MAXIVAN

Tata Motors presents **Winger, India's first Maxi Van**. Yet another trend-setting commercial vehicle, the Winger comes with a choice of three variants: **Standard, Deluxe** and **Luxury**. They differ in features, but offer one thing in common – speedy returns on your investment.

A world of applications

The Winger Maxi Van has been thoughtfully designed to provide a speedy and comfortable means of transport. Travelling in the Winger makes distances disappear, thus making every ride memorable.

The Winger offers several applications: Passenger travel between cities, small towns & villages ■ Trips for families to tourist destinations ■ Pick-up and drop of corporate employees ■ Pick-up and drop of BPO employees ■ Airport transfers, sight-seeing trips for hotel guests, transport of delegates at corporate conferences ■ School bus

Winger Standard

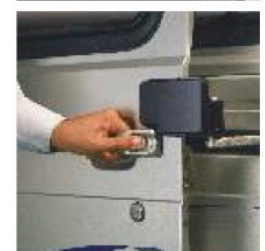

- Most spacious vehicle for its size.
- All front facing seats.
- Front independent suspension, anti-roll bars with hydraulic shock absorbers ensure a smooth and relaxing travel experience.
- Monocoque light weight body construction ensures low NVH.
- Power steering and easy gear shift for car-like feel.
- High stability due to low centre of gravity.
- High manoeuvrability due to short turning circle radius.
- Available in Arctic White and Golden Yellow colours.

5.65m

Winger Deluxe

- Available in both AC & Non AC variants.
- Powerful 90 HP engine with a peak torque of 190 Nm.
- 3200 mm long wheel base – offers better legroom.
- Hi-Back seats with integral headrest.
- High Roof Non AC available in Arctic White colour; Flat Roof AC available in Arctic Silver, Pearl White & Golden Yellow colours.
- Option of factory-fitted and engine-driven Dual AC.
- Aisle lamp in passenger saloon available in AC variant.

Winger Luxury

- 9 front facing bucket seats with arm rests & plush interiors.
- Even the last row is reclining with adjustable headrests.
- Dual AC is a standard fitment with roof-mounted vents.
- Available in Pearl White & Arctic Silver colours.
- Aisle lamp available in passenger saloon.
- Bumpers, ORVM (outer rear view mirrors) and door handles are all metallic body coloured.

Dual AC At Work

Dual AC ensures efficient cooling and better air flow, making every ride a cool one, thanks to features like:

- New Front AC for faster cooling even in extreme heat conditions.
- Upgraded Roof Mounted AC with 6 air vents for uniform cooling.
- New speed adjuster switch for Roof Mounted AC that enables passengers to adjust the cooling.
- Improved air suction vents in Roof Mounted AC for lower noise levels.
