# Oddly attractive

Until you get to know Agila, 'less is more' might not be your style. Yet with this Mini People Carrier (MPC), you pay less than you might expect. And you get more. It's a simple idea with an oddly attractive appeal. Rather like the car itself.

This brochure covers Agila Expression, Enjoy and Design models only. Some of the models shown include options and accessories available at extra cost. And not all of the features described are available on every model. So please check in the Equipment section for further details. From time to time, we also offer alternative Agila models such as Special Editions, featured in their own separate literature or found on the Vauxhall website: [www.vauxhall.co.uk](http://www.vauxhall.co.uk)

**In the car park, the city or out of town, the ever-ready Agila is an absolute joy to drive – effortlessly easy to manoeuvre, it adores tight bends, small spaces and open roads.**

It's simple to see why Agila squeezes into small parking spaces with ease. It has a compact shape. Power steering is standard. And a high seating position, coupled with large, electrically adjustable door mirrors, ensure a great view.

Leave the car park and Agila is equally at home. Agila has a surprisingly comfortable interior – room for up to five adults with generous head and legroom. The finely tuned chassis combines superb handling with a comfortable ride. And anti-lock brakes are standard on all models for enhanced safety and control.

**Ever noticed how friends disappear when it's time to load the sideboard? No matter. If their plans can't be rearranged, Agila's flexible seating combination can! So loading is always easy – even if you're on your own.**

Whatever you need to take with you, Agila makes things easy, with up to 597 litres of luggage space and plenty of handy places – like door pockets and front seat storage trays for smaller belongings. For large loads, you can fold the rear seats almost completely flat in one simple operation – just lower the rear seat back and the base automatically slides forwards and down. The rear seat also splits 60/40 for extra flexibility. And the luggage compartment combines a low loading height with a high-opening tailgate – just what you need for easy loading.

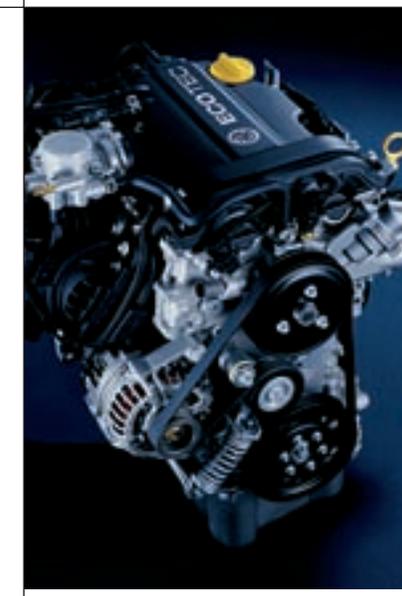

## Power made to measure.

Wherever you need to go, Agila's lively petrol engines will get you there in style – economically and with more punch than you might expect. The choice of two advanced multi-valve engines – 1.0i 12v and 1.2i 16v – match five-speed gearboxes with the latest Twinport variable induction system to deliver flexibility, response and low emissions. They're hugely affordable to run too, with great fuel economy and 20,000 mile/one-year service intervals.

**1.0i 12v Twinport engine.** This highly efficient 12-valve petrol engine provides more punch than you might expect. In fact, this high-tech Twinport unit is known for flexible power delivery (60PS and up to 88Nm of torque), good fuel economy and tough emissions control.

**▶ 1.2i 16v Twinport engine.** Another Agila engine to benefit from Vauxhall's Twinport variable induction system, the 1.2i unit also combines high levels of flexibility (110Nm max torque) with lively power delivery (80PS). It's also big on fuel economy. But low on emissions.

Agila Design model illustrated.

## Safety and security. At the heart of everything we do.

The streets are as busy as you are. So it's good to know that a comprehensive package of both active and passive safety measures is built in. For a start, the higher seating position doesn't just give you a good view – it also enables you to see danger easier and earlier. The car is built around a sophisticated and reinforced passenger safety cell. All models come with a driver's airbag and Anti-lock Braking System (ABS) as standard. The front seatbelts are height-adjustable, and all three rear seats have full lap and diagonal seatbelts.

◀ **Airbags.** Agila can protect you with a range of full-size airbags, specially developed to provide maximum protection. A driver's airbag is standard on all Agila models, with a passenger's airbag and front seat side-impact airbags also available on all models.

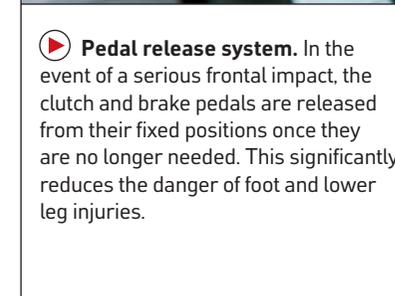

◀ **Anti-lock Braking System (ABS).** Agila's standard electronic anti-lock braking system prevents the wheels from locking up under emergency braking. This can reduce your stopping distance in slippery conditions, allow you to steer out of danger and help you keep control of the car.

◀ **High-level brake light.** A third brake light, mounted high up in the following driver's direct line of sight, provides improved vision and warning for those behind that you have applied your brakes.

◀ **Engine deadlock immobiliser.** This Thatcham approved system immobilises the engine automatically whenever the key is removed from the ignition, making it impossible to start the car without the correct key. A clever rolling security code system provides even greater protection.

▶ **Pedal release system.** In the event of a serious frontal impact, the clutch and brake pedals are released from their fixed positions once they are no longer needed. This significantly reduces the danger of foot and lower leg injuries.

▶ **Visible Vehicle Identification Number (VIN).** By placing your car's unique bar-coded VIN number in plain sight at the bottom of the windscreen, we make it far less attractive to potential thieves seeking to change its identification for resale.

# Our irresistible model line-up. Oddly attractive, and distinctly different.

The Agila range offers a choice of three well-equipped models. They all have Anti-lock Braking System (ABS) as standard. Each delivers power, economy and low emissions thanks to highly efficient multi-valve Twinport engines. All models feature room for five adults plus highly flexible loadspace in an interior brimming with intelligent space-saving ideas. Yet each also has its own unique, distinctive character. Economical Expression. Vibrant Enjoy. And stylish Design. Which Agila is for you?

**EXPRESSION**

**Standard features include:**

- Anti-lock Braking System (ABS)
- Driver's airbag
- Height-adjustable inertia-reel front seatbelts
- Foldable electrically adjustable door mirrors
- Reinforced passenger safety cell
- Electric headlight beam levelling
- Trip odometer
- Multi-function display panel incorporating digital clock, date, audio information
- R 10 stereo radio with two speakers
- Storage trays on outside of front seats
- Tinted glass
- 60/40 split-folding rear seat
- Electrical accessory socket
- High-level centre brake light
- Heated rear window
- Body-colour bumpers
- 14-inch steel wheels with flush covers and 155/65 R 14 low profile tyres

1.0i 12v	2E
----------	----

# Expression

Supremely economical, cheap to insure and available at a fantastic low price, Agila Expression is hugely affordable to own, yet brilliantly well-equipped. It makes five-seater Mini People Carrier (MPC) motoring available to everyone.

**▶ Height-adjustable seatbelts.** Height-adjustable inertia-reel front seatbelts are only part of the full Agila safety package. A driver's airbag, Anti-lock Braking System (ABS) and a high-level centre brake light are also standard on every model.

**▶ Vanity mirror.** Need a quick check before you get out of the car? Simply slide the front passenger's vanity mirror cover to one side and make sure you're looking your best.

# Enjoy

Lively, colourful and packed with bright ideas, Agila Enjoy comes with enhanced styling – inside and out – plus more safety, security and convenience features, too. It's the 'must have' MPC for those who want a flexible five-seater that stands out from the crowd.

## ENJOY

### Standard features include:

- Anti-lock Braking System (ABS)
- Foldable electrically adjustable door mirrors
- 60/40 split-folding rear seat

### Additional features over and above Expression models:

- Front passenger's airbag
- CC 20 stereo radio/cassette player with four speakers
- Alloy-effect centre console and instrument panel
- Rev counter
- Driver's seat height adjuster
- Electrically operated front windows
- Colour-keyed seatbelts
- Chrome-effect interior door handles
- Remote control central deadlocking
- Body-colour door handles and door mirrors
- Body side-protection mouldings
- Black roof rails

### Engine availability and insurance group (ABI)

1.2i 16v

3E

◀ **Central locking.** Standard on Agila Enjoy, remote control, two-stage central locking with security deadlocks provides both convenience and peace of mind. This features a useful internal control button for locking all the doors.

◀ **Luggage compartment cover.** Prevention is the key with in-car security, so the luggage compartment cover helps protect your personal items from prying eyes. Model shown also features centre rear seat head restraint, available as part of the Interior pack, and is optional at extra cost.

## DESIGN

### Standard features include:

- Anti-lock Braking System (ABS)
- Foldable electrically adjustable door mirrors
- 60/40 split-folding rear seat

### Additional features over and above Enjoy models:

- Air-conditioning
- CD 30 stereo radio/CD player with four speakers
- Chrome-effect gear knob insert
- Chrome-effect door handles
- Platinum-coloured seatbelts
- Leather-covered steering wheel and gear knob
- Dark-tinted glass (excludes windscreen and front door windows)
- Black foil on door pillars
- Alloy-effect roof rails

### Engine availability and insurance group (ABI)

1.2i 16v	3E
----------	----

▶ **Front passenger's airbag.** Standard on Agila Design model, this important feature is a vital part of Agila's safety package. Other safety features include height-adjustable outer rear seat head restraints.

▶ **Electric front windows.** Another standard Design feature that makes life a little easier. Other convenient features include foldable electrically adjustable door mirrors and air-conditioning.

## Design

The name says it all. Design is the ultimate Agila style statement – chrome-effect and leather interior detailing, dark-tinted rear windows, black foil pillars and more. Add air-conditioning and enhanced audio, and it's clearly the Agila with attitude.

## Vauxhall by Design

Life would be pretty boring if we all liked the same things. So let's hear it for individuality – Agila style. Vauxhall by Design is all about choice – selecting your new car, then personalising it to suit yourself. Maybe you fancy a remote control alarm, a base carrier, or simply something to protect your carpets from muddy boots. Whatever you're into, Vauxhall by Design makes it easier with a choice of individual options, accessories and special option packs available at highly attractive prices.

Developed in conjunction with auto design specialists Irmischer International, Agila styling accessories perfectly complement the vehicle's lines, as well as being manufactured to the same exacting standards as the car itself.

◀ Vehicle illustrated features Irmischer rear roof spoiler and 'silhouette' chrome-effect badge along with Vauxhall's fixed tow bar with 12N electrics, front mudflaps, base carrier, luggage carrier and luggage-restraining straps.

**Options and option packs.** Agila options are available individually or in special option packs at great prices. Please refer to the equipment pages for more details of individual model availability. Individual options include:

- Front passenger's airbag
- Front seat side-impact airbags
- Air-conditioning
- Slide/tilt glass sunroof with interior blind
- Driver's seat height adjuster

▶ **CC 20 stereo radio/cassette player.** Available on Agila Expression (standard on Enjoy and a no-cost option on Design), this optional audio upgrade features 24 radio presets plus cassette deck. It has four speakers with 20 watts per channel and remote audio display.

▶ **Air-conditioning.** Helps you stay cooler in hot weather, demist your windows faster on wet days and enjoy an altogether better atmosphere inside the car all year round. Standard on Design, optional on Enjoy.

▶ **Exterior Styling pack.** Nothing says sporty like alloy wheels with low profile tyres. This high-value pack brings them together with integral front fog lights.

▶ **Comfort pack.** Push all the right buttons – one to open and close each front window, one to lock all the doors. Includes two-stage remote control central locking with security deadlocks. Available on Expression models.

▶ **Slide/tilt glass sunroof.** Let a little more light into your life with the optional manual sunroof with interior blind. Available on Agila Enjoy and Design.

▶ **Interior pack.** Choose this option pack to keep all your belongings handy in the additional trays, pockets and nets. And take special care of your passengers with outer rear ISOFIX child seat fixings and an additional centre rear seat head restraint.

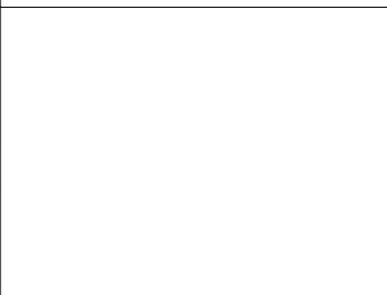

Vauxhall accessories are the right choice for your Agila. Whatever you're into, there's certain to be a Vauxhall accessory with your name on it. We've only featured a small selection of what's available here. The car accessory brochure outlines the complete range. Or check out our website at [www.vauxhall-accessories.com](http://www.vauxhall-accessories.com)

◀ **Protection pack.**

- Velour mats
- Mudflaps - front
- Cargo liner

▼ **Travel pack.**

- First aid kit
- Warning triangle
- Spare bulb kit
- Fire extinguisher
- Hi-visibility vest

▲ **Protection Plus pack.**

- Paint and trim protection
- Velour mats
- Mudflaps - front

▼ **Anti-slip mat.** Help prevent the damage that can be caused by sliding loads with this hard-wearing rubberised polyester anti-slip mat. Sized 915mm x 915mm, you simply cut it to fit your Agila's load area.

▼ **Child seats.** To help you comply with the latest legislation, Vauxhall offer a range of three different child seats to suit children from birth to 36kg - around 12 years.

▶ **Supagard.** Available in a choice of three packs - Base, UltraPro Silver and UltraPro Gold - these products create a long-lasting invisible barrier that helps protect your car both inside and out. All packs include Paint Sealant and InteriorGard/Leathercare plus a range of professional aftercare products.

◀ **Rear parking distance sensors.** Helping reduce the risk of bumps and scrapes, this two-sensor system utilises an ultrasonic pulse echo and beeps as you reverse close to an obstruction, rising to a continuous tone when the object is 12 inches (300mm) away.

▲ **Headlight protectors.** Safeguard your Agila headlights against chips and cracks with our easily fitted, tailor-made headlight protectors.

▲ **Base carrier.** The Vauxhall roof carrier system begins with a base carrier, comprising two rails which support a wide range of attachments, including a choice of roof boxes and specialist carriers for skis, snowboard or luggage.

## Agila style is reflected in our vibrant range of colours and trims.

*Due to the limitations of the printing process the colours reproduced may vary slightly from the actual paint colour or trim material. As a result they should be used as a guide only. Your Vauxhall retailer has a comprehensive display of all our paint samples and trim swatches.*

Twinport petrol engines.

**55.4mpg**

Twinport engines are super-economical

**Petrol engines**

	1.0i 12v Twinport ECOTEC-Compact	1.2i 16v Twinport ECOTEC-4
Capacity	998cc	1229cc
Maximum power	60PS (44kW) @ 5600rpm	80PS (59kW) @ 5600rpm
Maximum torque	88Nm (65 lb.ft.) @ 3800rpm	110Nm (81 lb.ft.) @ 4000rpm
Configuration	3 cylinders, 4 valves per cylinder, double overhead camshafts	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Multi-point sequential electronic fuel injection	
Service interval	20,000 miles or 1 year (whichever occurs sooner)	
<i>Benefit in kind company car taxation – 2006/07 and 2007/2008 tax years</i>		
Manual	15%	15%

**Performance, fuel economy and emissions**

Model	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km)			CO <sub>2</sub> emissions (g/km)	
	Maximum speed (mph)	Acceleration (secs) 0-60mph 30-50mph (4th gear)	Urban driving	Extra-urban driving	Combined figure		
1.0i 12v	90	16.7	12.8	40.4 (7.0)	55.4 (5.1)	48.7 (5.8)	139
1.2i 16v	100	12.2	9.4	37.2 (7.6)	55.4 (5.1)	47.1 (6.0)	144

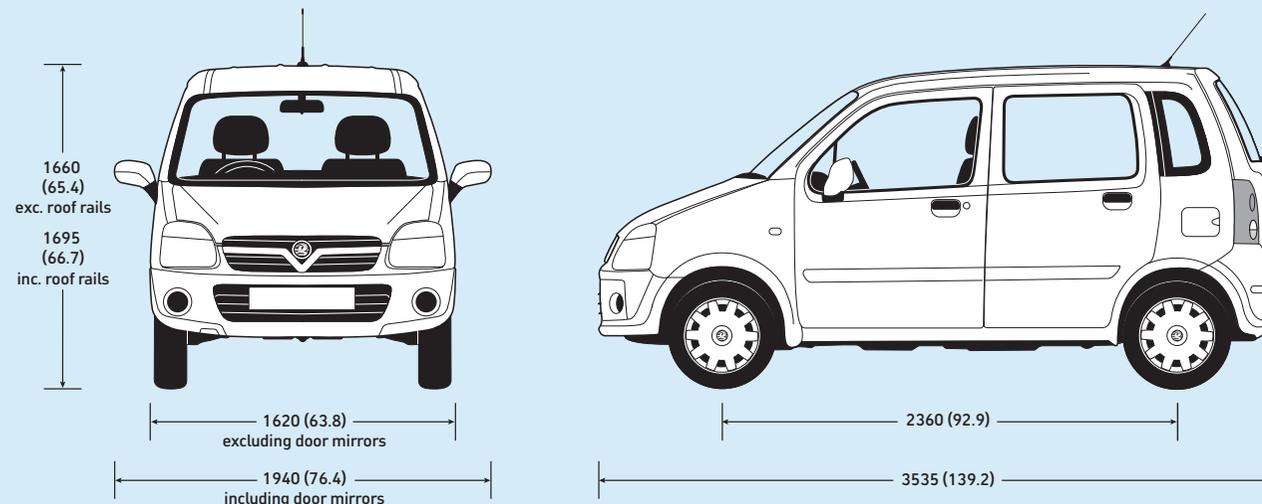

The fuel consumption figures shown comply with EC directive 1999/100 to provide a realistic indication of fuel consumption by taking into account everyday driving conditions, such as cold starts, acceleration and braking. These figures take account of the vehicles kerbweight, ascertained in accordance with the above regulation. **Important:** the results given relate to the particular car tested. Driving style, road and traffic conditions, vehicle mileage and standard of maintenance may also affect fuel consumption; therefore the results do not express or imply any guarantee of fuel consumption attainable.

**Weights and towing data (kg)**

Model	Kerbweight	Gross vehicle weight	Maximum towing weights	
			Trailer with brakes	Trailer without brakes
1.0i 12v Expression	965	1435	650	350
1.2i 16v Enjoy	1001	1450	650	350
1.2i 16v Design	1013	1450	650	350

**Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. To determine total carrying capacity, deduct kerbweight from gross vehicle weight. The **maximum roof rack loading** should not exceed a total of 35kg. The **maximum towing weight** is based on the ability of the car – with two occupants of 70kg each – to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 35kg. Always fit Vauxhall roof carrier systems and towing accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

**Exterior dimensions** millimetres (inches)

**Vauxhall Assistance and warranties\***

- A one-year unlimited mileage manufacturer's warranty
- Second and third year no-fee customer option warranty up to 60,000 miles (from first registration)
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

\* = Warranty is only available on vehicles sourced from Vauxhall Motors Ltd. Terms and conditions apply – please see your Vauxhall retailer for details.

**Steering**

- Electric power-assisted rack and pinion system
- Energy-absorbing steering column
- Turning circle (kerb-to-kerb): 9.95m (32.6ft.)
- Turns lock-to-lock: 3.3

**Suspension**

**Front:** Independent, MacPherson struts with gas-pressure dampers and linear-rate coil springs. Anti-roll bar.  
**Rear:** Semi-independent, Panhard rod with gas-pressure dampers and linear-rate coil springs.

**Fuel tank capacity**

- 41 litres (9.0 gallons)

**Brakes**

- Anti-lock Braking System (ABS)
- Dual circuit, diagonally split, servo-assisted system
- Asbestos-free friction material
- Corrosion-protected brake pipes

**1.0i 12v/1.2i 16v**

Front ventilated discs: 253mm diameter  
Rear drums: 200mm diameter

**Luggage capacities (VDA method)**

	litres	cu.ft.

Tailgate aperture height	935	36.8

# Trust Vauxhall

## Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards, won both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, see [www.vauxhall.co.uk/recycling](http://www.vauxhall.co.uk/recycling).

## Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators, a 48hr test drive programme and information on whole life costs, company car taxation and finance. For further information please call **0870 010 0651**.

## Buying your car

GMAC offers one of the most comprehensive and competitive ranges of financing plans in the UK. Contact your local Vauxhall retailer for details or call the GMAC customer service centre on **0845 712 3444**.

## Sureguard protection

Sureguard Assistance offers the benefits of Vauxhall Assistance for three years from first registration, while Sureguard Warranty also provides a parts and labour warranty for high-mileage or long-term owners. For details contact your local Vauxhall retailer or call **0870 752 7020**.

## Specialist Mobility advice

Motability accredited Vauxhall retailers can provide special mobility help and advice. Blue badge holders are entitled to very favourable discounts on new vehicles. Contact your local Motability accredited Vauxhall retailer or **Freephone 0800 731 5267**.

## Servicing and maintenance

The best way to maximise the performance and reliability of your Vauxhall is to have all routine servicing and maintenance carried out at one of around 400 Vauxhall retailers. To find your nearest retailer call **0845 600 1500**.

## In the event of an accident...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. Call **0800 010 304** for a free driver's pack.

## Vauxhall Insurance

Available for new and used Vauxhalls, a Vauxhall Insurance policy offers a unique package designed specifically for Vauxhall drivers. For a highly competitive quotation, call **0870 024 0240** or visit our website at [www.vauxhall.co.uk](http://www.vauxhall.co.uk).

## For more information...

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall retailer please **Lo-call 0845 600 1500**.

Alternatively, details can be found on our website at [www.vauxhall.co.uk](http://www.vauxhall.co.uk)

- Save up to **£2000\*** on a new Vauxhall with The GM Card
- **100 Rebate Points worth £100** when you use The GM Card for the first time
- Rebate Point saving is on top of any discount or offer negotiated with the Retailer
- Earn **3 Rebate Points (£3)** for every **£100** you spend

**Typical 14.9% APR variable**

To apply call **0845 746 2777** or visit [www.gmcard.co.uk](http://www.gmcard.co.uk).

For a copy of this brochure in large print, Braille or on audio tape, please call **0845 600 1500**, or via our textphone service on **18001 08456 785 785**.

The GM Platinum Card is issued by HFC Bank Limited and is available to persons aged 18 years or over and resident in the UK (or 21 and over in the Channel Islands) and is subject to status and conditions. Written quotations are available upon request from The GM Platinum Card, PO Box 3615, Birmingham B3 2RJ. The typical APR quoted is the rate for new customers. \*Rebate Points are earned on purchases using The GM Platinum Card. Rebate Points are not earned on Balance Transfers or Cash Advances. You earn money off a new Vauxhall/Saab by accumulating Rebate Points under the Rebate Points Programme. Vauxhall Motors Ltd is solely responsible for the operation of the Rebate Points Programme, which is subject to the Rebate Points Programme Rules. You can redeem up to 2500 Rebate Points subject to the Model Line Maximum which will vary in amount in relation to different Vauxhall/Saab vehicle model lines and unlimited Partner Points. Rebate Points and unlimited Partner Points are redeemable as discounts on a new Vauxhall/Saab vehicle and must be redeemed four years from the issue date. Rebate Points may not be redeemed by Motability Contract Hire customers. The GM Card is a trading name and style of both HFC Bank Limited and Vauxhall Motors Ltd. HFC Bank registered in England No. 1117305. Registered Office: North Street, Winkfield, Windsor, Berkshire SL4 4TD is authorised and regulated by the Financial Services Authority. **Member HSBC Group**. HFC Bank Limited is not a member of the same group of companies as Vauxhall Motors Ltd, Saab GB Limited or GMAC (UK) plc. Vauxhall Motors Ltd, Registered Office: Griffin House, Osborne Road, Luton, Bedfordshire LU1 3YT, Registered in England number 135767. - CN6/0987.

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (January 2007). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity, please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Please note that Vauxhall retailers are not the agents of Vauxhall Motors Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources. All rights reserved. No part of this publication may be reproduced in any form or by any means, without the prior written permission of Vauxhall Motors Limited.
