

1979 CHRYSLER CORDOBA

THE CONTEMPORARY CLASSIC.

Chrysler Cordoba. The personal car with the luxury touch.

No other car in the world is quite like the magnificent Cordoba. Because no other car better exemplifies that unique blend of Chrysler engineering excellence and undeniable good taste. A combination which has resulted in the creation of a contemporary classic.

The very first thing you'll notice about the 1979 Cordoba is it remains true to its original concept. The timeless elegance of its lines are now further

accentuated by a bold new vertical grille treatment. An optional Crown Roof design (illustrated on cover). New two-tone paint combinations. New styled aluminum road wheels and wheel covers. New "Special Appearance" Package shown below. Even a trunk dress-up option to help showcase your luggage.

Cordoba is obviously a car of substance and quality. You can see that for yourself in the jewel-like brilliance

of the many tasteful, as well as practical, touches that abound, inside and out. Like the classic opera lamps, the convenience of door lamps to light your entryway, a unique Cordoba hood ornament, and deluxe wheel covers. All standard.

In its interior luxuries, exterior styling and engineering refinements, Cordoba sets the style.

Cordoba with optional "Special Appearance" Package.

Some of the items shown on vehicles in this catalog are extra-cost options.

With Cordoba, you're always in fashion.

Good taste is never out of fashion. And never more true than with this year's classic Cordoba.

Take Cordoba's impressive interior. The rich-looking split-back bench seat shown below in cashmere (also available in gray, red, midnight blue or teal green) is standard. Optional super-soft vinyl upholstery is also available in the same colors plus white with color interior accents. And the instrument panel is filled with an array of gauges. Other standard interior features

include thick, long-pile carpeting and luxuriously padded door panels.

For more luxury, there are many options from which to choose . . . such as Corinthian leather-and-vinyl bucket seats shown in the car below. New improved air conditioning that is 26% more effective than last year's systems—a manual or a new semi-automatic control is available. The convenience of a rear

window defroster and intermittent windshield wipers.

But where Cordoba really makes a strong impression is on the open road. Standard power brakes and steering. TorqueFlite automatic transmission with lock-up torque converter with most engines. And a responsive 318 V-8.

Style, luxury, performance . . . what more could you ask from a classic automobile?

Cordoba with optional two-tone paint, landau and T-bar roof.

Now personalize your Cordoba even more.

Open your Cordoba to the heavens above. With a power sun roof option in matching body color. Sliding metal roof panel is activated with the touch of a switch.

Cordoba's optional bucket seats available with folding center armrest and cushion or with optional console (shown) plus a recliner for the passenger side. Upholstered in Corinthian leather and vinyl. Shown in red. Also available in gray, midnight blue, teal green or cashmere. Plus white with color interior accents. Optional color-keyed seat belts and floor mats are also available.

Cordoba's optional automatic speed control is one feature you'll really appreciate when traveling long distances at highway speeds. A touch of the lever lets you maintain a constant selected speed.

Cordoba's optional 60/40 fabric individual seats with folding center armrest and passenger-side recliner. Shown in cashmere. Also available in gray, midnight blue, teal green or red. Optional color-keyed seat belts and floor mats are also available.

A thoughtful, practical luxury touch is Cordoba's optional lighted vanity mirror. It allows the front-seat passenger to freshen up en route.

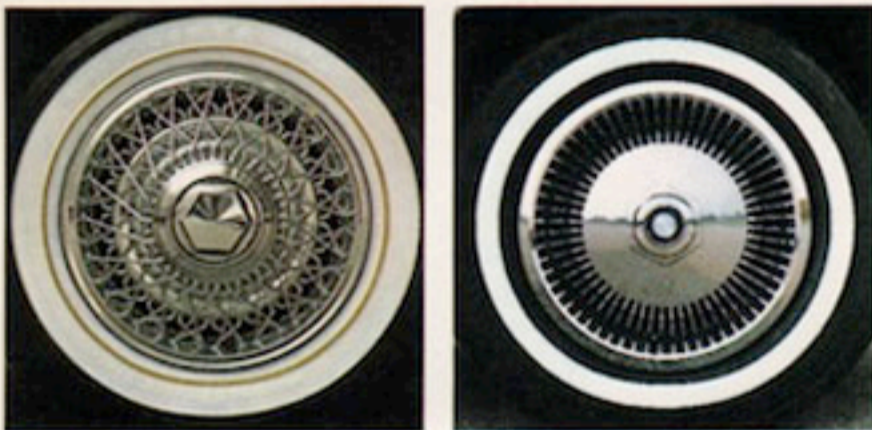

Optional Packages:

Light Package* • Trunk light • Glove box light • Ash receiver light • Ignition switch light with time delay • Headlights-on warning buzzer.

Basic Group Package • AM radio • Standard-size white sidewall tires • Left remote-control outside mirror • Light Package* • Air conditioning (manual) • Tinted glass, all windows • Deluxe windshield wipers • Undercoating with hood pad (not available with federal 318 engine) • Landau vinyl roof • Body-side tape stripe • Deck-lid tape stripes
