LIVE

THE CONNECTED LIFE

Renault Clio 3 features the same long-acclaimed qualities which enabled Clio 3 to secure benchmark status in its class. Its design, comfort, features, handling and safety credentials, plus inherent qualities associated with higher segment cars, ensure a versatile and exciting drive.

The 1.6 VVT engine is both quiet and light, and performs well over a wide range of engine speeds for maximum flexibility and driving pleasure. The much anticipated auto derivative offers a balance of performance and driving ease with the convenience of an automatic gearbox.

Renault Clio 3 incorporates dynamic styling cues on the front-end and inside, the emphasis being on finish-quality and comfort.

Thanks to its zingy, dynamic performance and chic looks, plus the added advantage of a roomy interior, expect a superb driving experience. Renault's extremely rigorous build quality makes it one of the most reliable cars in its class.

SAFETY: A PRIORITY FOR RENAULT

As with all Renault models, performance goes hand in hand with safety. Simply, the Clio 3 would not be a Renault without a multitude of safety features. Superior passive safety features, together with the combination of Clio's suspension and a range of driver aids (ABS with EBD, Emergency Brake Assist) make the Clio 3 one of the safest cars in its class. The Clio 3 Hatchback earned the maximum five star rating in the independent EuroNCAP crash tests at the time of its release in 2005. Clio 3 features a complete eight airbag system; two adaptive front airbags for the driver and front passenger, two front lateral airbags, two rear/side curtain airbags and two front anti-sliding airbags* for the driver and front passenger (*Renault Sport models), which inflate automatically depending on the intensity of the impact. The body includes a reinforced structure with programmed deformation zones designed to absorb greater energy in the event of a collision.

Thanks to Renault innovation and safety features, expect a ride that's secure and comfortable too, with power steering that adapts to the car's speed, rain sensors that activate wipers automatically and added 'see round corners' lights - all this means that joie de vivre and relaxation go hand in hand in the Clio 3.

BENCHMARK STATUS IN ITS CLASS

CABIN SPACE AND COMFORT

The Clio 3 has set new standards in terms of cabin space and comfort with a class-leading overall cabin space index, thanks to the increased rear shoulder-room. The sensation of space is further accentuated by the generous headroom, while rear occupants also benefit from spacious kneeroom. Clio 3 comfortably seats passengers who are more than 1.88m tall.

ACOUSTIC COMFORT

Clio 3 boasts a level of soundproofing performance associated with higher segment cars. Its architecture has been carefully engineered to filter out engine and transmission noise, as well as road noise. Care has also been taken with the sound damping between the cabin and the engine, whilst wind noise has been reduced.

CARMINAT TOMTOM® LIVE FULLY INTEGRATED NAVIGATION SYSTEM

Available as standard equipment on the 1.6 Avantage. A groundbreaking first for the compact car segment and the first model in its class to offer fully integrated navigation, Carminat TomTom® LIVE will give Clio 3 owners a fresh take on motoring mobility. This new integrated satnav system incorporates a generously sized 15cm colour screen, plus dependable navigation and services such as traffic information, speed restriction warnings and fixed speed camera alerts. Live Services include HD Traffic, Google Search and weather forecasts. HD Traffic provides precise information on the length of a traffic hold-up, time taken to get through it and recalculates your route if necessary, so you can leave those traffic jams behind! TomTom® Home application allows for the management and access to online services, map downloads, points of interest, online commands, access to the MapShare community, etc.

Carminat TomTom® is easy to update. Maps are stored on a 2Go SD card. By using the card on a computer linked to the Internet, you can access a long list of on-line services...

- Update and upgrade the navigation system thanks to free or pay downloads: maps, speed camera locations, points of interest, customisation of certain functions (voice, 3D vehicle icon, colours, etc.)
- Order maps of other countries on-line
- Share, correct and save map information using MapShare®
- Pre-trip planning using Google search®
- Obtain e-guides, tuition, etc.

RENAULT DRIVE THE CHANGE

The philosophy that encapsulates Renault brand values and expresses the ambition of Renault; an innovative, human company, to pioneer sustainable mobility for all. Renault builds on more than 110 years of innovation to bring customers breakthrough top quality products and services that are ingenious, appealing, affordable and carbon efficient.

Renault's brand expresses the deep rooted values of our business culture and brand values - reliable, human, enthusiastic - and forges a new path in automotive design and use.

RENAULT CONFIANCE

RENAULT CONFIANCE AN ALL-ENCOMPASSING CARE PACKAGE.

When you drive a Renault, you drive with confidence because you know that wherever you are, you'll always be in great hands. And to make your travels even more enjoyable, Renault is proud to bring you Renault Confiance - a complete peace of mind programme. Read on and understand why many Renault drivers feel more confident that they're backed by Renault Confiance.

PARTS AVAILABILITY WHATEVER PARTS YOU NEED, WE'LL HAVE THEM OR OFFER YOU A MOBILITY SOLUTION.

Renault ranks amongst South Africa's motor industry leaders in affordable parts pricing. Parts availability is ensured in Renault dealerships, but should your Renault become immobilised through spare parts being unavailable, you will be offered a mobility solution.

5 YEAR/150 000KM WARRANTY* WITH A 5 YEAR/150 000KM WARRANTY, YOU'RE ALWAYS COVERED.

Should you experience any mechanical failure resulting from a defect in an original part(s) on your new Renault vehicle, Renault Confiance will cover the cost of repairs for a period of 5 years or 150 000km.

*Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutches, cam belts, etc.

FIXED PRICE SERVICE MENU KNOW YOUR SERVICE COSTS UPFRONT, WHAT WE QUOTE IS WHAT YOU PAY.

No surprises, just fair, standard pricing on all services. So, you know upfront what you are paying for your vehicle service. The Fixed Price Service Menu is a major advantage for customers. It states the costs of every scheduled service, and is displayed in every dealership. It affords the opportunity to compare our servicing costs with competitors. Transparency is assured, and there are no hidden costs.

24HR ROADSIDE ASSISTANCE/SECURITY WHATEVER THE EMERGENCY, WE'LL ALWAYS BE THERE.

Because your personal security is of utmost importance to us, help is one phone call away. Simply dial **0800 600 189** for assistance or for a team to be dispatched to you.

- This number is available 24 hours a day, 365 days a year.
- You will either be assisted on the scene or your vehicle will be towed to the nearest Renault dealership.
- Our 24 hour Roadside Assistance Plan covers all new Renault vehicles for a period of 5 years or 150 000km with an option for extension.
- With our 'Stand by You' Plan, we will dispatch a security guard within any metropolitan area to stand by your side on request.

SERVICE/MAINTENANCE PLANS WE OFFER STANDARD OR TAILOR-MADE OPTIONS TO SUIT YOUR NEEDS.

SERVICE PLAN

Having a Service Plan reduces the costs of servicing your new car. The price of the Service Plan is fixed when you buy your car, so you won't have to worry about inflationary price increases on labour or parts; for the duration of your Service Plan.

MAINTENANCE PLAN

Your Maintenance Plan is a comprehensive package that not only covers all your service, maintenance and labour costs over a contract period, giving you greater peace of mind.

COMPLETE PEACE OF MIND

At Renault we believe in always putting you first and striving to understand your vehicle and service expectations. In this way we will be better able to meet them, providing you with peace of mind, value for money and a strong sense of satisfaction with your vehicle purchase.
