

1982

PONTIAC 6000

PONTIAC 6000 LE

Floor shift, centre console and coin holder accompany available bucket seats.

There's plenty of room for your luggage inside Pontiac 6000's generous trunk.

Dual fluidic windshield washers help provide efficient cleaning in bad weather.

PONTIAC 6000

Back courtesy light on available console illuminates Pontiac 6000's rear seating.

A Delco-GM-AM radio is one of many standards on Pontiac's 6000. (AM/FM shown).

Pontiac 6000's side window defoggers help keep your view of the countryside clear.

PONTIAC 6000 LE.

Introducing a bold new challenger to the world's great cars.

A new Pontiac that brilliantly merges North American riding comfort with a suspension that rivals the European road kings.

Here's a road car with everything you want: Front-wheel drive. MacPherson strut front suspension. First-class fit and finish. A generous, handsome interior that comfortably seats five adults. And deluxe acoustical insulation.

Pontiac's aerodynamic 6000 LE is no ordinary car.

Naturally, it comes with a Pontiac-tuned suspension that straightens out curves as well as it smooths out potholes.

And if you wish to load up Pontiac 6000 LE's generous trunk,

there's now available Electronic Ride Control that automatically adjusts the height and ride.

Up front, there is a standard 2.5 litre 4-cylinder engine that delivers impressive economy and engine response. A 2.8 litre gasoline V6 and a 4.3 litre diesel V6 are available to satisfy your specific driving requirements.

PONTIAC 6000.

For 1982, it offers all the handling and acoustical integrity of the LE, but at a lower price.

You get automatic transmission, power steering and brakes, Delco-GM-AM radio and notch-back bench front seating with centre armrest. Plus your pick of the full range of available amenities. All working to make Pontiac 6000 one of the world's great cars.

Cover - Pontiac 6000 LE Coupe

Top - Available power windows, door locks and LE's optional 45/45 seats.

Centre - Available reclining bucket seats for the Pontiac 6000.

Bottom - Instrument panel with available equipment.

Speedometers in Canada have major scale in km/h, secondary in MPH and odometer in kilometres.

AN IN-DEPTH LOOK AT THE EXCITING '82 PONTIAC 6000 LE

- | | | |
|--|--|--|
| <p>1 A 2.5 litre 4-cylinder engine is standard for impressive economy and engine response.</p> | <p>dampening and improved overall structure with less road noise.</p> | <p>moldings for the windowsills, body sides, wheel openings and roof.</p> |
| <p>2 MacPherson strut front suspension has specially isolated coil springs for a quiet, precise ride.</p> | <p>8 Handsome centre console with built-in storage box and handy coin holder.</p> | <p>14 Soft, black liners separate every exterior molding from paint contact to help reduce corrosion.</p> |
| <p>3 Rack and pinion power steering delivers quick response with a good road feel.</p> | <p>9 Extended range rear speakers are included with available Delco-GM stereos.</p> | <p>15 Plastisol stone throw protection along bottom side panels, plus extensive anti-corrosion protection in key areas.</p> |
| <p>4 Match mounted wheels and tires help provide Pontiac 6000's smooth ride.</p> | <p>10 Full coil suspension features special sound insulators for more effective road isolation.</p> | <p>16 15.9 cubic foot (453 litres) trunk holds an equivalent of 14 fully loaded shopping bags with room to spare.</p> |
| <p>5 Single stamped front "A" pillar helps reduce vibration.</p> | <p>11 Wraparound sheet metal, front and rear, reduces fit lines for a more elegant appearance.</p> | <p>17 Aerodynamic lip on rear deck improves aerodynamics and aids fuel economy.</p> |
| <p>6 Dual fluidic windshield washers provide generous cleaning of the windshield in bad weather.</p> | <p>12 Vista-Vent sunroof and vinyl tops are available.</p> | <p>18 Electronic Ride Control is available to maintain comfort and ride when the 15.9 cubic foot (453 litres) cargo area is loaded.</p> |

A word about assembly, components, and optional equipment in these vehicles.

The vehicles described in this brochure are assembled at various Divisions of General Motors Corporation. These vehicles incorporate thousands of different components produced by General Motors of Canada Limited and related companies and their suppliers. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emission and safety requirements or fuel economy guidelines, or for other reasons, to produce vehicles with different components or differently sourced components than initially scheduled. All such components have been approved for use in our products by General Motors of Canada Limited or related companies and will provide the quality performance associated with our name.

Please note that certain optional equipment can be ordered only in conjunction with other optional equipment.

Also, upgrading from specified standard equipment may be necessary when certain optional equipment is ordered. Ask your sales representatives for details.

With respect to extra cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest you verify that your car includes the optional equipment you ordered or, if there are changes, that they are acceptable to you.

All illustrations and specifications contained in this catalogue are based on the latest product information available at time of publication approval. The right is reserved to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models. Some of the equipment shown or described throughout this catalogue is available at extra cost. Check with your dealer for complete information.

At General Motors,
we're committed to leadership
in fuel efficiency.
