

RENAULT
Passion for life

All-New Renault MEGANE

Shot of adrenalin

Elegant forms, classy lines, uncompromising choices, All-New Renault Mégane has a daring expressive design and assertive style. Inspired, strengthened by a unique lighting signature, All-New Renault Mégane invites you to get behind the wheel and rediscover real sensations. Adrenalin guaranteed.

Strong emotions

All-New Renault Mégane is recognisable as soon as you look at it. Its daytime running lights with LED technology give it a sharp look. The rear lights, also LED and with 3D effect, highlight its unique personality, day and night. The 18" DAYTONA diamond-cut wheel rims impose their style. Sporty, striking, feisty. (GT version only)

Unique driving pleasure

Dynamic environment, perfect driving position, aluminium sports pedals*, the pleasure of driving All-New Renault Mégane is fully expressed. Boosted by 4CONTROL technology*, the 4-wheel steering provides unique agility and responsiveness. Curves, bends, hairpin bends... trajectories are precise and agility is impressive. Passion changes dimension.

*Only on All-New Mégane GT

The power of choice

Inside, the key words are quality and harmony. Generous cockpit, perfect finish, pleasure also involves the comfort of choice. You choose and All-New Mégane adapts: "Eco", "Comfort", "Neutral", "Sport", "Personal", the MULTI-SENSE system configures your vehicle to meet your current desires. It controls both technical configurations (engine response, gear changes, variation in steering wheel effort, engine sound, 4CONTROL** responsiveness) and on-board environment (tone of interior lighting, information displayed, colour of instruments). Is your mood sporty? Calm? Relaxed? Move from one driving experience to another. MULTI-SENSE, it's a bit like having several Méganes in one!

* Not available on All-New Mégane GT

** Only available on All-New Mégane GT

High-tech experience*

With the Renault R-LINK 2 multimedia system at your fingertips, you can control multiple functions that make each of your journeys even more exciting.

The 8.7" portrait touchscreen is responsive, ergonomic and luminous, just as easy to use as your tablet. By touching it or using the fingertip controls, it is very easy for you to access your contacts, music content, pre-installed applications (e-mail, R-LINK Tweet, Renault Assistance, weather forecasts), or the apps that can be downloaded via the R-LINK Store.

You can also use R-LINK Voice intuitive voice recognition to safely call someone on your contacts list, dictate an address or display an application†.

A true control centre, Renault R-LINK 2 also allows you to manage the MULTI-SENSE system, the driving assistance systems and your preferences: you can create up to six different profiles. Another way to experience "Mégane passion"...

*Excludes Expression+

†For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

Explore the pleasure of MULTI-SENSE

Exclusively fitted with the MULTI-SENSE system†, All-New Renault Mégane adapts the behaviour of your vehicle to your mood. Five modes for five unique driving experiences.

In **Neutral Mode**, All-New Mégane adapts to a more relaxing atmosphere and allows you to enjoy the air conditioning at its full capacity. The 4CONTROL system** is active and the engine response is standard.

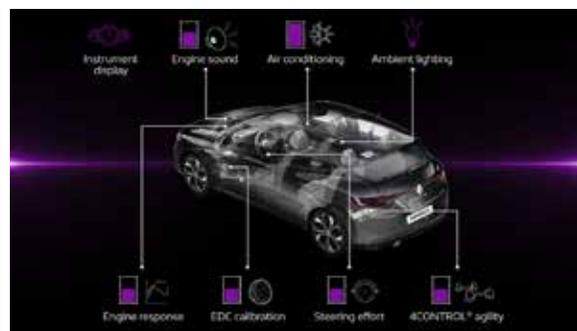

In **Eco Mode***, you can make use of the energy-saving eco mode which reduces the steering wheel effort, the engine response, the EDC calibration and the air conditioning capacity.

In **Comfort Mode**, the steering effort is still low but the engine response is improved and the 4CONTROL system** is active. You can use the air conditioning at its full capacity and the engine sound is enhanced.

In **Sport Mode**, you use all the features at their full capacity for a sportiest driving experience. The acceleration of the vehicle is quicker, the EDC gear-box ratios are reduced and the 4CONTROL system** generates a sensational sporting responsiveness for increased agility or stability. The steering gets heavier for more precise control.

In **Perso Mode**, you are free to choose the level of each feature to configure your vehicle to meet your current desires.

Enjoy this immersive light experience, whether in blue, red, green, sepia or purple, with the customisable digital dashboard featuring the most relevant driving information.

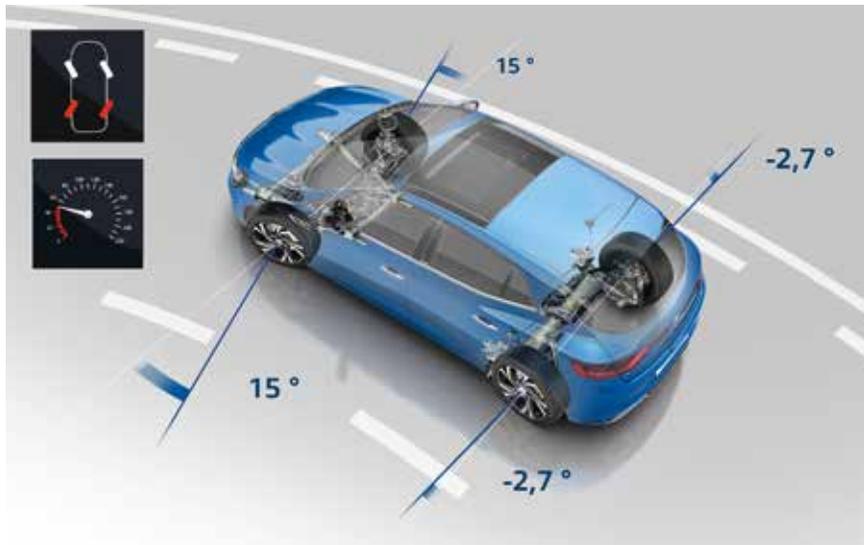

* Not available on All-New Mégane GT

** Only available on All-New Mégane GT

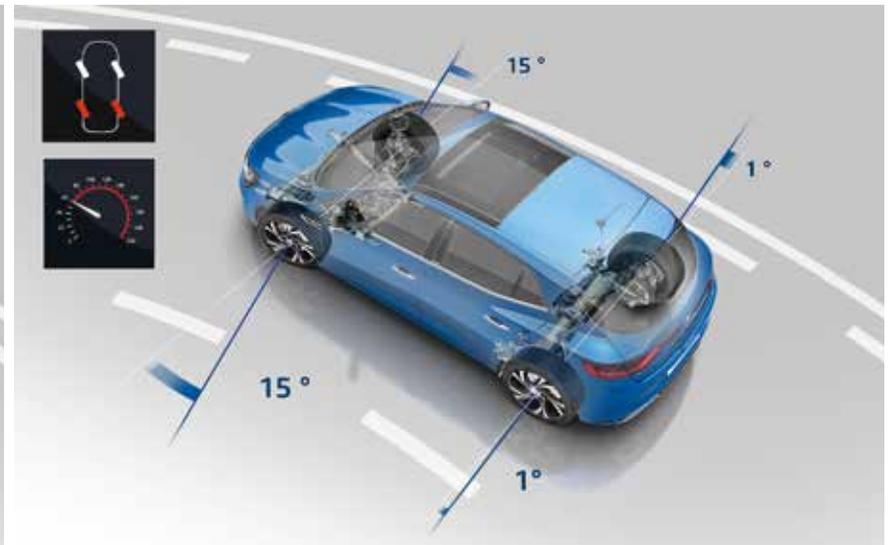

† Available from Dynamique Nav and above

4CONTROL, exemplary road-holding

With its 4-wheel steering chassis, the All-New Renault Mégane GT is precise and easy to handle. Thanks to 4CONTROL, you can negotiate the most difficult bends with full peace of mind. Road-holding is optimised, grip is incredible. Combined with MULTI-SENSE, driving becomes a precision operation. All-New Renault Mégane and the road become one, you and Mégane become one.

At low speeds, the 4CONTROL system turns the rear wheels in the opposite direction to the front wheels.

Above 37 mph*, the rear wheels turn in the same direction as the front wheels.

* In sport mode; above 50 mph

Increased safety

Drive with peace of mind! All-New Renault Mégane is equipped with several driving assistance systems. Using intuitive and intelligent technologies, they support you on all your journeys, giving you day-to-day peace of mind.

Traffic sign recognition ⁽¹⁾

There are more and more road signs. It's not easy to catch every sign; let the camera handle it for you. If you exceed the authorised speed limit, a warning appears on the dashboard. All you have to do is adapt your driving.

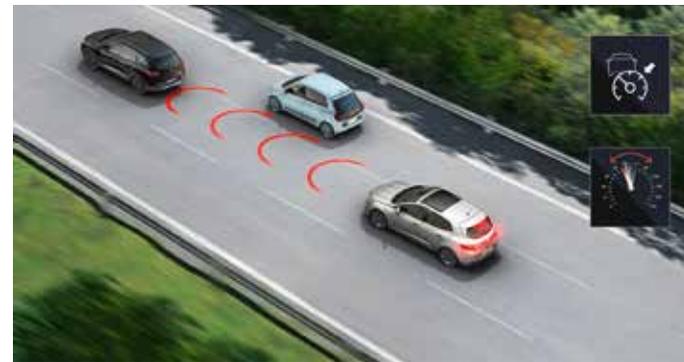

Hands free parking ⁽³⁾

Parallel parking with a flick of the wrist! Hands free parking helps you to identify the parking space configuration (parallel, diagonal or perpendicular), measures the available space and handles the manoeuvre. All you have to do is control the accelerator, brakes and gears. A genuine co-pilot by your side!

Blind spot warning ⁽³⁾

Expand your vision! New Renault Mégane is equipped with a system which detects the presence of any vehicle in the zone that your rearview mirrors do not allow you to see. Active between 19 mph and 87 mph, the system alerts you straight away with a warning light.

Adaptive cruise control ⁽³⁾

Easily maintain the appropriate safe following distance between you and the vehicle in front. In order to adapt your speed, the adaptive cruise control is activated at between 31 mph and 87 mph. The system acts on the brakes when the distance is too short and on the accelerator when the road is clear again.

Active emergency braking system: ⁽²⁾

This system alerts the driver if there is a risk of collision with the vehicle in front. If the driver reacts insufficiently or not at all, the brakes are activated to prevent or mitigate a collision.

Lane departure warning: ⁽¹⁾

This system detects the lane in front of the vehicle with a camera and warns the driver audibly if they drift into another lane .

Auto high/low beam: ⁽¹⁾

High beam automatically switches to low beam when the front camera detects other vehicles around and automatically switches back to high beam when nothing is detected around.

Safe distance warning: ⁽²⁾

This system warns the driver about potential collision with another vehicle in front, if the distance between the vehicles is not safe.

Engines

Renault capitalises on know-how forged in competition to improve further the engines of All-New Renault Mégane.

ENERGY TCe 205 **Strong sensations**

The most powerful engine offered, the TCe 205, with EDC 7-speed automatic gearbox with dual clutch transmission, provides sporty pick-ups and clean acceleration. It gives strong sensations and allows you to use Launch Control (significantly faster "standing start" function) and Multi Change-down (accelerated multi-downshift), two custom technologies developed by Renault Sport. TCe 205 GT: 47.1 mpg and 134 g/km* of CO₂

ENERGY dCi 110 **The highest level of efficiency**

The dCi 110 engine guarantees the lowest carbon footprint in the entire range. Its technological innovations, such as Stop & Start or the use of steel pistons, offer CO₂ emissions and fuel economy which are amongst the lowest in the segment: only 72.4 mpg in NEDC* cycle and 96g/km* of CO₂!

ENERGY TCe 130 **Absolute performance and comfort**

Capable of 130 hp at 5,500 rpm and 205 Nm from 2,000 rpm, the TCe 130 engine offers you the same performance as a 2 litre atmospheric engine! Its direct injection and integrated turbocharger give it exceptional flexibility and responsiveness. Its capacity to operate at high speed without running out of energy gives you comfort and driving pleasure that are second-to-none. It is very quiet, and can be distinguished by its soft-edged sound. TCe 130: 51.4 mpg and 120 g/km* of CO₂

EDC Dual - Clutch gearbox

Full of technology, the EDC automatic gearbox with dual clutch transmission combines the comfort of an automatic gearbox with the responsiveness and fuel economy of a manual gearbox. With its 6 or 7 gears, depending on the engine chosen, it offers you flexibility, dynamism and reduced fuel consumption. What more could you ask?

*Combined cycle consumption. EU Directive and Regulation 692/2008 test environment figures. Fuel consumption and CO₂ may vary according to driving styles, road conditions and other factors.

Standard features

EXPRESSION+

DAKOTA - 16" alloy wheels

Carbon Black cloth upholstery

SAFETY & SECURITY

- ABS with EBD (Electronic Brake Distribution) and Emergency Brake Assist
- Airbag - front passenger deactivation facility
- Airbags - driver and front passenger two stage auto-adaptive
- Anti-drill door locks and ignition barrel
- Cruise Control and Speed limiter
- Deadlocking & immobiliser
- Eco mode
- ESP (Electronic Stability Programme) with ASR (Anti-Skid Regulation) and UCL (understeer logic control)
- Front fog lights
- Hill start assist
- Headrests - Front - Two height adjustable headrests
- Headrests - Rear - Three height adjustable headrests
- Insurance approved alarm (Thatcham category 1)
- ISOFIX points on outer rear seats

- LED DRL - Daytime running lights
- Manual hand brake
- R.A.I.D. (Renault Anti Intruder Device) - Automatic locking of the doors & boot over 6mph
- Tyre Inflation Kit
- Tyre Pressure Monitor

EXTERIOR

- DAKOTA - 16" alloy wheels
- Door handles - body coloured
- Door mirrors - Body coloured shell

INTERIOR

- Carbon Black cloth upholstery
- Central rear armrest with cup holder
- Front centre armrest with storage
- Heated rear screen
- Seats - 3-seat rear bench
- Seats - rear 60:40 split folding
- Tinted windows

COMFORT AND CONVENIENCE

- Bluetooth Connectivity
- Fingertip audio system remote control
- Electric front & rear windows
- Exterior temperature indicator
- Halogen headlights
- Lights - boot, front footwell and rear door lighting
- Manual air conditioning
- Seat - Driver - height and lumbar adjustable
- Seat - Passenger - height and lumbar adjustable
- Socket - Front - 12v socket
- Steering wheel - power assisted, height, rake and reach adjustable

CONNECTIVITY & SOUND SYSTEM*

- FM/AM/DAB tuner, 4x20W speakers, Bluetooth® audio streaming and hands-free calls, USB and AUX sockets

*For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

Standard features

DYNAMIQUE NAV (additional equipment to Expression+)

DAKOTA - 16" alloy wheels

Carbon Black synthetic leather and cloth upholstery

SAFETY & SECURITY

- Automatic headlights and windscreen wipers
- Electronic parking brake
- Rear Parking sensors
- Visio system (lane departure warning, traffic sign recognition, automatic high/low beam)

EXTERIOR

- Door mirrors - Electrically adjustable, heated and folding

INTERIOR

- Carbon Black synthetic leather and cloth upholstery
- Digital speedometer (7" TFT screen)

COMFORT AND CONVENIENCE

- Automatic Dual Zone Climate control
- Hands free keycard
- Multisense system - Ambient lighting and driving mode selector
- Sun visor with illuminating mirror

CONNECTIVITY & SOUND SYSTEM*

- R-Link 2 multimedia system: 7" touchscreen, TomTom® LIVE services with Western European mapping, FM/AM/DAB tuner, Bluetooth® audio streaming and hands-free calls, USB and AUX sockets, voice control, vehicle applications
- Arkamys 3D Sound 4 X 35W DAB Radio with Bluetooth® and USB connection

Standard features

DYNAMIQUE S NAV (additional equipment to Dynamique Nav)

FLORIDA - 17" diamond cut alloy wheels

Carbon Black synthetic leather and cloth upholstery

SAFETY & SECURITY

- Rear parking camera with front & rear parking sensors

SERVICE PLANS

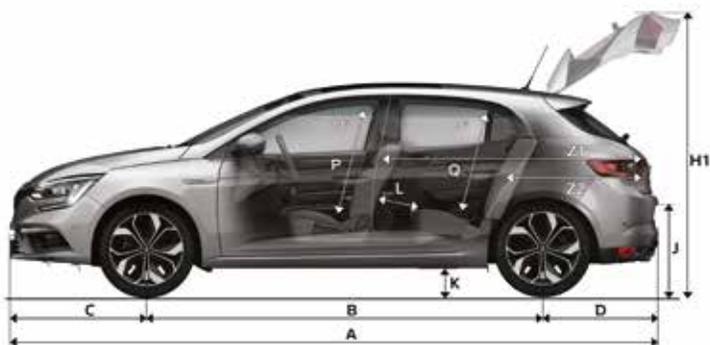

Service Plan 3 yrs / 30,000 miles[†]
 Service Plan 4 yrs / 40,000 miles[†]

MRRP[^]

£299.00[†]/£8.99^{*}
 £499.00[†]/£10.99^{*}

[^] = Manufacturer's Recommended Retail Price; [†] = The Service plan offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicle must be ordered between 1st January 2016 and 31st December 2016 and registered in 2016. The Renault Service Plan covers the manufacturer's minimum maintenance programme requirements for the term of the plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. To qualify you must order and purchase the Service plan from a Renault Approved outlet before the first service or within the first 12 months (whichever comes first). Cannot be part exchanged, refunded or transferred. ^{*} = Monthly payment option provided by Renault Finance, P.O. Box 149, Watford, WD17 1FJ. Guarantees and indemnities may be required. You must be at least 18 and a UK resident (excludes Isle of Man and Channel Islands) to apply. Subject to status, terms and conditions apply. The monthly Service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Renault Finance. For service plan terms and conditions visit www.renault.co.uk/serviceplan

* Official Fuel consumption figures are produced for comparison purpose and are measured according to the EU Directive and Regulation 692/2008. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂, banding and Company Car Tax Benefit in Kind go to www.renault.co.uk

Renault Services

4 Years warranty and Renault Assistance

Your vehicle is covered by a warranty package for up to 4 years/100,000 miles (whichever comes first). The first 2 years are unlimited mileage, followed by a further 2 years up to 100,000 miles. Your dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for a period of 3 years and the anti-corrosion warranty for a period of 12 years.

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault dealer. This service is available 24 hours a day, every day of the year. Renault Assistance Cover provided from months 0 to 48 includes, assistance at the roadside and home, national recovery, onward travel with European cover from months 0 to 36 only. Cover includes mechanical or electrical defects covered by the warranty.

Servicing options*

A Renault Service plan allows you to budget for the future cost of your routine servicing. It really is the hassle-free way to take care of your Renault. There are many benefits to a Renault Service plan.

- Inflation-proof servicing - You know exactly what you'll pay and there are no hidden costs
- Full peace of mind - No matter where life takes you, we'll be there
- Renault expertise - Our highly trained technicians know your Renault inside out

We have a range of service plans to meet the needs of practically all of our customers'. Speak to your Renault dealer for more information on these plans.

Finance options**

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault car insurance option¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance comes with a 5 Star Defaqto⁶ rating and has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault approved parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Renault car insurance:

0330 102 8834[†]

www.renaultcarinsurance.co.uk

Lines are open Monday - Thursday 8.30am - 7.30pm,
Friday 9am - 6pm, Saturday 9am - 5pm.

Renault iCare

Is an innovative Service, Maintenance & Repair product that supplies Business customers with a fully supported, managed hassle free service and maintenance package.

Renault iCare is a "Pay-As-You-Go" product that insures your vehicle is maintained by Renault technical experts when work is required.

iCare provides the following benefits:

- Full Service, Maintenance & Repair cover in the Renault Dealer Network
 - Tyres can be included within the contract at an additional fixed cost
 - Ancillary equipment can also be included (at an additional fixed monthly cost)
 - Excludes: Damage/Neglect/Abuse/Glass & Bulbs
- A fixed, pre agreed pence per mile rate
- No excess mileage charges at the end of the contract
- No pooled mileage administration
- Minimalise downtime

For more information and to obtain a quote based on your requirements, please speak to your local Renault Business dealer or visit www.renault.co.uk/icare

Customer relations

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Department on 0344 3350000 (Mon-Fri 9.00am to 5.30pm, except Weds 10.00am to 5.30pm. Closed on Bank Holidays). You can also visit our website www.renault.co.uk Or write to us at: Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.

Continue the Renault Mégane experience
at www.renault.co.uk

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.
