**About this catalog.** We have tried to make this catalog as complete as possible. And we hope you find it useful. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

## 1982 CHRYSLER CORDOBA

Sized and designed for contemporary automotive needs.

The 1982 Cordoba is a formal, sophisticated specialty car with classic good looks and flawless good taste. But this car is also a Chrysler, and that guarantees a modern product with a luxurious interior and quiet, smooth ride.

Cordoba has adequate power for its size, and a little something in reserve. The engine is the famous 3.7-liter Slant Six, controlled through a wide-ratio TorqueFlite automatic transmission. There is also an optional 5.2-liter V-8 if you wish to move out even more smartly.

Cordoba has a new standard padded vinyl landau roof which is offered in nine color choices from Cream to Black. An up-and-over roof molding with brushed finish provides a dramatic setting for this formal roof. Inside, there is the comfort of standard 60/40 seating with new cloth-and-vinyl trim . . . a comfort increased by the convenience of an optional AM/FM stereo radio with seek-and-scan electronic tuning. Add the increased safety of standard halogen headlamps and dual remote mirrors, and the ultimate economy of galvanized steel used extensively for body panels that need extra protection against corrosion, and you have Cordoba . . . the very sophisticated Chrysler.

CORDOBA'S STANDARD CLOTH-AND-VINYL 60/40 SEAT WITH FOLDING CENTER ARMREST AND PASSENGER SIDE SEATBACK RECLINER.

## 1982 CHRYSLER CORDOBA

At Chrysler, Quality Is a Science.

Yes, you can own a Cordoba. This is the very affordable Cordoba. The LS model. Yes, it's a Cordoba, but a Cordoba that has traded in upscale sophistication for the sportier, more youthful styling of its wickedly slanted grille and high-back vinyl bucket seats. Special body insulation makes Cordoba LS a world of quiet. And special attention to assembly and fitting gives Cordoba a value that becomes an investment . . . an investment that is extremely attractive to the driver moving into this classification for the first time.

There is more to Cordoba LS than meets the eye. There's a 16.7-cubic-foot trunk. There are power-assisted disc brakes on the front and drum brakes on the rear; dual horns and torsion bar front suspension. And there's the immediacy of Cordoba's high speed starter.

Yes, Cordoba could fool you. So much great Chrysler at such a reasonable price. What a surprise. There are others. An optional cabriolet roof, featured on page 4. You probably thought it was a convertible. That's so typical of Cordoba LS. Not what you might have thought . . . and likely to be a whole lot more.

## 1982 CORDOBA OPTIONS

Pictured here are just a few of the many options available at extra cost on the 1982 Cordoba. One or more of them can only add to your driving pleasure and could mean extra value for you at resale time.

**1. Cordoba's Handsome Control Center.** Shown with standard luxury two-spoke steering wheel and optional air conditioning.

**2. Automatic Speed Control/Intermittent Wipers.** Cordoba's handy multifunction control lever can be outfitted with an optional speed control switch as well as an optional intermittent windshield wiper switch for handling light rains and mist.

**3. Air Conditioning.** The semi-automatic temperature control air conditioning system is easy to use and has ample, proven capacity.

**4. AM/FM Stereo Radio with Search-Tune.** Precision solid state tuning, digital display and 10-station memory—plus bi-directional Search-Tune or direct station selection.

**5. ETR AM/FM Stereo Radio/Cassette Tape Player.** Solid state tuning provides frequency selection with the accuracy and stability of a quartz crystal. Eliminate drift, fading, distortion and mistuning.

**6. Premium Wheel Trim.** A great way to dress up any Cordoba.

**7. Reading Lights.** Considerate illumination for traveling companions who choose to read or knit.

**8. Four-Spoke Sport Steering Wheel.** The soft rim provides a surer grip and better control. (Requires tilt steering column. Available Cordoba LS only.)

**9. Power Door Locks and Windows.** Fingertip control. Driver can close or open door locks and windows at will.

**10. Cabriolet Roof.** The look of a convertible with none of the drawbacks.

**11. Wire Wheel Covers.** Catching the sun and flashing it back, they dress up wheels like sun on the water.

**12. Rear Window Defroster.** Use it to defrost or demist or just to chase away the damp patches.
