

2006 **PONTIAC** SOLSTICE

PONTIAC SOLSTICE

All-new for 2006, Solstice is a blast to drive. Think wind in your hair. A finely balanced lightweight rear-drive chassis. A high-tech engine packing the performance of 177 thoroughbred horses. Eighteen-inch aluminum wheels and low-profile performance tires. Styling that's beyond gorgeous. All wrapped around an intimate race-inspired two-seat cockpit. Solstice. It's the essence of Pontiac – and the essence of driving. If it doesn't get your pulse racing, see your doctor.
