

GRAND AM

PONTIAC 1986

PONTIAC GRAND AM SE

The 1986 Grand Am Coupe and Sedan may be the best examples of Pontiac's philosophy of balanced performance: Exciting to drive, distinctive to look at and very rewarding to own.

Grand Am SE, with its standard monochromatic paint treatment (shown), is perhaps the ultimate visual statement of what Pontiac excitement is all about. New wraparound aero skirts, drag-reducing composite headlamps and neutral-density taillamps complement a rally suspension that delivers outstanding road feel and response. Grand Am SE for 1986. All in all, a very convincing argument for taking the long way home.

PONTIAC GRAND AM

Grand Am and Grand Am LE's power is derived from the highly regarded standard "Tech IV" 2.5 litre 4-cylinder engine with electronic fuel injection, swirl-port combustion chambers and roller valve lifters. There's also an available 3.0 litre V6 with multi-port fuel injection for even more power (requires available automatic transmission).

All Grand Ams feature front-wheel drive, power rack and pinion steering, power front disc brakes and a front stabilizer bar.

The attention to detail that goes into every Grand Am interior is immediately apparent when you sit in the car. All important controls, such as windshield wiper switches and lights, are placed within easy reach and require only a fingertip to operate. There's a choice of two different readout panels that quickly and precisely convey information to the driver. Available instrumentation includes an analog speedometer and a full set of gauges.

There's also an available Driver Information Centre that monitors even more of Grand Am's vital systems.

Grand Am's reclining front bucket seats are body-contoured with full side bolsters for excellent support. The standard integral floor console holds the transmission shifter, available power accessories, radio, environmental controls and parking brake.

There's also a newly available 4-way adjuster for the driver's seat, providing a wide range of comfort settings. And for easy rear seat entry, the right front seat slides forward and is standard on Grand Am (coupe only).

1986 GRAND AM FACTS & FIGURES

Select the combination of "extras" that make your Pontiac uniquely yours from the long list of standard and available features, some of which are given below. Ask your dealer about group packages and the many other features not indicated below. Your dealer will also advise you of the availability of the various items on the model of your choice.

A word about engines.

These Pontiacs are equipped with GM-built engines produced by various divisions and affiliates of General Motors Corporation and GM of Canada.

Order Code	Displacement	Carb. bbl.	Cyl.	†V.I.N.	Source	Transmission
L68	2.5 litre (151 CID)	EFI	4	U	(1)	5-speed manual O.D. Automatic
LN7	3.0 litre (181 CID)	MFI	V6	L	(2)	Automatic

Produced by GM (1) Pontiac Division (2) Buick Division

†The V.I.N. (Vehicle Identification Number) Engine Code is the eighth entry (letter or numeral) from the left on the vehicle serial number plate. The vehicle serial number plate is located on the top portion of the driver's side of the instrument panel and can be viewed from the exterior of the car by looking through the windshield.

PONTIAC BUILDS EXCITEMENT

COMMITMENT TO

General Motors recognizes that taking delivery of your new vehicle is a significant event. To ensure that your

delivery experience contributes to your overall satisfaction, we have implemented a "Commitment to Excellence" Delivery Procedure.

This procedure includes a thorough new vehicle inspection by both the service technician and salesperson, a full tank of fuel, and a follow-up survey to determine your satisfaction with the delivery experience.

General Motors "Commitment to Excellence" is yet another excellent reason to "Look at GM Today."

For Your Protection*

1. New Vehicle Limited Warranty – 12 months or 20,000 kilometres, whichever comes first.
2. Powertrain Coverage – 36 months or 60,000 kilometres, whichever comes first on gasoline engines (\$100 deductible).
3. Owner Assistance Program.
4. Special Policy Adjustment Program.

*Ask your dealer for details.

Protection Plan

While there are many service contracts available on the market today, *there is only one which gives you an agree-*

ment directly with General Motors. It is the one with the GM Protection Plan logo shown above. This logo on all Plan material assures you that the service contract you are buying is the GM Plan, we believe the finest such program available to GM owners.

The GM Protection Plan provides additional protection during and after the new vehicle limited warranties. Ask your General Motors dealer for details and information about the *genuine GM Protection Plan.*

5-year unlimited kilometres corrosion perforation warranty. On all 1986 GM passenger cars. Ask your dealer for details.

THE PONTIAC PHILOSOPHY

The Pontiac Philosophy is simple: Cars that truly reflect our commitment to innovative styling and engineering, along with the kind of outstanding performance and roadability that have become our trademark.

For 1986 you'll find advanced aerodynamics, specially tuned suspension systems, ergonomic interior environments and sophisticated engines. And as excited as we are about our cars now—we can't wait for the future.
