

Punto

SEEING IS BELIEVING.

From the sleek, assertive styling to its purposeful stance, the Grande Punto oozes refinement and controlled energy. Designed by Giugiaro, the gently sloping bonnet and compact, sporty body represent Italian design at its best. The Grande Punto is a car for drivers who want more than just a great drive.

OBEDI YOUR INSTINCT.

The Grande Punto is a car designed for the senses. Let your eye slowly take in the elegant, sporty lines. Observe how the imposing wheel arches accentuate the aura of power, while the gently curving rear end reinforces the car's sense of strength. Now imagine the view from the driver's seat.

SENSE THE POWER.

Vertical light clusters have been built into the rear pillars to focus the eye on the Grande Punto's uncompromising style. The built-in spoiler incorporates the third brake light, adding to the car's sense of controlled power, just waiting to be unleashed.

RESIST IT IF YOU CAN.

Slip into the driver's seat, and you'll be immediately struck by the bright, inspiring surroundings. Note the black background (white on the Sporting version) of the instrument cluster and the amber illumination that makes them gentle on the eye and easy to read. Take in the elegant and exclusive high-quality materials as you make yourself comfortable. Adjustable seats can be shaped to fit your body perfectly, and the choice of colours and interior trim makes sure they are pleasing to the eye.

THE BIGGEST CAR IN ITS CLASS.

It's not just the length of the Grande Punto (over 4m) that makes it the biggest car in its class. The height-adjustable front seat, excellent access and superb visibility all contribute to the car offering the best interior space in its class too. Excellent ergonomic controls make driving a constant pleasure, while back-seat passengers will always have plenty of room to get comfortable, even with two six-footers up front. Add 275 litres of boot space, and you have a truly exceptional package.

SEVEN MODELS, ONE CHOICE.

Depending on your mood, tastes and precise requirements, you can choose from one of seven different models. For comfort there is the Grande Punto Active, Active Aircon, Dynamic or Eleganza. For the more serious driver: Active Sport, Dynamic Sport and Sporting. Once you've selected the one that's right for you, you can personalise it with a wide range of options, all designed to enhance your driving enjoyment. For maximum sensory pleasure, perhaps you'll choose the Sky Dome sunroof or dual-zone automatic climate control system. Alternatively, preserve the Grande Punto's good looks with parking sensors, or front foglights for a more sporty look. With a vast array of optional extras, the only limit is your imagination.

NO HOLDING BACK.

Appearances can be deceptive, but not in this case. The Grande Punto is every bit as thrilling to drive as its looks promise. The range of petrol engines starts with the incredibly fuel-efficient and perky 65 bhp 1.2. Or you can choose the extra zip of the new 77 bhp 1.4, with variable turbulence combustion chamber. This unique system enables the engine to re-use a proportion of the exhaust gases, giving lower fuel consumption. The range has been further enriched with the brand new 1.4 StarJet (swirl turbulence air-induction engineering) 16v, developing 95 bhp, the first engine to be equipped with a variable turbulence combustion system and electronically controlled phase variator, which provides fuel consumption and emissions reductions with exceptional power delivery.

THE BEST DIESEL RANGE IN ITS CLASS.

Choose between Fiat's renowned 75 bhp 1.3 MultiJet diesel engine, to combine exceptional performance with very low fuel consumption or for those who only begin to enjoy themselves at 100 bhp, the Grande Punto offers the 130 bhp 1.9 MultiJet, both of which comes with a 6-speed gearbox and variable geometry turbine with intercooler.

5-STAR SAFETY.

With 15,000 hours of calculations and hundreds of component and crash tests, we've made safety a top priority on the Grande Punto. Active safety features include ABS + EBD, as well as ESP (Electronic Stability Control) incorporating ASR/MSR/HBA and Hill Holder (standard on the 1.9 MultiJet and 1.4 16v Sporting engines). Passive safety equipment includes two dual-stage front airbags, side and window airbags (six airbags are standard on all versions except Active, which has two), an energy-absorbing body shell and safety belts with pre-tensioners and load limiters. We've also included a safety belt attachment sensor and a de-activation option on the front passenger airbag. Therefore, it's no surprise that the Grande Punto has been awarded with the 5-star Euro NCAP certificate – the highest level of recognition for car safety.

HANDS-FREE INTELLIGENCE.

The future has arrived. By creating Blue&Me™, Fiat Auto and Microsoft have revolutionised the world of in-car communications and entertainment. Using its unique voice recognition software, Blue&Me™ lets you use your mobile and any MP3 player without ever taking your hands off the steering wheel. Blue&Me™ can recognise up to five Bluetooth® mobiles, making it perfect for families or business users who have more than one handset. Using buttons on the steering wheel, you can change the information on the dashboard display panel to select phone numbers, or even choose the music you want to listen to through your MP3 player.

DETAILS THAT ARE MORE THAN JUST DETAILS.

When it comes to creating your perfect car, 'accessories' really doesn't say enough. The details you choose to specify are far more important than that: they're a reflection of your true personality. For fans of a sporty look, we've created the Need For Speed™ bodykit, which includes side skirts, front and rear bumper spoilers, roof spoiler, sports exhaust pipe, 17" alloy wheels, aluminium pedal covers, foot rest and kick plate. If you enjoy an active lifestyle, you could choose transverse roof bars for carrying skis, bikes and surf or snow boards.

NO LIMITS TO YOUR CHOICES.

Firstly you will need to choose the model, equipment and engine to suit your needs. You can then personalise your choice using the wide range of Punto accessories and options. There are thirteen exterior colours for you to choose your favourite from and you can combine fabrics, materials and colours for the dashboard, seats, steering wheel, arm rest and carpets to create an interior to your personal specification. The result will be a unique vehicle created specially for you.

- 4. 17" Alloy wheels
(Standard on Sporting 1.9 16v MultiJet 130 bhp)
- 5. 17" Alloy wheels
(Standard on Sporting 1.4 16v)

CHOICE WITHOUT LIMITS.

Creating your perfect Grande Punto is simplicity itself. First, decide on the version, equipment and engine you want. Next, add your personal touches from the wide range of accessories and options. Finally, select your favourite colour from the 13 available, matching it with our superb range of fabrics, materials and colours for the dashboard, seats, steering wheel, armrest and carpets. The result will be unique, the fruit of your creativity.

FIAT CUSTOMER BENEFITS

When you buy a new Fiat, you buy more than just a car. Behind every car we sell there is the reassurance of a whole range of customer benefits and services designed to make the ownership of your Fiat as enjoyable, affordable and trouble free as possible.

2 YEAR, UNLIMITED MILEAGE, MANUFACTURER WARRANTY

Any repairs required as the result of faulty materials or manufacturer are carried out free of charge – both for parts and labour.

3RD YEAR DEALER WARRANTY†

This warranty covers most electrical and mechanical components in the third year, or up to 60,000 miles from the date of first registration, whichever occurs first. The warranty is provided free of charge and is subject to conditions (full details are available from your Fiat dealer).

3 YEAR PAINTWORK WARRANTY

Any paintwork defects due to faulty materials or manufacturer will be rectified free of charge during the first 3 years.

8 YEAR ANTI PERFORATION WARRANTY

Any perforation of the bodywork due to corrosion will be repaired free of all parts and labour charges during the first 8 years.

12 MONTHS PART AND REPAIR GUARANTEE

All genuine Fiat parts are guaranteed for 12 months, or the duration of the prevailing warranty on the vehicle, as are repairs carried out by any Fiat dealer using genuine parts.

FIXED SERVICE COSTS

All Fiat dealers operate a “Menu Pricing” programme, which guarantees fixed service and replacement costs, with no hidden extras. The price you see is the price you’ll pay, unless you have given your consent for further work to be carried out.

INFORMATION AND CUSTOMER SERVICE

CIAO FIAT is the new single freephone number for customers and prospective customers - 00800 3428 0000*. CIAO FIAT provides you with access to all our products and services in the UK and can be used even when you are abroad (the number can be called from most countries in Europe).

The call is free from land lines in the UK and all Europe (except Switzerland). Mobile network charges may vary depending on whom your contract is with.

Fiat also believe it is important to stay in contact with you and will, subject to your agreement, telephone you from time to time to ensure that you are happy with your Fiat and the service you receive from your dealer. You can also access information about Fiat products and services online on our comprehensive website at www.fiat.co.uk.

INSURED PRODUCTS AND SERVICES

The following insured products and services are provided through Fiat Auto Financial Services (Wholesale) Limited (for AA Assurance and Fiat Motor Insurance) and Fiat Auto Financial Services Limited (for Credit Protection Plans). Both companies are authorised and regulated by the Financial Services Authority for General Insurance.

1 YEAR’S AA ASSURANCE COVER

All new Fiats first registered on, or after, the 1st January 2005, come with 1 year’s AA Assurance cover, which includes Roadside Assistance, Home Start, Relay, Relay Plus, European Cover and Accident Management.

This insured service is provided on a free of charge basis and is available 24 hours a day, throughout the year. AA Assurance also provides free access to travel information, legal advice and technical information.

MOTOR INSURANCE

Comprehensive car insurance is available at competitive premiums, with up to 65% No Claims Bonus transferable from your existing policy after five consecutive years of claim free driving.

For a quotation, either ring 0870 241 3805, or visit online through www.fiat.co.uk

FINANCE PLANS

Fiat Financial Services offers a comprehensive range of financial plans to suit private and business customers alike. Fiat I-deal, Fiat Finance Lease, Fiat Lease Purchase and traditional Hire Purchase can adapt to suit your individual requirements, whatever they may be. For example, you may wish to include the cost of one of our Credit Protection Plans, which provides added security for you, your family and your investment. Your Fiat dealer will be pleased to design a specific plan for you.

Please ask for more information. Written quotations available on request. A guarantee may be required. Fiat Financial Services is a division of Fiat Auto Financial Services Limited.

AUTO CONTRACTS – CONTRACT HIRE FOR THE BUSINESS USER

More and more businesses are turning to Contract Hire as a simple, tax efficient way of financing their fleet. Contract Hire allows the use of a vehicle for a pre-determined fixed period and cost (subject to mileage and conditions) and has many features and benefits that your Fiat dealer will be delighted to discuss with you.

At Fiat Auto Contracts we also provide a full support service, including maintenance, relief vehicle, AA Assurance and accident management, saving you time to concentrate on running your business. For more information, please contact your Fiat dealer, or call 01753 486885.

Contract Hire finance facilities are available to VAT registered businesses, subject to credit approval. Written quotations are available from Fiat Auto Contracts, 240 Bath Road, Slough, Berkshire, SL1 4DX.

Fiat Auto Contracts Limited is an appointed representative of Fiat Auto Financial Services (Wholesale) Limited.
