

SIMCA 8 SPORT

SIMCA 8 SPORT

THE BRIGHT JEWEL OF THE SIMCA LINE

Tested and perfected by Simca's famed team of racing drivers, with a body styled by Europe's most outstanding designers, the Simca 8 Sport is the jewel of the Simca line. It attains exceptionally high average speeds on the road due to its top speed of 84 m. p. h. and instantaneous accelerations. No better brakes can be found on any car today, and it holds the road like a racer. Yet it is also a car of distinction, and its luxurious appointments and sleek lines suggest the thoroughbred of beauty and power, a triumph for French designers and skilled craftsmen!

PERFORMANCE: 84 m. p. h. — more than 31 miles to the gallon.

SPECIFICATIONS: 4 cylinder engine of 1221 c. c. — (50 B. H. P.) — sturdy frame with four side members and cross members — special clutch — rear axle ratio 9/42 — reinforced 5.25 x 15 tires — 50 litre gas tank — steel-ribbed light metal body.

SIMCA 8 SPORT — the finest car ever built by Simca and truly a new high mark in motor car luxury and outstanding yet amazingly economic allround performance.
