# THE NEW RENAULT SCENIC RANGE REFRESHED WITH XMOD

Evolution and redesign; redesign of the iconic Scénic. THE original multi-purpose vehicle, which since 1996 has created a whole new way of life on our streets, roads and motorways. The new Scénic XMOD brings a new style and a new attitude to the range.

The new Scenic XMOD has been designed to take on any challenge. Set apart by its crossover looks and with Renault's new design identity, Scénic XMOD is a model that will turn heads. It is always ready for adventure with protective body mouldings, striking roof bars and new wheel rims with Grip Xtend advanced traction control technology.

Four fuel-efficient yet powerful ENERGY engines afford impressive driving performance and a perfectly proportioned 'cockpit' cabin coupled with the Bose® Energy Efficient sound system make for the most exciting driving experience in the Scénic range.

The new Scenic XMOD: innovative crossover technology on the much loved Scénic. Redesigned for men who are more than just dads, ready for their own adventures...

**VINCENT CARRÉ,** MARKETING DIRECTOR, MEGANE AND SCENIC

---

**SCENIC DNA RECONFIGURED AS A CROSSOVER** SPOTLIGHT ON THE  
SCENIC XMOD

---

WITH ITS NEW DESIGN FRONT GRILL; MUSCULAR CROSSOVER LOOKS; AND A GLORIOUSLY PROUD RENAULT LOGO, THE SCENIC XMOD WILL MAKE HEADS TURN. HARD-WEARING AND ROBUST, INNOVATION IS IN ITS GENES. STEP INSIDE AND DISCOVER THE WORLD OF THE SCENIC XMOD, IT'S OVER TO YOU TO DISCOVER A NEW WAY OF DRIVING; A NEW ATTITUDE TO LIFE.

# SCENIC XMOD CORE FEATURES

## EXPRESSION+

### Technology

ABS with EBD (electronic brake distribution) and Brake Assist  
Grip Xtend advanced ASR traction control system and M&S tyres (standard ASR on 17" and dCi 110 EDC Auto engine)  
CSV understeer control  
Electronic Stability Control (ESC)  
Hill Start Assist  
Front fog lights  
LED daytime running lights  
'See Me Home' headlights  
Deadlocking  
Insurance approved alarm system (Thatcham category 1)  
Cruise control with speed limiter  
4 x 20W Radio CD MP3 player  
Bluetooth Connectivity  
AUX and USB connection in radio fascia  
R.A.I.D. (Renault Anti Intruder Device) automatic door locking

### Interior

Driver and front passenger two stage auto-adaptive airbags  
Front and rear curtain airbags  
Front and rear headrests with height adjustment  
Front lateral airbags  
ISOFIX child seat mounting points on 3 second row seats  
Height and reach adjustable steering wheel  
Leather gearknob  
Leather steering wheel  
Air conditioning - manual  
Stone Grey 'Causeway' synthetic leather and fabric upholstery  
Height adjustable driver's seat  
Front and rear centre lighting  
Rear passenger reading spotlights  
TFT screen dashboard display with Ecodrive information and a choice of display colours  
Electric front windows - with 'one-touch' facility and anti-pinch  
Electric rear windows with anti-pinch

### Exterior

Electrically adjustable and heated door mirrors (wide angle on driver's side)  
16" FRONTIER Design wheels or 16" TUNDRA alloy wheels (No Cost Option) with grip Xtend and M&S tyres  
Black longitudinal roof bars  
Body coloured door mirrors

## DYNAMIQUE TOMTOM

### Technology

Automatic headlights  
Automatic rain sensitive windscreen wipers  
Automatic Dual-Zone climate control (left and right front controls) with toxicity sensor and rear lateral air vents  
Carminat TomTom Live satellite navigation system (UK map)

### Exterior

16" TUNDRA alloy wheels with grip Xtend and M&S tyres (not available with EDC engine which has standard ASR and 17" alloy wheels)  
Body coloured side protection mouldings

## BOSE+ PACK (OPTIONAL)\*

### Technology

Renault keyless entry with push button start  
BOSE® Energy Efficient Sound System: 9 speakers: Radio, Single CD and MP3 with a digital amplifier

### Interior

Dark Carbon 'Strata' suede and synthetic leather upholstery  
Driver's seat with lumbar adjustment  
Flat bottomed 'sport' steering wheel  
Height adjustable passenger's seat  
12 volt power point located in boot  
12 volt power point located in row 2  
Sunblinds on second row rear windows

### Exterior

Electrically adjustable, heated and folding door mirrors (wide angle on driver's side)  
17" MESA alloy wheels  
Satin chrome longitudinal roof bars  
Chrome insert on side mouldings  
Chrome fog surrounds and rear mouldings  
Gloss black door mirrors  
Extra tinted rear windows and tailgate

\*Not available with 1.6VVT 110 engine

# SMART TECHNOLOGY AND

# EQUIPMENT

## RENAULT GRIP XTEND (SCENIC XMOD ONLY)

THE SCENIC XMOD WILL VENTURE WHERE OTHERS WOULD FEAR TO TREAD... THE INTELLIGENT GRIP XTEND TRACTION CONTROL SYSTEM PROVIDES MAXIMUM GRIP IN DIFFICULT DRIVING CONDITIONS\*. A THUMBWHEEL POSITIONED ON THE FIXED CENTRE CONSOLE ALLOWS YOU TO SELECT 3 POSSIBLE SETTINGS: "ROAD", "LOOSE GROUND" OR "EXPERT".

### 1. "ROAD"

The "Road" mode is activated on hard ground, in other words normal terrain (dry, wet etc.)

- ASR optimizes grip by controlling braking on the front wheels and engine torque.
- The wheel that skids is slowed down, and torque transferred to the wheel with the best grip.

### 2. "LOOSE GROUND"

"Loose Ground" mode should be activated when grip is not optimal e.g. on muddy roads, sand or roads covered in slippery leaves.

- The system takes full control. It lets the wheel with the least grip spin and reduces the torque transferred to the other wheel. Specially designed treads on the Continental "Mud & Snow" tyres aid grip by evacuating mud/sand/snow.
- This mode is operational up to 25 mph. Beyond this, the "Road" mode is automatically reactivated.

### 3. "EXPERT"

- "Expert" mode is activated when the driver wants to take control of difficult driving conditions.
- The driver maintains full control over engine torque.
- In this mode, the driver's action on the accelerator pedal will determine the vehicle's progress over difficult terrain.

\*NB: the Grip Xtend traction control system will improve the Scenic XMOD's traction in difficult road conditions, but it is not a 4x4. It does not make off-road driving, cutting across terrain or driving in deep snow possible.

## RENAULT R-LINK\*

Thanks to Renault R-Link, you can travel while staying connected to your everyday life: your address book, playlists and useful internet applications are all at your fingertips using the touch screen, intuitive voice commands or steering wheel controls. Renault offers a range of applications designed for in-car use including such as social networks, mobility, route optimisation and practical tools. Really handy applications such as e-mail or weather forecasts, can be downloaded from the R-Link Store while in your car or at home using a My Renault account.

## BOSE SOUND SYSTEM - THE SOUND

# EXPERIENCE

---

DEEP BASS AND HIGH-TREBLE FREQUENCIES FOR CLOSE TO 'LIVE' SOUND EXPERIENCE ... THE BOSE® ENERGY EFFICIENT SERIES SOUND SYSTEM IN YOUR SCÉNIC

---

### RENAULT AND BOSE®: A CONCERTED EFFORT, A BESPOKE SOUND SYSTEM

Since 2008, Renault and Bose® have been working together so that motorists may benefit from the achievements of both manufacturers in terms of innovation, enjoyment and excellence of quality. Values that allow the two manufacturers to achieve much more than a simple partnership and work in perfect harmony. The Renault-Bose® partnership is founded on shared expertise, dialogue and communication... All this work is the rehearsal before the performance and ensures the best possible sound experience!

### A REALISTIC SOUND EXPERIENCE:

The Bose® Energy Efficient Series sound system was specially designed and developed by Bose® for the Scénic range. Specially adapted for the cabin's acoustics, it provides both the front and rear seats with a bespoke sound experience. The system comprises 8 high-performance speakers, a compact, powerful subwoofer positioned under the front right-hand seat and a digital amplifier fitted on the dashboard. The latter has a built-in Bose® signal processor, configured to meet the specific features of the Scénic range cabin. Specially developed for the Scénic range, the components of the Bose® Energy Efficient Series system are 30% smaller and 40% lighter and they use 50% less power than other, similar systems. Whatever the volume, the sound is rich and natural and every detail can be heard, giving you an authentic sound experience, just as the musician would have wished. You will enjoy a unique acoustic experience.

**BOSE®**

## DRIVING PLEASURE: WITH RENAULT

# ENERGY ENGINES

WITH A CHOICE OF NO LESS THAN 4 ENERGY ENGINES, THE SCENIC XMOD OFFERS MAXIMUM DRIVING PLEASURE. WITH THEIR GROUND-BREAKING TECHNOLOGY, ENERGY ENGINES COMBINE A SENSATIONAL EXPERIENCE WITH FUEL ECONOMY AND A LIMITED IMPACT ON THE ENVIRONMENT.

### MORE TECHNOLOGICAL ADVANCES, A MORE ENJOYABLE DRIVE, MORE FUEL ECONOMY GAINS

Energy engines offer a number of innovations, some of which are the direct result of F1 racing aimed at making driving an enjoyable experience while keeping fuel consumption in check. The challenge is to create engines which in addition to being responsive and powerful are more fuel-efficient and produce lower CO<sub>2</sub> emissions. With their Stop & Start systems and new regenerative braking which allows energy expended when braking or slowing down to be recovered, Energy engines are shown to produce positive results benefiting both our wallets (lower consumption) and the planet (lower CO<sub>2</sub> emissions). From the point of view of comfort and driving experience, nothing has been left to chance: improved torque, more responsive acceleration and maximum comfort. Energy engines make reducing the impact on the environment a truly enjoyable experience!

### TWO DIESEL ENGINES FAMED FOR THEIR LOW FUEL CONSUMPTION

Acknowledged as being the most fuel-efficient in their categories, go ahead and treat yourself to an Energy dCi 110 Stop & Start or dCi 130 Stop & Start engine.

- The Energy dCi 110 Stop & Start engine with a fuel consumption of 4.1 litres/100 km\* and a CO<sub>2</sub> emission rating of 105g/km: simply the best like for like ratings on the market.
- The Energy dCi 130 Stop & Start engine with a fuel consumption of 4.5 litres/100 km\* and a CO<sub>2</sub> emission rating of 116 g/km: the record holder in its category.

### NEW PETROL ENGINE: GREATER RESPONSIVENESS AND LOWER CONSUMPTION

Showcasing the expertise of Renault's engineers, the Energy TCe 130 Stop & Start engine is a turbocharged direct-injection petrol engine. Powerful and responsive, it has 205Nm of torque and is a pleasure to drive. Suitable for urban-driving or open roads, whatever the terrain, it has top-notch acceleration and pick-up. It reconciles performance with economy because of its low fuel consumption - just over one litre less than the previous TCe130 (-15%) and it is fitted with a timing chain that will last its lifetime.

- ENERGY TCe 115 Stop & Start: consumption: 6.1 litres/100 km\* / CO<sub>2</sub> emissions: 140g / km
- ENERGY TCe 130 Stop & Start: consumption: 6.4 litres/100 km\* / CO<sub>2</sub> emissions: 145g / km

\*Combined cycle consumption for the New Scenic XMOD

### EDC GEARBOX: COMFORT, MODERATE CONSUMPTION AND EDC RESPONSIVENESS

By choosing the EDC automatic gearbox you will be choosing comfort and responsiveness while keeping your consumption and CO<sub>2</sub> emissions in check. In terms of comfort, its dual-clutch transmission and twin-mass damping flywheel technology guarantees smooth gear changes with no jolts. Dynamic and responsive, the EDC transmission allows almost instant acceleration and will quickly respond to your commands. The EDC gearbox is extremely smooth and has 6 gears, controlled automatically or manually. In terms of fuel economy, its fuel consumption is similar to that of a standard mechanical gearbox. Available with a dCi 110 engine, the EDC transmission is ideal for anyone looking for a practical, enjoyable and relaxed drive.

## OUR ABSOLUTE PRIORITY:

# YOUR SAFETY

RENAULT'S VISION IS TO PROVIDE ITS CUSTOMERS AND THEIR LOVED ONES WITH THE MOST ADVANCED AND EFFICIENT SAFETY TECHNOLOGY AS STANDARD. NEW SCÉNIC COMES WITH SAFETY AS STANDARD GIVING YOU COMPLETE PEACE OF MIND.

### ANTICIPATE

*Anticipating risks and keeping the driver in control in all circumstances*

Scenic is designed to empower and inform the driver in real time, the technologies developed by Renault provide you with a more serene and safer driving experience such as ABS.

### PREVENT

*Advanced technologies that change everything*

Renault has developed driving aid systems such as electronic stability control, standard on every New Scénic that ensure unfailing responsiveness and help to overcome road traffic hazards and driver error.

### PROTECT

*Everyone on board and other road users*

Thanks to its accident cause intelligence and innovative technology, Renault offers one of the safest product lines-ups on the market. Our priority: ensuring your safety, saving lives.

### SAFE AND SECURE

*Actions for the safety of all*

**DECADE OF ACTION FOR ROAD SAFETY 2011-2020**  
**SUPPORTED BY RENAULT**

Renault places people at the heart of its business and is involved in many social initiatives relating to road risk prevention and raising awareness in schools and universities and other international organisations. The company is also committed to improving the effectiveness of emergency services when dealing with accidents

### RENAULT SAFETY AT A GLANCE

- More than 600 company employees who are solely responsible for vehicle safety.
- 100 million Euros are invested every year in safety research and development.
- We conduct 400 real crash tests and 4,000 numerical simulations each year.

**1. Protection:** Reinforced structure, high-efficiency front airbags, head/thorax side airbags, pressure sensor to detect impact, 3-point seat belts with pretensioners and load limiter (front seats), anti-whiplash head restraints, load limiter function (rear seat), luggage restraint partition, anti-submarining front and rear seats (Fix4sure). 3 Isofix three-point seat attachments. The bonnet is also designed for the best possible handling in case of impact with a pedestrian. **2. Hill start assistance:** During a Hill Start, brake pressure is automatically maintained for 2 seconds to leave time for the driver to maneuver. **3. Visio system:** With its high resolution camera, this system detects lane markings and alerts you visually and audibly whenever you cross a continuous line or broken line without indicating. The automatic headlights feature also adjusts between main and dipped beam, depending on the conditions. **4. Electronic Stability Control (ESC):** With ASR traction control system and CSV understeer keep your New Scénic on the road in difficult road conditions. **5. ASR:** ASR provides active traction control in low grip conditions.

## SCENIC XMOD, SCENIC AND GRAND SCENIC

# ACCESSORY PACKS

WANT EVEN MORE STYLE AND PRACTICALITY? RENAULT OFFERS A WIDE RANGE OF ACCESSORIES, SPECIALLY DESIGNED AND DEVELOPED FOR YOUR SCENIC. WHY NOT CHOOSE AN ACCESSORY PACK? DESIGNED WITH YOU AND YOUR CAR IN MIND, OUR KEY ACCESSORIES COME IN GREAT VALUE PACKS SAVING YOU UP TO 20%.

### ADVENTURER PACK

Get ready to look good in the great outdoors.

1.

**1. Side embellishers:** Enhance the design of your new XMOD with the chrome side embellishers. **2. Transversal roof bars:** Tested to the highest standards, our roof bars are guaranteed to fit your car perfectly. Quick and easy fitting, allows you to carry your roof box, cycle carriers, etc. (please note, roof box sold separately) **3. Boot protector:** Protects the loading area from annoying dirt, scrapes and scuffs.

2.

3.

### TOURING PACK

Everything you need to hit the open road with your caravan or trailer.

1.

2.

**1. Transversal roof bars:** Tested to the highest standards, our roof bars are guaranteed to fit your car perfectly. Quick and easy fitting, allows you to carry your roof box, cycle carriers, etc. (please note, roof box sold separately) **2. Swan neck tow bar with 7-pin electric kit.** This towbar, designed, developed and tested by Renault, offers reliability, high strength and durability. It therefore ensures total compatibility with the vehicle, avoiding any risk of damaging the vehicle body **3. Luggage boot net:** This easy to install boot net will stop your possessions rolling around inside your boot (not shown).

# STANDARD DELIVERY PACK

**1. Comfort Evolution mats:** Front and rear made to measure mats, they will effectively protect the foot well of your new car. **2. Safety kit:** Complete kit including a warning triangle, a thermal blanket, a vest and a first aid kit.

# PREMIUM DELIVERY PACK

Upgrade your delivery pack with the premium Expression Mats and a boot mat.

The eco<sup>2</sup> symbol shows the vehicle emits less than 120g/km of CO<sub>2</sub>, is manufactured in a plant that has been certified ISO14001. The vehicle can be 95% recoverable at the end of its life cycle. Find out more at [www.renault.co.uk](http://www.renault.co.uk)

\* Official Fuel consumption figures are produced for comparison purpose and are measured according to the European Directive 80/1268/EEC. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site [www.vca.gov.uk](http://www.vca.gov.uk). For more information on CO<sub>2</sub> banding and Company Car Tax Benefit In Kind go to [www.renault.co.uk](http://www.renault.co.uk).

# 4+ INCLUDED FOUR YEARS WARRANTY ROADSIDE COVER SERVICING FINANCE PACKAGE

THE 4+ PACKAGE WORTH AT LEAST £1,000\* COMES AS STANDARD WITH YOUR NEW RENAULT CAR, VAN OR Z.E.VEHICLE.

## 4 - WARRANTY

Your vehicle is covered by a warranty package for up to 48 months. The first 2 years are unlimited mileage, followed by a further 2 years up to 100,000 miles. Your Dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Renault

## 4 - ROADSIDE COVER

Any problems and we'll provide emergency roadside repairs or tow you to the nearest Renault dealer. This service is available 24 hours a day, every day of the year. We'll provide home start and roadside for 48 months, with additional recovery, onward travel and European cover for the first three years.

## 4 - SERVICING

Your vehicle is covered for free servicing during your first four years of ownership, or your first 48,000 miles (80,000 miles for vans), whichever comes first. That covers everything required in the manufacturer's minimum maintenance programme including parts, labour and VAT, but excluding normal wear-and-tear items, such as brake pads, windscreen wipers or tyres.

## 4 - FINANCE PACKAGE

The RENAULT 4+ package is available with or without a finance package, it's your choice. Simplify your cash flow with fixed monthly payments with Renault Selections (\*cars only) or Hire Purchase finance packages. Cash offers also available.

\*4+ package is included as standard on eligible vehicles. The value of the package (with the exception of Twizy) is based on £80 for 4th year Roadside Assistance cover and between £305 and £720 for 4th year warranty cover, depending on the Renault model. Servicing also varies between £589 to £1,214 depending on vehicle and servicing in line with manufacturer's minimum maintenance programme based on an average national hourly labour rate of £70. Figures for illustration purposes only. No cash alternative. Vehicles are covered by a warranty package for up to 48 months. The first 2 years are unlimited mileage, followed by a further 2 years up to 100,000 miles. Please see warranty terms and conditions ([www.renault.co.uk/warranty](http://www.renault.co.uk/warranty)) for further details. Servicing offer covers cars for 4 years or 48,000 miles and vans for 4 years or 80,000 miles, whichever comes first. Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals, and can only be carried out at a Renault Approved UK outlet. Renault Assistance Roadside Cover provided from month 0 to 36 includes assistance at the roadside and home, national recovery, onward travel and European cover. Cover from month 37 to 48 includes Roadside and Homestart (including a local tow to an authorised Renault dealer). Visit [www.renault.co.uk/4plus](http://www.renault.co.uk/4plus).

## RENAULT INSURANCE

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays and 10am - 3pm Sundays. Calls may be recorded. All quotes are based on individual circumstance and subject to insurers underwriting criteria. Renault Insurance is arranged and administered by Equity Direct Broking Limited, which is authorised and regulated by the Financial Services Authority. Registered Office: Library House, New Road, Brentwood, Essex, CM14 4GD. Registered in England and Wales No. 6710272
