Renault KWID

This special edition is inspired by Captain America, featuring his Suit and Shield designs in the classic colour combination of White, Bright Red and Supreme Blue. Symbolising endurance, the original 'SUPER SOLDIER' insignia pairs with Bright Red front & rear terrain protectors, grille accents and ORVMs with white stripes. On the inside, Supreme Blue centre fascia surround and accents on the steering wheel complement Bold Red on the gear knob, stitch lines and door trims. The car also sports new muscular style wheels that lend it an imposing presence, worthy of its Super Hero badge.
