PROTON X50

**INTELLIGENCE
THAT AMAZES**

S STYLISH DESIGN

“ Designed to stand out and crafted to leave a lasting impression, the PROTON X50 offers styling that pairs a sleek silhouette with sporty accents to make a bold statement ”

Dual Tone Interior

For a modern contemporary appearance that exudes a sporty feel

Dual Tone Exterior

Contrasting colours create a head-turning, stylish look

Full LED Headlamps

Enjoy clear views of the road ahead, no matter the weather conditions

18" Alloy Wheels

Turbine inspired design adds a dynamic touch

Quad Exhaust Tailpipes

Chromed exhaust tailpipes add a sporty finish

Front Welcome Lamps

Lights the way to the vehicle when you unlock it

LCD Meter Combination

Full colour display highlights the information you need at a glance

Floating Floor Console

Intelligently designed to offer additional storage space

Panoramic Sunroof

Catch a breath of fresh air or open up to experience the world from where you are

POWERFUL PERFORMANCE

“ The PROTON X50 was engineered to amaze with class leading performance matched to efficient fuel economy ”

1.5L TGD Engine

The perfect balance of performance and efficiency with 177PS of power and 255Nm of torque

7-Speed Dual Clutch Transmission with Manual Mode

NORMAL

COMFORT

SPORT

Steering Mode Selection

Normal, Comfort or Sport mode for a more personalised driving experience

NORMAL

ECO

SPORT

Drive Mode Selection

Choose between Normal, Eco or Sport mode to suit your driving style

Auto Brake Hold

Automatically keeps the brake engaged once you come to a complete stop

Remote Engine Start

Warm up the engine and cool down the cabin before entering the vehicle

Advanced Driver Assistance System (ADAS)

Advanced safety system with radar, cameras and sensors to look out for what you may miss and react accordingly to keep you and your loved ones safe

*ADAS safety features are not a substitute for safe and attentive driving
Driver remains responsible for safe vehicle operation at all times

Autonomous Emergency Braking (AEB) and Forward Collision Warning (FCW)

Automatically brakes the vehicle to reduce the risk of injuries in potential frontal collisions

Adaptive Cruise Control (ACC) with Stop and Go

Maintains safe distance from the vehicle ahead, up to the pre-set cruise control speed, even in stop and go traffic

Intelligent Cruise Control (ICC)

Works with ACC to provide steering assistance to keep your vehicle in the centre of the lane

Actively keeps your vehicle in the lane
Lane Keep Assist (LKA)

Lane Departure Warning (LDW)

Sends an alert when the vehicle unintentionally begins to drift out of the lane

Blind Spot Information System (BLIS)

Monitors blind spots and alerts you when vehicles are nearby

Intelligent High Beam Control (IHBC)

Automatically switches between low and high beams when there are oncoming or other vehicles nearby

OUTSTANDING SAFETY

“ With safety at its core the PROTON X50 offers a host of advanced safety features that detect and prevent imminent danger designed to keep you and your passengers safe ”

6 SRS Airbags

Deploys during a collision to protect and reduce the risk of injury

Electronic Stability Control (ESC)

Improves vehicle stability in varying road and weather conditions by reducing understeer or oversteer

Tyre Pressure Monitoring System (TPMS)

Monitors real-time tyre pressure and temperature to provide peace of mind

Auto Park Assist (APA)

An intelligent and convenient self-parking system to help you ease into parking spots

360° Camera

Get a bird's eye view of your surroundings as you park the vehicle
