

JAGUAR XKR-S

THE PERFECT BALANCE

The XKR-S is defined by its two distinct characters. It possesses that rare capacity to be both a true driver's car and a luxury grand tourer. The XKR-S delivers stunning performance and pin-sharp handling characteristics combined with superb craftsmanship and luxury car prestige. It is quite simply the most powerful sports car Jaguar has ever produced.

THE XKR-S

COUPÉ & CONVERTIBLE

The choice is Coupé or Convertible. The same unmistakable, bold and assertive XKR-S stance. The same twin nacelles, broad vertical side vents and carbon fibre splitter reduce heat and lift. Extended side sills highlight a reduced ride height of 10mm and the 20" Vulcan lightweight forged alloy wheels with red aluminium brake calipers reduce unsprung weight. The difference is Coupé or Convertible.

5.0 LITRE
SUPERCHARGED

5.0 V8 SUPERCHARGED 405kW PETROL

POWER kW – 405 @ 6,000 - 6,500rpm 0-100km/h SECONDS – 4.4

TOP SPEED – 300km/h limited COMBINED l/100km – 12.3 CARBON DIOXIDE EMISSIONS g/km – 292

PERFORMANCE & HANDLING

The XKR-S pushes the boundaries of handling further than ever before to offer the ultimate in performance. At the car's heart lies the 5.0 Litre V8 Supercharged engine calibrated to achieve 405kW, 680Nm of torque and a top speed of 300km/h. A true sports car that can accelerate from 0-100km/h in 4.4 seconds. Using the pioneering lightweight technology of an aluminium platform, the XKR-S offers agility and structural rigidity, while carbon fibre technology on the exterior of the car benefits airflow and aerodynamic performance. Jaguar's engineers have also revised the suspension for increased stiffness and enhanced handling without compromising the ride quality.

1,153 KGS OF XKR-S TRAVELLING AT 300 KILOMETRES PER HOUR...

PERFORMANCE BRAKING SYSTEM

The XKR-S is fitted with the Jaguar High Performance Braking System having undergone rigorous testing at the Nürburgring to optimise the increased performance and brake cooling requirements with the body's aerodynamic modifications. The system is internally ventilated with 380mm front discs with twin-piston aluminium calipers and ventilated 376mm rear discs with integrated single-piston aluminium calipers. The result is such that the XKR-S can stop, when travelling at 100km/h, in a distance of 34.8m and 2.5 seconds. At its top speed of 300km/h the car is capable of achieving a stopping distance of 327m in 7.8 seconds. Importantly, the brake pad architecture has been adapted to increase the pad surface area and to provide a low work rate for reduced fade and increased pad life.

327 METRES AND 7.8 SECONDS LATER IT IS BROUGHT TO A FULL STOP

UNIQUELY XKR-S

The XKR-S is a sports car that never compromises on luxury. The unique interior is designed to the highest standards in materials, craftsmanship and detail. There are new XKR-S branded carbon and soft grain leather heated seats with exclusive XKR-S Reims Blue micro-piping and stitching. A sumptuous Poltrona Frau® Jet leather headlining* and Dark Linear Aluminium veneer are fitted as standard. Plus a Bowers & Wilkins 525W premium sound system featuring Dolby® Pro Logic® II Surround Sound.

*Coupé only. Convertible is fitted with Poltrona Frau® Jet leather on the A-posts, sun visors and header rail.

B R I G H T P A C K

The XKR-S Bright Pack adds even more personal style and individuality by offering 20" Vulcan polished alloy wheels plus a chrome finished upper mesh grille surround, exterior trim to window surrounds, side power vents and rear boot lid finisher.

UNIQUE XKR-S OPTIONS

XKR-S DECALS

To add even greater distinction and individuality and leave no doubt that this is the XKR-S, unique decals are available as a dealer fit accessory. These two-part decals sit one on top of the front wing and over the opposite rear haunch of the car.

HEATED SPORT STEERING WHEEL TRIMMED IN JET SUEDECLOTH

This steering wheel offers improved grip for the performance driver. Heated, with a non contrast stitch. Designer Choice recommendation is with Warm Charcoal interiors.

CARBON FIBRE ENGINE COVER

The optional carbon fibre engine cover with R-S logos is guaranteed to grab attention the moment the bonnet is lifted.

VULCAN GLOSS BLACK ALLOY WHEELS

20" lightweight forged alloy with gloss black finish.

XKR-S OWNERSHIP EXPERIENCE

SERVICE, ASSURANCE, AND PEACE OF MIND ARE ALL PART OF THE PRIDE OF OWNING YOUR NEW XKR-S.

THE JAGUAR ACCESSORY RANGE†

Enabling you to personalise your car, to create a driving experience that is even more individually rewarding. All Jaguar accessories are tested rigorously for safety and durability in the most arduous of climates and conditions. The full range of Jaguar accessories is available to view on-line, please visit jaguar.co.za for further information.

Any genuine Jaguar Accessories (excluding gift items and luggage from Jaguar Collection) supplied and fitted by a Jaguar dealer within one month or 1,500km (whichever occurs first) of a new vehicle being put into service will benefit from the same warranty terms and duration as the Vehicle Warranty. Accessories purchased outside of this period will be subject to 12 month unlimited mileage warranty.

BECAUSE ONLY THE BEST WILL DO

An official Jaguar dealer or Approved Service Centre can ensure that Jaguar trained, specialist technicians, with access to the full range of Jaguar approved parts and tools, will always be on hand to guarantee that every fitting, or repair, is carried out exactly the way Jaguar intended. Your Jaguar dealer or Approved Service Centre can also supply and fit Jaguar approved accessories to personalise and add to the practicality and style of your XKR-S.

SERVICE AND ASSURANCE*

Complete peace of mind including Competitively Priced Servicing, Seasonal Health Checks and Total Tyre Care to ensure that your Jaguar XKR-S retains its premium condition, delivering optimal performance.

WARRANTY*

3 year warranty together with a 3 year Paint Surface Warranty and a 6 year Corrosion (Perforation) Warranty.

JAGUAR MAGAZINE

Jaguar Magazine is the official magazine of Jaguar Cars. It features the new Jaguar XJ, XK and XF, and the worlds of luxury, style, design and travel. The fully interactive Jaguar Magazine iPad app takes the very best of the print edition of the Magazine and adds extra images, and exclusive information, allowing you to explore Jaguar's world in a whole new way.

JAGUAR.CO.ZA

Jaguar's official interactive website contains the latest information on Jaguar models and pricing. It also features helpful tools such as a dealer locator and a new model configurator allowing you to see the car tailored to your specification and colour.

JAGUAR FINANCIAL SERVICES*

Whether your requirements are business or personal please contact your local Jaguar dealer to discuss a range of finance and insurance products that can be tailored to meet your needs.

*Terms and conditions apply. Please contact your local Jaguar dealer for more information.

†All Jaguar Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out so that Accessories are both durable and importantly, continue to comply with current legalisation.
