# The New Savvy is everything you could ask for.

Every design, every feature, every part of the Savvy ensure it's not a choice you'll accept in the end. But one you'll appreciate from the start.

## Built for safety

With the body strength of a car twice its size, the Savvy is as tough as tough can be. Add to that features like ABS and Dual Airbags\*, rest assured you're well protected.

## Built for performance

With precision engineering from Lotus, driving was never such a pleasure. Boasting a top speed of 170km/h, and exceptional ride & handling, it's time you left the competition behind.

## Built to last

Packaged with an extended warranty, the Savvy offers a dedicated after-sales service for the first 5 years, or the first 175,000km. Whichever comes first.

## Built for drivability

Featuring the innovative Automated Manual Transmission (AMT) gearbox, the Savvy lets you switch between auto and manual mode in the blink of an eye. So whether it's an easy or exhilarating ride, the Savvy will surrender to your every wish.

**NEW**

## Built for fuel-efficiency

With nearly 18 kilometres to the litre, the Savvy lets you drive more. And fill up less. Awarded most fuel-efficient\*\* in the Malaysia Book of Records, it only costs 8 sen for every kilometre travelled. That's good news for you. And your wallet.
