PERDANA V6

Subtle Sophistication

Style. Substance. Sophistication. The PERDANA V6 now comes in an elegantly coordinated new colour scheme. Now available in two classic exterior colours; Metallic Black and Metallic Silver.

Quiet Interior Elegance

Ride in the silent comfort. Attune your senses to the serene tranquility of exceptional quietness in the luxurious cabin interior. Be soothed by the classical refinement of the chic, coordinated interior trims. Refined, restrained neutral shades of gray create a sophisticated corporate ambience.

Responsive Ride & Handling

Responsive, reliable and sure-footed, the unparalled road-holding stability and responsive cornering inspire unrivalled drive confidence. It delivers the outstanding, enhanced drive experience you've come to expect from the PERDANA V6, with the telepathic precision and pinpoint control that rank it amongst the very best of 24-line luxury saloons.

Stylishly sophisticated gives the driver's cockpit a sense of world luxury.

Taking care of the little details like yours, our attention to detail is an ergonomically placed cupholder.

Enhanced Security Technology

A glass fibre laser sensor alerts you to any intrusion attempts, a security enhancement exclusive to the Perdana V6. This comes in addition to the top-notch security provided by your patented CATFOR security system that guards your vehicle 24 hours a day. Enjoy peace of mind and the assurance that your property is well-protected.

The PERDANA V6
Simply Elegant, complements your lifestyle.
