

RENAULT ESPACE

DRIVE THE CHANGE

WHO BETTER THAN RENAULT TO SERVICE YOUR RENAULT?

Your new Renault Espace is covered by a 3-year warranty package – the first 2 years of unlimited mileage Renault manufacturer warranty, followed by a further year of cover up to 60,000 miles. Paintwork is also guaranteed for 3 years while the anti-corrosion warranty runs for 12 years. In addition, the Renault Assistance plan ensures prompt help in the UK and Northern Ireland for manufacturer defects for 36 months. For full details please refer to the Renault warranty terms and conditions, available from your Renault Dealer or from www.renault.co.uk.

SERVICE INTERVALS (Euro5)

All models 18,000 miles / 2 years Except:

12,500 miles / 2 years: <ul style="list-style-type: none">• Twingo 1.2 TCe 100 & Renaultsport 133• Mégane Renaultsport 250	18,000 miles / 1 year: <ul style="list-style-type: none">• Espace IV
12,000 miles / 2 years: <ul style="list-style-type: none">• Wind Roadster, Modus, Grand Modus & Clio 1.2 TCe 100 & 1.6 VVT 133• Clio Renaultsport 200	

Service required at the mileage or time interval shown, whichever is sooner.

ENGINES WITH OIL CONTROL SYSTEM (OCS)

- PETROL 1.2 TCe 100, 1.4 TCe 130, 16V 105 Auto, 2.0 TCe 180, 1.6 VVT 128, 1.6 VVT 133, Renaultsport 133 & 250

- All DIESEL engines

OCS monitors driving conditions that directly affect the quality of your engine oil, protecting your engine from excessive wear and possible bearing failure. Under certain conditions; low speeds, heavy traffic, door-to-door deliveries (engine turning with little distance travelled) or in high gear for long periods; sport driving, towing a caravan/trailer over 500kg (engine turning at higher revolutions), the vehicle's service interval may be shortened and you will be alerted, via the instrument panel service indicator, that a Renault Service is required earlier (refer to driver's handbook for details).

EXTENDING YOUR WARRANTIES AND COVER

Renault Extended Warranty allows you to extend your Renault Warranty up to 5 years or 80,000 miles. Renault Assistance Added Cover provides you with additional cover for incidents not covered by Renault Assistance: incorrect (or lack of) fuel, keys lost, stolen or locked inside the vehicle and incidents involving caravans or trailers. For full information on these products please ask your Renault Dealer or log on to www.renault.co.uk and click on 'Owner Services', where you can also buy securely online.

SERVICE PLANS

When you buy a new car, you can also purchase a Fixed Price Service Plan. Prices start from just £199 and the plan covers your recommended manufacturer servicing up to 3 years or 30,000 miles, whichever comes first.* For more details ask your dealer or log on to www.renault.co.uk and click on 'Owner Services'.

*Plan only available at the time of vehicle purchase.

RENAULT ACCIDENT SUPPORT LINE - 0800 085 8005

The Renault Accident Support Line (RASL) is a dedicated service from Renault for all Renault drivers and their families, no matter what car they drive. This service is available at no cost to you, regardless of fault. RASL will deal with every aspect of your claim, from ensuring you are recovered to a Renault Approved Accident Repair Centre to dealing with all insurance companies giving you total convenience and peace of mind. 0800 085 8005 is the only number you need so please programme it into your phone and make sure that in the event of an accident you call us first and we will take care of everything.

RASL WILL:

- Arrange recovery of your vehicle from the scene of the accident to a Renault Approved Accident Repair Centre
- Organise the repairs at a Renault Approved Accident Repair Centre using only Renault Original Parts
- Deal with all insurance companies, both yours and the other parties'
- Provide a like for like replacement vehicle if the accident is not your fault
- Pursue the at fault party for all associated costs if the accident is not your fault
- Use the same paint as during manufacture
- Provide a 5 year repair guarantee on paint and repairs
- Ensure you do not have to pay a policy excess if the accident is not your fault
- Provide the same service for your family free of charge regardless if their car is a Renault or not
- Ensure that yours and your passengers' safety are guaranteed and your five star NCAP rating will not be compromised

FINANCE OPTIONS

There are a wide variety of ways in which the purchase of a new car can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or a private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

WHY RENAULT? WE'RE DRIVEN BY A PASSION TO MEET AND EXCEED PEOPLE'S NEEDS, AND THAT'S WHAT DRIVES THE INDUSTRY FORWARD. IT'S BEEN THAT WAY WITH US FOR OVER A HUNDRED YEARS. BUT IN TODAY'S RAPIDLY-CHANGING ENVIRONMENT, IT'S MORE IMPORTANT THAN EVER THAT WE SOURCE NEW SOLUTIONS THAT WILL SAFEGUARD ALL OUR FUTURES.

We know that the car is at a turning point, it has to evolve whether you believe in global warming or not; to emit less in cities, to make less noise and to use increasingly scarce energy more efficiently.

At Renault we are working to create more affordable cars, with radically lower CO₂ emissions. For the widest possible audience. Today that's our collection of 'eco²' models. eco² indicates that the vehicle produces CO₂ emissions lower than 140 g/km, it includes at least 5% recycled plastic in its plastic mass, and has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy). In addition eco² means that our factories are ISO 14001 certified.

Starting this year there will be a groundbreaking range of electric vehicles, from a nippy town car to a comfortable family saloon and a small van. They will be affordable to run – you will be able to drive up to 100 miles using a battery that costs typically £3 to charge, and a lot less using cheaper tariffs. And parking and congestion charges should all be lower, too.

We believe it's time to make the car a driver of progress once more. We are determined to drive that change. Soon you will be able to join us.

RENAULT. DRIVE THE CHANGE.

A PANORAMIC ROOF AND SPACIOUS INTERIOR

In the Renault Espace, the roof opens wide, allowing plenty of light into the interior. And inside, the car adjusts to meet your needs. As comfortable as they are practical, the sliding seats with automatic locking offer multiple combinations: each rear passenger can choose the position of their seat. Want to offer more seats to your many passengers? Need space for a large load? No problem – you can increase or reduce the number of seats, from two to seven, with complete ease. Day trips, daily trips...
The Renault Espace adapts to your lifestyle.

PRACTICAL TECHNOLOGY

Spacious and bright, the interior of the Renault Espace has the finest materials. On the Dynamique TomTom model for example, you'll find contoured wrap-around seats, a gloss black finish and a leather steering wheel with four spokes. The upholstery has been improved by treating it with Teflon® for reinforced protection of the seats. For the driver, all the controls are within easy reach. The intuitive joystick lets you navigate through the multimedia functions, such as the premium Arkamys® car stereo and the new Carminat TomTom® Live navigation system. Easy to use, the system offers detailed and accurate maps on a large display (5.8", or 15 cm), speed camera alerts⁽¹⁾, speed limits, points of interest and easy updates from the TomTom® Home application. In addition, by opting for LIVE Services, you'll benefit from high definition traffic information and mobile speed camera alerts⁽²⁾ in real time. The integrated system, with a colour screen, also controls the audio and Bluetooth® hands-free telephone functions. In the back, children won't notice time flying by, thanks to the DVD screens⁽³⁾ that allow them to watch films or to use their games consoles. For easy and enjoyable journeys, the Renault Espace is always connected!

REDISCOVER THE PLEASURE OF DRIVING

The Renault Espace offers exceptional safety and performance, and the range of 2.0 dCi engines contributes to real driving pleasure. Available in 150 hp and 175 hp Euro 5 versions with particle filter (FAP), this engine offers exceptional performance and fuel efficiency. Economical, quiet and environmentally friendly, it impresses with its high torque, available over a very wide range, combining flexibility with liveliness. For everyone's safety, the Renault Espace offers a combination of active and passive safety devices. This high level of protection is illustrated by the 5 star score in the Euro NCAP crash tests.

SECURITY

1. LED HEADLIGHTS

The Renault Espace now offers LED technology in its headlights. The DRL (Daytime Running Light) system keeps the LEDs permanently lit to guarantee an optimal visual presence for other drivers and pedestrians, by day and by night.

2. DYNAMIC ESC (ELECTRONIC STABILITY CONTROL) DRIVING CONTROL

The ASR traction control and CSV understeer control ensure the vehicle's stability, especially in difficult road conditions.

3. ABS

The ABS wheel Anti Blocking System, with EBD (Electronic Brake Distribution) linked to the Brake Assist, helps to maintain control over direction when braking hard.

4. AIRBAGS

Two adjustable front airbags. Two head curtain airbags. Four side thorax airbags front and rear.

5. ISOFIX SYSTEM

The rear seating is equipped with Isofix for attaching child seats in safety. The fasteners are easy to access and the system is simple to use.

ADAPTABILITY / STORAGE

1. CENTRE STORAGE CONSOLE

The centre console offers multiple large-capacity storage options that are both ergonomic and practical.

2. UPPER-LEVEL STORAGE

Integrated in the dashboard on the driver and passenger sides.

3. AVIATION STYLE SEAT TABLES

Fitted to the back of the front seats, with cup holder.

4. TWO TO SEVEN SEAT MODULARITY

Travelling as a family or with large loads... take out or move three, four or five rear seats.

ACCESSORIES

PROTECTION AND COMFORT

Keep you and your Renault safe and sound.

Protection and safety are number one priorities for Renault. Renault Accessories has developed a range of products that will help keep you and your car in complete safety.

1. MATS

Mats are an essential accessory to protect your car from everyday dirt and debris. Designed to fit perfectly into your Espace, the inbuilt stud fixings ensure they fit safely with no slipping.

2. CHILD SEATS

Children are most vulnerable, so their safety is of the highest importance to Renault. Your Espace is equipped to fit ISOFIX child seats so you can relax knowing that your children are secure and comfortable in their Duo Plus seat, watching the world go by.

3. COOLER

Fixed on rails, it lets you keep food and drink cool on those trips away.

4. BOOT DIVIDER

The aluminium boot divider with retractable compartments helps keep everything in its place.

TOURING

You, your Renault and the kitchen sink. Planning ahead to your holidays?

Renault Accessories has developed a range of accessories to maximise the load carrying capacity of your Espace. If the boot space is not enough, take a look at our towing and roof accessories.

5. ROOF BARS, SKI RACK, BIKE RACK

Whether you are planning a ski trip or just a day out with the bikes, we have an accessory for you. Our bike racks can be mounted on the roof or a tow bar. They are City Crash tested to ensure maximum safety and security.

6. ROOF BOX

Going on holiday and need to pack the kitchen sink? Our range of Touring Line roof boxes are the ideal way of increasing your boot space. They are lockable and are designed to perfectly fit the Renault Touring Line Roof Bars.

7. TOW BAR

Whether you need to pull a trailer, a caravan or simply mount one of our bike racks, Renault has the tow bar for you.

TECHNOLOGY

Cutting edge technology in your Renault.

8. DVD SYSTEM

"Are we nearly there yet?" Boredom on long journeys is a thing of the past with our DVD player. Mounted onto the back of the headrest, it provides hours of entertainment for the rear passengers. Comes with two screens and infra red headphones.

TRIMS

DYNAMIQUE TOMTOM

Leather steering wheel, high gloss piano black dashboard and centre console trims and sporty upholstery (treated with Teflon for extra protection). The Espace Dynamique TomTom's interior is both modern and comfortable.

INITIALE LUX PACK

Full leather Riviera upholstery and high gloss piano black trims come as standard if you opt for the Initiale Lux Pack. This elegance goes hand in hand with the high quality modern technology - Arkamys stereo and Carminat TomTom system.

RENAULT eco2

Espace meets three criteria:

- It is manufactured in an ISO 14001 certified factory, minimising its environmental impact.
- The vehicle produces CO₂ emissions lower than 140g/km or operates on biofuels,
- and it includes at least 5% recycled plastic in its plastic mass.

With Renault displays its environmental commitment at every stage of the life cycle of the vehicle. The vehicle has been designed in such a way that 85% of the materials used could have a second life (recyclable for other use or as a source of energy), and that pollution control at the end of the vehicle's life (in particular extraction of fluids) is made easier.
