Indigo
MANZA

THE INDIGO MANZA IS THE KIND OF CAR THAT DEMANDS A SECOND LOOK - AND FOR GOOD REASON. ITS SOLID FRAME MELTS INTO SLEEK LINES PUNCTUATED BY CHROME, AND HOUSES AN INTERNATIONALLY ACCLAIMED ENGINE.

PEDIGREE

The Indigo Manza proudly bears its lineage with a signature Tata grille, triple barrel headlamps and chrome inserts. The Indigo Manza's contemporary stance is as easy on the eyes as it is dominant on the roads. 15" dual tone alloy wheels combine form and function by adding to its poise and ground clearance.

COMFORT & CONVENIENCE

The Indigo Manza spoils you for comfort with ergonomically designed seats, adjustable one-touch climate control and in-cabin noise cancellation features. Thoughtful features like larger boot space, height adjustable driver seats, tilt-adjustable steering, Bluetooth hands free phone connectivity and a 2-DIN music system really make every journey a treat. But don't take our word for it - take the Indigo Manza out for a drive.

UNDER THE HOOD

Two state-of-the-art 90 PS internationally acclaimed engines. Enough said.
Petrol: 1368 cc. 4 cylinders. 16 valve Multi-Point fuel injection. CVCP petrol engine from the F.I.R.E series
Diesel: 1248 cc. 4 cylinders. 16 Valve Common-Rail Diesel that has won the 'International Engine of the Year' award.

ON THE SAFE SIDE

The inside of a Indigo Manza is one of the safest places to be on the road. Dual airbags - driver and passengers work in tandem to prevent injuries, in case of an accident. In fact, each Indigo Manza comes with ABS and EBD as standard features.
