

MINI.
MINI CONVERTIBLE.

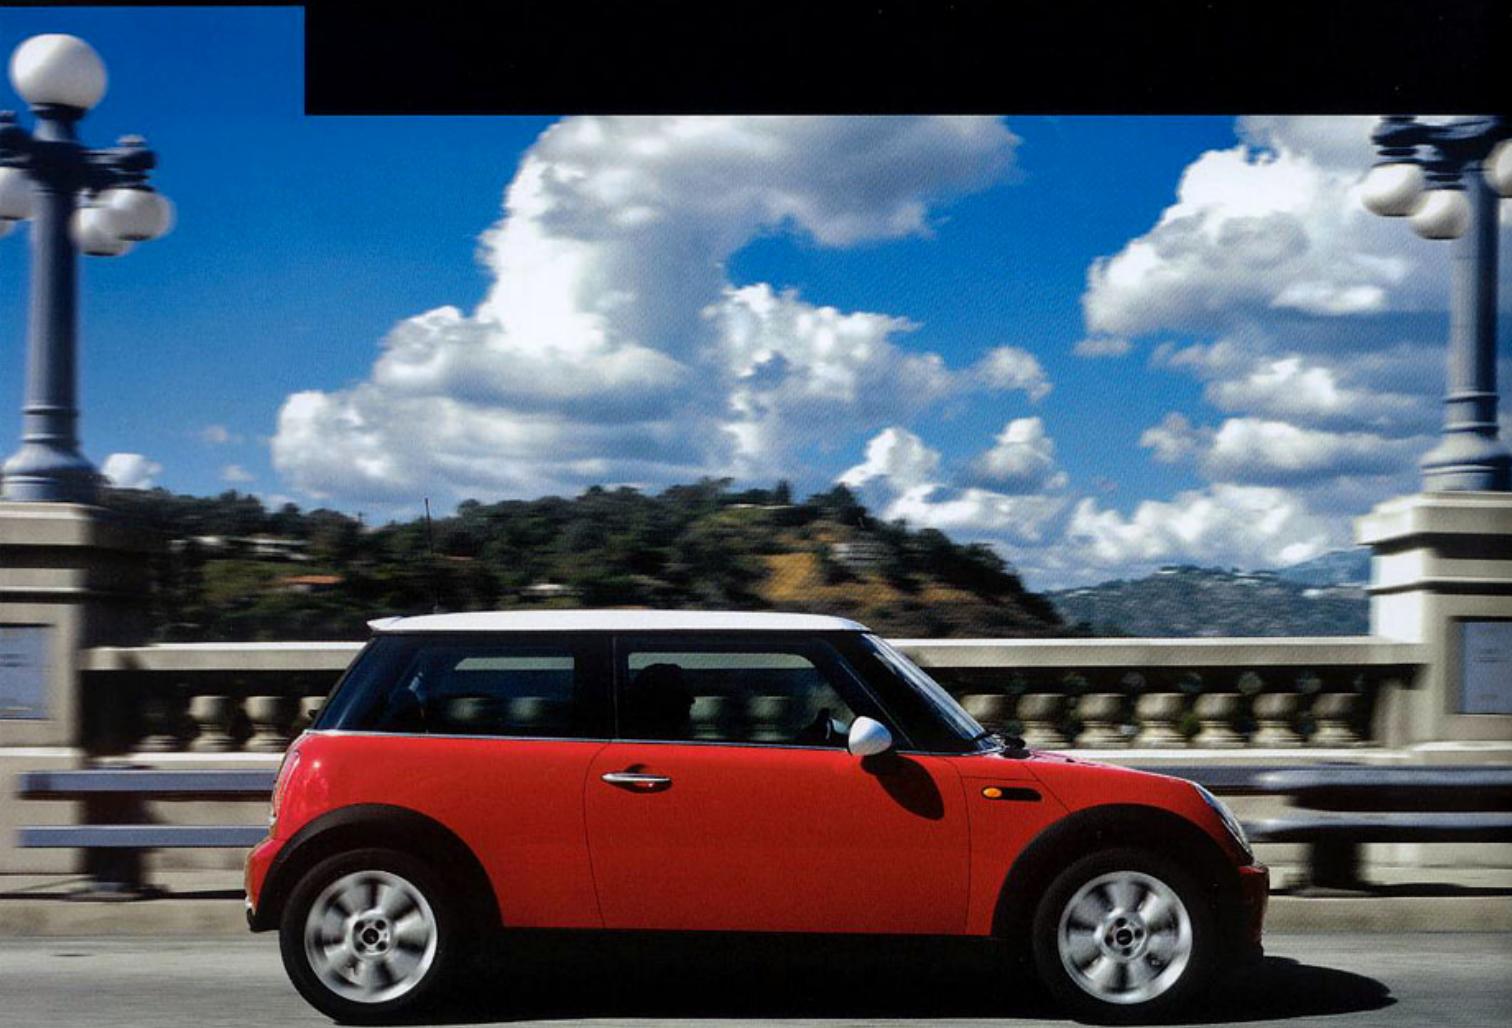

THAT UNIQUE MINI GO-KART FEELING. FUN IN ANYONE'S LANGUAGE.

On the following pages you'll find a few phrases familiar to MINI drivers the world over.

OPEN AS LONG AS YOU LIKE. CLOSED IN 15 SECONDS FLAT.

Blink and you'll miss it. And the integrated sunroof option can even be operated at speeds of up to 70 mph (112 km/h).

WHEELBASE AND TRACK? TWO WORDS – LONG AND WIDE.

Take a wide track, long wheelbase, short overhangs and low centre of gravity. What do you get? That distinctive MINI go-kart feeling.

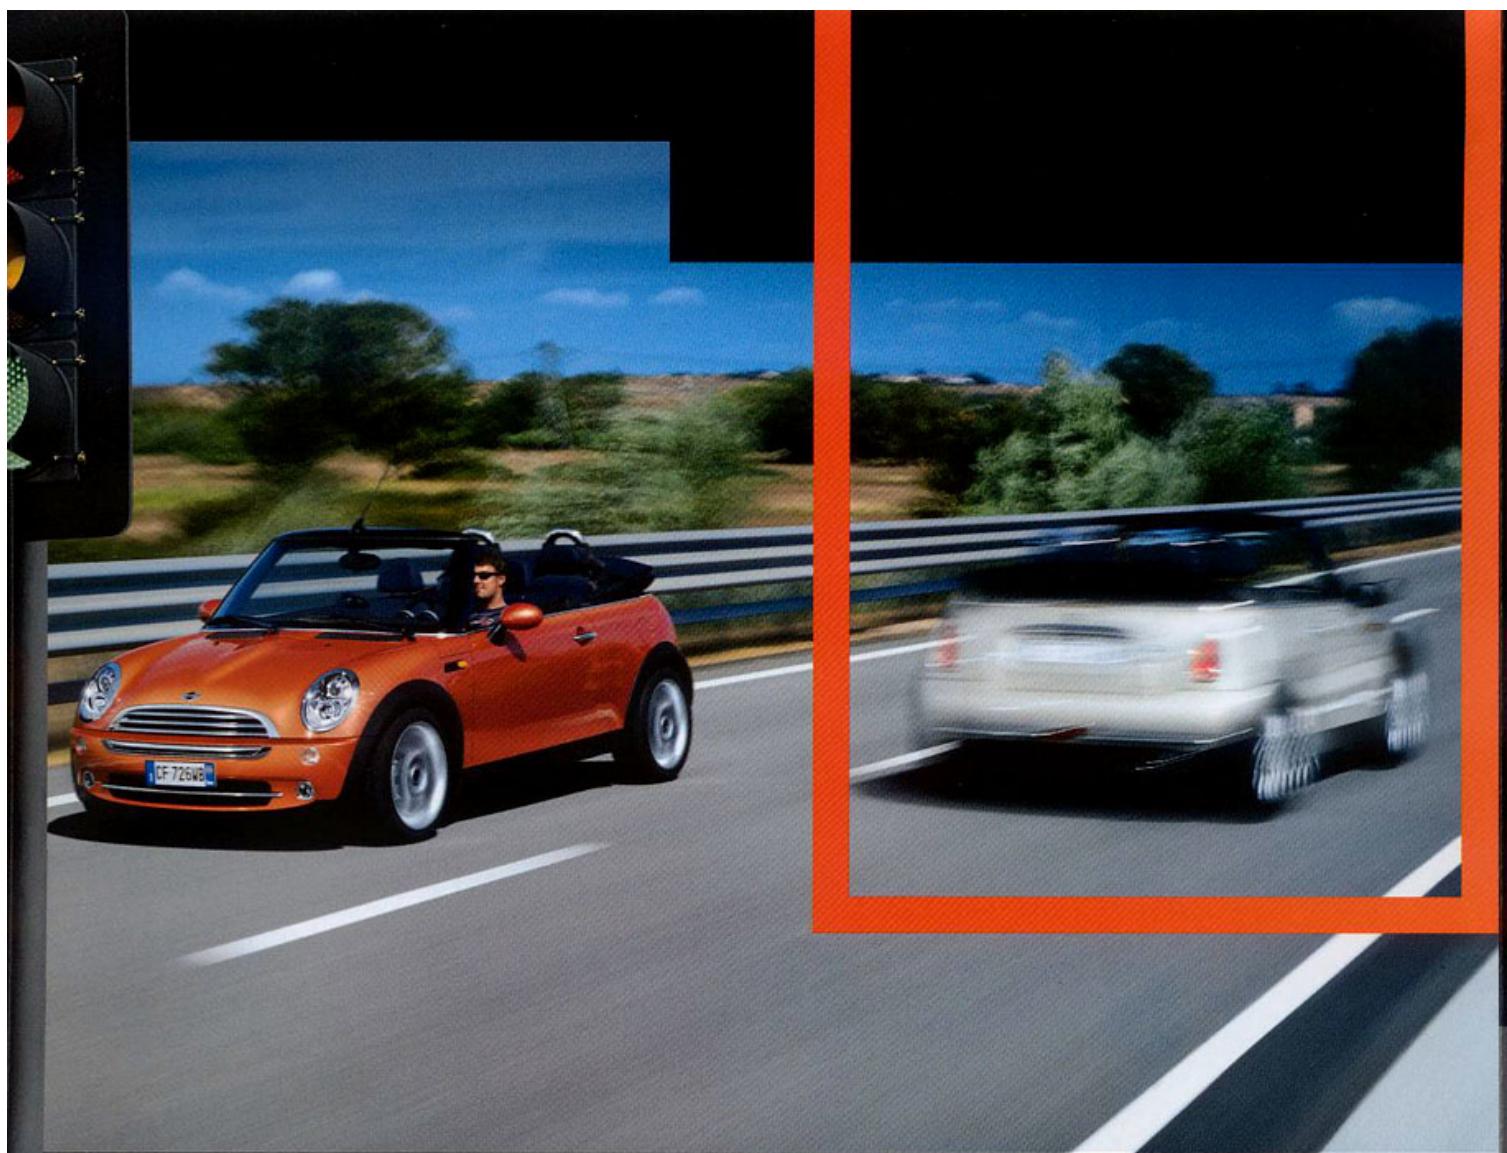

ROOM FOR FOUR, THRILLS FOR ALL.

Every MINI is a genuine four seater. And with the MINI Convertible you get unlimited headroom too.

TOO FAST? WAIT UNTIL YOU GET OUT OF SECOND GEAR.

The MINI Cooper S has a 1.6 litre engine, 170 bhp power output, 220 Nm of torque and reaches 62 mph (100 km/h) in just 7.2 seconds. Or to be technical - it's very quick.

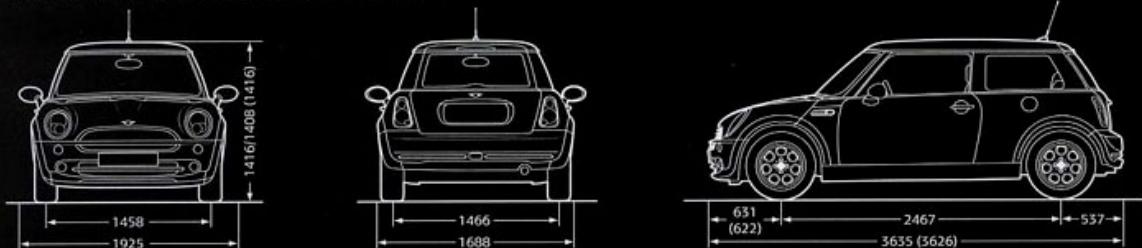

BETTER PROTECTED THAN FORT KNOX.

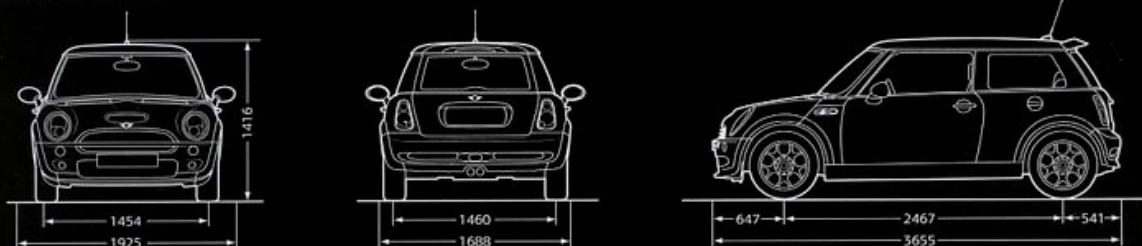

MINI has ABS, CBC and EBD (as standard on all MINIs) with optional ASC+T (standard on MINI One D, MINI Cooper S and MINI Cooper S Convertible) and DSC (optional on all MINIs).

MINI ONE. MINI ONE D. MINI COOPER. MINI COOPER S.

MINI ONE. MINI COOPER. (MINI ONE D).

MINI COOPER S.

All figures in millimetres.

As individual as you are: a roomy interior, and the seats (sport seats available as an optional extra or as standard on the MINI Cooper S) are ideal for all shapes and sizes.

The optional navigation system with 16:9 LCD monitor guides you to your destination with a combination of voice directions, arrows and/or maps.

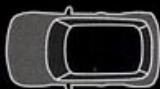

Depending on the model you chose, the instrument panel is available in high-gloss anthracite (as standard on MINI One, MINI One D and MINI Cooper) or alloy patina (as standard on MINI Cooper S). Brilliant silver and wood effect trims are also available as options on all models. In addition, on the MINI Cooper S, there is also a choice of two body colour finishes.

MINI ONE CONVERTIBLE. MINI COOPER CONVERTIBLE. MINI COOPER S CONVERTIBLE.

MINI ONE CONVERTIBLE. MINI COOPER CONVERTIBLE.

MINI COOPER S CONVERTIBLE.

All figures in millimetres.

The MINI Convertible's automatic soft-top not only opens and closes at the touch of a button in just 15 seconds, it also features an integrated sunroof that can be opened to 40 cm when you're driving at speeds of up to 70 mph (112 km/h).

We call it the Easy Load Function – when the soft top is up, the tailgate folds down and the back of the roof swings up, taking the hassle out of loading and unloading. Very useful, what with the 605 litres of luggage space.

available as a no-cost option on the MINI Cooper Convertible and MINI Cooper S Convertible.

With MINI Convertible there's more choice than you can shake a stick at. The dazzling array of paints, upholstery and soft-top colours mean you can have yours just the way you want it. One of our particular favourite colours is metallic Cool Blue – depending on how light hits it, it can look almost grey or a sparkling blue. Brilliant.
