

Even before you start, the boot's a generous 410 litres. And, with a simple slide of the rear seats, you've got space for anything from giant plants and awkward pushchairs to a car full of kids and a boot load of flat pack furniture.¹

1. Optional as part of the Versatility Pack.

Fold and Flex

The rear seat backs and armrest fold down separately to make room for storing long and unwieldy objects.

Split and Slide

You can split the rear seats 40/60 by sliding them forward or back to expand the boot space up to 520 litres¹. Or, if you flip the back row of seats flat, you've got a whopping 1,255 litres.

NO TIME TO HANG ABOUT?

The Crossland X's responsive and efficient handling gives you time to do what you want to do. Its powerful drive is helped by its smart chassis design and engineering, built for dynamic driving performance with confident, road-hugging control at every turn.

It's driven by a range of super-efficient petrol and diesel engines with manual or automatic transmissions to suit every driving style, from school runs and city commutes to weekend road trips and family breaks.

MADE TO MOVE YOU

A bit of a smoothie

Crossland X's 6-speed automatic transmission shifts so sweetly you'll hardly notice it's there.

Frugal on fuel

You'll enjoy excellent fuel economy if you choose an ecoTEC engine with super-efficient Start/Stop technology.

Big bite, small engine

For a thrilling ride from a frugal engine, the top-of-the-line 1.2 Turbo Direct Injection delivers a whopping 130PS.

Fuel economy[#] and CO₂^{*} results for the Crossland X. Combined mpg (l/100km): 39.8 (7.1) – 60.1 (4.7). CO₂ emissions: 128 – 105g/km.

[#]Fuel consumption figures are determined according to the WLTP test cycle. ^{*}CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

TAKEN TO A WHOLE NEW LEVEL

Choices, choices. Nice to have, so good to make. From the smart to the range-topping, Crossland X's line-up gives you plenty of ways to turn heads. So, whatever look you're going for – stylishly understated or fabulously full-on, there's a Crossland X made for you.

THE RANGE

A SPOT OF COLOUR

The power of colour. To set a tone, turn heads, lift your soul, raise a smile, brighten a day. So, for Crossland X, we created a range of solid, brilliant, metallic and premium finishes to shape your perfect mood. As well as a range of roof colour combinations. Here are our favourite mixes.

*Optional at extra cost. Please refer to the latest Crossland X Price and Specification Guide for details of colour availability by model and price, by clicking through to vauxhall.co.uk/gocrosslandx. The colours reproduced may vary slightly from the actual paint colour. As a result they should be used as a guide only. Your Vauxhall Retailer has a comprehensive display of our paint samples.

THE CAR THAT LOVES YOU BACK

Sit back and take a weight off. Crossland X can be fitted with the finest ergonomic active front seats.¹

Outrageously comfortable and completely body-hugging, they're so good that they've been approved by an independent committee of Germany's finest back health experts and medical professionals.

We're pretty sure you'll love them just as much as they do...

1. The ergonomic active front seats are certified by the AGR (Aktion Gesunder Rücken), which translates as the Campaign for Healthier Backs. Optional at extra cost on certain models.

SITTING COMFORTABLY

Arrive relaxed with our ergonomic active front seats.^{1,2} Head restraints are adjustable two ways to give you perfect head support. Tailored lumbar support is electronically adjustable for perfect back comfort. Extendable thigh support provides perfect comfort for your legs. 16 adjustable seating controls gives you plenty of settings for the lumbar area, seat cushion, and seat position.

You'll be sitting pretty

Designed to help you avoid back pain on long trips, they're just one of the premium-class highlights that make the Crossland X interior sit comfortably above the rest. You can even choose heated leather seats.² Go on, spoil yourself.

1. The ergonomic active front seats are certified by the AGR (Aktion Gesunder Rücken), which translates as the Campaign for Healthier Backs.

2. Optional at extra cost on certain models.

WE LOVE A LITTLE EXTRA

Spacious and flexible inside, with plenty of smart tech – we've got to say there's not much Crossland X can't handle. But who doesn't need some little extras to make their car just right? No problem.

Whether you're doing the school run every day or planning a big road trip, there's a handy accessory designed to make Crossland X do even more for you.

Turn the page to see just a brief look at what's available. To discover more accessories online click through to vauxhall.co.uk/accessories

1

1. Cargo Liner

The ideal protection for your load area.

2

2. Dog Guard

Keep your furry friend safe and comfy, and those paws off the seats.

3

3. FlexConnect tablet holder

Swivel your screen sideways for movies and video calls, or upright for text.
