The beauty and the brawn

Ready to pounce. And ever-eager to set your pulse racing. At the heart of the new Gen•2 is the CamPro CPS (Cam Profile Switching). With an output of 125hp and 150Nm of torque, you get pure power that is further refined to afford you a smoother, and more pleasurable drive.

Beautiful on the inside

Look fabulous. Feel fabulous. Beyond aesthetic enhancements are the many thoughtful and practical features added for your comfort and convenience. Equipped with a glove box, extra utility compartments and many active safety features, the Gen•2's inner beauty really shines.

Beautiful on the outside

The new Gen•2 ups the sophistication level with its sweeping curves accentuated by a new rear spoiler, front and rear skirting plus an aggressive bumper and grille for maximum aerodynamic advantage. While grey alloy rims and race-inspired black headlamp bezels complete the aggressive look.

Beautiful in every way

Agile yet graceful. Sturdy yet balanced. Take the wheels and feel the Lotus-inspired ride and handling. Its precise and progressive control plus a rigid chassis offer excellent stability to give you the confidence to leap into corners and conquer any road.
