[About](#) | [Miles](#) | [Features](#) | [Safety](#)

It's all about you
Made for you, Proton IRIZ lets you live life the way you want to.

Smile with every mile
Your life is packed with fun. Proton IRIZ is designed to fit beautifully around it.

Cool and packed with features
Don't settle when you can have it all with Proton IRIZ.

Your safety is our priority
Proton IRIZ is engineered to protect with best-in-class safety technologies to keep you, your family and friends safe.

Proton IRIZ

Strong and Dynamic Styling

The advanced and modern design gives Proton IRIZ a bold face, strong stance and dynamic silhouette that turns heads.

Youthful and Sporty

Proton IRIZ is outfitted with a bodykit and rear spoilers, complete with sideskirts, for the young and young-at-heart.

Compact and Spacious

Proton IRIZ was designed with modern detailing so you get a car that looks good and packs plenty of usable space. It is compact on the outside and spacious on the inside with class-leading interior cabin space.

Fresh and Vibrant

Seven exciting colours complete the bold, sporty and elegant look of Proton IRIZ.

- Citrus Green
- Silver Moon Dust
- Atlantic Blue
- Fire Red
- Genetic Silver
- Solid White
- Tranquility Black

Smile with every mile

New Engine with VVT Technology

Enjoyable Journeys

Safe and Easy to Drive

Push-Start Button

Keyless Entry

Smart Lights

The new engine with Variable Valve Timing (VVT) Technology gives you more power and better fuel efficiency.

Thanks to the class-leading wheelbase and roof height, everyone can feel relaxed in the modern, spacious and ergonomic cabin. So sit back, relax and enjoy every moment.

Who doesn't want a fun car? The Proton IRIZ is designed with superb ride and handling to put a smile at every mile...for the driver and passengers.

Start up at the push of a button. A high tech feature available in Proton IRIZ models.*

Proton IRIZ's keyless system* gives you the convenience of keyless entry, push-start button and remote trunk release.

Integrated projector headlamps and follow-me-home lights.** A smart lighting system that is not only cool, but lights up your surroundings. Auto headlamps* allow you to enjoy the journey while the Proton IRIZ takes care of the small details, like turning the lights on and off.

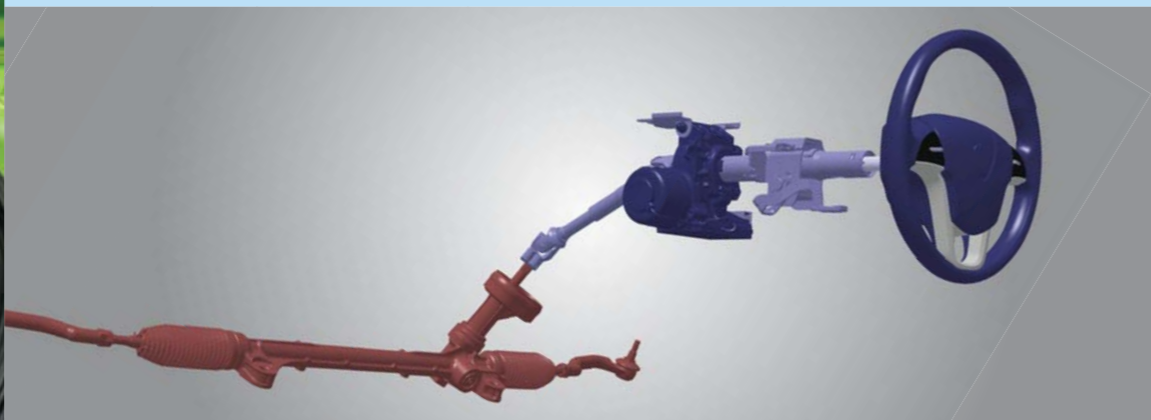

*Available in 1.6L Premium variant only. **Not available in Standard variant.

Spacious

Life is full of the unexpected but with a large array of storage compartments and cubbyholes, there is always a place for everything.

Advanced Electric Power Steering System (EPS)

The speed-sensitive electric power steering system (EPS) makes light work of parking but reduces assistance as you go faster. It reduces unnecessary load on the engine and allows more power to be used so you can drive with a smile on your face.

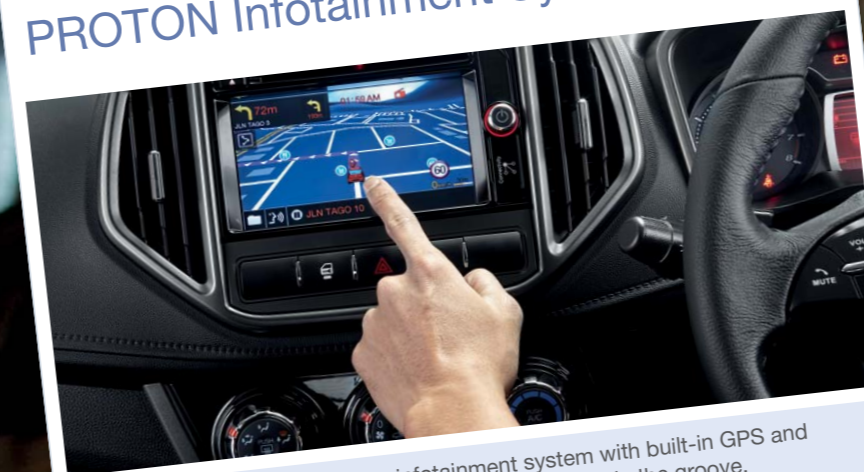

Auto-Fold Side Mirror*

Added peace-of-mind when parking in tight spaces or when you have to leave the car for a few days.

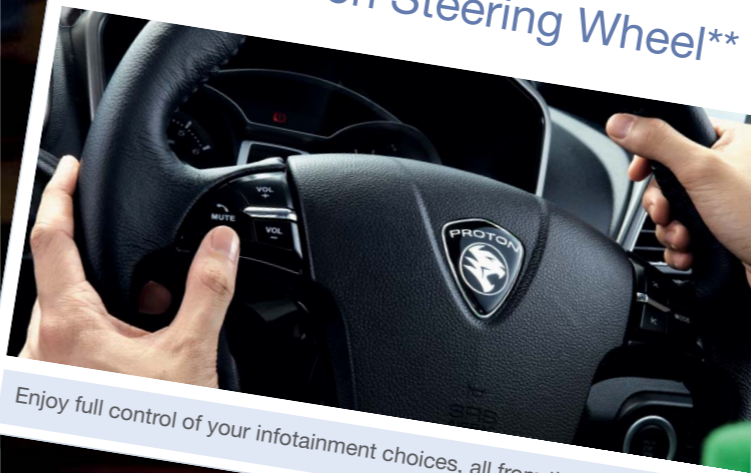

*Available in 1.6L Premium variant only.

PROTON Infotainment System**

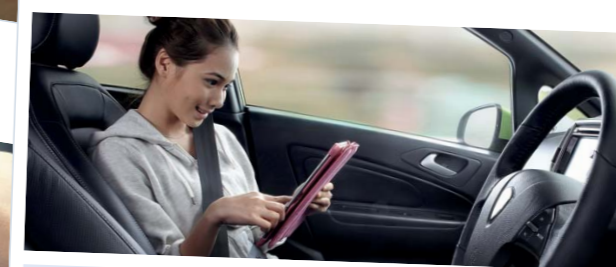

Android-powered touch screen infotainment system with built-in GPS and Bluetooth connectivity for media devices to keep you in the groove.

Multi-Function Steering Wheel**

Enjoy full control of your infotainment choices, all from the steering wheel.

Sporty Luxurious Interior

3D-stitched leather textured instrument panel adds a touch of luxury and exclusivity.

The sculpted semi bucket seats come in luxurious leather* for a sporty and youthful look.

Height-adjustable driver's seat allows the Proton IRIZ to fit all drivers. Finding a comfortable sitting position also allows you to stay alert longer and feel fresher even after a long journey.

Always Onz

Multiple connectivity options through USB, Auxiliary Input, Bluetooth Connectivity and WiFi** to keep you constantly connected.

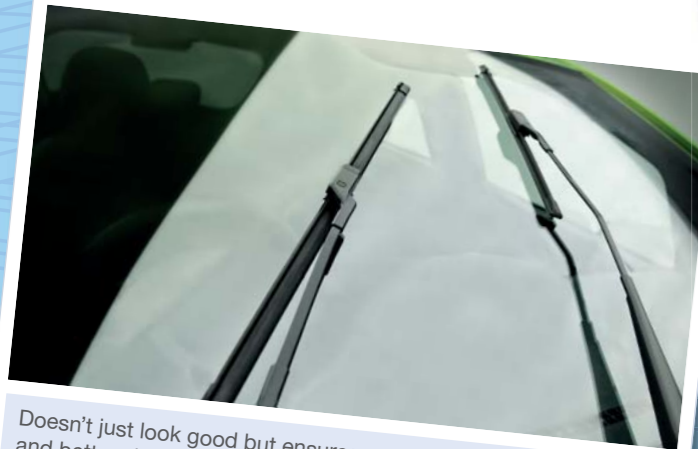

Plenty of charging ports for your devices. Great for family and friends!

*Available in 1.6L Premium variant only. **Available in 1.6L variant only.

Why compromise when you can have it all

Designed to make you look good, engineered to keep you, your family and friends safe

Frameless Wiper

Doesn't just look good but ensures even water clearance and better vision during a downpour.

Rear View Camera**

Park Assist - Reverse sensors and rear view camera make parking in tight spaces a breeze.

Extendable Sunvisors*

Makes perfect sense in sunny Malaysia. Just another way Proton IRIZ is designed with your comfort in mind.

Neat and Tucked

Proton IRIZ comes with up to 10 compartments and 7 cup holders to keep the cabin organised, giving you added convenience on your journey.

You, Zulkifli, Rosa, Mohd Sharil, Jade-Ee and 1,999 others like this.

RESS – Reinforced Safety Structure

The critical sections of the body structure is five times stronger than normal galvanized steel to protect all passengers.

5-Star ASEAN NCAP Safety

5-star rating by ASEAN NCAP is proof that safety is a core feature of every PROTON. Proton IRIZ is a very strong and safe car. It comes with advanced, comprehensive safety systems and smart features.

6 Airbags

Proton IRIZ comes with 6 airbags* (2 front, 2 side, 2 curtain) to reduce the risk of injury against impact in the event of an accident.

*Available in 1.6L Premium variant only. **Available in 1.6L variant only.

*Available in 1.6L Premium variant only.

Safety

Vehicle Dynamic Control (VDC)

ELECTRONIC STABILITY CONTROL

Electronic Stability Control (ESC)

Sometimes things get out of hand. The Electronic Stability Control programme in Proton IRIZ brakes the wheels individually and automatically modulates engine power to allow you to steer away from possible impact.

Traction Control System (TCS)

Road conditions and weather can make driving difficult, especially when there is little grip. Traction control allows power to be safely and effectively delivered to get you moving even in the worst possible condition.

ABS

Anti-Lock Braking System (ABS) + EBD

Prevents the wheels from locking up during emergency braking and shortens the braking distance. Ensures proper brake force distribution between front and rear wheels for effective braking.

BA

Brake Assist

Additional braking force is automatically applied during emergency braking so the car stops in the shortest possible distance.

Hill-Hold Assist

You get enough time to safely move your foot from the brake to the accelerator without the car sliding downhill.

Impact Sensing Door Unlock

In the event of an accident, the Proton IRIZ will automatically unlock all doors for emergency exit.

Whiplash Protection

Whiplash injury is a common occurrence when a car is hit from the rear. The Head Restraint reduces the risk of whiplash by preventing the head from tilting backwards too much and injuring the neck.

Fasten Your Seat Belt

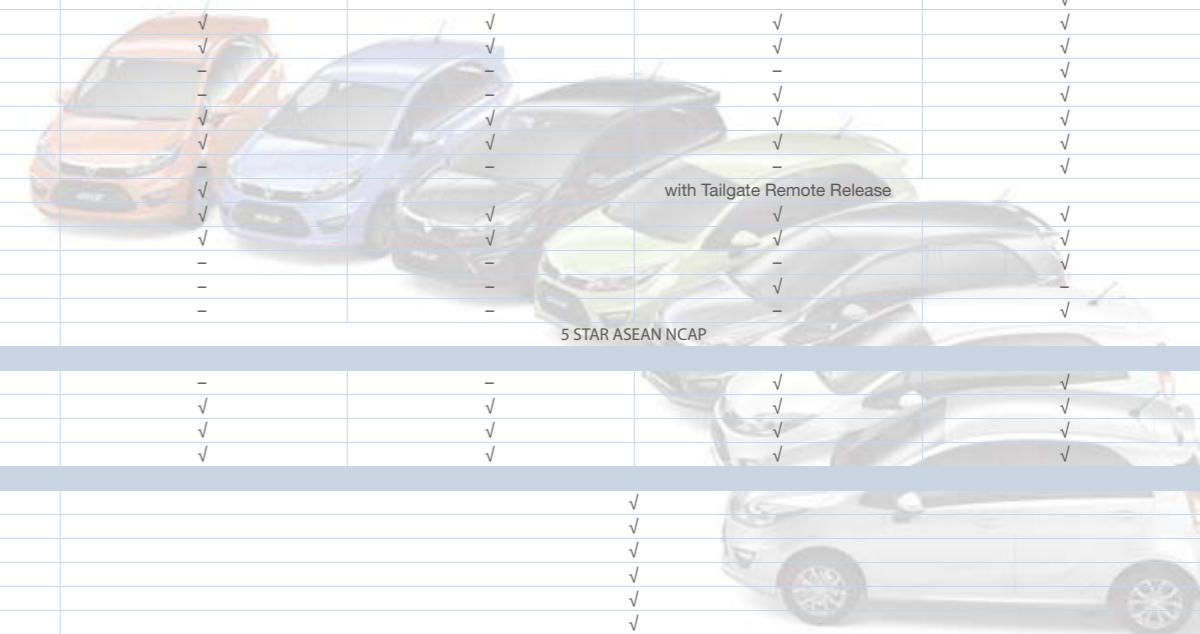

Seat belt reminder for all occupants.* All 5 seats come with 3-point seat belts for better protection.

*For 1.6L Premium variant only.
