X-TYPE

As you *reach* the driver's door, you at once *anticipate* and relish the moment. *You've looked for a long time.* Now you're here. THIS JAGUAR X-TYPE is yours.

Your excitement is *fueled by the unmistakable* styling and craftsmanship that sets these motorcars apart, CREATING A PRESENCE and STATURE ON THE ROAD, moving your spirit. But there's more. This car is an expression of you, *a personalized environment like no other*, A REFLECTION OF YOUR DESIRE to discover. And, as you slip into the supple leather and experience the X-TYPE's *astonishingly* rewarding interior, you take control.

PERFORMANCE

ALL-WHEEL DRIVE. ALL-ROUND RELIABILITY.

The X-TYPE is powered by a compact, technologically proficient 3.0-liter v6 engine—it delivers true JAGUAR performance, glued to the road by Traction 4™ all-wheel drive. A smooth 5-speed automatic gearbox offers low-rev torque, relaxed cruising, and surging power for overtaking, while variable-ratio power steering offers greater maneuverability when parking. And 4-wheel anti-lock disc brakes, ventilated in the front and assisted by ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD) and DYNAMIC STABILITY CONTROL (DSC), help the car perform effortlessly and safely in various road and weather conditions.

What else would you expect from a car manufactured in JAGUAR'S state-of-the-art Halewood plant? Where robotic quality control processes and laser-measuring systems combine seamlessly with renowned JAGUAR craftsmen who fit many different components by hand, ensuring the highest possible standards.

**3.0-LITER V6 ENGINE
TRACTION 4™ ALL-WHEEL DRIVE**

INTERIOR

THE X-TYPE IS DESIRABLE IN ITS PUREST FORM.

But since every driver is different, you may want to tailor it to your own personal taste. Consider 10-WAY POWER - ADJUSTABLE and heated driver and front passenger seating, carefully finished and stitched, with lumbar support and driver's seat setting memory. Or Burl Walnut interior trim. Or self-dimming rearview mirror. Or electronics comprising BLUETOOTH® WIRELESS TECHNOLOGY, 320 - WATT, 10 - SPEAKER ALPINE® SOUND, SATELLITE RADIO, and the wonder of JAGUARVOICE, which allows you to control the X-TYPE's key functions without taking your hands off the wheel. Simply choose and create a driving experience that is distinctly yours.

SAFETY

**MOTORING ENJOYMENT AND CONFIDENCE
ARE CENTRAL TO THE JAGUAR EXPERIENCE.**

The X-TYPE is rigorously tested for occupant PROTECTION. Driver and front PASSENGER AIRBAGS adapt to impact force and deploy according to crash severity and safety belt use. SIDE CURTAIN AIRBAGS drop from above the four doors to enhance protection for the head, and side airbags deploy from the FRONT SEAT BOLSTERS for chest protection. There's even a KNEE AIRBAG, designed specifically to help protect the driver's legs. ANTI-INTRUSION BARS in the doors and designed crumple zones absorb and help deflect impact force away from the car's passenger safety cell. And an inertia switch both cuts fuel supply and unlocks doors on impact. *Feel secure.*

X-TYPE SPORTWAGON

THE VERSATILE SPORTWAGON IS AN IDEAL CHOICE.

For those looking for maximum flexibility, the versatile sportwagon is an ideal choice. With 50 cubic feet of storage space - fully carpeted, illuminated by two lights, and complete with hidden stowage area - it performs utility duties with panache.

A cargo restraint keeps packages in check (and out of sight), the 70/30 split rear seat offers a variety of configurations, and rear access is gained through both tailgate and window. *Exemplary interior comfort* is assured by a power moonroof with sunshade, leather seating surfaces, automatic climate control with pollen filter, tilt and telescopic steering column, rain-sensing wipers, premium sound, and, if you like, an optional 7" color touchscreen that regulates numerous onboard functions. You can even specify voice-activated controls.

» **STEERING WHEEL**

The X-TYPE features a multi-function steering wheel that puts cruise, audio, and telephone controls within ready reach.

» **TOUCHSCREEN**

The sophisticated, dash-mounted optional 7" color touchscreen controls audio, climate, and available DVD-based navigation and *Bluetooth*® wireless technology phone.

» LUXURIOUS INTERIOR

The X-TYPE introduces a new concept in luxury, artfully blending stunning appointments such as exotic African Sapele Pomelle wood with beautifully formed leather trim.

» LEATHER SEATING SURFACES

The X-TYPE seating is covered in a lush, comfortable leather, precisely tailored as Jaguar has done for decades. Distinctively piped is available in the Luxury Package.
