# SWING

A SPECIAL EDITION TO THE RANGE

For once we suggest you don't over concern yourself with cross-flows and cylinders and PS DINS. (With Vauxhall-Opel you're assured of exceptional engineering anyway).

The Nova SWING is intended for the fun of it. The fun of being in a car that's small but spacious, compact but powerful, fast but irresistibly easy to handle. The fun of being seen in a car with 'special edition' trim and markings that leave the envious crowd in no doubt as to who's

got the originality and style.

Standard to the SWING are sporty-looking wheels, a wide swing to the door for faster ins and outs. Deluxe armrests and extra door pocket storage. Special outlets on the dashboard make driving seem a breeze. Vanity mirror allows the beautiful to check on themselves while the dipping rear-view mirror allows the wise to check on everyone else. And all at a price that leaves you free—for fun.

# UNMISTAKABLE

## FROM THE INSIDE OUT

The trim and finish inside the Nova is outstanding. The introduction of the distinctive new 'Ronda' upholstery fabric in brown and beige, toning with the carpet and instrument panel, sets the mood of rebellion against the everyday and the ordinary. And this unmistakable style extends on to the exterior with a selective colour range from Polar White through Brazil Brown, Carmine Red and Astro Silver, all featuring the special red

accent stripe on bumper and side mouldings and the special SWING decal. Furthermore in all models the centre pillar between the side windows is covered with black foil which gives the racy effect at speed of no pillar at all.

Whatever you do don't take our word for it. Get to a Vauxhall-Opel dealer as soon as possible and experience this beautifully engineered car - for the fun of it.

# M O R E · F U N

Standard sports wheel. [Alloy wheels optional at extra cost]

Wide opening doors. Deluxe armrests. Door pocket.

Black foil-covered centre pillar for a racy effect.

Colour keyed instrument panel includes extra features. Four-spoke steering wheel.

# O P T I O N A L

If you want to go all the way, a Philips AN 390 push-button radio with instant station selection. A five-speed gearbox smooths away motorway tension. Rear seatbelts, a tinted transparent sun-

Philips push-button radio.

5-speed overdrive gearbox.

Three-point rear seatbelts.

# T O - B E I N

air outlets. Trip odometer and quartz dock (radio optional at extra cost).

Vanity mirror located in passenger sunvisor.

Dipping rear-view mirror to counteract glare.

The SWING's special edition 'stars and stripes' all-round.

# L E X T R A S

Removable glass sunroof

Brave tinted glass all-round

3-spoke alloy wheels

roof, tinted glass all-round with windscreen shade band for more mystico and three-spoke alloy sports wheels, for the last word in holding your own on the road.

1.0 991cc ohv 4-cylinder. Power: 45 PS (DIN) @ 5400rpm. Torque (max): 50.2lb ft. [68Nm] @ 2600-3800rpm. Weber 32TL carburettor, manual choke with warning light, electric fan. Compression ratio 9.2:1 (Four star fuel).  
1.2 1196cc ohv 4-cylinder. Power: 55PS (DIN) @ 5600rpm. Torque (max): 66.4lb ft. [90Nm] @ 2200rpm. Compression ratio: 9.2:1 (Four star fuel). Alloy cross-flow cylinder head, hydraulic tappets, electronic ignition, electric fan, Pierburg carburettor, manual choke with warning light.

### PERFORMANCE (mph)

Max speeds 1.0 model 87.0, 1.2 model 94.5

(Manufacturer's figures)

### TRANSMISSIONS

Mechanical clutch 7.5in diameter. 4-speed all synchromesh gearbox. 5-speed gearbox available as an optional extra. Front wheel drive.

Gear Ratios	4-speed	5-speed
1st	3.55:1	3.55:1
2nd	1.96:1	1.96:1
3rd	1.30:1	1.30:1
4th	0.89:1	0.89:1
5th	-	0.71:1
Rev	3.18:1	3.18:1

### Final drive ratios

1.0 model	3.94:1	4.18:1
1.2 model	3.74:1	3.94:1

### SUSPENSION

Front: independent. MacPherson struts, coil springs and separate shock absorber cartridge. Rear: compound crank with progressive rate miniblock coil springs and telescopic shock absorbers.

### STEERING

Rack and pinion. Energy absorbing steering column. 3.9 turns lock-to-lock. Turning circle: 30.7ft.

### BRAKES

Diagonally split dual circuit, servo-assisted. Front disc brakes. Self adjusting rear drum brakes. Pressure conscious reducing valves on 1.2 models. Handbrake-on and low brake fluid warning lights.

### WHEELS/TYRES

4 x 13 sports wheels. Tyres: 145 SR 13. Alloy wheels available as an extra cost option.

### FUEL CAPACITY

9.2 imp. gallons [42 litres]

### ELECTRICS

12 volt negative earth system. 45 amp alternator. 36 Ah maintenance-free battery.

### BODY

Aerodynamic all steel body with extensive anti-corrosion protection. Safety crumple zones front and rear. Rigid passenger safety-cell. Single 2-way key operated locks, ignition and fuel cap. Burst-proof door locks. Tailgate assist strut. Steel bumper with thermoplastic clip-on covers. Front air spoiler.

### USABLE LOAD CAPACITIES (cu. ft.)

Rear seat up: 7.9. Rear seat down: 29.8

### EXTERIOR DIMENSIONS

Overall length 142.6in. Overall width 60.4in. Overall height 53.7in. Wheelbase 92.2in.

## FEATURES

**EXTERIOR:** B-pillar covered with black foil • Laminated windscreen • Accent stripe in red on bumpers and side protection moulding • SWING decals on doors • Flush centre hub caps • Halogen headlamps • Locking petrol cap • Reversing light • Rear fog lamp • Hazard warning lights • Heated rear window • Two-speed windscreen wipers with intermittent wipe • Intermittent tailgate wash/wipe • Electric screenwash • Drivers door mirror.
