

MODUS & GRAND MODUS

MODUS & GRAND MODUS.

GRAND MODUS, AS LARGE AS LIFE.

**ITS EASY-TO-ORGANISE ADAPTABLE INTERIOR
GIVES PASSENGERS MAXIMUM SPACE AND COMFORT.
WHEREVER YOU GO, GOOD TIMES GO WITH YOU.**

MODUS, HUGE SPACE, COMPACT SIZE.

**EASY TO MANOEUVRE, PRACTICAL AND COMFORTABLE,
IT CLEVERLY TACKLES TRICKY URBAN LANDSCAPES.**

**MODUS & GRAND MODUS,
IT'S GREAT TO HAVE CHOICE.**

GRAND MODUS MORE ROOMY

GRAND MODUS, IT'S PERFECT FOR YOU

Welcoming and light, Grand Modus makes both driver and passengers extremely comfortable on board. It really knows how to make itself useful with a functional dashboard, practical equipment and numerous innovative storage solutions: under-floor lockers, aircraft-style storage solutions...

GRAND MODUS MORE SPACIOUS

SATISFIES YOUR NEED FOR SPACE

Grand Modus makes the most of its longer wheelbase to transform into a real MPV, with a spacious boot (305 to 410 litres standard, depending on the position of the back seat). Loading Grand Modus is child's play, with its easy-to-access controls for sliding the seat backwards and forwards or folding it down. With the seat completely folded down, the useful volume goes up to 1,454 litres. Holidays, shopping, minor removals... whenever you need it, Grand Modus offers you all the space you need.

Please note that the beige interiors shown are not available in UK specification

GRAND MODUS MORE USER-FRIENDLY

MORE COMFORTABLE FOR LONGER JOURNEYS.

Grand Modus is always ready to escape. The engines, characterised by their versatility, driving enjoyment and dynamism, always live up to your expectations... particularly important on long journeys. From the comfort of the seats, to the interior design, through to the quiet purr of the engine, everything on board Grand Modus combines to create a genuine feeling of well-being for the occupants. Comfortable and functional, the sliding rear bench seat allows you to prioritise either passenger legroom or luggage space.

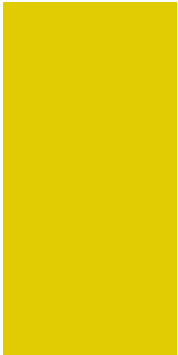

GRAND MODUS MORE RESPONSIBLE

MORE RESPECT, FOR EVEN MORE DRIVING ENJOYMENT.

Grand Modus respects the environment just as it respects your safety needs: reduced fuel consumption and CO₂ emissions (the lowest in its class), major use of recycled and recyclable materials, the Renault eco² standard for 5 of its 6 engines, particulate filter available on diesel engines...The same level of care governs the safety system, with, in particular, high-performance braking, up to six airbags and a structure with programmed deformation zones for a totally safe vehicle.

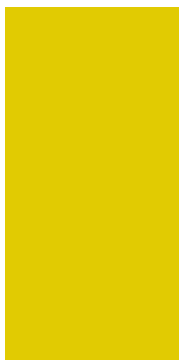

MODUS 100 % COMPACT

MODUS AROUND TOWN? COMPLETELY AT HOME.

What would you do without it? With Modus, driving becomes simple. Agile and easy to park, it combines all the vital characteristics of a real city dweller. Its manoeuvrability and excellent sightlines mean it's right at home in traffic and it can be parked almost anywhere. Characteristics that make Modus an indispensable ally on shopping trips or weekend getaways.

Modus has a comfortable and intelligent interior, designed with you in mind. To keep your personal belongings close at hand, Modus has a holder in the passenger seat, two under-floor compartments and drawers under the front seats. To transport larger objects, you can rely on the adaptability of the optional sliding 'Triptic' back seat which can be folded down into 1/3 and 2/3 sections.

MODUS 100 % PRACTICAL

SIMPLICITY, FUNCTIONALITY: QUALITIES THAT ARE 100% MODUS.

MODUS 100 % STYLISH

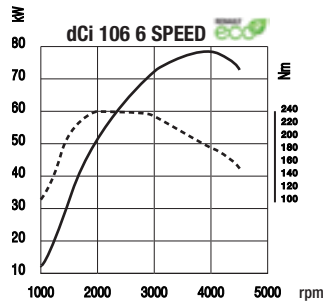

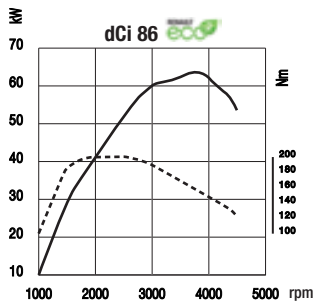

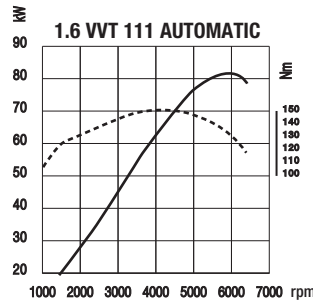

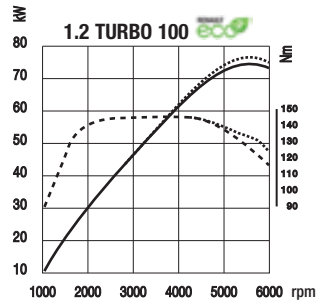

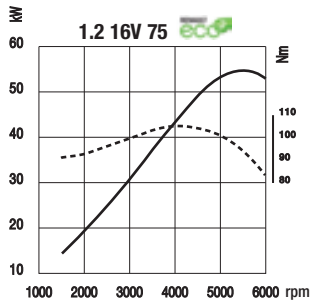

MODUS, LIVE LIFE TO THE FULL.

Modus, a unique and undeniably modern style. Even more elegant, the new front-end design adds vitality. Its compact profile houses a comfortable and functional interior.

ENGINES

1.2 16V 75

Combines flexibility and economy.

1.2 TURBO 100

Its third-generation technology guarantees high performance, economy and respect for the environment.

1.6 VVT 111 AUTOMATIC

Characterised by its high level of power and smoothness on the road.

dCi 86 MANUAL AND QUICKSHIFT5 AUTOMATIC

The 1.5 dCi 86 hp engine combines torque and reduced fuel consumption, as well as reduced emissions.

dCi 106 6-SPEED

Gives powerful acceleration and optimum driving enjoyment thanks to its 6-Speed gear box.

———— Power - - - - - Torque

1. 5-SPEED MANUAL GEAR BOX

Cable control ensures easy and precise gear changes.

2. 6-SPEED MANUAL GEAR BOX ON THE dCi 106

The 6th gear improves acoustics and reduces fuel consumption at stabilised speeds.

3. QUICKSHIFT 5-SPEED SEQUENTIAL GEAR BOX WITH dCi 86

A drive as straightforward as with a manual gearbox.

4. PROACTIVE 4-SPEED AUTOMATIC GEAR BOX ON THE 1.6 VVT 111 VERSION

Its flexibility allows it to adapt to the profile of the road, the vehicle load and your driving style.

Please note that the beige interiors shown are not available in UK specification

Modus and Grand Modus meet 3  criteria: the vehicle produces CO₂ emissions lower than 140 g/km or operates on biofuels, it is manufactured in an ISO 14001 certified factory, minimising its environmental impact, and it includes at least 5% recycled plastic in its plastic mass.

With , Renault displays its environmental commitment at every stage of the life cycle of the vehicle. The vehicle has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy), and that pollution control at the end of the vehicle's life (in particular extraction of fluids) is made easier. Furthermore, this vehicle has parts made of recycled plastic (8%) and renewable materials.

COMFORT

1. FOLDING KEY

2

3

2. ELECTRIC PANORAMIC SUNROOF

Exceptional light levels. The curtain sunblinds can cover the whole roof surface area.

The one-touch anti-pinch facility guarantees total safety.

3. PANORAMIC WINDSCREEN

For maximum visibility.

4

4. AUTOMATIC OR MANUAL CLIMATE CONTROL

Optional depending on version.

INTERIOR

1. STORAGE COMPARTMENTS BELOW THE CENTRE CONSOLE

Located between the front seats.

2. IN-DASH STORAGE

Situated on driver's side.

3. DOOR COMPARTMENTS

(2 in the front and 2 in the rear) to accommodate, for example, CDs, maps and a 1.5 litre bottle in the front.

4. OVERHEAD STORAGE*

Two overhead compartments are available for the front and rear passengers. They operate on a secure gradual opening system.

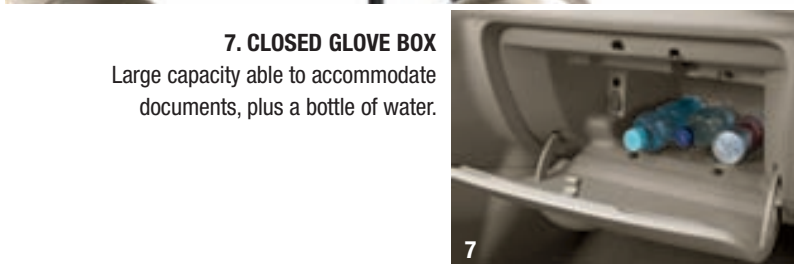

5. AIRCRAFT-STYLE TABLES*

Fitted on the backs of both front seats, with cup holder.

6. DRAWERS UNDER FRONT SEATS*

* Storage Pack option

7. CLOSED GLOVE BOX

Large capacity able to accommodate documents, plus a bottle of water.

Please note that the beige interiors shown are not available in UK specification

ADAPTABILITY

1. SPACE

A sliding rear bench seat* to prioritise either boot space (bench seat moved forward) or rear passenger room (bench seat pushed back).

2. MODULAR LUGGAGE COMPARTMENT

The back of the rear bench seat easily folds down into 1/3 and 2/3 sections to fit in long or bulky objects.

3. MAXIMUM LOADING

To give a storage space with a flat bed and a volume of 1,454 litres (on Grand Modus), the rear seat folds down easily*.

4. PRACTICAL LUGGAGE COMPARTMENT

Securing strap to stow fragile objects, hooks for shopping bags, anchoring rings** and securing nets**.

5. ACCESSIBLE LUGGAGE COMPARTMENT

Easily accessible thanks to its low loading sill and largely unobstructed due to the parcel shelf fitted to the tailgate.

6-7. TRIPTIC BENCH SEAT ON MODUS

Moved forward with 3 seats for maximum boot space, pushed back with 2 seats (centre part folded down), for maximum comfort.

* As standard on Grand Modus; Triptic bench seat optional on Modus

** Available in the Storage Pack.

Please note that the beige interiors shown are not available in UK specification

SAFETY

Modus and Grand Modus are particularly strong on safety. All occupants are protected by a reinforced structure with programmed distortion zones and up to 6 airbags (depending on options): 2 frontal adaptive airbags, 2 lateral thorax airbags and 2 lateral curtain airbags.

1. EURO NCAP

Modus was the first vehicle of its class to be awarded 5 stars in the Euro NCAP test (August 2004). Grand Modus has these same safety provisions and equipment.

2. DEDICATED CORNERING LIGHTS*

The lights automatically come on (under 60km/h or 37mph) when cornering and give the driver a wider field of vision.

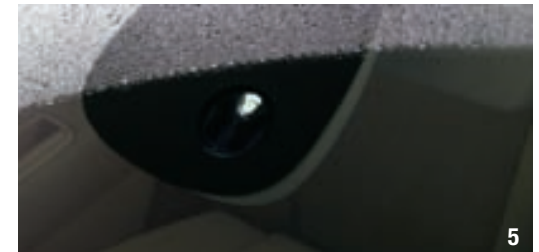

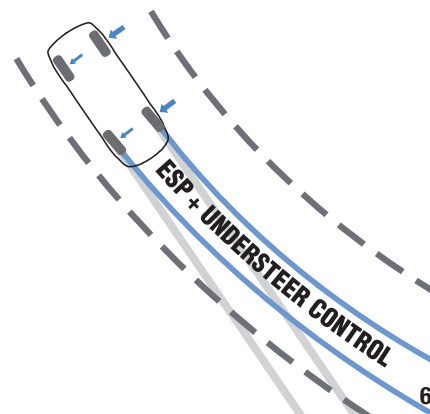

3. ISOFIX CHILD SEAT MOUNTING POINTS

With three mounting points in the rear outer seats, it allows child seats to be fitted safely and securely (Duo Plus booster seat for children aged 12 months to 6 years available as an accessory).

4. DEACTIVATION OF FRONT PASSENGER AIRBAGS

With dashboard indicator, to enable a child seat to be fitted in the front in complete safety.

5. LIGHT AND RAIN SENSORS

Located on the windscreen alongside the rear view mirror, these sensors activate the headlights automatically if light levels drop, and start the windscreen wipers in the event of rain.

6. ESP (ELECTRONIC STABILITY PROGRAMME)

ESP with ASR Traction Control and CSV Understeer Control; restores the stability of the vehicle in the event of avoidance manoeuvres and/or poor surface grip.

* Available in Style Pack.

Please note that some equipment listed may be optional

ACCESSORIES

1. TOURING LINE ROOF BAR

The Touring Line aluminium roof bars have been especially designed for Modus. They can accommodate, among other things, Touring Line roof boxes, which open on both sides and are fitted with a 3-point anti-theft lock.

2. RELIEF EVOLUTION MAT

The textile 3D Relief Evolution mats are available in charcoal or beige.

3. EMPREINTE RUBBER MAT

Renault's made-to-measure mats protect the floor from wear and moisture. The range includes the Empreinte rubber mat, which comes with higher edges for increased protection and easier handling.

4. FULLY-AUTOMATIC RDSO TOWING BALL

With this model, the ball can be fitted or dismantled in a few seconds without the need for tools, helping to maintain the vehicle's stylish profile.

5. BOOT BOX

The sealed boot box permits transportation of damp or dirty items. It is easy to remove and can be cleaned with a hose.

6. MESH MAP POCKET

Gives extra storage space in the boot and ensures that objects are kept upright.

7. REAR SPOILER

The aerodynamic sport spoiler is the ideal complement to the sport kit.

8-9. 'FAR AWAY' ALLOY WHEEL AND 'ROXANE' ALLOY WHEEL

Signature models to give your Modus a touch of class and sportiness.

10. CHROME DOOR MIRROR

These mirror shells are fitted to replace the standard mirror shells. Perfectly integrated, they bring a top-of-the-range look to your Modus.

11. DOOR SILLS

To stylishly protect the entrance to your Modus, fit aluminium door sills.

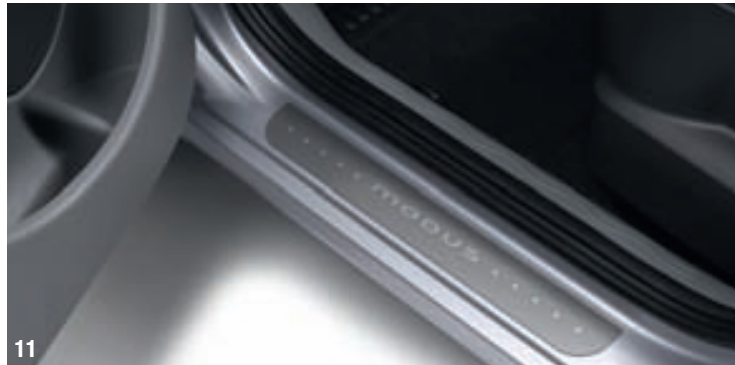

12. BLUETOOTH® HANDS FREE MOBILE PHONE KIT

Perfectly integrated, it enables you to manage your telephone calls with your car's radio controls and dashboard display. You can view the name of the caller and pick up or hang up while keeping your mobile in your bag or pocket.

*To make and receive calls safely, you are recommended to pull over and stop in an appropriate area.

13. MULTI-FUNCTIONAL TUNEPPOINT

The USB and iPod sockets enable you to connect and control your music player using the radio controls on the steering wheel, while the jack allows you to connect any audio source.

EQUIPMENT AND WHEELS

Expression

- Electric front windows
- Front headrests - height adjustable
- Height adjustable front seatbelts with pretensioners and load limiters
- Multiple in-dash and under-floor storage features
- Power-assisted steering - variable
- Rear headrests - height adjustable

THE ECOLOGICAL FOOTPRINT ACCORDING TO RENAULT

Renault's environmental policy is based on an understanding of the ecological challenges that our planet faces. By launching the **Renault eco²** initiative, Renault underlines its commitment to protecting the environment and so offers a range of vehicles that are both economical and ecologically sound.

- **ECOLOGICALLY** sound through a commitment to reducing the environmental impact for the entire lifespan of the car. From the outset, each new project incorporates production processes, choice of materials, pollutant and CO₂ emissions, fuel consumption and recycling.

- **ECONOMICAL** in terms of fuel consumption. Renault emphasises that the solutions to many great ecological challenges lie in technological advancements that can be applied to the majority of vehicles whilst maintaining attractive pricing.

- **RECYCLING** Renault strives to manufacture vehicles that are environmentally safer than ever before. One of Renault's strengths is its capacity to integrate the environment into every stage of a vehicle project right from the design phase until the end of its life cycle. Eco-design of current Renault vehicles enables 95% of their weight to have a second life. It also means that an increasing number of components are made of recycled plastics and renewable materials. For further information on Renault and the environment please log on to our website, www.renault.co.uk.

RENAULT. THE STANDARD IN SAFETY.

www.euroncap.com

Renault's continuous work in the field of safety has reaped rewards: with eight vehicles* awarded 5-star ratings in Euro NCAP** crash tests, Renault is now the leading manufacturer in terms of occupant protection. Renault's expertise in safety is applied from the very start of the vehicle design process, and incorporates high quality systems in order to:

Prevent risks thanks to the driving safety features.

Correct driving errors to prevent accidents as far as possible.

Protect all of the vehicle's occupants in the event of an accident, no matter where they are seated.

Furthermore, Renault considers safety from a global viewpoint. Not only do we develop and manufacture the safest vehicles available to date, but we also act to improve the behaviour of today's road users. As a result, Renault raises road safety awareness amongst even the youngest of road users by means of an international training programme which is run in schools and colleges.

* Please note that Vel Satis is not available in the UK.

**Euro NCAP (European New Car Assessment Programme) is an independent organisation.

RENAULT, 2005 & 2006 FIA FORMULA 1 CHAMPIONS

FORMULA 1, A SCHOOL OF EXCELLENCE

Formula 1 is an extremely demanding sport. It teaches us that what really counts, besides performance, is the ability to construct reliable cars which won't let you down, despite being subjected to extreme physical conditions.

We have applied this philosophy not only to our racing cars, but also to the construction of our road cars. Because our commitment to Formula 1 has only one aim: to teach us how we can offer you reliable, safe, high performance cars, upon which you can always rely.

WHO BETTER THAN RENAULT TO SERVICE YOUR RENAULT?

Your new Renault is covered by a 3-year warranty package – the first 2 years of unlimited mileage Renault manufacturer warranty, followed by a further year of cover up to 60,000 miles.* This requires full servicing history according to Renault UK approved current standards. Paintwork is also guaranteed for 3 years while the anticorrosion warranty runs for 12 year (Master anti-corrosion warranty runs for 6 years). In addition, the Renault Assistance plan ensures prompt help in the UK and Northern Ireland for manufacturer defects for 24 months (36 months for light commercial vehicles, or cars registered before 1st September 2006).

FINANCE OPTIONS

There are a wide variety of ways in which the purchase of a new car can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or a private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

CUSTOMER SERVICES

RENAULT FOR YOU

Renault For You is a collection of products designed for making motoring easy:

- Extended Warranty for New Vehicles allows you to extend your Renault Warranty up to 5 years or 100,000 miles.
- Extended Warranty for Used Vehicles.
- Renault Assistance Added Cover provides you with the services of the AA for certain problems that are not covered by Renault Assistance: punctures, incorrect (or lack of) fuel, keys lost, stolen or locked inside the vehicle, road traffic accidents, incidents involving caravans and trailers.
- MOT Test Warranty offers you protection should your car fail its MOT Test. For further information about these products, ask your Renault Dealer or simply log on to www.renault.co.uk and click on 'Owner Services', where you can purchase all of them securely online.

RENAULT NETWORK SERVICES

No-one is better placed than Renault to maintain, fit and repair your Renault, fast. The Renault Minute (maintenance and repair with no appointment necessary) and Renault Rapide Bodycare (bumper scuffs, dings and dents, windscreen, stone chips and interior repairs...) services deliver the highest level of repair and maintenance and offer a full year's guarantee on Original Renault Parts. And don't forget to have a look at our wide range of additional equipment and accessories!

RENAULT INSURANCE

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car.** In addition to a very competitive premium, Renault Insurance also includes: a free 24-hour accident recovery programme; Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Call: 0845 603 8256 or visit www.renaultinsurance.co.uk
