

**RENAULT**  
Passion for life

# Renault TWINGO

# Design

**The brief.** “Design a car that smiles and makes you feel happy, with a cheerful, friendly face that brings back memories.”

**Back to the roots.** A pinch of R5 Turbo, a hint of First Generation Twingo, a touch of the Renault DNA. The Renault Twingo resembles its predecessors and is the stuff of dreams. It is a car of its time: current, smart, modular and connected.

**Like the Renault family.** Drawing on the marque’s emotional and sporting heritage, the designers re-interpreted selected iconic Renault features. The tailgate angle, sculpted sides, small round lights and rectangular headlights are all hints to past Renault cars.

"Best Answer to the  
City Car Dilemma"

2015 - City Car  
of the Year

# Go anywhere Go everywhere

In the city, life moves fast and things can change quickly, so a truly excellent city car is one that is practical and versatile as well as small and agile. Whether you have passengers getting in the back, need to park in a tight space or even need to carry some flat pack furniture, Renault Twingo is in its element.

5 doors

Impressive turning circle

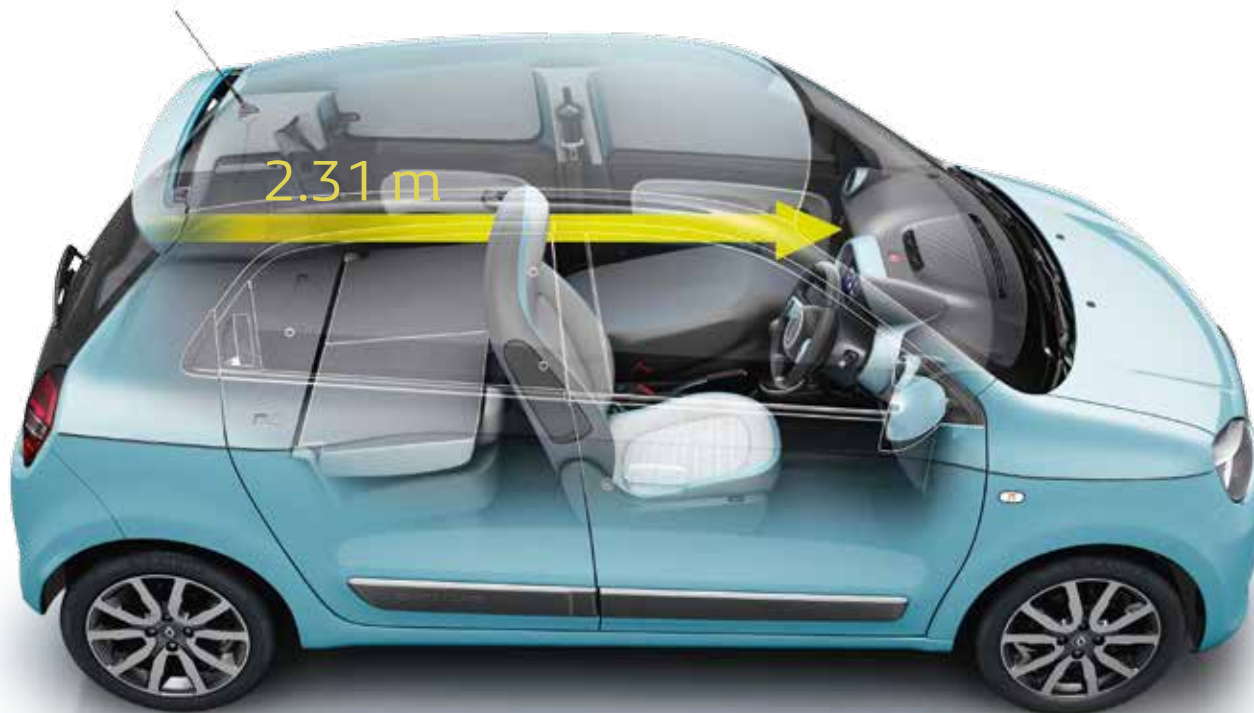

Split folding rear seats

Enough space for a flat-pack bookcase

# No one had dared. Now Twingo has!

**Space, storage and manoeuvrability.** Putting the engine in the rear is something you normally associate with two-seater sports cars, not practical city superminis! However, doing this has given Renault Twingo features that make it stand out from the competition.

I've lost  
10cm exterior length

I've gained  
33cm interior length

I have an amazing  
turning circle of  
**8.59 metres**

**The Twingo paradox.** Since the last generation Renault Twingo has lost 10cm in length. However, at the same time the cabin is 33cm longer. This gives greater knee room for rear passengers.

**Tight turns shouldn't be trouble.** The Renault Twingo has an impressive turning circle of 8.59m. This makes parallel parking in tight spaces a lot easier.

**What a view!** By having a shorter bonnet and a raised driving position, Renault Twingo has excellent driver visibility which makes you feel more confident and enjoy the drive more.

**Quiet, please!** The engine at the back means it is further away from the driver, and therefore quieter: great for listening to your music (or your passenger!)

**Plenty of room.** Although you might think that putting the engine at the back would compromise space, you'd be surprised! There is no loading lip to the boot floor - so it's easy to lift items in and out of the boot - and the split folding rear seats fold flat with the boot, making the space practical. What's more, the front passenger seat folds down, giving 2.3m of load length! This means you could carry some flat pack furniture and still have a passenger in the back!

In addition to the impressive boot space, there are also little stowage spaces around the car for smaller items, such as rear door pockets\*, space under the rear seats\* and a storage space in front of the gear stick.

\*Optional from the Play trim level.

# Technology and innovation

## R&GO

R&Go is an application that turns your smartphone into a touchscreen for your dashboard! The fitted universal smartphone cradle mounts your phone to the dashboard and the app presents the features in an intuitive menu with large buttons. The key features of the app are:

**Navigation.** 3D vehicle navigation provided by CoPilot.\* Maps are downloaded onto the phone, so no data required for navigation. Find my car feature: phone automatically saves the location of your car and gives pedestrian navigation back to it!

**Phone.** Digital keypad, call history and contacts; phone calendar; SMS (messages) read out.\*\*

**Media.** Select the input source for the stereo (including USB and AUX socket) and control the FM/AM/DAB radio, play music from the phone, access internet radio (uses phone's data).

**Vehicle.** Eco driving score, fuel consumption info, trip computer and rev counter available.

The R&GO application is free to download for compatible Android and iOS smartphones.†

\*Available through in-app purchase for vehicles from October 2016 production.

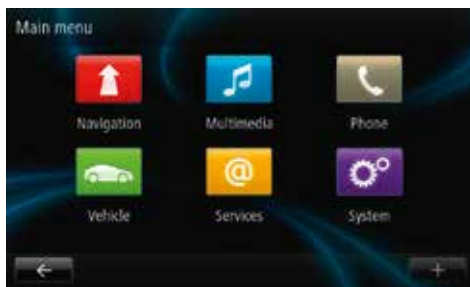

\*\*SMS feature only available on Android devices.

† For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

## Optional R-Link

**Integrated 7" touchscreen multimedia system (with navigation).** In addition to its many built-in features shown below, there are also applications to download from the R-Link Store. You can control it from the screen, steering wheel controls or even voice command.

R-Link is available with the Techno Pack which also includes a reverse parking camera.

**Main menu with 6 icons**  
Discover the six available menus: navigation, multimedia, telephone, vehicle information, services and applications, system settings.

**Touchscreen navigation system**  
Provided by TomTom® (12 months subscription to LIVE services from delivery).

**Multimedia\***  
FM/AM/DAB tuner, connect devices via USB and AUX sockets or Bluetooth®.

**Reverse parking camera system**  
Rear parking sensors with reverse parking camera, which displays the image on the navigation system screen alongside guidance aids.

**Vehicle information**  
The fun "Eco Driving" coach gives you handy tips to improve your driving style and reduce your fuel consumption.

**Voice control\***  
Set your destination, call a contact or launch an application with voice control.

\*For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

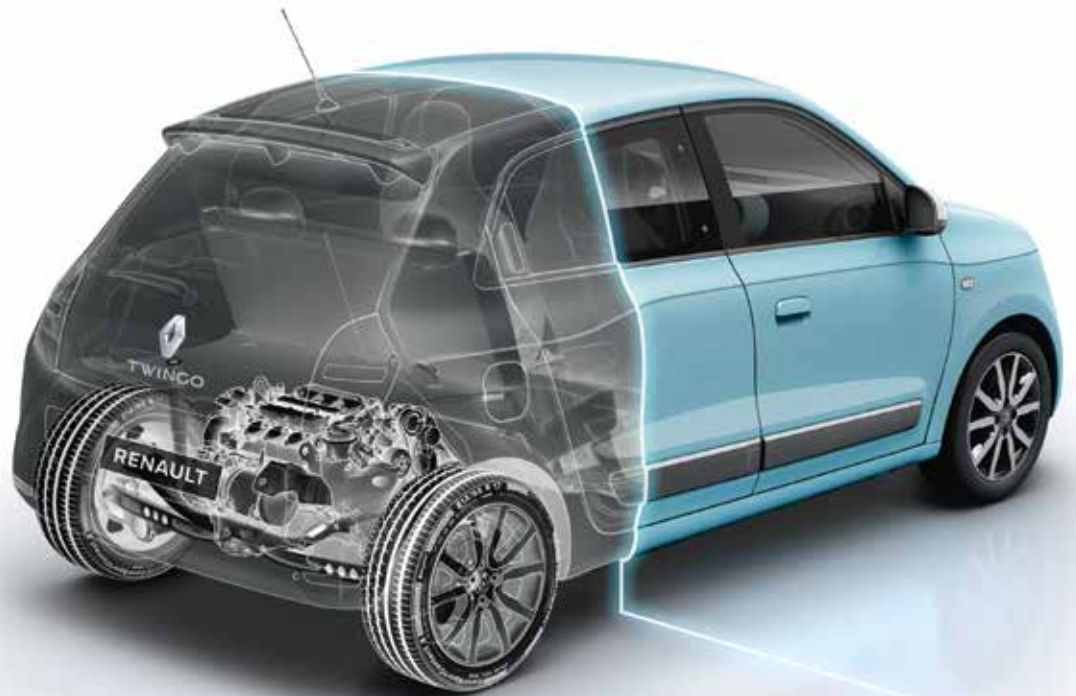

# Engines and gearboxes

**SCe 70.** Made for the city, this 70 hp petrol engine's torque is very responsive, for a drive which is simultaneously lively, flexible and comfortable. There is also a variant which includes Stop & Start for improved fuel economy and reduced CO<sub>2</sub> emissions.

**ENERGY TCe 90 Stop & Start.** For those out of town, the ENERGY TCe 90 turbo petrol engine with a manual gearbox is most at home. With more power (90 hp) and torque (135 Nm) it is very comfortable with brisk starts and nippy acceleration. With standard Stop & Start, your driving is fun and economical.

**TCe 90 Auto EDC.** For those in town, the TCe 90 turbo petrol engine with the automatic EDC gearbox perfectly combines the comfort of an automatic gearbox and the responsiveness of a manual transmission.

# Safety for all

In active and passive safety, Renault's expertise has nothing left to prove. The care taken to make our cities and our roads safer regularly receives rewards.

## Protection

Drive calmly. My architecture has been specially designed to absorb shocks; my front and side airbags protect you and your passengers.

## Hill Start Assist (HSA)

Relax, I maintain the braking pressure automatically for 2 seconds... enough time for you to manoeuvre calmly.

#### Electronic Stability Control (ESC)

Difficult road conditions? Along with the anti-slip regulation (ASR), the ESC monitors your trajectory.

#### Optional lane departure warning

Drive relaxed: if you cross a continuous or broken line without indicating, you get a visual and audible warning.

## SERVICE PLANS

	MRRP*
Service Plan 3 yrs / 30,000 miles†	£649.00†
Service Plan 4 yrs / 40,000 miles†	£909.00†

^ = Manufacturer's Recommended Retail Price; † = The Service plan offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicle must be ordered between 1st January 2016 and 31st December 2016 and registered in 2016. The Renault Service Plan covers the manufacturer's minimum maintenance programme requirements for the term of the plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. To qualify you must order and purchase the Service plan from a Renault Approved outlet before the first service or within the first 12 months (whichever comes first). Cannot be part exchanged, refunded or transferred. For service plan terms and conditions visit [www.renault.co.uk/serviceplan](http://www.renault.co.uk/serviceplan)

\*Official Fuel consumption figures are produced for comparison purpose and are measured according to the EU Directive and Regulation 692/2008. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site [www.vca.gov.uk](http://www.vca.gov.uk). # Renault Services

## 4 Years warranty and Renault Assistance

Your vehicle is covered by a warranty package for up to 4 years/100,000 miles (whichever comes first). The first 2 years are unlimited mileage, followed by a further 2 years up to 100,000 miles. Your dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for a period of 3 years and the anti-corrosion warranty for a period of 12 years.

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault dealer. This service is available 24 hours a day, every day of the year. Renault Assistance Cover provided from months 0 to 48 includes, assistance at the roadside and home, national recovery, onward travel with European cover from months 0 to 36 only. Cover includes mechanical or electrical defects covered by the warranty.

## Servicing options\*

A Renault Service plan allows you to budget for the future cost of your routine servicing. It really is the hassle-free way to take care of your Renault. There are many benefits to a Renault Service plan.

- Inflation-proof servicing - You know exactly what you'll pay and there are no hidden costs
- Full peace of mind - No matter where life takes you, we'll be there
- Renault expertise - Our highly trained technicians know your Renault inside out

We have a range of service plans to meet the needs of practically all of our customers'. Speak to your Renault dealer for more information on these plans.

## Finance options\*\*

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

## Renault car insurance option<sup>1</sup>

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance comes with a 5 Star Defaqto<sup>6</sup> rating and has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault approved parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.
