

2015 TRAX

CHEVROLET

Trax LTZ in Victory Red with available features.

URBAN ADVENTURE BEGINS WITH THE ULTIMATE CITY SUV.

It's your city – conquer it with the fuel-efficient Trax. With the stance of an SUV and the nimble handling of a small car, Trax is the crossover that can take on anything. Go straight from the art gallery to the mountain bike trail with a 1.4L turbocharged engine, available all-wheel drive and folding rear seats for plenty of cargo space. Feel secure with the class-leading technology of 10 standard airbags.¹ Plus, you can be connected to the busy world around you, because Trax features OnStar 4G LTE² with Wi-Fi[®] hotspot³ capability built right in.

¹ Based on WardsAuto.com 2014 Small Cross/Utility Vehicle segment and latest competitive information at the time of printing. Excludes other GM models. ² Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms). OnStar acts as a link to existing emergency service providers. After the trial period (if applicable), an active OnStar service plan is required. ³ Devices must be WPA2 compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations.

FIND NEW ROADS™

EXTERIOR DESIGN

“SURPRISINGLY COMFORTABLE,
POWERFUL AND LIKEABLE.”

— AUTOS.CA

Trax LTZ in Victory Red
with available features.

TAKE ON THE CITY. Trax has the elevated vantage point of an SUV and the agile handling of a compact car. Its wide stance and available all-wheel drive give you the confidence to handle any season and anything your week throws at you.

BOLD, AGGRESSIVE STYLING. With a sculpted look that is all its own, Trax also echoes the styling cues that distinguish Chevrolet from everything else on the road — namely its dual-port grille and signature bowtie badging.

UPSCALE LTZ DETAILS. The bold look of Trax LTZ gets an added element of style thanks to 18" aluminum wheels, fog lamps and a chrome liftgate handle.

THE STANCE AND STYLE OF AN SUV. THE NIMBLE HANDLING OF A COMPACT CAR.

1. The compact dimensions of Trax can easily take on the big, bustling city.
2. A stylish spoiler adds a sporty touch to the rear liftgate.
3. Pronounced wheel flares and swept-back tail lamps give Trax a sculpted look.

ROOM TO FIT YOUR LIFE. Whether you're a mountain biker or a record collector, you need enough space for a few of your favourite things. Trax has you covered with room for five people or up to 1371 L (48.4 cu. ft.) of cargo space¹ with the rear seats folded down.

FLIP, FOLD, STASH, GO. With flip-and-fold rear seats that provide a large load floor, Trax has room for bikes, bags or whatever else you need on the go. Plus, you can stash smaller items out of sight with convenient storage areas, including a hidden underfloor compartment.

BONUS SPACE. When it comes to cargo-carrying flexibility, Trax goes to great lengths to accommodate. The front passenger seatback folds flat so you can carry longer items such as a ladder.

¹ Cargo and load capacity limited by weight and distribution. Always secure all cargo. See Owner's Manual for details.

CARRY EVERYTHING FROM RECORDING EQUIPMENT TO MOUNTAIN BIKES.

1. 60/40 split-folding rear seats and a fold-flat front passenger seat offer numerous seating configurations for you and all your gear.
2. A cargo cover keeps your stuff hidden and your mind at ease.
3. Trax features more than a dozen different storage areas – including a two-tier glovebox.

INTERIOR DESIGN

Trax LTZ interior in Jet Black/Brownstone with available features.

INTERIOR COMFORTS. Step inside Trax and you'll find everything you need to make the road trip of life as pleasant as a five-block commute. The comfortably appointed interior is your customizable cockpit for taking on the city.

STORAGE GALORE. From sunglasses to smartphones, Trax gives you a place for everything. There's a bin at the top of the centre stack, a covered storage area in the instrument panel, dual-level door storage, plus six cupholders for front- and rear-seat passengers.

SEAT OF POWER. Find exactly the right driving position with a 6-way power driver seat (standard on 2LT and LTZ). There are even available heated front seats for when a polar vortex pops in for a visit. Plus, a tilt and telescopic steering column is standard on all models.

CONQUER THE CITY IN A COCKPIT DESIGNED FOR CONVENIENCE.

1. The instrument gauge cluster combines digital readouts with analogue displays. Ice-blue ambient lighting sets the mood.
2. Customize your cockpit with an available power 6-way adjustable driver seat.
3. Cruise in comfort with the standard driver inside armrest.
4. Keep items stowed and out of view with the front passenger under-seat storage tray.

SMARTPHONE, MEET THE SMART SUV. Available Chevrolet MyLink^{®1} is connected to an integrated 178 mm (7-in.) diagonal colour touch-screen display, providing access to your smartphone's playlists, photo galleries, movies, phone book and other stored media.

SIRI EYES FREE. Trax is the first vehicle in its class² to integrate Siri Eyes Free. Through Chevrolet MyLink! you can use the power of Siri to interact with your compatible Apple iPhone[®] using voice commands, all while keeping your eyes on the road.

CHOOSE YOUR OWN SOUNDTRACK. With Chevrolet MyLink, it's easy to connect your music player to the standard USB port.³ Access apps like Stitcher SmartRadio^{®4} or TuneIn,⁴ a smartphone app that lets you stream over 70,000 radio stations from around the world.

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Trax does not include functionality such as enhanced voice recognition, Gracenote and CD player. Visit MyLink.Chevrolet.ca for more details. ² Based on WardsAuto.com 2014 Small Cross/Utility Vehicle segment and the latest competitive information at the time of printing. Excludes other GM models. ³ Not compatible with all devices. ⁴ Data plan rates apply.

INNOVATIVE TECHNOLOGY CONNECTS YOUR PHONE TO TRAX AND YOU TO THE WORLD.

1. BringGo⁵ is an affordable turn-by-turn navigation app that works on your smartphone and on the Chevrolet MyLink colour touch-screen.
2. Enjoy 120 channels of commercial-free music, sports, comedy, weather and more with a 3-month trial package from SiriusXM Satellite Radio.^{™6}
3. The rear vision camera, standard on 2LT and LTZ models, allows you to check for stationary objects and people behind your Trax when travelling in reverse at low speeds.
4. Choose from three available sound systems, including the ultimate 7-speaker Bose[®] audio system specially tailored to the acoustics of Trax (standard on 2LT and LTZ, available on LT).

⁵ Requires available Chevrolet MyLink. BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply. See dealer for more information. ⁶ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca.

PERFORMANCE

“...A WELL-EQUIPPED,
FUN-TO-DRIVE,
COMPLETELY PRACTICAL
FUEL MISER.”

— TREVOR HOFMANN, CARCOSTCANADA.COM

SAFETY

3 Airbag inflation can cause severe injury or death to anyone too close to the airbag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

TURBOCHARGED PERFORMANCE. Trax has the power you need with a standard 138-horsepower ECOTEC® 1.4L turbocharged 4-cylinder engine. This engine features Variable Valve Timing, which helps Trax achieve a highway fuel consumption rating of just 6.9 L/100 km!

SIX-SPEED TRANSMISSIONS. A smooth-shifting 6-speed automatic transmission is standard on LT and LTZ models. You can also manage your own shift points with the Driver Shift Control feature, or take full command with the slick-shifting 6-speed manual transmission on LS models.²

FOUR-SEASON CAPABILITY. For added security, the available all-wheel drive (AWD) system engages automatically when accelerating from a standing start and shifts to FWD mode at speeds above 5 km/h (3 mph) when the system detects there is no wheel slip, maximizing efficiency.

¹ 2015 Chevrolet Trax front-wheel drive (FWD) with 6-speed manual transmission. Fuel consumption estimates based on GM preliminary testing in accordance with new 2015 Model Year Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ² 6-speed automatic transmission is available.

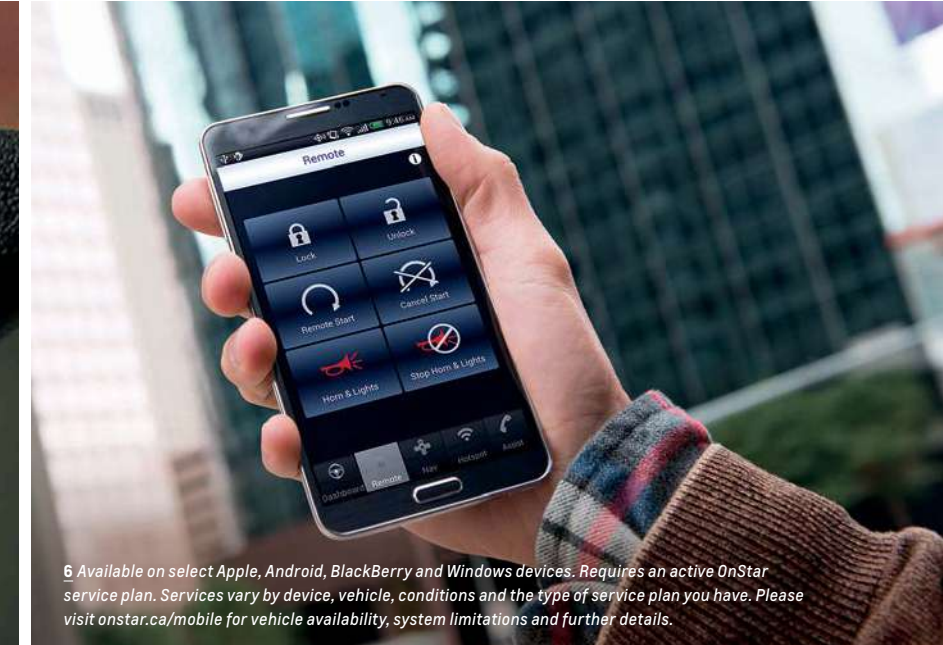

⁴ Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms). OnStar acts as a link to existing emergency service providers. After the trial period (if applicable), an active OnStar service plan is required. ⁵ OnStar acts as a link to existing emergency service providers. Not all vehicles can transmit all crash data.

INNOVATIVE TECHNOLOGY. Trax was designed with a class-leading safety package that includes 10 standard airbags,³ StabiliTrak® Electronic Stability Control System, traction control and Hill Start Assist, which holds the vehicle stationary for up to two seconds after the brake is released to give you time to accelerate before rolling backward.

THE POWER OF ONSTAR. The safety of OnStar^{®4} includes Automatic Crash Response.⁵ In many crashes, built-in sensors automatically alert an OnStar Advisor, who is connected to your Trax. Even if you cannot respond, an OnStar Advisor can use GPS technology to pinpoint your location and request help be sent right away.

ONSTAR REMOTELINK. You can lock and unlock your doors, and keep up to date with vehicle information and maintenance details — all right on your compatible smartphone with the OnStar RemoteLink^{®6} app. These RemoteLink Key Fob Services are included for 5 years as part of the OnStar Basic Plan.⁷

⁶ Available on select Apple, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit onstar.ca/mobile for vehicle availability, system limitations and further details.

⁷ The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2015 Model Year vehicle and is transferrable. It includes OnStar Vehicle Diagnostics (capabilities vary by model), Dealer Maintenance Notification and access to RemoteLink Key Fob Services (available on select Apple, Android, BlackBerry and Windows devices). Please visit onstar.ca/mobile for more details. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service, or Hands-Free Calling. These and other services are available under a paid plan. See OnStar User Terms and Privacy Statement (including software terms) for more details. If you sell your vehicle or wish to cancel use of Basic services, you must contact OnStar at 1.888.4.ONSTAR (1.888.466.7827).

**STAY CONNECTED WHILE
YOU'RE AWAY FROM
YOUR CONNECTION.**

¹ Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms). OnStar acts as a link to existing emergency service providers. After the trial period (if applicable), an active OnStar service plan is required. ² Devices must be WPA2 compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations.

INTERNET IN YOUR TRAX. Chevrolet is the first and only car company to bring built-in OnStar 4G LTE¹ with Wi-Fi[®] to cars, trucks and crossovers, allowing drivers the ability to seamlessly connect their smart devices and vehicles to the Internet.²

THE ULTIMATE MOBILE WI-FI HOTSPOT. Whenever your Trax is on, available OnStar 4G LTE Wi-Fi is on too. It offers great signal quality and bandwidth for up to seven devices.³

FAST, EASY, RELIABLE. The strong signal means you have a reliable connection. It's automatically on after initial setup and ready to connect to your mobile devices.⁴

CHEVROLET COMPLETE CARE We're with you all the way. Chevrolet Complete Care reflects our commitment to you and your new Trax. Please visit chevrolet.ca or see your dealer for full details.

INFORMATION RESOURCES You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The Chevrolet website at chevrolet.ca
- The Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model

¹ Whichever comes first. Additional conditions and limitations apply. See dealer for details. ² Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. ³ Visit onstar.ca for coverage maps, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. After the trial period (if applicable), an active OnStar service plan is required. ⁴ The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2015 Model Year vehicle and is transferrable. It includes OnStar Vehicle Diagnostics (capabilities vary by model), Dealer Maintenance Notification and access to RemoteLink Key Fob Services (available on select Apple, Android, BlackBerry and Windows devices). Please visit onstar.ca/mobile for more details. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service, or Hands-Free Calling. These and other services are available under a paid plan. See OnStar User Terms and Privacy Statement (including software terms) for more details. If you sell your vehicle or wish to cancel use of Basic services, you must contact OnStar at 1.888.4.ONSTAR (1.888.466.7827). ⁵ Capabilities vary by model. Visit onstar.ca for details and system limitations. ⁶ Conditions and limitations apply. ⁷ Subject to eligibility. ⁸ Program subject to change.

years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.
