EXORA

PROTON
It's in the Drive!

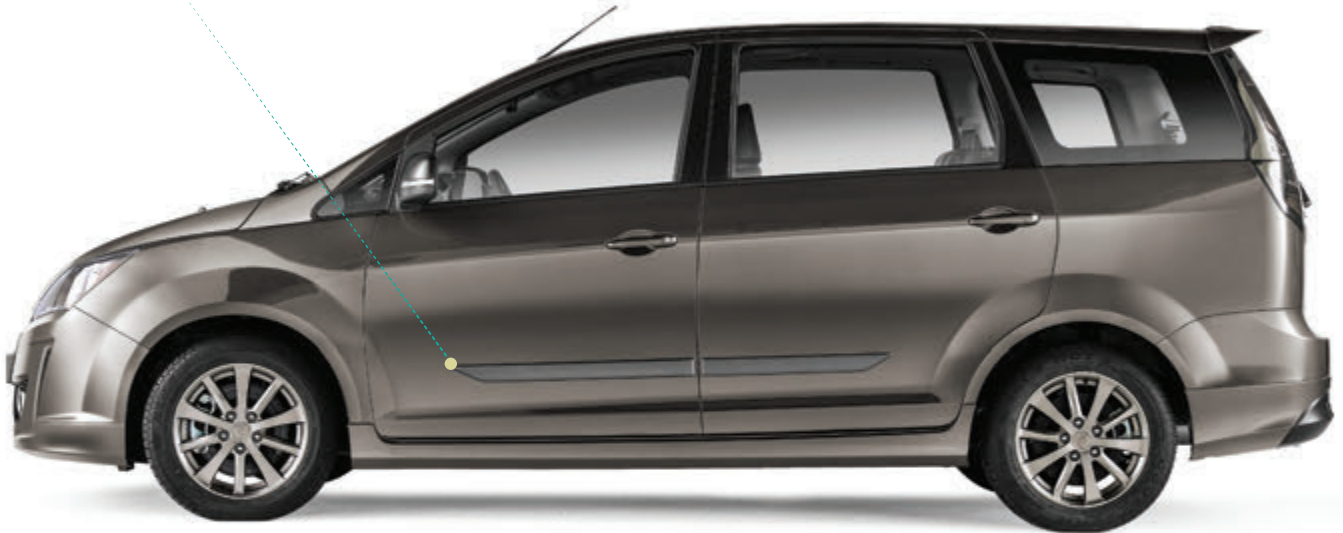

Proton *EXORA*

The latest Exora model sums up the enhancements we have made like the powerful 1.6L Turbo Engine in our GXRA and GXA 6 Speed CVT variants that gives you the performance of a 2.0L engine. The new variants come with bold and sporty styling, plus cool new colors, light finishings, wheel designs and gadgets - all part of our commitment to give you the best.

Exterior

Side protector moulding implemented to enhance the bold look.*

The new 16" Sports Rims boast a sportier look.*

Rear smoked combi-lamps styled after sports cars.

Rear fog lamp to enhance visibility.

*Available in GXRA variant only.

Four SRS airbags protect the driver and passengers.

Safety

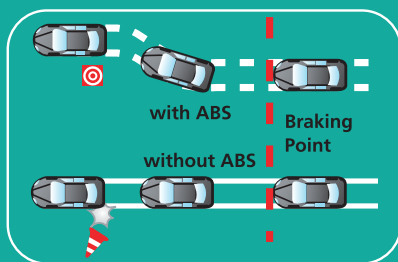

From the very beginning, Proton Exora is designed with safety as the foundation. To give the driver more control in adverse road and weather conditions, this MPV is equipped with ABS, EBD and ESC features. The car is also prepared with four airbags to protect the driver and passengers.

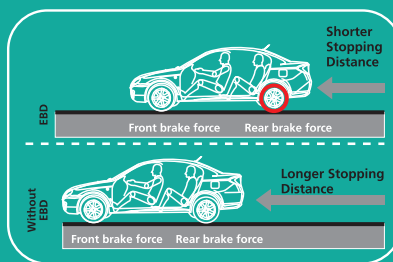

When it comes to safety, not all cars are equal.

The Australasian New Car Assessment Program (ANCAP) has rated Exora with 4 stars. It's proven! Your safety is our priority.

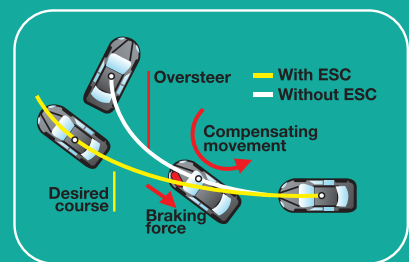

While the car boasts impressive acceleration, it is equally critical for it to stop quickly. It excels in this respect with its **Electronic Brake Distribution** and **Brake Assist** system. The **Traction Control** ensures better grip on slippery roads and maximizes vehicle adherence to the road.

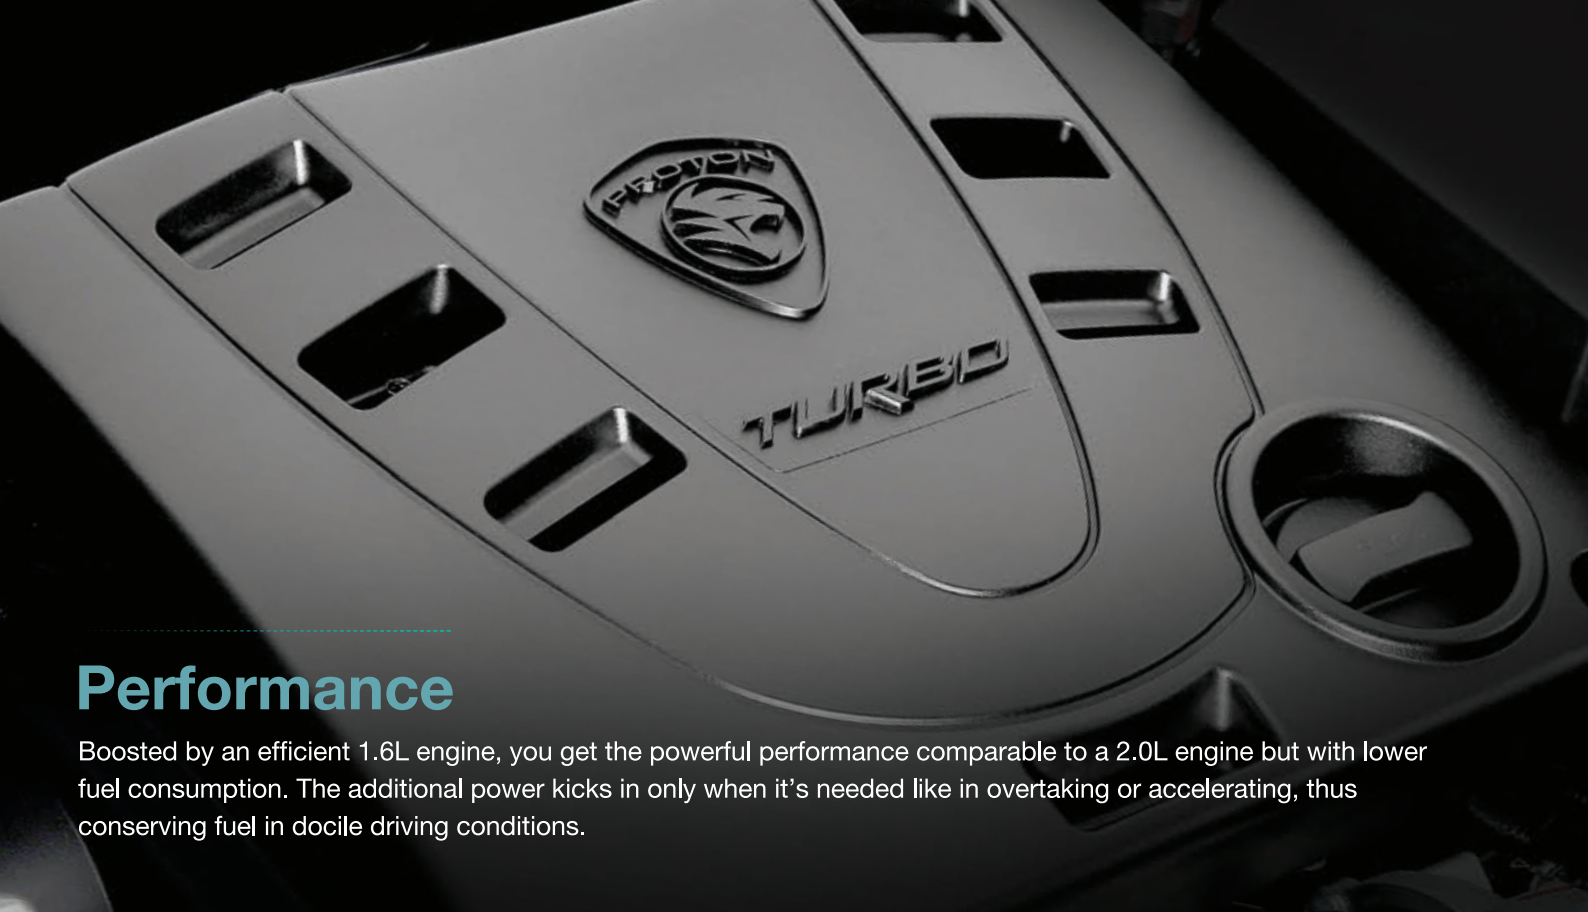

ANTI-LOCK BRAKING SYSTEM

ELECTRONIC BRAKE DISTRIBUTION

ELECTRONIC STABILITY CONTROL WITH BRAKE ASSIST & TRACTION CONTROL

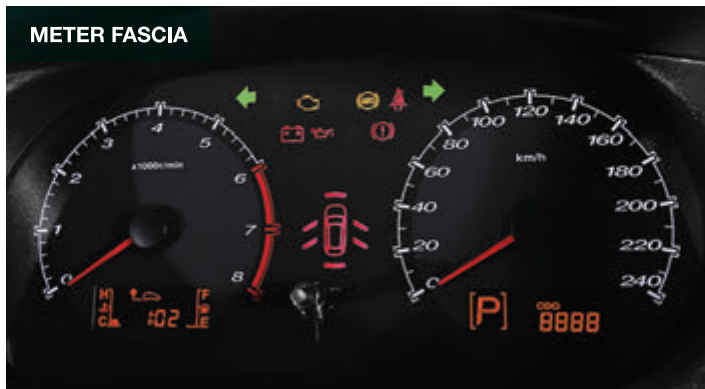

Performance

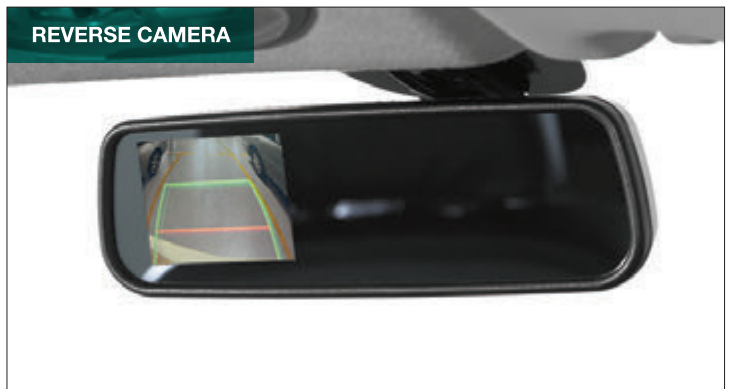

Boosted by an efficient 1.6L engine, you get the powerful performance comparable to a 2.0L engine but with lower fuel consumption. The additional power kicks in only when it's needed like in overtaking or accelerating, thus conserving fuel in docile driving conditions.

Convenience

Proton Exora comes fully equipped with ample important features to enhance your driving and traveling experience.

Bright and easily-readable meter fascia provides clear driving info.

Reverse camera allows safer maneuvering when reversing.

Rear air-cond vents for complete cabin comfort.

Daytime Running Lights (DRL) to enhance vehicle visibility.

Interior

Immerse yourself into the comfort zone of the Proton Exora. Built spaciously for you, your family and friends, your activities, travels and pleasant driving experience.

Luxurious leather seats*

The spacious rear cabin comfortably seats 5 adults

60/40 collapsible rear seats for more storage space
