

ALWAYS BEGIN ON A BRIGHT NOTE

Beauty and elegance surround us in life – and illuminating their presence can inspire us to make our way with optimism and confidence. The 2020 Lincoln Continental embodies this philosophy, greeting you with its stunning form and a warm embrace each time you approach. The available Lincoln Dynamic Signature Lighting flows beneath the adaptive HID headlamps, while luminous welcome mats quietly appear on the ground. Grasp the available backlit Light Touch Handle, and your door opens with ease. As you relax inside, the available autofold sideview mirrors return themselves to your personalized settings. Start every journey in a positive mindset within the sanctuary of Continental.

REVITALIZE WHILE YOU TRAVEL

Crafted to be luxuriously comforting and peacefully quiet, the spacious interior of Continental is filled with thoughtful amenities. Relax into the available 30-way front Perfect Position Seats with Active Motion® massage functionality that helps reduce muscle fatigue in your upper legs and lower back. Inspired by private aircrafts, these heated and ventilated seats feature a patented comfort-carrier design that flexes around you in a personalized embrace. The available Head-Up Display¹ is customizable and automatically adjusts the prominence of information as priorities change, plus it's easily seen in various light conditions. The available twin-panel moonroof invites all to bask in the sun. And as the available soft-close doors cinch closed, you can nestle in and prepare to enjoy every moment of your ride.

STAY INFORMED AND ENTERTAINED

SiriusXM® gives you ad-free music, plus sports, comedy, news and talk – inside your Continental and on the go – with a 6-month All Access trial subscription.² With the available Voice-Activated Touchscreen Navigation System, you'll also enjoy a 6-year subscription² to SiriusXM Traffic and Travel Link® services.

¹Don't drive while distracted. See owner's manual for details and system limitations. ²All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Fees and taxes apply. See SiriusXM Customer Agreement for complete terms at <http://www.siriusxm.com>. All fees, content and features are subject to change. Traffic information not available in all markets. SiriusXM satellite service for 2020 model-year Lincoln vehicles is not available in Puerto Rico; SiriusXM streaming service is available for purchase.

ENGAGE WITH EXCLUSIVE AUDIO

Lincoln is the only automaker to offer you the available Revel® and Revel Ultima Audio Systems. You won't just hear their expertly engineered level of precision and musical accuracy – you'll feel it. With personalized listening modes, it can seem like you're in the "Audience" or up "On Stage." The outstanding, multi-dimensional sound is courtesy of advanced cabin correction tuning, QuantumLogic® Surround sound technology, and Revel Waveguides. Revel Ultima features 19 speakers and patented Clari-Fi™ music restoration technology that enhances satellite radio, streaming services, MP3s and other digital sources – for clear, wide, dynamic sound.

PAMPER YOUR COMPANIONS

Continental makes it easy with the exceptional collection of features in the Rear-Seat Amenities Package. It gives those traveling in back the power to control their environment, in addition to enjoying the generous leg room. They can start by adjusting the heated and ventilated rear outboard seats with Active Motion® massage functionality, power-adjustable lumbar support and power recline. Next, they can select a temperature, then position the power sunshade on the rear window and the twin-panel moonroof as they'd like. Sunshades can also be extended over both rear-door windows. And all of this can be done while enjoying the increased airflow from extra rear registers. With this package, the person riding behind the front-passenger seat even has the ability to move it forward when it's not occupied – creating more room to relax.

STANDARD LINCOLN CO-PILOT360™

From help lighting up the night to staying on course, taking the guesswork out of what's behind your vehicle and more, every Continental driver can benefit from our Lincoln Co-Pilot360 suite of driver-assist technologies,¹ which includes:

- AUTO HIGH-BEAM HEADLAMPS
- BLIND SPOT DETECTION WITH CROSS-TRAFFIC ALERT
- LANE-KEEPING SYSTEM
- PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING
- REAR VIEW CAMERA

ADDITIONAL ASSISTANCE

Who hasn't been frustrated by a traffic backup? Or by trying to find a parking space – and maneuver into it – on a busy street? These features¹ are designed to help with those moments and more:

- ADAPTIVE CRUISE CONTROL WITH STOP-AND-GO
- FORWARD AND REVERSE SENSING SYSTEMS
- RAIN-SENSING WINDSHIELD WIPERS

Continental Reserve adds:

- 360-DEGREE CAMERA
- ENHANCED ACTIVE PARK ASSIST
- HEAD-UP DISPLAY

JOURNEY WITH CONFIDENCE

Our extensive collection of standard and available driver-assist technologies¹ utilizes a network of sensors and sophisticated cameras to offer you support during many scenarios. These advanced features are all aimed at helping you feel confident in the 2020 Lincoln Continental.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

MOVE WITH PURPOSE

Continental empowers you with an available Twin-Turbocharged 3.0-liter V6 engine that delivers a spirited 400 horsepower¹ and 400 lb.-ft. of torque.¹ Dynamic Torque Vectoring,² included with the 3.0-liter, works in tandem with available Intelligent all-wheel drive (AWD) to enhance performance by sending up to 100% of the available rear-axle torque to the outside rear wheel while cornering. The result is smooth and seamless – the driving experience of your dreams.

With the available Twin-Turbocharged 2.7-liter V6 engine, you'll enjoy 335 horsepower¹ and 380 lb.-ft. of torque.¹ This engine and the 3.0-liter both use twin-turbocharging and direct-injection technology to help generate virtually instantaneous on-demand power. The standard 3.7-liter Ti-VCT V6 engine uses twin independent variable camshaft timing to help optimize fuel combustion. Whichever V6 you choose, Continental is engineered to inspire exploration.

¹Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

GLIDE EFFORTLESSLY

Imagine yourself calmly in command – at peace with your surroundings. Lincoln Drive Control with Adaptive Suspension can take you there by helping to isolate your Continental from road imperfections. To personalize your ride, explore each of the 3 drive modes – Comfort, Normal and Sport. With any of them, Electric Power-Assisted Steering provides steering response and feedback that helps you feel confident behind the wheel.

ENJOY EVERY DRIVE

No matter which V6 engine you choose, Continental pairs it with an engaging SelectShift® automatic transmission that puts the control of a manual at your fingertips. Just tap the steering wheel-mounted paddle shifters to change gears when you want, or leave it to Continental. Available Intelligent all-wheel drive provides you with a dynamic driving experience – rain or shine.

ENHANCE ITS ELEGANCE

To accentuate the beautifully clean exterior design, select the new Monochromatic Appearance Package, available exclusively on Continental Reserve in Pristine White (shown above) or Infinite Black. It features a color-keyed painted finish on the upper grille mesh and side badges, as well as Infinite Black-painted fog lamp bezels and lower grille. Finished off with striking 20" Ebony-painted aluminum wheels, this package takes your Continental to the next level.

LINCOLN
SYNC® 3

COMMAND: WITH YOUR VOICE

SYNC 3 voice-activated technology¹ connects your tech with your Continental, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can also tap or swipe the stunning 8" touchscreen. To see your phone's familiar interface on the large screen, you can take advantage of compatibility with Apple CarPlay^{®2} for your iPhone[®] or Android Auto^{™2} for your Android[™] smartphone.

LINK: TO WHAT MATTERS MOST

Continental also lets you enjoy voice control of compatible mobile apps on your connected phone using SYNC 3 AppLink.^{®3} The system works with your Lincoln Way[™] App⁴ and many others. You can use it with the Waze^{™5} community-based traffic and navigation app on your iPhone. It also works with the Lincoln+Alexa app,⁶ so you can ask Alexa to play music, listen to audiobooks, check the weather, control smart home devices and more while inside your Continental.

CONNECT: WITH IN-VEHICLE WI-FI

Since Continental has the ability to seat up to 5 people, a vast array of smartphones, tablets, gaming systems and computers may come along for the ride. Lincoln Connect^{™7} with 4G LTE Wi-Fi hotspot capability provides a strong connection for up to 10 devices at once.⁸ So everyone can enjoy their favorites – from inside of Continental and up to 50' away.

LINCOLN BLACK LABEL
CONTINENTAL

COACH DOOR

Travel at the height of glamour in the limited-edition 2020 Lincoln Black Label Continental Coach Door.¹ Paying tribute to the iconic style of the 1960s with its expansive center-opening doors, this remarkable sedan invites you to enter in the style of presidents, royalty and superstars. Available in limited quantities, this encore edition of a timeless classic is offered in your choice of Thoroughbred or Chalet theme.

RHAPSODY

A symphony of sensations, the enchanting Rhapsody theme is inspired by the world of music, sound and style. Venetian leather seats feature suede-like Alcantara® inserts with the Linking-L perforation pattern. Alcantara also accents the carpeted floor mats and wraps the headliner – all in brilliant Rhapsody Blue – while Silver Mesh appliqué evoke the dazzling shimmer of twinkling high notes.

THOROUGHBRED

The regal Thoroughbred theme honors the distinguished lifestyle of elite horse racing. Richly toned Belmont leather is complemented by the dynamic grain of Chilean Maple wood trim, while the graceful forms of the Jet Black Venetian leather seats are accented by Diamond-L perforation pattern inserts. Alcantara gives the Jet Black headliner and carpeted floor mat accents a smooth finish reminiscent of a fine steed.

CHALET

This thrilling theme features an engaging combination of Alpine and Espresso colored leathers. The instrument panel, steering wheel, luxury console and doors are graced by sparkling Silverwood appliqué. Venetian leather seats with Lincoln Star perforation pattern inserts are combined with an Alcantara headliner and carpeted floor mat accents to evoke the comforting welcome of a mountainside Chalet.

See Lincoln.com for features and options.
