**THE BIG DADDY
OF SUVs IS HERE**

THE ALL-NEW

SCORPIO

FOR US, IT'S THE ALL-NEW SCORPIO-N.
**FOR OTHER SUVs,
IT'S THEIR
BIG DADDY.**

Why? Well, tell you why. It has an unmissable presence. A powerful engine. High-tech gadgetry. That Command seating. Look, we can go on and on about the Big Daddy-ness of Big Daddy. But here are just some things you should know.

This isn't a brochure. These are reasons to respect The Big Daddy.

ALLEYES ON DADDY

The Big Daddy is what you get when aspiration meets attitude. When sophistication meets performance. And when urban meets style. Designed with a larger-than-life persona and a towering new look, when the all new Scorpio-N is present, everyone senses it.

Daddy Likes To Stand Tall

With big R18 Diamond cut alloy wheels, an elevated bonnet and a lofty shoulder line - the Scorpio-N stands tall like an authentic SUV. Giving this beast great stance and proportions.

Signature Front Lamps

The signature front double barrel LED headlamps and sting like DRLs encasing the fog lamps of the Scorpio-N make sure your eyes are set on the road. They also make sure all the eyes on the road are set on the Big Daddy.

LED The Way

Sequential LED turn indicators add a contemporary touch to the Scorpio-N's futuristic design.

Daddy's Handsome

The all new Scorpio-N dons fierce cladding & a powerful full-width front grille featuring premium chrome talons. Making every ride a bold statement to the world.

Feel The Authority

The all new Scorpio-N features the highest Command seating* in SUVs. So you get all-round visibility. That's why the seat of authority is always reserved for Daddy.

The Tale Of The Tail

You aren't only mesmerised when the Scorpio-N arrives. But even when you see it leave. The rear look along with tall tail lamps gives justice to the thumping power that Daddy exudes. It's clear from every angle, for the Big Daddy, nothing other than Big will do.

Infused With Luxury

Finished with symbolic design and hues, the Big Daddy has a scorpio sting chrome window line, a leather wrapped dashboard with metal finished dual rails, seats with rich coffee-black leatherette upholstery, chrome door handles and a sunroof for unhindered views.

* in its class

DADDY'S SMART

Authentic Mahindra SUV embellished with a lot of high-tech gadgetry. The mighty new Scorpio-N packs intelligent tech and human-machine interface, engineered to give you an immersive experience.

Future On A Platter

With the latest cockpit domain controller technology AdrenoX on board, Daddy is here to make you experience the future. Equipped with a highly capable Snapdragon SD6 processor and coupled with 70+ connected car features, it brings everything down to a touch in the cabin and on a mobile app.

A Screen For The Superstar

A 17.78 cm cluster and a 20.32 cm infotainment screen, that is equipped with Android Auto & Apple Carplay compatibility, GPS navigation, Bluetooth & USB connectivity.

Beats Every Beat

12 Speaker Sony System that are placed using acoustic science so that you feel every beat with 3D Immersive Audio. In the Big Daddy, you don't just listen to music, you experience it.

what3words

The first SUV in the world to feature Alexa enabled what3words to help you navigate to a precise location using a unique and easy to remember 3-word combination.

Wireless Everything

Scorpio-N comes equipped with contemporary conveniences like wireless charging.

Your Voice Is Our Command

Control features in Daddy's den using only your voice. Thanks to Alexa.

DADDY DOMINATES

Get ready for a superior driving experience because when you get riding with Daddy, you experience thrill in an all new manner. With its excellent transmission, drivability and a high performance engine, the Scorpio-N performs to outperform.

Say High To Power

Power runs in daddy's veins. The 149.14 kW mStallion Turbocharged Gasoline Direct Injection engine (380 Nm Torque) and 128.6 kW mHawk All-Aluminium Diesel engine (400 Nm Torque) overflows with the power that is synonymous with the Scorpio DNA.

Gear Up For Effortless

Both the engines come with 6-speed manual as well as automatic transmissions equipped with the segment first 'shift-by-cable' technology to offer excellent shift quality and drive comfort.

Zip-Zap-Zoom

Zip for easy control and smooth riding, especially through traffic. Zap for a true Mahindra SUV performance. Zoom to amp it up for a more engaging and potent drive quality.

The all new Scorpio-N is as snug as a bug in a rug. Its interior promises luxury and freedom of space like no other.

DADDY ONLY RIDES FIRST CLASS

Head Start On Convenience

Remote start engine and temperature control to set things in motion even before you step in. Moreover, it dons the AdrenoX Connect App to control geo-fencing, sun-roof and windows for extra security and convenience.

Convenience Customised

Scorpio-N's Dual-zone Fully Automatic Temperature Control (FATC) allows you and the co-passengers to set different temperatures as per their preferences. And the dynamic rear AC cools every end.

Power As Soon As You Sit

Whether you like a low tucked-in seat or a high view of the road, the 6-way adjustable power seat allows for both and everything in between.

Mighty Accommodates The Mighty

Both the 6 and 7 seater variants of the Scorpio-N feature wide body-hugging seats with extra thigh support for a soothing ride.

Impacts Don't Impact Daddy

The roads can go up or down or anywhere. Daddy will just go forward. With the help of Penta Link suspension that features the first in category, WATT's Link Suspension. Moreover, it is equipped with the first in segment "Frequency Dependent Damping (FDD)" technology & advanced shock absorbers equipped with MTV-CL technology to swallow harsh impacts. This means better ride-quality and easier control around corners for you.

Always Alert

With the front and rear camera visibility, nothing misses the eyes of the all new Scorpio-N.

Big Boot

The double dump seat folding mechanism of the 3rd row with 2nd row fold allows up to a 786 litre boot space for your trip essentials.

Precise Control

The all new Scorpio-N's electric power steering can powerfully yet precisely steer onto every twist and turn. The feather-light steering efforts coupled with excellent returnability makes city driving with sharp corners and narrow lanes a walk in the park. Moreover, the precise control and accurate feedback of the steering invites you to experience spirited handling with confidence.

THERE'S NO MATCH FOR DADDY

When it comes to capabilities, Mahindra SUVs are lonely. Because no one else even comes closer. Every feature is crafted to outperform the last.

SCORPIO

Full of Powerful

Scorpio-N is built to be a rear wheel drive, authentic Mahindra SUV, giving an added push to the already remarkable torque.

Reign Every Terrain

High performance tailored for the terrain you're driving on, at your fingertips.

Daddy's traction capabilities are enhanced by employing the most advanced 4XPLOR terrain mode that intelligently optimises the traction for different terrains automatically.

So be it snow, sand, mud or a normal road, with the 4 low and 4 high gear options - Daddy's always in control.

Strong From Scratch

This 'engineered from scratch' platform gives Scorpio-N an agile structure that intimidates everyone else. The strong yet efficient "next generation 3G frame" whose bending and torsional stiffness is significantly improved to provide a world-class structural rigidity, off-roading capability and impressive high-speed stability. Moreover, the high-strength steel make is designed to give added muscle to the whole body and frame.

Daddy Doesn't Slip

Mechanical & brake locking differential that electronically locks up all axles in slippery conditions for maximum traction. Electronically controlled BLD arrests slip at each axle to ensure progress, no matter what.

The image shows the interior of a Mahindra Scorpio-N with all airbags deployed. The seats are brown leather with black stitching. The airbags are white and inflated, including the front passenger, driver, and side airbags. The background is a dark green color.

DADDY CARES

At Mahindra, we've always believed in setting high standards for safety. And the story continues with the all new Scorpio-N.

WITH ESC

Come What May

6 Airbags to protect you from every angle. The front, side and curtain airbags ensure the utmost safety of every occupant.

Never Not Safe

The Driver Drowsiness Detector triggers an audio visual alert to the driver if he feels drowsy while driving.

In Case of Emergency

As soon as you press the SOS button, or when an accident is detected, the Scorpio-N tech triggers a message to With You Hamesha and your emergency contacts along with your geo location. Come what may, Daddy's got your back.

Able To Be Stable

No one controls Daddy except Daddy himself. Its Electronic Stability Control (ESC) suite packed with 18 features maintain complete control during steep turns, high speed, and panic braking.

WITHOUT ESC

Ready & Steady

Uphill ride or downhill descent, it's no worry with Scorpio-N. Hill Hold to hold it from rolling back, in case you've stopped uphill. And Descent Control to limit its speed without your input when going down hill on a steep slope.

Everyone's safe when Daddy's around

ISOFIX / i-SIZE enhances safety when riding with children in the all new Scorpio-N.

Brake Right

Daddy doesn't usually stop. But when it does. It stops with precision. Thanks to ABS and EBD coupled with all 4 disc brakes on it.

Monitors Danger

The state-of-the-art tyre pressure monitoring systems keep the tyre pressure and temperature in check. And alerts you to keep you averse from danger.

WHY MAHINDRA GENUINE ACCESSORIES?

Quality : Each Mahindra Genuine Accessory comes to you directly from M & M and is certified for its compatibility & reliability. Mahindra Genuine Accessories are designed & produced specifically for your car. Only Mahindra Genuine Accessories **PROTECT THE CAR WARRANTY.**

Convenience : We have over 300 dealerships that stock Mahindra Genuine Accessories. Select the accessories of your choice at the time of booking your **SCORPIO-N** and your M & M dealer will have it fitted on your vehicle before delivery to provide the comfort of driving out in a fully accessorised/loaded car with complete confidence.

Savings : Many people accept the risk of buying accessories of questionable origin or quality when they don't need to. The prices of Genuine Mahindra Accessories are competitive when compared to lower quality substitutes available in local markets which may harm your vehicle and risk your safety too.

An Investment in Quality : You've invested a lot to acquire the SCORPIO-N, one

of the finest vehicles in India. You also invest thousands of rupees over the years on insurance, fuel and car care to keep your Mahindra vehicle operating at its peak. Couple this with all of the time you spend in your SCORPIO-N, and it truly is one of your most valuable possessions. All of its components and accessories work in harmony to deliver the driving experience in style.

Beware of accessories from unknown sources & brands : Don't risk the health of your Mahindra vehicle with accessories from questionable sources. Often they are from aftermarket suppliers produced with sub-standard materials and production practices. Many are sold as genuine accessories but come from a black market surplus rejected by Mahindra's strict quality controls. You've got too much invested to take that chance. All of our accessories come directly from M&M's own Accessories Division. They are designed to integrate seamlessly with your car, all accessories are tested and validated for each vehicle. Thus ensuring your complete satisfaction with the product. Our accessories carry M&M's pan-India guarantee of quality that protects the factory warranty of the car. Only authorised dealers of Mahindra can provide this assurance and the peace of mind that comes with it.
