Urban Crossover

Start celebrating! The Renault CAPTUR, Europe's best selling crossover in its segment, has had a makeover. With its new colours and redesigned grille, the new Renault CAPTUR is geared up and ready for the urban explorer in you. Equipped with its signature C-shaped LED Daytime Running Lights (DRL), this is one assertive and determined character you need to watch out for on the road.

Thanks to its ground clearance, powerful yet highly fuel-efficient turbocharged engine, explore everyday urban life with ease. Settled into an innovative yet welcoming interior, where your senses are comfortably primed to capture the joys of the cityscape to its fullest.

CAPTUR

Strong Design

With its 17-inch alloy wheels, the Renault CAPTUR is ready to take you on an excursion of your dreams. This assertive crossover boasts a finely-honed body design to support its equally strong personality, whilst its variety of two-toned bodywork allows you to fully express your own individuality. Truly embrace the city life.

Actual specifications may differ.

Smart Interior

The Renault CAPTUR has everything you need to feel secure on the road. Place your hands on its full-grain leather steering wheel and enjoy the new comfort of its more supportive seats. Surrounded by understated and elegant colours, its satin trim is both discreet and demure. Meanwhile, its leather stitched finishing elevates this crossover with a premium touch, taking your drive to the next level.

Modular Inner Space

We go further when we're comfortable. To ensure even greater comfort for adults and children alike, there is ample interior space in the Renault CAPTUR. The 60:40 split folding rear bench has 3 seats, converts into a flat floor and slides on rails, allowing the Renault CAPTUR's volume to be adjusted and its passenger compartment arrangeable to suit your every need.

Making Life Easier For You

With its many cleverly-designed storage spaces, the Renault CAPTUR makes your everyday life easier on-the-go. A handy storage compartment is carefully integrated in the dashboard, so you will always know where your mobile phone or wallet is at all times. The passenger compartment features a modular, 60:40 split-fold sliding rear bench seat, allowing you to adjust the space however you like. As for the boot, it comes with a multi-position boot floor that can be removed and reversed to suit your every need.

Touch & Explore

Hands-free Key Card

Unlock, start and remotely lock the car with a single touch, without needing to take the key out of your pocket or bag.

7-inch Touchscreen Infotainment System

CAPTUR's new 7-inch touchscreen infotainment provides access to useful and practical features, including online & offline navigation, connectivity, and hands-free telephone using Bluetooth® technology.

Online & Offline Navigation

Navigate your ride with vocal guidance.

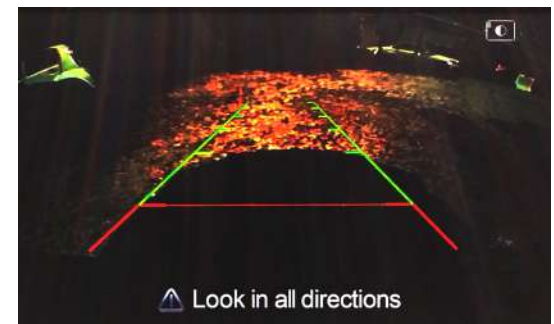

Favourite Apps at Your Fingertips

Connect to a hotspot internet network to access online apps for music, navigation and many more.

USB/Bluetooth connectivity for Music

Listen to your favourite music through USB or Bluetooth® devices.

Reverse Camera

Identify obstacles that may be located behind your vehicle when in reverse gear.

The Best In The City

Protection

It comes with a reinforced structure, high-efficiency front airbags, head/thorax side airbags and pressure sensors to detect impact. Including, seat belts with pre-tensioners, force limiters and anti-whiplash headrests, showcasing the new Renault CAPTUR's very protective instincts.

Hill Start Assist

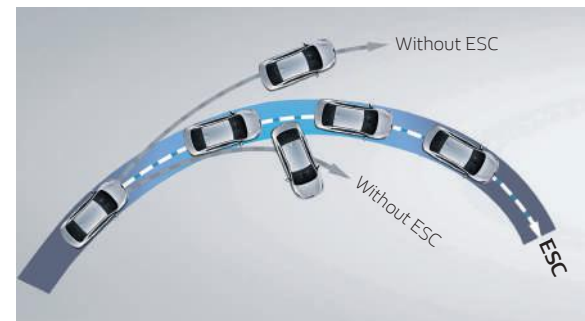

When starting the vehicle on a slope, brake pressure is automatically maintained for two seconds, giving you enough time to move away.

Parking Distance Control

To facilitate parking manoeuvres, the parking distance control system alerts you of any obstacles behind the car with a series of increasingly rapid beeps. It is also equipped with a reversing camera that sends the image to the infotainment system screen and displays guidance aids.

Electronic Stability Control (ESC) with Anti-Slip Regulation (ASR)

The ESC feature uses specially designed sensors to apply the brakes and keep vehicle in the correct line on the road, helping you stay in full control. ASR helps prevent the wheels from spinning during acceleration.

ISOFIX Points

The CAPTUR is equipped with three ISOFIX anchor points (front and rear outermost seats) to provide a rigid link between the child seat and the car for extra solidity. The rigid attachment of the child seat also helps to reduce the risk of any injury.

Pure Energy

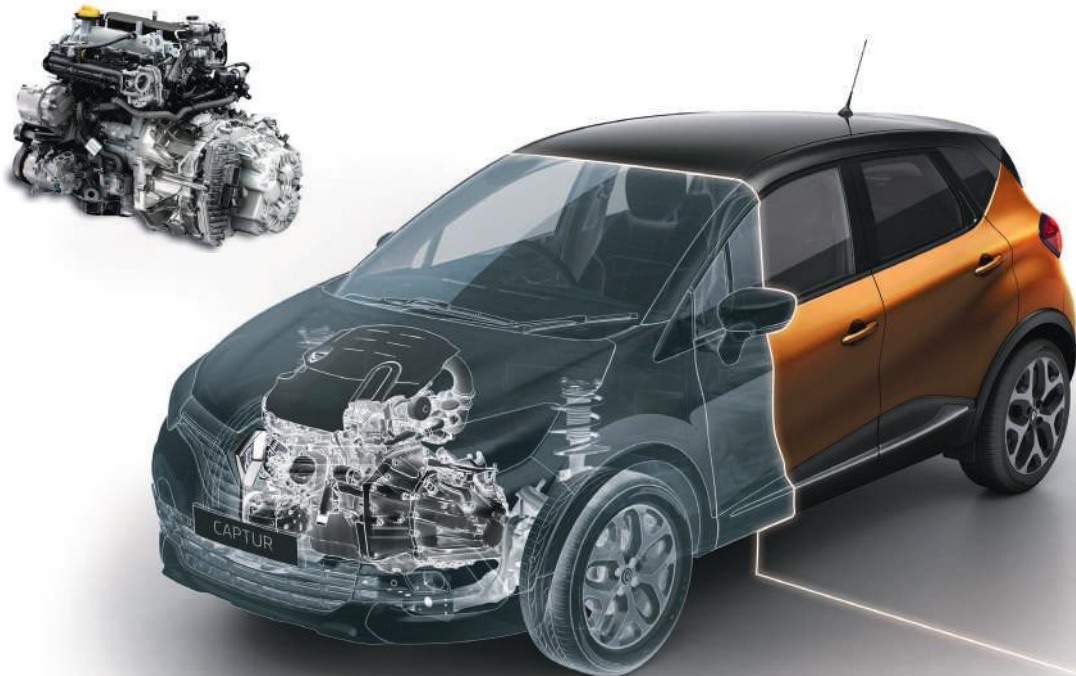

Pleasant, reliable, sturdy and frugal. The Renault Turbo Control Efficiency petrol engine stays true to its Formula One quality in technology, fuel economy, flexibility and endurance. It's no wonder that the Renault CAPTUR comes top of its category in terms of quality and performance.

TCe 120 Power And Control

The new TCe 120 combines power and controlled fuel consumption (5.9L/100km*). Responsive, lively and agile, it is both powerful and quiet. Its 120 PS delivers 205 Nm of torque at 2,000 rpm. Connected to a 6-speed Efficient Dual Clutch (EDC) automatic gearbox with an engine stop-start function, it delivers an even greater driving pleasure and experience.

EDC Automatic Gearbox

Maximising your driving comfort and pleasure. The 6-speed EDC automatic gearbox offers you dynamic performance with no jerking and loss of acceleration with fluidity at fuel economy levels that are close to a manual gearbox.

*New European Driving Cycle (NEDC).

Fuel consumption is certified using a standard, regulated method. Actual fuel consumption may vary.
