Renault TWIZY

Plug into the positive energy

Renault Twizy

Times are changing

The eye-catching quadricycle, Renault Twizy is a compact electric vehicle, with zero-emissions in use; it seats up to two people and is unlike anything else on the road today. Twizy is powered by a 17hp electric motor, with a smooth one-speed automatic transmission and a light and compact lithium-ion battery pack.

There are three versions of Twizy, the first of which are the two seated Twizy Expression and Twizy Dynamique (with gloss alloy wheels and cool two-toned colour collections). Arguably the world's coolest commercial vehicle was unveiled in 2013 with the appearance of the single-seat Twizy Cargo. Swapping the rear seat to free up space for a 180-litre, 75kg boot, creates a vehicle perfect for both personal and business use.

With a few simple, daring ideas and a decade of research into cleaner energy, Twizy brings sense to better city living and more fun than you'd ever imagine.

Twizy cargo

Convenient storage

If it's space you're looking for, then the new Twizy Cargo has a convenient storage area, replacing the second seat. With a volume of 180L and a max payload of 75kgs, Twizy Cargo is perfect for deliveries and trips with carry-on luggage. No fuss, no hassle, just the room you need with no compromises on driver experience.

In the summer of 2014 the versatility of the Twizy concept was demonstrated with the launch of the Twizy Cargo, based upon the entry-level Expression model. Here, the rear seat has been removed to create a 180-litre storage space capable of carrying a payload of 75kg – ideal for 'last-mile' deliveries from depots or railway stations, and equally suitable for local food delivery companies or trades people who need to carry tools.

The innovative nature of Twizy also makes the Cargo an ideal advertising medium for such businesses. It is bound to get noticed. And because the Cargo is classed as a car-derived van by HM Revenue and Customs, the VAT is recoverable.

What's your Twizy like?

Expression

The Twizy you want already exists, from conservative to complete fun. It's all down to your tastes. Expression focuses on the Twizy essentials: flexibility, energy and safety. Above all, it's a design in its purest form, which speaks for itself. Twizy Expression, a stand-alone blockbuster.

3 Twizys = one parking space

Twizy's the champion for easy parking, with its unbeatable compact size and turning circle. So, no need for endless trips round the block to find a space. Just think how lucky you are, now you can park anywhere in town. (Where permitted, naturally).

Or maybe it's...

Dynamique

Twizy Dynamique pushes the envelope down to the finest detail: two-toned colour collections, coloured mirrors, seat covers and diamond cut alloys, the ultimate finish. So chic goes hand in hand with fun.

Interior

Transformation of rear passenger space into storage area

* The Renault Twizy range has been measured and certified to 56 miles by UTAC (Union Technique de l'Automobile du Motorcycle et du Cycle) on the ECE-15 cycle. Exactly as with petrol and diesel cars, when driven under real conditions, this range will vary according to: speed, driving style, the terrain of the road, the use of electric accessories. Most of these factors can be influenced directly by the driver so as to help maximise the range of the Renault Twizy. For example, the range will be around 43 miles using eco driving principles and 31 miles when driven under severe conditions.

Design your own Twizy

Twizy people are not shrinking violets. You want to stand out and be noticed. You like to be different. That's why we've introduced Design Your Own Twizy; making the most of Twizy's ability to stand out from the crowd like no other car.

Standard colour options

Flags

Patterns

Art

Animals

Camo

Body wrap options

This is the ultimate in personalisation; as well as a huge range of colours, you can also choose from patterns and designs to make Twizy truly your own. With the new website configurator (www.renault.co.uk/dyot), you will be able to see exactly what your Twizy will look like before ordering.

And it doesn't end there. Lots of businesses are making the most of Twizy's ability to stand out and be noticed. The 'Do Your Own Thing' option within Design Your Own Twizy allows them to make sure their vehicle reflects their business as fully as possible; wraps can include business names and images so the possibilities are limited only by imagination.

Option 1 Door only

Option 2 Door and frame

Option 3 Door, frame rear and front

Option 4 Full wrap with your own design

Twizy comfort

No room for jealousy aboard the Twizy: two people, one set of welcoming and adaptable comforts. Some like it fully open, others have a little cocoon in mind. This is why Twizy offers optional scissor doors and covers dividing driver and passenger. For a flood of natural light and an unrestricted panoramic view, the clear sky roof is an optional extra, too. Also available is a highly practical accessory: the hands free Bluetooth® kit lets you stay connected. Twizy, a truly outstanding re-definition of openness.

Twizy storage

Make your move and live it up with Twizy's 40 litres of stowage. Twin glove boxes on the dashboard hold much more than gloves: like drinks cans, sunglasses, and the rest. Storage nets safely hold small items. And for the weekly shop, fix a 50-litre bag to the passenger seat with secure fasteners.

Twizy technology

Charging the batteries, couldn't be simpler. Open the front flap, pull out the cable, and plug into any 230V socket. After about three and a half hours, you're good for a real-world range of 43 miles, depending on driving conditions, your driving style and the landscape. Enough to cope with anything, especially since the automatic gearbox helps electric economy. As with the entire Z.E. range, on the dashboard you will see remaining battery life information, so you'll always know where you stand.

Twizy safety

Twizy is gifted when it comes to looking after you. Its Renaultsport-developed tubular frame protects you from impacts, and four disc brakes mean true active safety. Combined with an amazing turning circle, Twizy is not only a fun vehicle to drive but a really responsive one too. For passive safety, four-point seatbelts and a driver's airbag have never before been seen on a vehicle that's so agile and easy to handle.

Accessories

Twizy windows - benefit from total protection of the vehicle's cabin in poor weather thanks to an ingenious, high-quality accessory. Twizy windows are fast and easy to fit at home making Twizy even more versatile than ever. Parrot MK9100 Bluetooth kit - a unique Bluetooth hands-free kit, combining the latest in communication technology with a range of music functions. These include wireless remote control and colour display, voice synthesiser and voice recognition requiring no pre-programming, and MP3 iPod connectivity. Add some colors to the wheels to personalize your vehicle! 13-inch alloy wheels in Flame Orange, Urban Blue or Gloss Black Diamond-finish.

How it makes sense

Battery hire

It's simple and unique to Renault: you buy the vehicle and hire the battery. That makes your Z.E. more affordable and gives Renault the chance to offer you high levels of reassurance and complete peace of mind.

No worries – complete 24/7 roadside assistance, even if you run out of charge.

Battery performance is guaranteed to at least 75% of it's original charge capacity. If not, we'll repair or replace it.

You only pay for what you need – you tell us how many miles you'll do and how long you'd like to keep your Z.E.; we personalise your battery hire monthly payment to your own individual requirements.

You enjoy your Z.E. while we keep its heart healthy. It's that easy.

The Renault Z.E. Network commitment.

We've got nothing to hide.

That's why you're welcome to explore the Renault electric vehicle range and test drive the Renault Z.E. technology under real conditions. Just as a reminder:

The Renault Z.E. Network commits:

- To allow you to explore the electric vehicle and RENAULT Z.E. technology under real conditions: test drives, charging modes and range management
- To offer you a range of specially adapted services:
 - Hire of a battery that always works, no matter what your usage is
 - Complete 24/7 breakdown assistance
 - My Z.E. Connect Services
- When installing a charging station at home, we will put you in touch with an approved Z.E. Expert

We guarantee you:

- Warranty
 - The vehicle: 3 years/100,000 miles
 - The electric powertrain: 5 years/100,000 miles (except Twizy: 3 years/unlimited mileage)
- We certify that any work will be carried out by technicians trained in the Renault Z.E. range
- Entrust the disposal of batteries to a network of authorised professionals

FOUR YEARS WARRANTY & RENAULT ASSISTANCE

WITH 4 YEARS WARRANTY AND RENAULT ASSISTANCE AS STANDARD

4 YEARS RENAULT Z.E. WARRANTY

Your vehicle is covered by a warranty package for up to 4 years/100,000 miles (whichever comes first). The first 2 years are unlimited mileage, followed by a further 2 years up to 100,000 miles. The electric powertrain also has a warranty of up to 4 years/100,000 miles (first 3 years unlimited mileage). Your dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for a period of 2 years and the anti-corrosion warranty for a period of 6 years.

4 YEARS RENAULT Z.E. ASSISTANCE

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Z.E. dealer. This service is available 24 hours a day, every day of the year. Renault Assistance Cover provided from months 0 to 48 includes, assistance at the roadside and home, national recovery, onward travel with European cover from months 0 to 36 only. Cover includes mechanical or electrical defects covered by the warranty.

For Z.E. vehicles with a Battery Hire Contract the Renault Assistance cover is linked to the period of the Battery Hire Contract with RCI Financial Services Ltd.

SERVICING OPTIONS

A Renault Service plan allows you to budget for the future cost of your routine servicing. It really is the hassle-free way to take care of your Renault. There are many benefits to a Renault Service plan.

- Inflation-proof servicing - You know exactly what you'll pay and there are no hidden costs
- Full peace of mind - No matter where life takes you, we'll be there
- Renault expertise - Our highly trained technicians know your Renault inside out

We have a range of service plans to meet the needs of practically all of our customers'; the most popular being our 3 year/30,000 miles plan available at £179*. Speak to your Renault dealer for more information on these plans or a price for an age and mileage profile that best meets your needs.

FINANCE OPTIONS**

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

All vehicles are provided with 4 years' warranty and Renault Assistance as standard. For warranty exclusions refer to Terms & Conditions. For full Renault Warranty Terms and Conditions visit www.renault.co.uk/warranty. For Renault Assistance Terms and Conditions visit www.renault.co.uk/assistance. *The Service plan offer is available at participating dealers only. Vehicle must be ordered between 1st January 2016 and 30th June 2016 and registered in 2016. The Renault Service Plan covers the manufacturer's minimum maintenance programme requirements for the term of the plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. To qualify you must order and purchase the Service plan from a Renault Approved outlet before the first service or within the first 12 months (whichever comes first). Cannot be part exchanged, refunded or transferred. **Finance provided by Renault Finance Ltd, P.O. Box 149, Watford, WD17 1FJ. Guarantees and indemnities may be required. You must be at least 18 and a UK resident (excludes Isle of Man and Channel Islands) to apply. Subject to status, terms and conditions apply. Renault UK Limited (company number 82932), registered at The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.

CUSTOMER RELATIONS

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Department on 0344 3350000 (Mon-Fri 9.00am to 5.30pm, except Weds 10.00am to 5.30pm. Closed on Bank Holidays). You can also visit our website www.renault.co.uk Or write to us at: Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.
