The Audi TT Coupé

A modern icon.

From the moment the first Audi TT launched, it quickly became one of the most popular sports cars in its class. Nearly a decade later, we reached another milestone with the launch of the second-generation TT. Featuring Audi Space Frame technology, it offered an improved drive that garnered award after award. Now we've reached the next chapter: the third-generation TT. More advanced technology combined with a striking evolution of an iconic design.

The Audi TT Roadster

Open it up.

The silhouette is just as distinctive. The styling is as eye-catching as ever. But one key feature makes all the difference in the Audi TT Roadster: a finely crafted soft-top roof that opens and closes in just 10 seconds. It means that the thrill of open-top driving is just the touch of a button away.

The Exterior

Redesigned. Re-engineered. Reborn.

This is the latest iteration of the Audi TT. The curves, contours and proportions are familiar from the previous generations, but the design is sharper, the stance wider, the looks more imposing than ever. At the front, the broad, single-frame grille is flanked by dramatic, angular headlights. And at the rear, a central brake light sits beneath a concealed retractable spoiler. The overall effect is of an icon, reborn.

Performance

Beautifully engineered. Finely tuned.

Beneath the unmistakable bodywork of the Audi TT lies something just as remarkable: the engine. There's a choice of petrol and diesel engines, as well as optional quattro all-wheel drive for enhanced grip in all conditions. We've also incorporated Audi Drive Select, which allows you to change the car's handling and response at the touch of a button to suit the way you want to drive.

The Interior

Inner beauty.

Step inside the latest incarnation of the TT and you'll find a stunning, redesigned interior. There are luxurious features throughout, from the flat-bottomed steering wheel to the front Sport seats with integrated headrests in leather/Alcantara – which you can upgrade to Super Sport seats in Fine Nappa leather for even more comfort.

The perfect atmosphere.

Inside are unique touches, like air conditioning controls and optional digital displays housed within the iconic round air vents. The powerful, optional Bang & Olufsen Sound System supplies impressive audio. And thanks to a simplified design, where key information appears on the Audi Virtual Cockpit, the cabin is a sleek and uncluttered place to be.

Technology

All-round innovation.

The focal point of the cabin is the innovative, all-digital Audi Virtual Cockpit. With its 12.3" LCD display, it replaces the traditional dials of a dashboard and puts all the information you need in one place. Other technologies are only the touch of a button away, too. For example, options like MMI Navigation with touch control and driver assistants like Audi Side Assist that increase safety by helping to monitor your blind spot.

TTS

A beauty and a beast.

The TTS is distinguished by distinctive bumpers and rear diffuser, chrome-plated quad exhaust tailpipes and the iconic 'S' badge. The interior makes a powerful impression with front Super Sport seats and TTS-specific Audi Virtual Cockpit display. But the looks aren't all that's been enhanced; power has also increased to an exhilarating 310PS.

TTS

Setting the pace.

The 'S' model takes the TT's performance to the next level. The TTS Coupé is capable of accelerating from 0-62mph in 4.6 seconds.* The TTS Roadster achieves the same in just 4.9 seconds,* with both cars capable of going on a top speed of 155mph.†

*Figures relate to S tronic models.
†Where the law permits.

Vorsprung durch Technik

Not just a slogan. A philosophy.

Progress. It's behind everything we do at Audi. It's why, in the Audi TT, we've incorporated new technologies to help you on the road and engines to deliver impressive performance and fuel economy.

The Audi TT is the embodiment of our forward-thinking approach.

Driving confidence, whatever the weather.

Loose gravel. Icy patches. A tight bend in the rain. Conditions on the road are always changing, so quattro changes too. Optionally available, it analyses your grip – automatically distributing power between all four wheels to where it's needed most. It's made for the most challenging conditions of all – the ones you encounter every day. Whatever the road holds, you can be confident that quattro will react.

Illuminating features.

The Audi TT's optional Matrix LED headlights produce a light similar in colour to daylight. They also incorporate sensors and an inbuilt camera that detects other road users, as well as ambient light in built-up areas. They then react by dipping individual LEDs to reduce the risk of dazzling other road users, while still fully illuminating the remainder of the road.

Where available, Matrix LED technology will even use the vehicle's navigation data to anticipate corners, adjusting LEDs as you negotiate the bend. The result is a much wider visual range, benefitting both you and other road users. Dynamic sweeping indicators complete the striking look at the front and rear.

Matrix LED lights

Audi Connect

Infotainment Services

The world at your fingertips.

Audi Connect Infotainment Services is the link between your Audi and the internet, giving you access to entertainment, information and search functions via scrolling, tapping or verbal commands.

With high-speed 4G internet access in your car,* you can call up flight information, fuel prices and weather, as well as high-resolution aerial and satellite pictures from Google Earth™.

Audi Connect Infotainment Services is available as a 36-month subscription when ordered as part of the optional Technology Pack.

Image for illustrative purposes only.
*Please note that an external data source is required to enable Audi Connect Infotainment Services.
Terms and conditions apply. Please see pages 71 and 72 for additional information.

Connect

Infotainment Services

Stay connected on the move.

The following Audi-supported services are currently available:*

Infotainment.

Weather information

Gives you the latest weather for today, as well as weekly forecasts and a weather map for your chosen destination.

Online news (individual)[†]

Text and images from a variety of news sources with text-to-speech function so you are kept up to date with what's happening in the news.

Through your myAudi account, you can personalise the news feeds that you want to see, displayed under Online news by entering the URL of your chosen RSS feed.

Communication.

Twitter[†]

Enables you to tweet and receive updates on the move, with text-to-speech and other convenient text functions.

Mobility and navigation.

Navigation with Google Earth™

Displays high-resolution aerial and satellite images to help guide you to your destination.

Points-of-interest (POI) search with voice control

Allows internet searches via Google for special destinations so that you can access POI information such as opening hours, visitor reviews and photos. Integrated voice recognition, which can be conveniently operated by pushing the button on the multi-function steering wheel, offers even more convenience. You can also access POI information straight from your smartphone with the Audi MMI app.

Destination entry via Google Maps™ and myAudi[†]

Using your smartphone or tablet and myAudi, you can conveniently plan your journey using Google Maps™, or from your myAudi account, and send the destination details to your car's navigation system.

Travel information

With Travel information you can find out what's happening nearby and at your destination. The online search engine provides detailed information such as sights, restaurants, shops, etc. which can be loaded directly into your navigation destination. You can also access travel information from your smartphone with the Audi MMI app.

Parking information

Helps you find car parks nearby and, where available, information on prices and currently vacant spaces.

City events

The City events function provides information about current events and places of interest at your location or travel destination.

Flight information

Get live information about departure and arrival times and search directly for flight numbers.

Train information

Find departure and arrival times and platform information while you're on the road (also available for other types of public transport such as underground systems).

Fuel prices

Information on filling stations with the cheapest prices in your selected search area. You can sort by price or by distance for your convenience, and can load destinations directly into your navigation system.

Traffic information online

Receive the latest information about your route, such as traffic congestion and roadwork updates. The traffic information data is continuously updated and displayed in colour on the navigation map, and the dynamic route guidance will keep you updated.

The content and scope of the Connect Services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services. Terms and conditions apply. Please see pages 71 and 72 for additional information.

*Please note that an external data source is required to enable Audi Connect Infotainment Services.

[†]In order to enjoy these services, customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi.

Customisable control.

The information you need is always changing, so the Audi Virtual Cockpit changes too. Standard on all TT models, it replaces the traditional dashboard with a high-resolution, 12.3" LCD display, which you can customise just by pressing the 'view' button on the multi-function steering wheel.

Choose the 'classic' view, with prominent speedometer and rev counter, or the 'infotainment' view, which brings functions such as the navigation map (if fitted) or media to the fore – with crisp 3D graphics and highly detailed effects.

Everything you need to know right in front of you: it's the embodiment of Vorsprung durch Technik.

Virtual Cockpit

Build your Audi

**Express your individuality
with a choice of standard
and optional features.**

The following sections of this guide are designed to make it easy for you to understand the specification of your Audi TT and select the options you want. So with just a few choices, you can begin to create the Audi you've always imagined. However, if you want more details, please download the relevant pricelist from www.audi.co.uk/pricelist

TT Sport

Available on Coupé and Roadster.

The Sport specification offers a high level of equipment as standard. Highlights include 18" alloy wheels, Xenon headlights with LED daytime-running lights, Audi Virtual Cockpit, a flat-bottomed steering wheel and rear parking sensors.

Equipment highlights include:*

- ▶ 18" x 8.5J '10-spoke' design alloy wheels
- ▶ Audi Drive Select
- ▶ Progressive steering
- ▶ Audi Virtual Cockpit
- ▶ Audi Music Interface
- ▶ Fully automatic acoustic hood (Roadster only)
- ▶ Xenon headlights with LED daytime-running lights
- ▶ Retractable rear spoiler
- ▶ Front Sport seats with integrated head restraints in leather/Alcantara
- ▶ Inlays in aluminium design
- ▶ Auto-dimming rear-view mirror
- ▶ 3-spoke flat-bottomed leather multi-function Sport steering wheel
- ▶ Cruise control
- ▶ Rear parking sensors
- ▶ Light and rain sensors
- ▶ Keyless go

Main images. TT Sport in optional Glacier white, metallic paint. 1. 18" x 8.5J '10-spoke' design alloy wheels. 2. Xenon headlight with LED daytime-running lights. 3. 3-spoke flat-bottomed leather multi-function Sport steering wheel.* 4. Audi Virtual Cockpit.

TT S line

Available on Coupé and Roadster.

Specification in addition or replacement to Sport.

The S line specification includes an upgrade to larger 19" alloy wheels and S line exterior styling. The High-gloss black radiator grille and LED headlights with LED rear lights and dynamic rear indicators give a striking look, while Matt brushed aluminium inlays bring even more style to the interior.

Equipment highlights include:*

- ▶ 19" x 9.0J '5-arm Star' design alloy wheels
- ▶ Option of S line suspension is available at no additional charge
- ▶ LED headlights with LED rear lights and dynamic rear indicators
- ▶ Radiator grille in High-gloss black
- ▶ S line badging
- ▶ S line body styling
- ▶ Black leather/Alcantara upholstery with 'S' embossing
- ▶ Electric 4-way lumbar support
- ▶ Inlays in Matt brushed aluminium

Main images. TT S line in optional Daytona grey, pearl-effect paint. 1. 19" x 9.0J '5-arm Star' design alloy wheels. 2. LED headlights. 3. LED tail lights including LED dynamic rear indicators.

TT Black Edition

Available on Coupé and Roadster.

Specification in addition or replacement to S line.

The Black Edition trim adds styling upgrades both inside and out for an enhanced, sporty look. 19" black gloss alloy wheels, Black Styling Pack and privacy glass (Coupé only) make an immediate impression, and immersive audio comes from the powerful Bang & Olufsen Sound System.

Equipment highlights include:*

- ▶ 19" x 9.0J '5-spoke-Blade' design Audi Sport alloy wheels in black gloss
- ▶ Black Styling Pack – adds black highlights to the exterior, including the radiator grille and front and rear bumpers
- ▶ Privacy glass (Coupé only)
- ▶ Wind deflector (Roadster only)
- ▶ Black door mirrors
- ▶ Bang & Olufsen Sound System

Main images. TT Black Edition in optional Scuba blue, metallic paint. 1. 19" x 9.0J '5-spoke-Blade' design Audi Sport alloy wheels in black gloss. 2. Privacy glass (Coupé only). 3. Bang & Olufsen Sound System.

TTS quattro

Available on Coupé and Roadster.

Specification in addition or replacement to Sport.

From the way it looks to the way it performs, this is everything you'd expect of an Audi 'S' model. Features include unique 'S' styling, 19" alloy wheels, Audi Magnetic Ride and LED headlights with LED rear lights and dynamic rear indicators. The interior benefits from heated front Super Sport seats in a luxurious Fine Nappa leather, along with coloured interior elements in Quartz Anthracite.

Equipment highlights include:*

- ▶ 19" x 9.0J '5-parallel-spoke Star' design alloy wheels
- ▶ Audi Magnetic Ride with vehicle lowering
- ▶ Audi Sound System
- ▶ Audi Virtual Cockpit with TTS-specific screen
- ▶ LED headlights with LED rear lights and dynamic rear indicators
- ▶ 'S' design body styling
- ▶ Brake calipers painted in black with TTS logo
- ▶ Coloured interior elements in Quartz Anthracite
- ▶ Inlays in Matt brushed aluminium
- ▶ Flat-bottomed 3-spoke contour leather multi-function steering wheel
- ▶ Super Sport seats with 'S' embossing
- ▶ Fine Nappa leather upholstery
- ▶ Heated front seats
- ▶ Leather Package – armrests in the doors, door pull handles, trim on the centre console and instrument panel cover in black leather
- ▶ Audi Active Lane Assist

Main images. TTS quattro in Tango red, metallic paint and optional 20" x 9.0J '10-Y-spoke' design alloy wheel (on Coupé image). 1. 19" x 9.0J '5-parallel-spoke Star' design alloy wheels. 2. TTS rear bumper incorporating a diffuser insert in Platinum grey with a surround in aluminium look. 3. Brake calipers painted in black with TTS logo.

TTS quattro Black Edition

Available on Coupé and Roadster.

Specification in addition or replacement to TTS quattro.

With enhanced style, not only does this Black Edition offer all the power of the standard TTS quattro, it also features the distinctive Black Styling Pack, privacy glass (Coupé only) and Bang & Olufsen Sound System.

Equipment highlights include:*

- ▶ 19" x 9.0J '5-spoke-Blade' design Audi Sport alloy wheels in black gloss
- ▶ Black Styling Pack – adds black highlights to the exterior, including the radiator grille and front and rear bumpers
- ▶ Privacy glass (Coupé only)
- ▶ Wind deflector (Roadster only)
- ▶ Black door mirrors
- ▶ Bang & Olufsen Sound System

Main images. TTS quattro Black Edition in optional Nano grey, metallic paint and optional brake painted in red with TTS logo. 1. 19" x 9.0J '5-spoke-Blade' design Audi Sport alloy wheels in black gloss.* 2. Privacy glass (Coupé only). 3. Bang & Olufsen Sound System.

Your colour

Express your individuality with a choice of standard and optional paints.

Choose from a selection of 2 standard or 7 optional paint colours. S line, Black Edition and TTS models have the additional colour choice of Daytona grey whilst the TTS offers 2 more colours: Vegas yellow and Ara blue. For more specialist options, see the Audi exclusive section on page 54. Please contact your local Audi Centre for details.

Your design

**Style your Audi TT with
a choice of alloy wheels.**

Whatever your taste, there's a set of alloy wheels that will enhance the look of your Audi TT. This is just a selection – discover more online using the Audi configurator or by exploring the full pricelist.

Wheels shown may not be available on all models and/or trims. Please note that the size of your chosen TT wheel may affect the fuel consumption figures and the CO₂ emissions. This may result in a change in subsequent Vehicle Excise Duty payable. For details, please download the pricelist from www.audi.co.uk/pricelist. Options are subject to availability and may extend time taken for delivery.

Your upholstery

Find the style and colour of upholstery that fits you perfectly.

There's a range of distinctive upholstery choices and seat options, including front Super Sport seats with pronounced side bolsters for improved support. You can choose materials from standard leather/Alcantara to optional luxurious Fine Nappa leather in a number of different colour options. Visit the Audi configurator or browse the pricelist to tailor your Audi TT's seating to suit you perfectly.

Main image shows Super Sport seats with 'S' embossing in Black Fine Nappa leather with Rock grey stitching and optional interior elements in Fine Lacquer silver. Upholsteries shown below may not be available on all models and/or trims. For details, please download the pricelist from www.audi.co.uk/pricelist. Options are subject to availability and may extend time taken for delivery.

Your options

Optional equipment highlights.

Personalise your Audi TT with a range of optional equipment choices. Some options have been packaged together for added convenience whilst others are available individually. From a Technology Pack featuring Audi Connect Infotainment Services to options for interior comfort like deluxe automatic air conditioning with integrated digital displays, you can arrive at your ideal combination of Audi technology. To see our full list of options, download the pricelist from www.audi.co.uk/pricelist

BANG & OLUFSEN

Options shown may not be available on all models and/or trims, or may only be available as part of a Pack. For details, please download the pricelist from www.audi.co.uk/pricelist. Options are subject to availability and may extend time taken for delivery.

Wind deflector (Roadster only)

Audi Parking System Plus with Park assist

MMI Navigation Plus

Deluxe automatic air conditioning with integrated digital displays

Your configurator

The easy way to build your Audi.

Our online configurator makes it simple to create your ideal Audi, using the options featured in this brochure or in the Audi TT Pricelist.

Visit www.audi.co.uk/configurator to create your perfect Audi TT

Audi Genuine Accessories

Personalise your Audi today.

Make your Audi TT your own by adding some genuine accessories. They're all created by Audi and specially crafted for our models, so they'll deliver the high standards you expect. What you see here is just a selection. See the full collection at www.audi.co.uk/accessories or speak to your Audi Centre for pricing.

Protection Pack

Protects your interior from mud, spills and daily wear and tear.

Business Pack

Provides convenient storage for everything from laptops to suit jackets.

Roof bars

Secures your bike, skis or roof box on any journey.

Roof box

Gives you extra carrying capacity when you need it.

Touring Pack

Includes a cool box, rear seat storage and more.

Comfort Pack

Helps you get organised – featuring a handy boot tidy and coat hanger.

Your finance

Get your finance quote in seconds.

Simply go to www.audi.co.uk and enter a few details to see the monthly payments you could be making on a new Audi TT. Below we've outlined some of the different options available – you just need to choose your annual mileage and length of term, then pay an initial deposit that could be as little as one monthly payment.*

Solutions Personal Contract Plan

A flexible finance plan designed to give you a number of options, making it ideal if you want to change your car more regularly. At the end of the agreement, you have three choices:

1. Exchange the car for a new Audi.
2. Pay the option to purchase fee and optional final payment, then take full ownership of the car.
3. Simply return the car to Audi (fees may be payable).

Hire Purchase

If you know you'd like to keep your Audi, Hire Purchase could be right for you. And as you're making your payments with a view to owning the car, there's no restriction on how far you can drive each year.

Contract Hire

If you don't want to own your Audi, Contract Hire could be a great option. You can add a service, maintenance and tyres plan and, for VAT-registered businesses, an element of the VAT on rentals may be recoverable. You simply need to commit to a regular monthly payment and hand your car back at the end of your agreement (subject to our return standards).

Online Finance Calculator

Use our online Finance Calculator to get a personalised quote that suits you. Simply visit the Finance and Offers section on www.audi.co.uk and you can choose between our Solutions Personal Contract Plan and Contract Hire calculators to see what you can expect to pay for your new Audi.

Audi Insurance

To ensure you can start enjoying your new car from day one, the first five days' insurance[†] is included as standard with all new Audi models. To activate it, simply call 0330 303 6900, give us a few details and you can drive it away as soon as you take delivery.

Telephone lines are open Monday to Friday 8am–8pm, and Saturday 9am–4pm. For details of our full range of insurance products, visit www.insurewithaudi.co.uk

*An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Audi Financial Services. †Subject to eligibility criteria. Audi Motor Insurance is sold and administered by Ageas Retail Limited. Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 311988. Audi Motor Insurance from Audi Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965. Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

Important information

Welcome to Audi.

By placing an order for your Audi, you're choosing to drive a car created in the spirit of Vorsprung durch Technik. And because we believe the service we offer should reflect the quality of our cars, we want to let you know exactly what you can expect from us, now and in the future.

Audi customer care

Every new Audi includes these reassuring features as standard:

- ▶ 3-year Audi warranty (unlimited mileage in the first 2 years, with a full mechanical and electrical warranty up to 60,000 miles in the third year)
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3-year UK roadside assistance and recovery
- ▶ 3-year accessories warranty on any accessories purchased with your car (2-year warranty if purchased separately from your new Audi)*

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information. Warranty terms and conditions apply. Please see www.audi.co.uk/warrantyterms for further details.

Information in this guide

We've done all we can to make the specifications and technical details and all other information you see in this brochure accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

You'll find full pricing information in the pricelist, which can be downloaded from www.audi.co.uk/pricelist

The images featured in this brochure are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

CO2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First-year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Vehicles registered on or after 1 April 2017

Petrol and diesel engines	First year	Standard rate* (second year onwards)
A - 0g/km	£0	£0
B - 1 to 50g/km	£10	£140
C - 51 to 75g/km	£25	£140
D - 76 to 90g/km	£100	£140
E - 91 to 100g/km	£120	£140
F - 101 to 110g/km	£140	£140
G - 111 to 130g/km	£160	£140
H - 131 to 150g/km	£200	£140
I - 151 to 170g/km	£500	£140
J - 171 to 190g/km	£800	£140
K - 191 to 225g/km	£1,200	£140
L - 226 to 255g/km	£1,700	£140
M - over 255g/km	£2,000	£140

Vehicle Excise Duty (VED) rates correct at time of publication, but these may alter to reflect any change in the applicable VED rate. *Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £310 plus the standard annual rate for a 5-year period. After the 5-year period only the standard rate will apply.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details. Should you have any difficulty obtaining the information you require, please call 0870 241 5663.

Audi Connect Terms and Conditions

The Audi Connect Online Services ("Connect Services") are provided by Audi AG, and are included as standard in certain models within the Audi range of vehicles and are also available within some optional packs, such as the Audi Technology Pack. Audi AG is a company within our corporate group.

The Connect Services include:

- ▶ Audi Connect Infotainment Services ("Infotainment Services").

Some services require additional activation steps. In order to enjoy these services, customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi (please visit <https://login.audi.com>).

Some services also require the download of the Audi MMI app on a compatible phone or tablet (always check latest phone and software compatibility).

Whilst correct at the time of publication, the content and scope of the Connect Services offered may vary from time to time. Features vary by model. Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services.

Enhancements in vehicle technology, information technology and web-based services sometimes require the Connect Services to be adapted and enhanced in line with new forms of technology or changes in user behaviour. In this context, Audi AG reserves the right at any time to enhance, reduce or change the functional scope of the Connect Services in a manner that it considers is reasonable for the customer.

For full details of the specific Connect Services on your vehicle, together with complete and up-to-date terms and conditions for those Connect Services, please visit www.audi.co.uk/connectterms

Audi Connect Infotainment Services

An external data source is required to enable the Audi Connect Online Infotainment Services ("Infotainment Services").

One of two can be used:

- ▶ A separate SIM card with data option (which can be inserted into the vehicle SIM card reader). If 4G usage is required the SIM card will also need a 4G option. When a separate SIM card is used, hands-free phone calls are possible by connecting a different mobile telephone via Bluetooth hands-free profile. For mobile phone and software compatibility, please visit www.audi.co.uk/phonecompatibility or your local Audi Centre; or
- ▶ On capable mobile phones, the phone's data connection can be shared with the vehicle via personal hotspot/tethering, although using this method may result in high consumption of your mobile phone battery.

Important information

Infotainment Services will only be available within the coverage area of your mobile phone network and there may be additional costs to you for the use of Connect Services (charges and billing correspond to your personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended.

The Infotainment Services enable access to certain search, social media and other online services provided by third parties. Features vary by model. Permanent availability cannot be guaranteed as this is the responsibility of the relevant third party provider.

You may not use the Connect Services for any purpose other than the provision or receipt of services in accordance with these terms.

The subscription is activated from the point of vehicle registration. Should you wish to continue to use the Connect Services after your subscription expires, please consult your local Audi Centre for details (including the latest subscription fees). Charges will apply upon renewal.

MMI Navigation Plus – online map updates and myAudi Special Destinations

The map version delivered with vehicles with MMI Navigation Plus can be updated free of charge for the first five updates after vehicle delivery (which are generally issued at intervals of 6 months). The current navigation data can be downloaded from the myAudi platform at www.audi.com/myaudi and embedded in the vehicle via SD card. In conjunction with Audi Connect Infotainment Services, the update can be carried out online in the vehicle (subject to mobile reception and an active data connection). For further navigation updates, it is possible to purchase new navigation data maps from your local Audi Centre at extra cost – please contact them for details.

With myAudi Special Destinations, you can download your favourite POI lists available on the internet (such as favourite restaurants) and have these displayed on your navigation map. In order to enjoy this service, customers must register, accept the terms and conditions and follow the instructions given on myAudi. Please visit <https://login.audi.com/login>

CO₂ and fuel consumption figures

Official fuel consumption figures for the Audi TT Coupé in mpg (l/100km) from: Urban 33.2 (8.5) – 51.4 (5.5), Extra Urban 50.4 (5.6) – 67.3 (4.2), Combined 42.8 (6.6) – 60.1 (4.7). CO₂ emissions 153 – 124g/km.*

Official fuel consumption figures for the Audi TT Roadster in mpg (l/100km) from: Urban 32.5 (8.7) – 50.4 (5.6), Extra Urban 48.7 (5.8) – 65.7 (4.3), Combined 40.9 (6.9) – 58.9 (4.8). CO₂ emissions 158 – 129g/km.*

Official fuel consumption figures for the Audi TTS Coupé in mpg (l/100km) from: Urban 30.1 (9.4) – 33.6 (8.4), Extra Urban 46.3 (6.1) – 47.1 (6.0), Combined 38.7 (7.3) – 40.9 (6.9). CO₂ emissions 168 – 159g/km.*

Official fuel consumption figures for the Audi TTS Roadster in mpg (l/100km) from: Urban 29.7 (9.5) – 32.8 (8.6), Extra Urban 44.8 (6.3) – 45.6 (6.2), Combined 37.7 (7.5) – 39.8 (7.1). CO₂ emissions 173 – 163g/km.*

Fuel consumption figures are correct at time of publication. For full technical data by engine, please download the pricelist from www.audi.co.uk/pricelist

*Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Optional wheels may also affect emissions and fuel consumption figures. More information is available at www.dft.gov.uk/vca
