

# RENAULT MEGANE **HATCH**

**DRIVE THE CHANGE**

# WHY RENAULT?

We're driven by a passion to meet and exceed people's needs, and that's what drives the industry forward. It's been that way with us for over a hundred years. But in today's rapidly-changing environment, it's more important than ever that we source new solutions that will safeguard all our futures.

We know that the car is at a turning point, it has to evolve whether you believe in global warming or not; to emit less in cities, to make less noise and to use increasingly scarce energy more efficiently.

At Renault we are working to create more affordable cars, with radically lower CO<sub>2</sub> emissions. For the widest possible audience. Today that's our collection of 35 'eco<sup>2</sup>' models. eco<sup>2</sup> indicates that the vehicle produces CO<sub>2</sub> emissions lower than 140 g/km, it includes at least 5% recycled plastic in its plastic mass, and has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy). In addition eco<sup>2</sup> means that our factories are ISO 14001 certified.

Starting next year there will be a groundbreaking range of electric vehicles, from a nippy town car to a comfortable family saloon and a small van. They will be affordable to run – you will be able to drive up to 100 miles using a battery that costs typically £3 to charge, and a lot less using cheaper tariffs. And parking and congestion charges should all be lower, too.

We believe it's time to make the car a driver of progress once more. We are determined to drive that change. Soon you will be able to join us.

**RENAULT. DRIVE THE CHANGE.**

**THE MEGANE HATCH  
THE UNIQUE SENSATION  
OF A DESIGN THAT TURNS  
HEADS AND QUICKENS PULSES,  
WITH LINES THAT PROMISE  
PLEASURE AND PEACE IN ONE.  
CONTROL AND PRECISION;  
WHERE PRACTICALITY IS  
PERFECTLY FUSED WITH PASSION.**

**DISCOVER THE MEGANE HATCH**

# DESIGN THAT SPEAKS FOR ITSELF

LOVE AT FIRST SIGHT.

With its eye-catching design, the Mégane Hatch delivers a real promise of both dynamism and reliability. Swooping, steeply raked headlights, fluid and forceful lines, harmonious proportions... The precision of its lines takes your breath away, as does the outstanding quality of its finish. With the Mégane Hatch the mix of seduction and sportiness is clear to see.

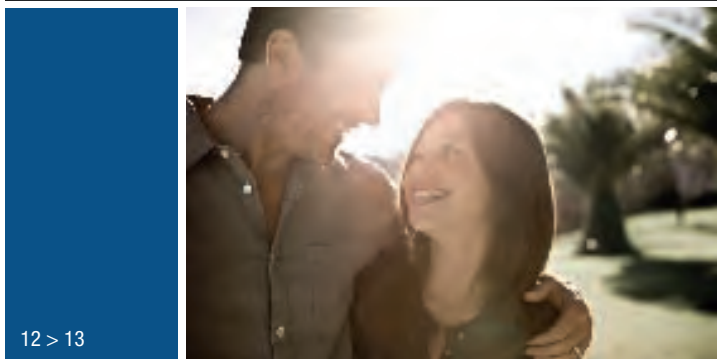

## POWER WITH HARMONY

BETWEEN PRECISION AND RESPONSIVENESS,  
A DRIVE THAT'S UNFORGETTABLE.

This is where control and driving pleasure combine. Its extraordinary roadholding is evident as soon as you take the first corner. The precise steering and the stability provided by a state-of-the-art lower, wider chassis mean ultimate responsiveness. In a nutshell; you're in complete control, whichever of the wide range of engine types you choose: petrol or dCi. Unrivalled road holding, dynamic performance, instant gratification...who could resist such a potent combination?

The Mégane Hatch engines combine performance, economy and, respect for the environment. For instance, four of its engines have CO<sub>2</sub> emissions below 140 g/km, which allows the Mégane Hatch to use the eco<sup>2</sup> symbol. Everything possible has been done to ensure that its impact on the environment is as limited as possible, from its creation right through to end-of-life. The Mégane Hatch is built in an ISO 14001 certified factory. 95% of the car is recyclable at the end of the vehicle's useful life, while 11% of the plastic used in its production is recycled.

**A BRAND WITH THE MARK OF RESPECT**  
FOUR ENGINES WITH ECO<sup>2</sup> CERTIFICATION.

**INSIDE THE MEGANE HATCH**

# INTUITIVE TECHNOLOGY

INNOVATION AT YOUR FINGERTIPS.

The Mégane Hatch offers supreme levels of comfort and ergonomics. For even more enjoyable travel, each of the versions presents an extensive range of high-end technologies that are both practical and simple to use. This equipment includes, depending on the version, a hands-free card, Dual-Zone climate control, superior sound systems, and an integrated satellite navigation system. Typical of the interior design of the Mégane Hatch, the instruments combine analogue (tachometer) and digital (speedometer) display, making them easy to read at a glance.

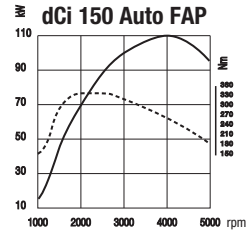

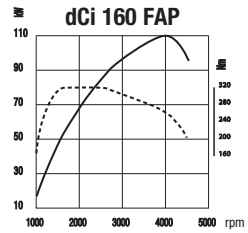

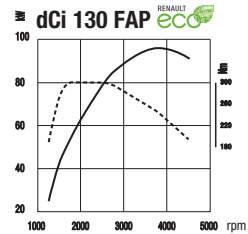

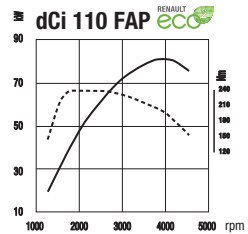

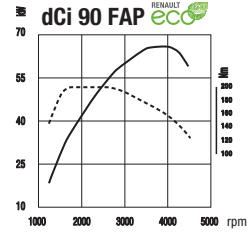

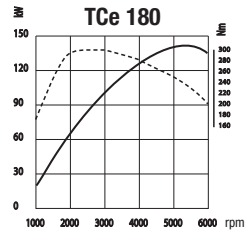

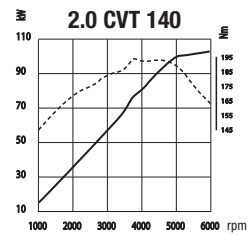

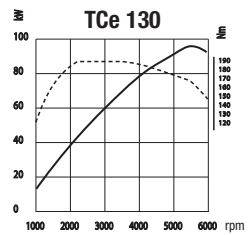

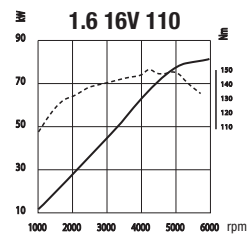

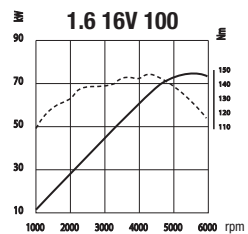

# RENAULT SAFETY

PROTECTION REACHES NEW LEVELS.

Renault has always committed itself to making excellence in safety a prime concern. The Mégane Hatch demonstrates how we've now taken steps towards even higher levels of driving security. Control under difficult conditions has been improved with ESC (Electronic Stability Control), combined with CSV Understeer Control for maximum efficiency, particularly on slippery surfaces. At night, the optional Xenon directional headlights allow longer distance vision, with dipped wider beam cornering lights to help "see round corners". Thanks to a new system of high-performance braking, stopping distances for the Mégane Hatch rank among the shortest on the market. There's a heavily reinforced body structure and cutting edge dual-chamber airbags – where deployment is both faster and better adjusted, thanks to new crash sensors. Because Renault always goes the extra mile when it comes to your safety.

# ENGINES

— Power  
- - - Torque

## 1. 5-SPEED MANUAL GEARBOX

Cable linkage provides easy and precise gear changing for the ultimate in driving pleasure.

## 2. 6-SPEED MANUAL GEARBOX

Providing precision and a comfortable drive. The sixth gear means enhanced long distance driving pleasure and reduced consumption.

**EFFICIENT DUAL CLUTCH (EDC)**  
Thanks to the sequential shift, you have a permanent choice between manual and automatic modes. This gives you the choice to vary your driving techniques according to the traffic conditions.

## TCe 180

Boasting exceptional responsiveness and the smooth availability of torque, this engine offers vivid acceleration at minimum engine speeds.

## dCi 90 FAP and dCi 110 FAP

Fitted with the latest generation Commonrail technology, these engines offer optimised levels of torque and power, as well as extremely moderate fuel consumption.

## dCi 110 EDC FAP

The Efficient Dual Clutch (EDC) transmission delivers the best of an automatic gearbox with all the economy of a manual. Gearshifts take only 290 milliseconds, to instantaneously match gears to speed and demand – delivering the right amount of power the moment you need it.

## dCi 130 FAP

This astonishingly powerful and quiet engine uses the best of the dCi technology in combustion and supercharging. Yet it only emits 135 CO<sub>2</sub>/km, even with its 130 hp.

## dCi 160 FAP

This engine boasts a 0-62mph sprint time of 8.5 seconds and top speed of 134 mph, combined with CO<sub>2</sub> emissions of only 155 g/km.

## dCi 150 Auto FAP

The dCi 150 Auto with FAP (particle filter) offers a top performance/consumption ratio and outstandingly quiet running.

Mégane **eco** meets three criteria: the vehicle produces CO<sub>2</sub> emissions lower than 140g/km. It is manufactured in an ISO 14001 certified factory, minimising its environmental impact, and it includes at least 11% recycled plastic in its plastic mass.  
With **eco** Renault displays its environmental commitment at every stage of the life cycle of the vehicle. The vehicle has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy), and that pollution control at the end of the vehicle's life (in particular extraction of fluids) is made easier. Furthermore, this vehicle has parts made of recycled plastic (5%) and renewable materials.

## COMFORT

### 1-2. DUAL ZONE CLIMATE CONTROL

Allows driver and front passenger to select a temperature to suit them. The three modes available can be adjusted to individual needs: Auto mode provides balanced temperature control, Fast or Soft modes can be selected to adjust the temperature or noise level as required.

### 3. SUNROOF

The huge electric sunroof, which opens at the front, allows as much light as possible into the interior.

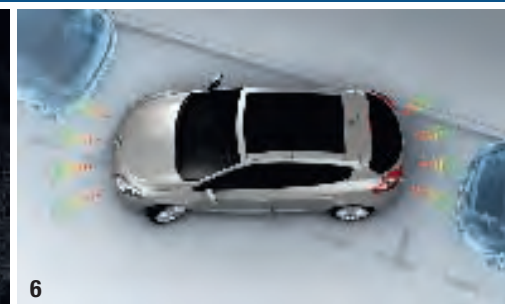

### 4. HEATED FRONT SEATS

### 5. CUSTOMISATION MENU

This allows you to manage the display and control of various vehicle functions (locking or unlocking of doors, rear windscreen wiper, etc.)

### 6. FRONT AND REAR PARKING SENSORS

Making parking manoeuvres easier: the parking sensors alert you to any obstacles in front or behind with a sequence of beeps that get faster as you approach the object.

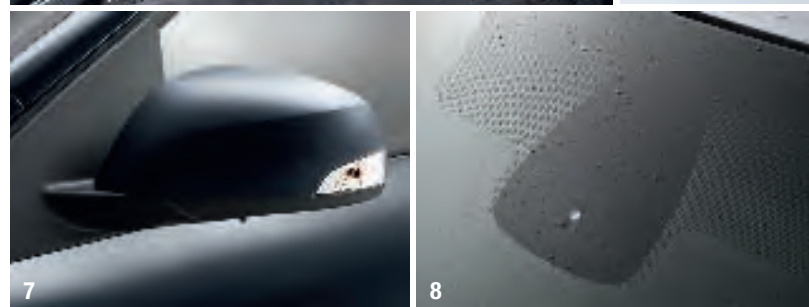

### 7. FRONT DOOR MIRRORS

Electric, de-icing and electrically folding.

### 8. AUTOMATIC LIGHT AND RAIN SENSORS

The front windscreen wipers, with automatic speed control, are activated and adjust their speed depending on how heavily it is raining. A light sensor automatically activates the headlights at dusk or when you enter a tunnel.

## TECHNOLOGY

### 1. HANDS FREE KEYCARD

Simply carry the card and the Mégane will track your movements. The car unlocks and the ignition starts at the push of a button, without even inserting the card into the reader. If you move away from the vehicle carrying the card, the doors will lock automatically.

### 2. CARMINAT TOMTOM®

The first easily accessible, integrated navigation system.

### 4. MULTI-FUNCTIONAL TUNEPPOINT

The USB and MP3 sockets allow you to connect and control your portable music player using the radio controls on the steering wheel, whilst the jack allows you to connect any audio source.

### 5. CRUISE CONTROL / SPEED LIMITER

Cruise control allows you to set a cruising speed or a maximum speed. A control on the steering wheel allows you to adjust the chosen speed. Thanks to the display integrated into the instrument panel visibility is improved: with cruise control a green arc appears once the system has been activated; with the speed limiter the arcs remain white. If you exceed the set speed the arc will change to red.

### 3. 3D SOUND BY ARKAMYS®

With 3D sound by Arkamys® the Mégane Hatch benefits from the outstanding quality of Renault's latest state-of-the-art sound system. The digital sound processing customised by Arkamys® for the New Mégane means that eight loudspeakers provide ultimate-quality 3D sound. The sound can be adjusted using the functions "driver only" and "muted at rear".

### 6. INSTRUMENT PANEL

Designed with three reading levels it allows you to read information faster and more accurately. There is a rev counter with analogue display, speedometer with digital display and colour-coded cruise control symbols.

## STORAGE

1

### 1. BOOT

Offers a storage capacity of 372 dm<sup>3</sup>, even with a full size emergency spare wheel.

### 2. STORAGE SPACE UNDER BOOT FLOOR

The boot floor has a storage space that can be divided into compartments.\*

\* Available with optional tyre inflation kit in lieu of spare wheel.

2

### 3. MAP POCKETS

Mounted on the back of the front seats, they provide a space to keep documents, books and magazines.

3

### 4. STORAGE IN REAR ARMREST

Rear passengers can use this practical storage compartment to store bottles, CDs, etc.

4

### 5. UNDERFLOOR LOCKERS

Two 1.8 dm<sup>3</sup> spaces have been discreetly built into the floor in the front.

5

### 6. STORAGE IN CENTRE CONSOLE

Practical and easy access for front passengers.

6

### 7. GLOVE COMPARTMENT

Very roomy glove compartment, with an in-built light.

7

## SECURITY

### 1. SEATBELTS

To reduce the force of impact and to maintain the body in an ideal position, the system uses a dual pretensioner in the front seats, a single pretensioner with load limiter in the outer rear seats and a load limiter in the central rear seat.

1

### 2. ANTI-WHIPLASH FRONT HEADRESTS

Allow the height and tilt to be adjusted to reduce the risk of whiplash.

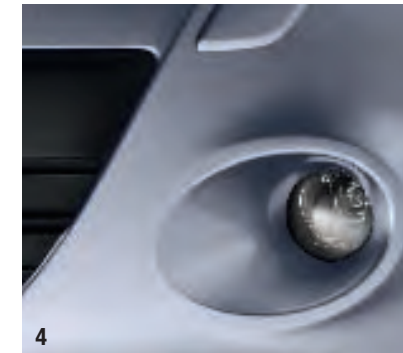

2

### 3. SRP (SYSTEM FOR RESTRAINT AND PROTECTION)

This consists of a comprehensive airbag system with dual chamber front airbags, curtain airbags, and front lateral airbags.

3

4

5

### 4. FOG LIGHTS

Improve visibility in foggy or rainy conditions.

### 5. BI-XENON HEADLIGHTS

They provide an intense light, closely resembling daylight, giving you greater opportunity to anticipate hazards and stay in complete control. The technology behind the exterior side lights makes it possible to light the insides of bends and take corners with greater precision and control.

### 6. ESC (ELECTRONIC STABILITY CONTROL)

Works with the ASR Traction Control and CSV Understeer Control to maintain vehicle stability under difficult driving conditions.

6

7

### 7. TYRE PRESSURE MONITOR

This system immediately alerts the driver in the event of a puncture or drop in tyre pressure, preventing any risk of losing control.

## ACCESSORIES

### SPORT AND DESIGN

**Make your Renault undeniably yours Make your Mégane Hatch stand out from the crowd with a range of styling options.**

#### 1. SPORT STYLING KIT

Enhance the natural design of the car by adding a Sport Styling kit which emphasises the stunning appearance. Includes front, side and rear skirts, coupe grill trims and rear spoiler.

#### 2. REAR SPOILER AND GRILL TRIMS

The rear spoiler enhances the dynamic lines of the Mégane Hatch and the grill trims give it a stylish finishing touch.

#### 3. ALLOY WHEELS

Alloy wheels can make a big difference to the appearance of your car. Make heads turn with a selection of fantastic 'Avanza' wheels from 15" to 17".

#### 4. LEATHER UPHOLSTERY

Transform your Mégane with our range of eye-catching leather interiors. This luxurious accessory is a great way to give your Mégane a seductive blend of sporty elegance. Available in Biscotto, Carbon Black and Rosso Red.

1

2

3

4

5

6

7

8

9

### PROTECTION AND COMFORT

**Keep you and your Renault safe and sound. Protection and safety are number one priorities for Renault. Renault Accessories has developed a range of products that will help protect you and your car.**

#### 5. MATS

Mats are an essential accessory to protect your car from everyday dirt and debris. Designed to fit perfectly into your Renault, the inbuilt stud fixings ensure they fit safely with no slipping.

#### 6. PARKING SENSORS

This clever system detects objects behind your vehicle as well as making parking in the smallest spaces so much easier. Ultrasonic sensors in the bumper emit a beep and as objects get closer, the sound becomes louder and more frequent.

#### 7. CHILD SEATS

The safety of children is of the highest importance to Renault. We are constantly monitoring and improving our range of child safety accessories. Our child seats undergo the most intensive testing to ensure that your child is offered the maximum possible protection. Your Mégane Hatch is equipped to fit ISOFIX child seats so you can relax knowing that your children are secure and comfortable in their Duo Plus seat, watching the world go by.

#### 8. BOOT LINER

This convenient boot liner protects your boot from day to day wear and tear. It is designed to fit perfectly into the boot of your Mégane and is made from semi-rigid plastic so it can be easily washed down.

#### 9. G-3 PAINT PROTECTION

Ixtar G-3 Glasscoat is both an exterior and interior protection product designed to protect paintwork and avoid the need for waxing. It uses the latest technology and comes with a 5-year transferable guarantee.

# ACCESSORIES

## TOURING

You, your Renault and the kitchen sink!

Planning your holidays? Renault Accessories has developed a range of accessories to maximise the load carrying capacity of your Mégane. If you need more than your boot space, take a look at our towing and roof accessories.

### 1. ROOF BARS, SKI RACK, BIKE RACK

Whether you are planning a ski trip or just a day out with the bikes, we have an accessory for you. Designed to work in harmony with your car, these aluminium Touring Line roof bars are lightweight and easy to mount. Our bike racks can be mounted on the roof or on a tow bar. They are City Crash tested to ensure maximum safety and security.

1

1

### 2. ROOF BOX

Going on holiday and need to pack the kitchen sink? Our range of Touring Line roof boxes are the ideal way of increasing your boot space. They are lockable and are designed to perfectly fit the Renault Touring Line Roof Bars.

3

### 3. TOW BAR

Whether you need to pull a trailer, a caravan or simply mount one of our bike racks, Renault has the tow bar for you. This tow bar preserves the aesthetic lines of your Mégane, thanks to a tow ball that can be removed in seconds without the use of tools.

4

### 4. STORAGE BOX

Both handy and ingenious, this portable storage box can be attached in the centre of the rear seat using the seatbelt to provide additional storage on those long trips with the kids.

5

### 5. PARTITION GRILL

Metal grill that separates the passenger compartment from the boot. Helps to keep the contents of your boot, in the boot!

6

### 6. SAFETY KIT

Our safety kit, which contains a warning triangle, high visibility vest and first aid kit, is an essential accessory for your own safety and is a legal requirement when travelling in some European countries.

7

8

## TECHNOLOGY

Cutting edge technology in your Renault

### 7. DVD SYSTEM

“Are we nearly there yet?” Boredom on long journeys is a thing of the past with our DVD player. Mounted onto the back of the headrest, it provides hours of entertainment for the rear passengers. Comes with two screens and infra red headphones.

### 8. BLUETOOTH CONNECTIVITY

Avoid fines and penalty points and get connected. Our range of Bluetooth systems allow you to pair your phone to your Mégane and make and receive calls on the move. To check your handset is compatible, please speak to your Renault dealer.

### 9. MULTI-FUNCTIONAL TUNEPPOINT

Allows you to connect your iPod to your Mégane, giving you simple control over your music.

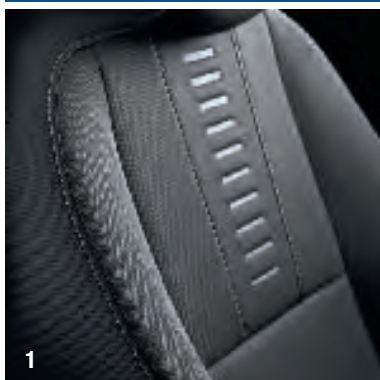

9

## TRIMS

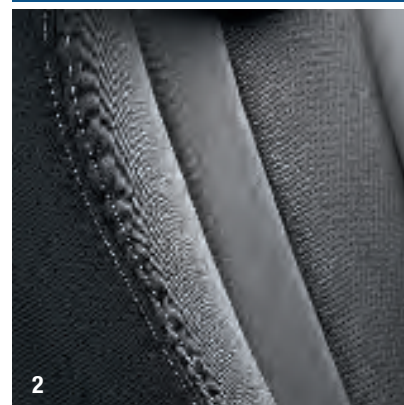

### EXPRESSION

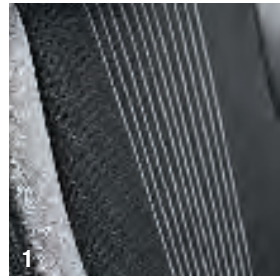

Comfort and well-being.  
For 'made-to-measure' comfort,  
the driver's seat and headrest  
can be adjusted in a number of ways.  
Available in dark interior trim with dashboard  
and upholstery in dark charcoal (1).

### DYNAMIQUE TOMTOM

Sporty and high-tech.  
The trim is available in a charcoal interior,  
with dashboard and upholstery in dark carbon (2),  
or with optional carbon leather (3).  
The leather steering wheel and 16" alloys enhance  
the sporty character of Mégane Dynamique TomTom.

### PRIVILEGE TOMTOM

Style and sophistication.

Dual-Zone air conditioning, electric folding door mirrors and rear parking sensors emphasise the style and elegance of the Mégane. Available in three versions: dark interior trim with dashboard and part leather dark carbon upholstery (1), optional dark carbon leather (2) or pale beige leather (3) with two-tone dashboard (pictured).

## EQUIPMENT

# RENAULT MOBILITY

As the market leader in safety, with ten vehicles in the range scoring the maximum five stars in the Euro NCAP safety tests, Renault offers an extensive range of models through the Motability scheme.

With our advanced design technology, all of our models can be cost effectively adapted by Motability Accredited Specialists to meet the particular needs of a disabled driver or user.

At your nearest Motability Accredited Renault Dealer, you will find a commitment to personal service, facilities for easy access including ramps and wide doors, plus expert assistance from Motability specialists.

If you'd like more information about these special services or about a specific vehicle adaptation, put us to the test right now by calling Renault Corporate on 0800 387 626, contacting [motability@renault.co.uk](mailto:motability@renault.co.uk) or visiting [www.motability.renault.co.uk](http://www.motability.renault.co.uk).

# WHO BETTER THAN RENAULT TO SERVICE YOUR RENAULT?

Your new Mégane Hatch is covered by a 3-year warranty package – the first 2 years of unlimited mileage Renault manufacturer warranty, followed by a further year of cover up to 60,000 miles. Paintwork is also guaranteed for 3 years while the anti-corrosion warranty runs for 12 years. In addition, the Renault Assistance plan ensures prompt help in the UK and Northern Ireland for manufacturer defects for 36 months. For full details please refer to the Renault warranty terms and conditions, available from your Renault Dealer or from [www.renault.co.uk](http://www.renault.co.uk).

## FINANCE OPTIONS

There are a wide variety of ways in which the purchase of a new car can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or a private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

## SERVICE INTERVALS

**All models 18,000 miles / 2 years**

Except:

13,000 miles / 2 years:

- Clio, Modus, Grand Modus dCi 86 engines\*

12,600 miles / 2 years:

- New Kangoo dCi 68 and 86 engines\*\*

12,500 miles / 2 years:

- New Mégane, New Scénic, New Grand Scénic dCi 86 engines
- Twingo 1.2 TCe 100 engine
- Twingo Renaultsport and New Mégane Coupé Renaultsport engines

12,000 miles / 2 years:

- Clio, Modus, Grand Modus 1.2 TCe 100 engines

18,000 miles / 1 year:

- Espace all engines
- New Kangoo 1.6 16V 105 engine
- 12,500 miles / 1 year:
- Laguna 2.0 205 Turbo, 3.5 V6 240 Auto and dCi 180 FAP
- 12,000 miles / 1 year:
- Koleos all engines
- New Kangoo 1.6 8V engine

Service required at the mileage or time interval shown, whichever is sooner.

## ENGINES WITH OIL CONTROL SYSTEM (OCS)

- 1.2 TCe 100 / 1.4 TCe 130 / 2.0 TCe 180

- 1.6 VVT 128 / Renaultsport 133 and 250

- All diesel engines (except Koleos)

OCS monitors driving conditions that directly affect the quality of your engine oil, protecting your engine from excessive wear and possible bearing failure.

Under certain conditions; low speeds, traffic jams, door-to-door deliveries (engine turning with little distance travelled) or in high gear for long periods e.g. sport driving, towing a caravan/trailer over 500kg (engine turning at higher revolutions) the vehicle's service interval may be shortened and you will be alerted, via the instrument panel service indicator, that a Renault Service is required earlier (refer to driver's handbook for details).

## EXTENDING YOUR WARRANTIES AND COVER

Renault Extended Warranty allows you to extend your Renault Warranty up to 5 years or 80,000 miles.

Renault Assistance Added Cover provides you with additional cover for incidents not covered by Renault Assistance: punctures, incorrect (or lack of) fuel, keys lost, stolen or locked inside the vehicle and incidents involving caravans or trailers.

For full information on these products please ask your Renault Dealer or log on to [www.renault.co.uk](http://www.renault.co.uk) and click on 'Owner Services', where you can also buy securely online.

## SERVICE PLANS

Renault Service Plans are available on new and used vehicles# and allow you to budget for your vehicle's servicing with convenient payment options and inflation proof pricing. For more information please ask your Renault Dealer or log on to [www.renault.co.uk](http://www.renault.co.uk) and click on 'Owner Services'.

## RENAULT ACCIDENT SUPPORT LINE - 0800 085 8005

The Renault Accident Support Line (RASL) is a dedicated service from Renault for all Renault drivers and their families, no matter what car they drive. This service is available at no cost to you, regardless of fault. RASL will deal with every aspect of your claim, from ensuring you are recovered to a Renault Approved Accident Repair Centre to dealing with all insurance companies giving you total convenience and peace of mind.

0800 085 8005 is the only number you need so please programme it into your phone and make sure that in the event of an accident you call us first and we will take care of everything.

### RASL will:

- Arrange recovery of your vehicle from the scene of the accident to a Renault Approved Accident Repair Centre
- Organise the repairs at a Renault Approved Accident Repair Centre using only Renault Original Parts
- Deal with all insurance companies, both yours and the other parties'
- Provide a like for like replacement vehicle if the accident is not your fault
- Pursue the at fault party for all associated costs if the accident is not your fault
- Use the same paint as during manufacture
- Provide a 5 year repair guarantee on paint and repairs
- Ensure you do not have to pay a policy excess if the accident is not your fault
- Provide the same service for your family free of charge regardless if their car is a Renault or not
- Ensure that yours and your passengers' safety are guaranteed and your five star NCAP rating will not be compromised

## CUSTOMER SERVICES

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Service Department on **0800 072 3372** (Mon-Fri 8.30am to 5.30pm).

You can also visit our website [www.renault.co.uk](http://www.renault.co.uk) Or write to us at: **Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.** Find out more about your vehicle at [www.e-guide.renault.com](http://www.e-guide.renault.com)

## RENAULT NETWORK SERVICES

No-one is better placed than Renault to maintain, fit and repair your Renault, fast. The Renault Minute (maintenance and repair with no appointment necessary) and Renault Rapide Bodycare (bumper scuffs, dings and dents, windscreen, stone chips and interior repairs...) services deliver the highest level of repair and maintenance and offer a full year's guarantee on Original Renault Parts. And don't forget to have a look at our wide range of additional equipment and accessories!

## RENAULT INSURANCE

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car.\*\*\* In addition to a very competitive premium, Renault Insurance also includes: a free 24-hour accident recovery programme; Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anticorrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Lines open 8am – 8pm weekdays, 9am – 2pm Saturdays. Calls may be recorded. Terms and Conditions apply. All quotes are based on individual circumstance and subject to insurers underwriting criteria. Renault insurance is arranged and administered by Equity Insurance Brokers Limited, which is authorised and regulated by the Financial Services Authority. Registered Office: Library House, New Road, Brentwood, Essex, CM14 4GD. Registered in England No. 2584144

† 100,000 miles for Koleos, Laguna and Espace.

\* Up to build date 23 April 2010, service intervals are 12,000 miles / 2 years

\*\* Up to build date 30 May 2010, service intervals are 12,000 miles / 2 years

\*\*\* Note: this does not apply to vans or Renaultsport cars

# RENAULT MEGANE HATCH

(Enter Renault's world at [www.renault.tv](http://www.renault.tv))

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications, equipment or accessories may be changed after the publication date given below and can differ from the descriptions given. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised. Publication date September 2010.
