LIVE FOR MORE STYLE

SUV-inspired Design

Razor-edge Chrome Front Grille

The Renault KWID is designed to turn heads. Its **SUV-inspired design** with short overhangs along with a **180 mm high ground clearance** exudes strength and robustness. The **new Razor-edge Chrome Front Grille** highlights the Renault diamond logo, while stylish fog lamps further enhance the

Renault KWID's striking stance. The chiselled muscular front-end is accentuated by turn indicators on the fender cladding. Further, the steeply-raked **forward-positioned windscreen, integrated roof spoilers and rear bumper with a black trim** add to its dynamic SUV look.

Multi-spoke Wheel Cover

LIVE FOR MORE PERFORMANCE AND SAFETY

Available in Advanced 1.0L & 0.8L Engines

The Smart Control efficiency (SCe) engine technology for **accurate air-to-fuel ratio** monitoring, optimises performance and fuel efficiency. The suspension system of the Renault KWID is calibrated for an **optimum ride**. All the Renault KWID variants have front disc brakes with **ABS** and ensure a safe drive in all weather conditions and on different road surfaces. Further, these variants come with a **driver airbag, a seat belt reminder, new rear retractable seat belts and central locking**. Additionally, the **front ELR seat belt with pretensioners** and load limiters make every drive safer,

Standard across all variants - Driver Airbag

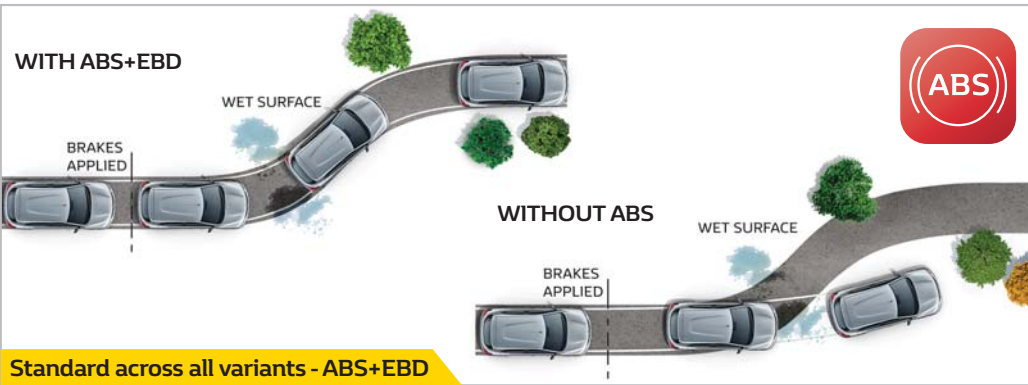

while the **high mount stop lamp** gives complete peace of

mind. The **Traffic Assist Mode** helps the car inch

forward in heavy traffic and keeps it steady on slopes.

High Ground Clearance

Standard across all variants - ABS+EBD

Standard across all variants - Seat Belt Reminder

LIVE FOR MORE COMFORT

The Renault KWID's spacious **ergo smart cabin** is designed for more comfort. This is further enhanced by the KWID's thoughtful seating. The **4-way adjustable front seats** with recline and longitudinal adjust give the

most ideal seating and driving position. While the chunky steering wheel provides enhanced grip. At the back, the **new first-in-class rear armrest** of the KWID CLIMBER makes for a more relaxed posture.

LIVE FOR MORE TECHNOLOGY

The new AMT variant features Easy-R technology – a revolutionary 5-speed AMT. The **dash-mounted Shift Control Dial** is designed to make driving effortless. Its user-friendly **17.64 cm Touchscreen MediaNAV Evolution** comes integrated with **Android Auto™, Apple CarPlay, Push-to-Talk and Video Playback** on your smartphone, complemented by two speakers in the front. This helps in navigation with turn-by-turn voice guidance,

Bluetooth audio streaming & hands-free telephony. The innovative and easy-to-read **Digital Instrument Cluster** with **on-board trip computer** provides driving related information, while the **gear shift indicator** helps you achieve optimum fuel efficiency. To help parking even in the tightest spots, the KWID also comes with a **new first-in-class Reverse Parking Camera**.

LIVE FOR MORE CONVENIENCE

The Renault KWID comes with a host of thoughtful features. From **power assisted windows** that bring convenience to your fingertips to the **powerful air-conditioning with heater** that makes every drive pleasant, to innovative **smart storage spaces** that let you carry all essentials in the cabin at close reach, the KWID is designed around your needs. It comes with a class-leading

boot space of 300 litre that can be extended up to 1,115 litre. The Renault KWID also features **intermittent wipers** that help during drizzles, **new rear ELRs** that help the seat belt to lock upon sudden impact and a front power socket. Additionally the **new rear 12V power socket** ensures phones remain charged in the backseat too.
