

PONTIAC GTO

GTO Hardtop Coupe

GTO Convertible

The "Judge"

Some of the equipment illustrated is optional at extra cost.

(The one on the reverse side is the GTO Hardtop Coupe)

New for '71

- New Endura front bumper with separate fiberglass headlight mounting panels • Long hood scoops that open at front of hood • Front side marker lights flash with turn signals • All engines designed for regular fuel • An evaporative emission control system prevents fuel vapor escaping into the atmosphere

Standard features on the GTO

- Front Endura bumper
- Simulated hood scoops
- Dual exhausts through valance panel
- Stabilizer bars 1 1/2" front, 7/8" rear
- High-rate springs and shock absorbers
- Power-flex engine fan
- Bright roof drip molding on hardtop coupe
- Rocker panel molding
- Power-operated top on convertible
- Full-glass side windows with Upper-level ventilation
- Concealed park windshield wipers with articulated left blade
- Circ-L-Aire heater and defroster with illuminated controls
- Bright metal moldings around windshield and rear window
- Carburetor air preheater
- Closed crankcase ventilation
- Delco Eye energizer battery
- Full-flow oil filter
- Radio-interference-suppression ignition
- Twist-lock light sockets
- Windshield-embedded antenna
- Self-regulating alternator
- Exhaust emission control system
- Bright hub caps
- Foot-operated parking brake
- Trunk compartment mat

Interior

- Knit vinyl bucket front seats or notch-back bench seat

- Door panels are vinyl-covered with short armrest with pull-type handle in end of armrest
- Carpeted lower door panels
- Foam-padded front seat cushions
- Engine-turned aluminum trimplate on instrument panel
- Cigarette lighter and ball-bearing-track ashtray
- Dome light with door switches
- Rotary glove compartment lock
- Labelled instrument panel control switches
- Color-keyed plastic coat hooks
- Courtesy lights in convertible
- Pedal trim plates
- Ashtray and glove compartment lamps
- Three-spoke Custom Cushion steering wheel
- Nylon-blend, loop-pile carpeting
- Perforated vinyl headlining

- Power seats
- Power trunk release
- Floor mats
- Wheel opening moldings
- Vinyl roof cover
- Rear window defroster
- Air conditioning
- Heavy-duty suspension
- Safe-T-Track rear axle
- Power front disc brakes
- Engine block heater
- Cruise Control
- Formula steering wheel
- Tilt steer-

- ing wheel
- Power steering
- Space-saver spare tire
- Wire wheel covers
- Rally II wheels
- Custom wheel covers
- Hood-mounted tachometer
- Rally gauge cluster and tachometer
- Electric clock
- AM/FM stereo radio

For availability and other options check with your Pontiac dealer.

Power mates

Engines

■ 400-4 V8 standard engine, designed for regular fuel, four-barrel carburetion, compression ratio 8.2 to 1. Transmissions—H.D. 3-speed, 4-speed, Turbo Hydra-Matic.

■ 455-4 V8 optional engine, designed for regular fuel, four-barrel carburetion, compression ratio 8.2 to 1. Transmission—Turbo Hydra-Matic.

■ 455 HO V8 high-performance optional engine, designed for regular fuel, four-barrel carburetion, compression ratio 8.4 to 1. Transmissions, H.D. 3-speed, 4-speed, Turbo Hydra-Matic.

For 1971, all Pontiac engines have been designed to operate efficiently on the new no-lead or low-lead gasolines. In addition to the lower exhaust emissions attainable with this engine/fuel combination, there are benefits in longer life for your spark plugs, exhaust system and other engine components. If these no-lead, low-lead gasolines are not available, any leaded regular grade gasoline with a research octane number of 91 or higher may be used.

Transmissions

■ Heavy-duty three-speed, fully-synchronized manual transmission with floor-mounted shift lever. Standard with 400-4 V8 and 455 HO V8 engines.

■ Four-speed, fully-synchronized manual transmission with floor-mounted shift lever. Optional with 400-4 V8 and 455 HO V8 engines.

■ Turbo Hydra-Matic transmission with column-mounted shift lever. Optional with all engines.

■ Floor console available with bucket seats for H.D. 3-speed, 4-speed and Turbo Hydra-Matic transmissions.

Reassurance features

Occupant Protection

- Seat belts with pushbutton buckles for all passenger positions
- Shoulder belts with pushbutton buckles—driver and right front passenger (except convertibles)
- Two front seat head restraints
- Energy-absorbing steering column
- Passenger-guard door locks with forward-mounted lock buttons
- Safety door latches and hinges
- Folding seat back latches
- Energy-absorbing padded instrument panel and front seat back tops
- Contoured windshield header
- Thick laminate windshield
- Padded sun visors
- Safety armrests
- Safety steering wheel
- Cargo-Guard
- Side-Guard Beam
- Fuel tank impact security
- Glove-box and console door latch impact security
- Padded or yielding windshield pillar moldings
- Smooth-contoured door and window regulator handles
- Soft, low-profile window control knobs, coat hooks, dome lamp
- Two front seat belt retractors
- Shoulder belt anchorages for rear seat outboard occupants
- Roto-Safe radiator cap
- High-strength front seat anchorages and construction
- High strength rear seat retention
- Stamped steel door hinges (at least one per door)

Accident Prevention

- Side marker lamps and reflectors (front side marker lamps flash with directional signal)
- Parking lamps that illuminate with headlamps
- Four-way hazard warning flasher
- Backup lamps
- Lane change feature in direction signal control
- Windshield defrosters, washers and dual speed wipers
- Wide-view inside day/night mirror (vinyl-edged, shatter-resistant glass and deflecting support)
- Outside rear view mirror
- Dual master cylinder brake system with warning lamp
- Starter safety switch
- Dual action safety hood latches
- Headlamp aiming access provision

- Low-glare instrument panel top, inside windshield moldings, wiper arms and blades, and steering wheel metallic surfaces
- Safety wheel rim
- Uniform shift quadrant
- No winged wheel nuts, discs and caps
- Self-adjusting brakes and corrosion-resistant brake lines

Anti-Theft

- Anti-theft ignition key warning buzzer
- Anti-theft steering column lock
- Multiple key combinations
- Visible vehicle identification
- Tamper-resistant odometer with telltale feature

Colors ^(15 Magic-Mirror acrylic lacquer finishes)

- Cameo White • Tropical Lime
- Nordic Silver • Laurentian Green
- Starlight Black • Quezal Gold
- Adriatic Blue • Sandalwood • Lucerne Blue • Canyon Copper • Limekist Green • Castilian Bronze • Cardinal Red • Rosewood • Aztec Gold.

Vinyl roof cover available in dark green, dark brown, sandalwood, black and white.

Convertible top available in dark green, sandalwood, black and white.
