

RENAULT
Passion for life

Renault CAPTUR

Renault Captur

Start an adventure

Born of the concept car of the same name, Renault Captur stands for an innovative way of thinking about cars.

We have developed a compact crossover which combines the best of three worlds. The expressive styling and driving position of an SUV, the cabin space and modular interior of an MPV and the driving pleasure of a hatchback.

Renault Captur will encourage new adventures and new discoveries leaving behind the urban jungle in order to experience love, family, sport and passion.

Its design expresses itself through smooth, fluid and balanced lines, it is beautifully useful, practical, smart and clever. Renault Captur plays on its originality with its two tone colour scheme and extensive personalisation options, allowing everyone to make it their very own.

Renault Captur, a crossover from Renault, for every life you lead.

Design

The Renault Captur embodies a new approach to vehicle design. Renault's first urban crossover, the Captur is agile, dynamic and elegant. Drawing on Renault's expertise, it explores new territory in terms of design, comfort and pleasure!

A design expressed through smooth, flowing, even lines. The Renault Captur exudes originality with its two-colour paintwork and customisation options that allow each individual to match the car to his or her own lifestyle and desires.

Technology and innovation

Handsfree keycard

To unlock, start and remotely lock the car without even touching the key. Just make sure it's in your pocket or bag!

MediaNav

Renault's on-board touch screen tablet MediaNav provides access to useful and practical features including: navigation, media from multiple sources, handsfree telephone using Bluetooth® technology and ECO mode giving you advice to reduce your daily fuel consumption. Enjoy stress free travel with Renault MediaNav.

Navigation
Provided by Navteq with vocal guidance.

Music
FM/AM/DAB tuner, connect devices via USB and AUX sockets.

Phone
Bluetooth® technology* allows you to make and receive calls on the move.

Connectivity
Smartphones with the AHA app can stream internet radio (uses phone data). Siri Eyes-Free for compatible iPhones (iOS 5 or later).

Optional R-Link

Integrated 7" touchscreen multimedia system (with navigation). In addition to its many built-in features shown below, there are also applications to download from the R-Link Store. You can control it from the screen, steering wheel controls or even voice command.

R-Link is available with the Techno Pack which also includes a reverse parking camera and European mapping.

Main menu with 6 icons

Discover the six available menus: navigation, multimedia, telephone, vehicle information, services and applications, system settings.

Touchscreen navigation system

Provided by TomTom® (12 months subscription to LIVE services from delivery).

Multimedia

FM/AM/DAB tuner, connect devices via USB and AUX sockets or Bluetooth®.

Reverse parking camera system

Rear parking sensors with reverse parking camera, which displays the image on the navigation system screen alongside guidance aids.

Vehicle information

The fun "ECO Driving" coach gives you handy tips to improve your driving style and reduce your fuel consumption.

Voice control

Set your destination, call a contact or launch an application with voice control.

The fully-equipped urban explorer

Smart storage

Adventures you'll remember forever. The practical Renault Captur has set its sights on explorers of both country lanes and city streets, providing them with storage worthy of a much larger car. Ideas, objects, little treasures - you'll never have to leave anything behind.

Net pockets* behind each front seat can be used to store newspapers, maps, notebooks or guidebooks (depending on the version). There is also a closed compartment on top of the dashboard and a removable central storage area that can be accessed from both the front and rear seats.

Removable and washable seat covers

The brand-new seat design enhances the passenger compartment's modern look. The upholstery unzips and is machine-washable.* Choose from five different patterns (depending on the model) and change your interior trim whenever you like! The backs of the front seats can be wiped down with a sponge.

*Please refer to the equipment and options page for further details on standard features and optional extras available by trim level.

Modular inner space

We go further when we're comfortable. Further in exploring. Further in enjoying the pleasure of travelling.

To ensure even greater comfort for adults and children alike, there is ample interior space. The 60:40 split folding rear bench has 3 seats, converts into a flat floor and slides on rails, allowing the Renault Captur's volume to be adjusted and its passenger compartment arranged to suit your needs.

Meanwhile, the boot* has a multi-position, removable and reversible floor (depending on the version), with a rubber surface that can be wiped down with a sponge. When raised to sill level, the floor hides your valuables and items you don't want on show, in its lowered position, it gives a practical boost to your loading space.

*From 377 litres to 455 litres when the bench seat is in forward position, with the shelf removed.

Engines and gearboxes

Pleasant and reliable, sturdy and frugal, the Renault energy petrol and diesel engines do not forget the qualities they owe to formula one: technology, fuel economy, flexibility and endurance. The Renault Captur's position at the top of its category in terms of quality/performance ratio is no accident.

Stop & Start

Automatically turns off the engine when the Renault Captur is stopped and in neutral, cutting down on emissions, fuel consumption and noise. Restarts instantly, smoothly and without vibrations.

Energy Smart Management (ESM)

By recovering kinetic energy when braking and decelerating, ESM optimises the consumption of electrical energy and helps recharge the battery.

ECO mode

To reduce fuel consumption even further, the driver can select ECO mode, which modifies the vehicle's acceleration, torque / power management and heating / air-conditioning.

Overboost

Innovative Overboost technology provides ENERGY TCe 90 Stop & Start engines with increased levels of acceleration. With temporary additional torque and power, the Overboost allows more responsive starts from take-off and improved acceleration at wide open throttle. This improves both driving pleasure and confidence; facilitating exits at crossroads, merging from entry slip roads and overtaking.

EDC automatic gearbox

For greater comfort and pleasure, the 6-speed dual-clutch EDC automatic gearbox is available with the TCe 120 petrol and dCi 90 diesel engines. Upshifting is fast and smooth, with no jerking or loss in acceleration.

Safety for all

Safety is one of Renault's core priorities. The Captur is a perfect example: its active and passive safety features are among the most innovative and efficient available.*

Protection

Reinforced structure, high-efficiency front airbags, head/chest side airbags, pressure sensor to detect impact, seat belts with pre-tensioners and force limiters (front seats), anti-whiplash headrests, force limiter function (rear side seats), anti-submarining front seats (Fix4sure). Three ISOFIX 3-point seat attachments (front + rear side seats).

Hill Start Assist (HSA)

When starting the vehicle on a hill, brake pressure is automatically maintained for two seconds, giving the driver time to manoeuvre.

Rear parking sensors

To facilitate parking manoeuvres, the rear parking sensors alert you to any obstacles behind the car with a series of increasingly rapid beeps. The system can be equipped with a reverse parking camera that sends the image to the navigation system screen and displays guidance aids.

Corner lighting

When taking corners, the fog light on the side nearest the bend lights up automatically to give you a wider field of vision.

Standard features

EXPRESSION+

16" Silver alloy wheels

Charcoal seat cover (fixed)

TECHNOLOGY

- ABS with EBA (Emergency Brake Assist)
- Automatic headlights and rain sensitive front wipers
- Cruise control and speed limiter
- Daytime running lights (LED)
- Deadlocking
- ECO mode function
- ESC (Electronic Stability Control)
- Front electric windows with one-touch facility and anti-pinch function
- HSA (Hill Start Assist)
- Handsfree keycard with push button Start / Stop function
- Manual air conditioning
- Seatbelt unfastened warning sound
- Radio CD player, Bluetooth®, AUX and USB
- RAID (Renault Anti Intruder Device) automatic door locking
- Trip computer
- Tyre pressure warning light

*Official Fuel consumption figures are produced for comparison purpose and are measured according to the European Directive 80/1268/EEC. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also affect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit In Kind go to www.renault.co.uk

Renault Services

4 Years warranty and Renault Assistance

Your vehicle is covered by a warranty package for up to 4 years/100,000 miles (whichever comes first). The first 2 years are unlimited mileage, followed by a further 2 years up to 100,000 miles. Your dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for a period of 3 years and the anti-corrosion warranty for a period of 12 years.

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault dealer. This service is available 24 hours a day, every day of the year. Renault Assistance Cover provided from months 0 to 48 includes, assistance at the roadside and home, national recovery, onward travel with European cover from months 0 to 36 only. Cover includes mechanical or electrical defects covered by the warranty.

Servicing options

A Renault Service plan allows you to budget for the future cost of your routine servicing. It really is the hassle-free way to take care of your Renault. There are many benefits to a Renault Service plan.

- Inflation-proof servicing - You know exactly what you'll pay and there are no hidden costs
- Full peace of mind - No matter where life takes you, we'll be there
- Renault expertise - Our highly trained technicians know your Renault inside out

We have a range of service plans to meet the needs of practically all of our customers*; the two most popular being our 3 year/30,000 miles plan available at £299* and 4 year/40,000 miles available at £499*. Speak to your Renault dealer for more information on these plans or a price for an age and mileage profile that best meets your needs.

Finance options

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault insurance

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Renault Car Insurance:

0345 603 6525[†]

www.renaultinsurance.co.uk

Lines open 8am – 8pm weekdays, 9am – 5pm Saturdays and 10am – 3pm Sundays.

Customer relations

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Department on 0344 3350000 (Mon-Fri 9.00am to 5.30pm, except Weds 10.00am to 5.30pm. Closed on Bank Holidays). You can also visit our website www.renault.co.uk Or write to us at: Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.

All vehicles are provided with 4 years' warranty and Renault Assistance as standard. For warranty exclusions refer to Terms & Conditions. For full Renault Warranty Terms and Conditions visit www.renault.co.uk/warranty. For Renault Assistance Terms and Conditions visit www.renault.co.uk/assistance. *The Service plan offer is available for retail customer only. Vehicle must be ordered between 1st January 2016 and 31st March 2016 and registered in 2016. The Renault Service Plan covers the manufacturer's minimum maintenance programme requirements for the term of the plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. To qualify you must order and purchase the Service plan from a Renault Approved outlet before the first service or within the first 12 months (whichever comes first). Cannot be part exchanged, refunded or transferred. Finance provided by Renault Finance Ltd, P.O. Box 149, Watford, WD17 1FJ. Guarantees and indemnities may be required. You must be at least 18 and a UK resident (excludes Isle of Man and Channel Islands) to apply. Subject to status, terms and conditions apply. †Calls may be recorded. All quotes are based on individual circumstances and subject to insurers underwriting criteria. Renault Insurance is arranged and administered by iG04 Partners Limited which is authorised and regulated by the Financial Conduct Authority. Financial Services Registration Number 490061. Registered Office: Sundance House, Staniland Way, Werrington, Peterborough, PE4 6JT. Registered in England and Wales No. 6710272.
