

RENAULT CLIO

available with
full hybrid E-Tech

4 November 2025

different energy, same love

More Clio than ever after 30 years of success, Renault Clio full hybrid E-Tech injects new energy. The overhaul of the Renault identity is reflected in the sportiness of its esprit Alpine version and the sharper new grille. Inside are biobased and recycled materials, comfort and connectivity.

Enjoy a unique driving experience with the full hybrid E-Tech 145hp engine.

full hybrid E-Tech 145hp engine

up to 575 miles of driving range⁽¹⁾

esprit Alpine version

biobased and recycled materials

301L of boot volume

up to 18 driver-assistance systems⁽²⁾

(1) internal source, based on Clio E-Tech vs WLTP fuel consumption figures. figures shown are for comparability purposes only. actual real world driving results may vary depending on factors including the starting charge of the battery, accessories fitted after registration, weather conditions, driving styles and vehicle load. (2) Always follow road safety regulations. It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. You should not solely rely on driver convenience and assistance features. Some features may not work in all conditions and circumstances, and they have speed and other limitations.

a new impetus

Renault Clio full hybrid E-Tech⁽¹⁾ unveils a distinctive and stimulating style: enlarged front grille with chrome, new full LED lights at the front and rear, and sculpted sides. The sportiness is expressed in every detail, with the esprit Alpine version and its shadow grey F1® blade.

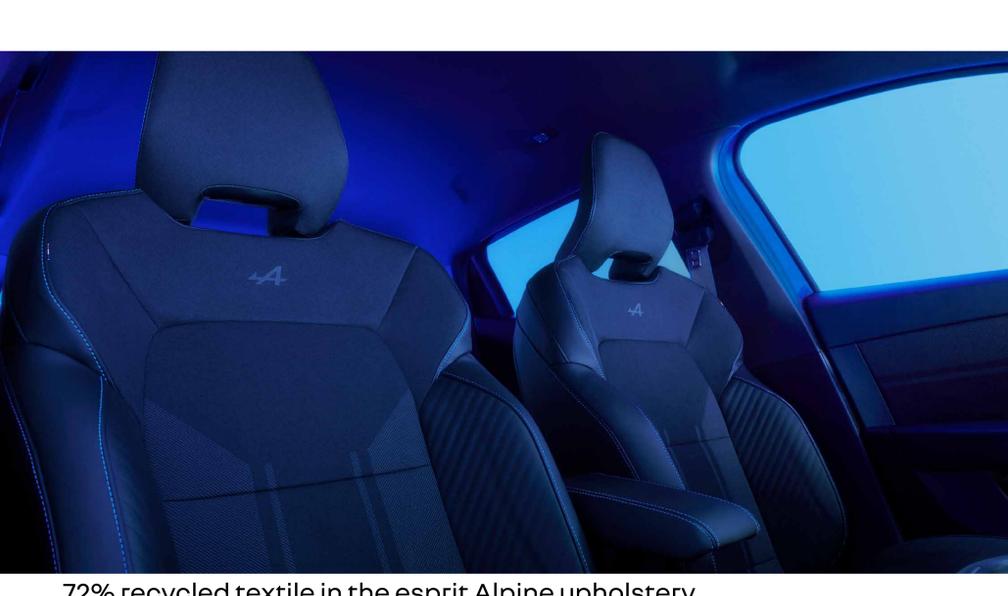

The Nouvel R diamond logo and the half-diamond daytime running lights accentuate the modernity of the design, providing a bold and distinctive look.

In the esprit Alpine version, the 17" F1 inspired wheels enhance the model's sporty personality⁽²⁾.

The esprit Alpine interior stamps its identity, with the blue top-stitching on the upholstery, the embroidered motif on the upper seatback, the aluminium pedal unit and the Alpine door sill. The blue/white/red stitching on the steering wheel give a nod to the esprit Alpine DNA.

72% recycled textile in the esprit Alpine upholstery

blue/white/red top-stitching on the steering wheel

(1) TCe90 also available. (2) blue centre cap or grey centre cap depending on body colour.

next-generation comfort

Take a seat in a contemporary interior featuring heated front seats, made from biobased materials and a heated steering wheel stamped with the new Renault identity. Personalise the driving experience with the three multi-sense modes⁽¹⁾.

Created from the partnership with Tencel™, the coatings of the upholstery, doors and dashboard contain 60% plant fibres⁽¹⁾, with the wood used guaranteed to come exclusively from sustainably managed European forests. There is no leather in Clio: instead, the surfaces are covered in TEP, a grained coated fabric made of bio-sourced and polyester fibres.

techno version upholstery

(1) available on techno and esprit Alpine versions.

more welcoming than ever

Thanks to its feel for comfort and roominess, the rear provides excellent knee room of 16.5 cm and optimal headroom to accommodate both children and adults.

Enjoy the generous boot volume of up to 391L⁽¹⁾. Adjust the 1/3-2/3 bench seat very easily for available space of up to 1,069L in the configuration with three seats folded down.

(1) 301 L / 1,006L on E-Tech. 391 L / 1,069 L on TCe 90.

[configure and order →](#)

resolutely connected

Renault Clio connects you to the remote services you need. Enjoy the easylink connected system and its 9.3" multimedia touch screen⁽¹⁾, with on-board navigation and wireless smartphone replication.

The wireless replication compatible with Android Auto™ and Apple CarPlay™ shows all of your apps, playlists, podcasts and calls on the multimedia screen

The customisable 10"⁽²⁾ digital driver display keeps essential driving information in your direct view.

Stay permanently connected thanks to the wireless induction charger⁽³⁾, located in the central storage space, to recharge your smartphone at any time without having to plug it in.

(1) 7" touch screen on evolution and techno, 9.3" on esprit Alpine.
(2) 7" digital driver display on evolution and techno trims, 10" on esprit Alpine version.
(3) standard on techno and esprit Alpine versions.

Android Auto™ is a trademark of Google Inc.
Apple CarPlay™ is a trademark of Apple Inc.

05. advanced driver-assistance systems

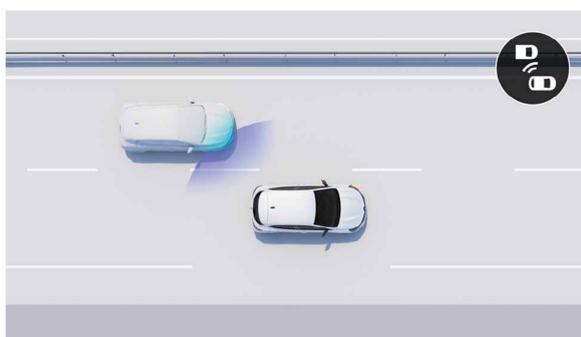

up to 18 advanced driver-assistance systems⁽¹⁾

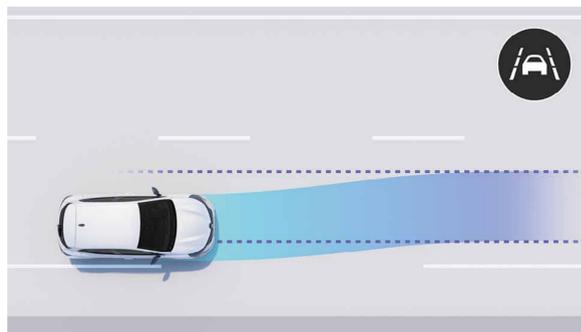

As part of the human first program, Renault Clio offers up to 18⁽¹⁾ advanced and innovative driver-assistance systems.

adaptive cruise control
The system keeps a safe following distance from the vehicle in front of you. It activates the brakes if you get too close, and accelerates when the road is clear again.

blind spot warning
Enabled at speeds over 9mph, this system uses warning lights on the door mirrors to alert you to the presence of vehicles that are not visible in your field of vision.

lane keeping assist
This system corrects the angle of the steering wheel, returning the vehicle to its lane unless you have indicated.

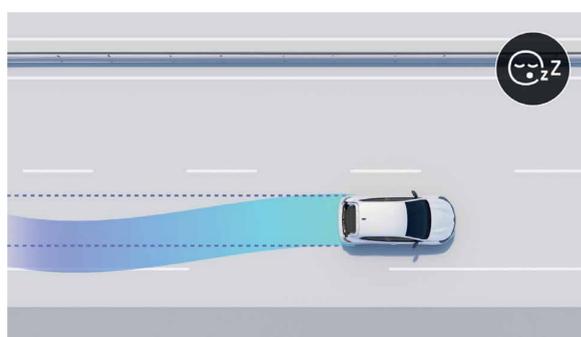

automatic emergency braking with emergency brake assist
Warns the driver of an imminent risk of frontal collision with a stationary vehicle, at low speeds. Triggers automatic emergency braking to avoid or mitigate a collision.

rear view camera
This system provides a rear view on the screen when you engage the reverse gear. Superimposed outlines make your manoeuvres easier and safer.

rear cross traffic alert
When reversing, the system warns you of a risk of collision with a vehicle.

driver attention alert
Active from 37mph, this system warns the driver if fatigue is detected via an audible alert and a message on the dashboard.

driver assistance

- hill start assist
- distance warning alert
- speed limiter
- cruise control
- adaptive cruise control⁽³⁾

parking assistance
